

Blue Devils and Sylvania play to 6 to 6 tie

The Statesboro Blue Devils tempt for the winning extra point. The Screven County Gamecocks tied 6-6 at Sylvania Friday night before 2,000 rain-soaked spectators.

Coach Ernest Teel of Statesboro said following the game, "I'm never satisfied with a tie, but I think this game indicated how much we've improved since the season started. Back on

Sept. 4 when I saw Screven County defeat Blackhawk 66-0, I had little hope we'd ever be able to play them to a tie."

Both teams scored in the fourth quarter, and both had running plays go awry in at-

tempts for the winning extra point. The Screven County Gamecocks tied 6-6 at Sylvania Friday night before 2,000 rain-soaked spectators.

The tie virtually eliminated both teams from the Region 2-A race, leaving them each with a record of two wins, one loss, and one tie. Dublin leads with 4-0, and Washington County of Sandersville is next at 1-3-1.

Swainsboro has defeated Cochran, tied Blackshear, and lost to Claxton, Dublin, Vidalia, Emanuel County, and Washington County.

Swainsboro won the toss for the first time this season, and added by a roughing-the-kicker penalty against Screven County, made a first down at the 40.

Joey Hagan had a long run nullified by a clipping penalty, and Danny Bray's punt for only 18 yards, out on the Screven Co. 47.

Bob Mills, Richard Boykin, and Steve Jordan led a drive to the Statesboro 10 and a first down. Boykin was stopped for no gain, as was Mills, and then Jimmy Cason made a great diving tackle to restrict Boykin for a four yard gain to the six.

Jordan's fourth down pass fell incomplete in the end zone. Two quarterback sneaks by Auston Youmans moved the ball out to the 12, and Bray punted 41 yards down at the Screven Co. 45. The rest of the half amounted to a punting duel, with Statesboro's deepest penetration reaching the Screven Co. 38, and the host team's best drive reaching Statesboro's 49.

Boykin returned the second-half kickoff 27 yards to the 38, and the host team's best drive reached Statesboro's 49.

Statesboro 36. Boykin gained seven and four to the 25. Boykin earned six yards up the middle, and Jordan kept twice for three and two down to the 14. Boykin and Jordan moved it to the three. A need-less roughing penalty put the ball on the one, and Jordan sneaked in for the score. Screven Co.'s Boykin tried for the extra point on a right halfback dive play and was stopped short of the goal, and the game's final result was in, 6-6.

Statesboro made one last attempt to win, moving the ball with about two minutes remaining. Hagan was held to one yard on a right end run, and McGlamery picked-up five around the other side of the line. Hagan's halfback pass was batted down, and Cason slipped and fell after catching a screen pass, and the game ended shortly thereafter.

The slippery going held both teams' passing attack to virtually nothing. Good punting and better tackling highlighted the affair. Statesboro's center Lindsey Johnston was the defensive standout, closely followed by Statesboro's end Carl Atkins and linebacker Jimmy Cason, and by Screven County's end Bill Mills, and guard James Brower.

Hagan gained 78 yards in 20 carries, and McGlamery 61 yards in 10 tries, to pace Statesboro ball-carriers. Cason added 27 yards in 11 attempts, Brock 35 in two, and Youmans 18 yards in nine. Boykin paced Screven with 86 yards in 16 carries.

AN OPEN LETTER

To the Voters of Bulloch County:

Subject to the rules of the Democratic Primary to be held on Wednesday, November 18, 1959, I hereby announce my Candidacy for the office of Chairman of the Board of County Commissioners of Roads and Revenues of Bulloch County.

Though it will be impossible for me to see every voter before election, I want the general public to know through his medium that I am elected I will diligently and earnestly discharge the duties of this office and always to the very best of my ability.

For more than 20 years I have served in various executive capacities in the Armed Forces. This experience coupled with my years of service both as an employee and as the owner of a wholesale grocery and notions business, I feel, helps qualify me in being able to discharge the duties demanded of this office. I have worked over the years with the various church, civic and service organizations of the community and have been an active supporter of the Chamber of Commerce and its program.

If honored with this office, I pledge myself to conduct its affairs in a fair and impartial manner to all of our citizens and to apply my best efforts towards getting the most for our county that is available through state and Federal agencies.

I will appreciate your support and your vote. If I am elected I will be humble and grateful and will constantly strive to merit the confidence placed in me.

Respectfully,
HENRY J. ELLIS

It's time to renew your investment again

On Tuesday of next week, November 10, your business and professional neighbor will be calling on you to renew your investment in the future of Statesboro and Bulloch County.

For on that day over seventy-five business and professional men will spread out over Statesboro and Bulloch County in a one-day membership drive for the Statesboro and Bulloch County Chamber of Commerce.

This year the Chamber of Commerce is launching one of its most ambitious programs and one which will bring satisfying dividends to our business and industrial community.

A budget of \$19,200.00 has been approved by the board of directors of the Chamber. Included in this are funds with which to employ a full-time executive manager.

Membership in the Chamber of Commerce is an investment in which there should be no need for promotion. This is an investment which the business and industrial leaders of our city and county should make without urging. Your membership is a notice

to the community that business and industry are aware of their responsibilities to the community which supports them. The community, in turn, must be made aware that business and industry take the lead in the development and progress the community makes.

An interdependency exists between business and industry and the community, based upon a deep love for Statesboro and Bulloch County. One cannot develop and progress with the other.

It takes the cooperative efforts of all business and all industry and all professions to give drive to our progress, our growth and our development along all fronts.

When you are approached by a member of the Chamber of Commerce, who is giving his time and effort, free, to secure your membership or your membership renewal, don't demur and how about it—go ahead and make your investment in the future of our community.

It's an investment you need to make to assure the continued growth and progress of Statesboro and Bulloch County.

Jaycees looking for Outstanding Young Farmer

The Statesboro Junior Chamber of Commerce is again seeking the "Outstanding Young Farmer of the Year" from Bulloch County.

Annually the Jaycees select and honor a young Bulloch County farmer between the ages of twenty-one and thirty-five. Some young man who loves the land. One who may own his own farm, may rent a farm, or one who may share-crop a farm. One who seeks ways and means to develop the land. One who follows

accepted practices in soil conservation.

Candidates may secure the proper information from Mr. Al Coursey, chairman of the Jaycee committee which is handling the project or from Bob Brooks, Tommy Powell, Rudolph Rushing and Jimmy Blich.

Here is a worthy activity carried on by the young business men of Statesboro who work together as members of the Junior Chamber of Commerce, and we commend them for it.

You may need a lot of blood one of these days

The regular visit of the Regional Bloodmobile is today.

Comes around swiftly, doesn't it?

It seems just yesterday that you were a donor and contributed a pint of your blood.

Well it's been longer than just yesterday, but the need of blood is still with us. What with winter coming on more people need to go to the hospital with conditions which require the use of life-saving blood.

And who is to say that it will

not be you who may have to go to the hospital and need blood—a lot of blood.

Put sort of bluntly, is it not? So it is. But sometimes it takes this bluntness to drive home a point.

Volunteer yourself as a blood donor. There's great personal satisfaction which comes from it. And who knows, you may be just the one who might need it most—one of these days.

Today from 1 to 6 p.m. at the Recreation Center.

Santa Claus to ride the train again this year

It was a memorable occasion for young and old alike, it was.

The day last year they rode the train over to Dover to pick up Santa Claus and bring him to Statesboro to officially open the Christmas season in Statesboro and Bulloch County.

Well, there's good news this

week. Arrangements are being made to have Santa Claus picked up at Dover again this year and brought to Statesboro to officially open the 1960 Christmas season on Tuesday, December 1.

Additional information will be released later.

These for safety's sake

Motorists, don't forget that there are other cars out there on the street or highway with yours—and now and then a pedestrian. For Safety's sake—share the earth and the paths man has built across it. If you care—you will be willing to share! This message

from the State Patrol!

Who's to blame for traffic accidents? Certainly you can't blame them on the car, because no car ever caused an accident while it was sitting in its garage! It takes two to cause a traffic mishap—the car and you and mainly YOU!

HOMETOWN HEROES

THIS I SAY

Symptoms of nostalgia swept over me as we sang the closing stanza of the invitation hymn. I was standing behind the pulpit in my home church along with the visiting evangelist. It was the first time for me to worship there in eight years, and I felt a twinge of homesickness.

But, there was another reason, also. A young man, a high school senior, stood that night and witnessed to the congregation his intention to enter the Christian ministry. I am quite certain that, because I had stood where he stood, I experienced those feelings which took me back some sixteen years.

I WOULD LIKE to say some things to that young chap and to all young people considering a church-related vocation. First of all, nothing is quite so gratifying as to feel that God has laid his hand upon you for work in His church. At the same time, one must remember his unworthiness for the task. Too, he must remember that a life lived for Christ and His Church in the business world, the schoolroom, or the home is as important to the Kingdom of God as the church-related vocation.

No person should enter the Christian ministry today without

This Week's Meditation

Lawrence E. Houston, Jr.

out understanding some of what the task involves. He must be a Christian man, a pastor, a counselor, an administrator, and a preacher of the Gospel.

HE MUST REALIZE that he will work with people—that he must begin with them where they are, and not where he wants or thinks they ought to be. Many times he must exercise patience and understanding when the crowd is clamoring for impatience and judgment. He must know how to draw the thin line between righteous anger and sin, yet forgiving love toward the sinner.

One of the most pressing needs for the minister in our day is to present the Gospel and the Christian life attractively so that people are wooed and won to Christ rather than rebuffed and repelled.

It seems to me, this must be done in a positive manner. I become increasingly disturbed that those who profess a negative "gospel," approaching life from the wrong end and seeking to convince people only through the method of argumentation. The Christian way is vital and vibrant; it is positive and persuasive. Let us present it in all of its wholeness. This I say, not only to the candidate for the ministry, but to all of us who claim the name Christian.

To Beat the Band

By DALE JENSEN

Last Saturday, thirty-five bands students went up to Athens, for the FSU-GA game, and as predicted, the game was nothing to brag about. But those bands! Wow! The Dixie Redcoats and the Marching Chiefs both performed at the half, and that was an experience to remember! Then, following the half, the bands engaged in a playing duel, across the stadium from each other. By this time, most of the Statesboro people had gravitated to the FSU side, to sit right in front of the Marching Chiefs. They sounded even better up close.

As expected, our students got a lot of ideas from the two bands, and saw just what it takes to be really top-notch. Each band had very fine players, but neither of them had just one or two people doing all the work. Instead, it was a group effort, with all the group contributing fulltime. The precision, in both marching and playing, was a reflection of the great spirit and desire to excel that was so apparent in each band.

That same type of spirit was shown by our Blue Devil Band last Friday, when it was sudden-ly learned that the Midget Varsity

band had been rained out. The band decided to adhere to the tradition of long standing, and go on the field. It meant some extra work, done in a hurry, but a few weeks of preparation, and with the help of the Cheerleaders, went off quite well.

Two past members of the Statesboro Band were seen, up at Athens, Charlotte. They are a member of the Marching Chiefs, and Linda Beale, now teaching in Thomson, Ga. Both of these girls were in the Chiefs with us, and we had a nice time visiting again.

This week, when Groves plays Statesboro, the Groves band and Buppis will journey to Statesboro, and present a half-time show. This group, under the direction of Sidney Walk, came last year and marched in the Friday downtown parade. We have heard them this year already, and they are really looking good. They are a young band, going into their third year, but have done very well, and appear to be in the top of the band world.

We hope that you will all give their half-time show your full attention, and show your good for 52 yards and the second one went good for 60 yards and a razzle-dazzle run by Medina. Mallard then intercepted a Douglas pass when he tossed a 20 yard pass to Robert Mallard for States-

boro's first touchdown. Mallard also added the extra point. The score stood 7-0 at halftime. Robert Mallard kept things going with two touchdowns to Richard Medina in the second half. The first Mallard to go was good for 52 yards and the second one went good for 60 yards and a razzle-dazzle run by Medina. The Editor's Uneasy Chair

FROM DR. CHAS. T. BROWN, medical director of Health District 7, comes this message:

"As a result of the Junior Chamber of Commerce campaign, 'Operation Dog,' 977 dogs were counted in Statesboro city limits. Prior to the survey, approximately sixty-two percent of the dogs had been treated. Since the survey and follow-up by the City, present figures indicate that seventy-seven per cent of the dogs have been treated. Subtracting forty-five dogs reported as young to be treated, we find that a total of eighty-two per cent of adult dogs have been treated in the City of Statesboro.

"Follow-up of this survey is still in progress and it is hoped that approximately ninety per cent of all dogs will be treated before the survey is completed."

We picked this up from Bernice Muller's column "Tales Out of School."

"I used to be a carefree gal. Until there came a day; My conscience bothered me and so, I went to PTA. I look back on my happy life, I'm sorry now I went; It seems they lacked some officers, and now I'm president!"

FOR CLERK BULLOCH SUPERIOR COURT

Open Letter to Voters in Bulloch County

On November 18 you, who are registered and qualified to vote, will go to the polls in Bulloch County and express your preference of the several candidates in the election of officers in the Bulloch County Primary.

There is no more precious right of an individual than his right to vote as he pleases, in accordance with his personal convictions. I urge you to go to the polls on November 18 and exercise that right and vote.

I am a candidate for the office of Clerk of Superior Court of Bulloch County.

For years the Clerk's office has been in competent hands and has earned the reputation of being one of the best kept clerk's offices in the State. It is desirable that that office continue to be operated on an efficient basis.

As a candidate for Clerk of the Superior Court I come to you with many years experience in office supervision and administration. My education, in addition to my elementary and high school diploma, include two and one-half years in college. I taught school for one year. For eleven years I have been keeping books in Bulloch County.

A native of Bulloch County, the son of the late Mr. and Mrs. T. Y. Akins and the grandson of the late Mr. and Mrs. James B. Rushing and the late Mike Akins and Susan Olliff Akins, I am familiar with the people in our county. My association with the people of the county is wide. I am one of them.

I am an active member of the Middleground Primitive Baptist Church. Having been reared on a farm I am accustomed to hard work. You know and I know that being the Clerk of the Superior Court of our county is no easy task and requires a person who is willing to devote his full time and energies to the business of keeping the county's records up to date and in good order. If I should be honored by your vote and should be elected, you can know that I will exert all my energy and know-how to the job of running a smooth and efficient office in accordance with its present reputation.

To you citizens who have moved into our county more recently I say... I would like to meet you personally and let you see and talk with me. I will be able to see many of you. But you know that it is an impossible task to see you all. I earnestly seek your support and your vote and support. I pledge you that you will never have any reason to regret it.

To you, my friends all over the county, I want to say that if I have not seen you, or if I do not get to see you, it will not be because I did not try. So I sincerely ask you to support me and to vote for me on November 18.

I give you my pledge that I will fill the office with distinction and perform the duties of the office diligently and completely.

Again let me urge you to exercise your right to vote. Go to the polls on November 18 and Vote.

And let your vote be for
Joe Olliff Akins
For Clerk of Bulloch Superior Court
A Bulloch County citizen whose qualifications make him worthy of your vote

MR. AND MRS. CONNER CELEBRATE GOLDEN WEDDING ANNIVERSARY
Mr. and Mrs. Gordon Conner celebrated their golden wedding anniversary on Sunday at the home of a daughter, Mrs. Grady McCorkle.

In the living room where the couple greeted their guests were lovely arrangements of carnations and mums. Mrs. Conner wore a gold carnation corsage and Mr. Conner wore a boutonniere of the same flower.

In the gift room where the guestbook was kept, a pair of hearts entwined with ribbons marked with a gold "50" fastened to a nosegay of lilies of the valley, centered with miniature golden bells.

On a lovely white mantel white candles and gold leaves were beautifully arranged between matching Mr. and Mrs. bouquets of white glads in crystal vases.

Guests were served from a table overlaid with a lovely white lace cloth. A tiered cake embossed with yellow roses and topped with a golden "50" centered table. A crystal epergne held lovely white mums and gladioli. Lighted white tapers in crystal holders with nosegays of roses and tulips added a romantic glow.

Punch was served from a crystal punch bowl and party snatches from silver trays.

Mr. and Mrs. Conner have six children, thirty-two grandchildren and fifteen great grandchildren.

Out-of-town guests included Mr. and Mrs. J. H. Crowley, Mrs. Harry Courney and Mr. R. W. Lebow of Augusta.

BPW to put on county-wide safety campaign

The Statesboro Business and Professional Women's Club is launching an original project in an all-out drive to promote pedestrian, bicycle, and school bus safety for school children, according to Miss Alma Hopper, club president.

Working in cooperation with the Safety Education Division of the Georgia State Patrol and the Bulloch County School System, the BPW Club has prepared mimeographed copies of safety rules and regulations for distribution to each child from first through twelfth grades.

In connection with this project the BPW Club is offering a county-wide safety contest with prizes in three age groups: \$5 and Citation for winner in each group. First through third grades—the best safety poster; fourth through sixth grades—the best essay on "Way School Children Should Obey Traffic Rules"; eighth through twelfth grades—the best essay on "Safety Rules for School Children." The deadline for entries will be January 31.

One or more members of the BPW Club will accompany Lieutenant B. P. McKinnon, of the Georgia State Patrol, to the schools in Bulloch County to show a safety film and to give a brief discussion on safety for school children.

The schedule of visits to the schools are as follows:
Wednesday, November 4: Sallie Zetterow Elementary School (2 groups), 9:00 A. M.; Statesboro High School, 3:15 P. M.

Thursday, November 5: Mattie Lively Elementary School (2 groups), 9:00 A. M.; Marvin Pittman High School, 2:00 P. M.

Friday, November 6: Register Elementary School, 9:00 A. M.; Nevils Elementary School, 10:30 A. M.; Port High School, 2:10 P. M.

Monday, November 9: Stilson Elementary School, 9:00 A. M.; Brookside Elementary School, 10:30 A. M.; and Southeast Bulloch High, 1:30 P. M.

Miss Hopper advised that this year's county-wide safety program will be the BPW Club's main project for this club year. The 3-year nurses' scholarship program, which is continuing project—will also be awarded in the spring of 1960.

Christmas Seal appeal to begin on November 16

"Protect the family circle" is the aim of the Bulloch County Tuberculosis Association as it formulates plans for the 1959 Christmas Seal campaign.

The traditional annual fund-raising campaign will open November 16, with the mailing of Christmas Seals to Bulloch County residents. Funds contributed for the Seals are used by the association for the prevention and control of TB.

Eager hands of the members of the Statesboro Business and Professional Women's Club, sponsor of the Seal Sales, will soon be unwrapping the packages received by Miss Ann Willford, chairman, and preparing the gift-colored, meaningfully sheets of stamps for mailing.

The blessedness of giving is the pictorial theme—as well as the spirit—of this year's Christmas Seal campaign. On one seal, a little girl in a red snowsuit and green mittens scatters crumbs for the birds. On the other, a small boy in a green jacket and a red hat holds out a nut to a squirrel. Both seals carry the familiar red double-barred cross, symbol of the dedicated work of TB associations all over the country.

If thousands of children on the 1959 Christmas Seals are right in the spirit of Christmas," said Miss Willford, Christmas Seal Chairman of the Bulloch County TB Association. "It is our hope that this holiday season will arouse in others, too, the same warm, generous response to a great need."

SARA ADAMS, FTA AWARD WINNER HONORED AT TEA

On Sunday afternoon, Oct. 25, the Future Teachers of America club of Statesboro High School, the sponsor, Mrs. Jeanette Brinson, and mothers of the club members honored Sara Adams, who was selected the most outstanding Future Teacher in the State, at a lovely tea at the home of Mr. and Mrs. Lester E. Brannen Jr. on Savannah Ave. Sara is president of the Statesboro High School FTA and in rapid succession as the contests for the State title were held, Sara was selected, Miss Statesboro FTA on through county and District to capture the coveted title "Georgia's most outstanding Future Teacher," and the \$500 scholarship award.

Tea guests were greeted by Miss Emily Brannen who introduced them to Mary Ella Dekle, Secretary, and Martha Faye Hodges, vice-president, who presented them to the honoree who was charming in a green dress and a lovely smile. A pink corsage, a gift from the club.

In the line with Sara were: Glenn Clower, student at Georgia Teachers College, past president of the State organization; Mrs. Jeanette Brinson, sponsor of the Statesboro FTA; Mrs. S. C. Patterson, State Director of Student, N. E. A. and F. T. A.; Carole Jean Collins of GTC, first vice-president of the state FTA, and Denny Rushing, student Marvin Pittman High School, treasurer of the state organization.

Others in the living room were Mr. and Mrs. W. M. Adams, Sara's parents, and Statesboro High School principal James I. Sharpe and Mrs. Sharpe.

The home was beautifully decorated from the entrance through living room, dining room and den, with fall arrangements, with greenery and copper tones in fruit and flower arrangements.

Harriet Holman, treasurer of FTA directed the callers to the dining room where Mrs. George Johnston and Mrs. Chris Lane alternated in serving coffee from the silver service at one end of the table which was beautifully centered with roses, red and pink, rising from a platform of greenery and accessorized by a single pink candle. Pink punch in a bowl at the other end of the table was kept cold by a ring of ice, centered with flower petals, and served with dainty sandwiches, party cakes, nuts, and minis.

FTA clubs represented at the tea were: Herschel V. Jenkins, Mrs. Lillian Wren, sponsor and officers of Savannah; Millie Anderson, Mary Ann Smith, Beth Stephens, Lavon Williams, Darlene Youmans, Janet Kraft, Linda Moody, Mary Emme Johnston, Margaret Parker, Dottie Donaldson, Tessie Brannen, Janie Everett, Kay Beasley, Jamey Waters, Gail NeSmith, Jean NeSmith, Betty NeSmith, Charlotte Lane, Mahaley Tankersley, Cheryl Wheelchell, Wanda Conner, Ann Wall, Anne Henderson, Carole Donaldson, Martha Lamb, Alice Brannen, Paula Banks, Dale Anderson, Noel Benson, Gloria Bland, Sariyyn Brown, Carlotte Harvey, and Charles Haimovitz.

175 guests called between 4:00 and 5:30 p.m.

MR. AND MRS. JOHN W. HENDRICKS who celebrated their Golden Wedding Anniversary on Sunday, October at their home near Blitch. More than 200 guests called between two and five o'clock in the afternoon.

FFA enrolls 95 members

By ANDREW ALDRICH

F. F. A. stands for Future Farmers of America—and that means successful farmers of tomorrow.

The motto of F. F. A. is: "Learning to do, doing to learn, earning to live, living to serve." Statesboro High chapter of F. F. A. enrolled ninety-five members at the beginning of the school term.

Officers elected for the year are: President, Gene Deal; Vice-President, Paul NeSmith; Secretary, Jimmy Tucker; Reporter, Thomas Chester; Sentinel, Carl Atkins.

TRACE ELEMENTS

Trace elements essential for plant growth are: copper, manganese, boron, iron, zinc, and molybdenum. They are presented by Agricultural Extension Service. These elements are necessary for plant growth, but are required in much smaller amounts than other elements.

Other members of the host club mingling with the guests were: Gay Wheeler, Linda Gay Anderson, Mary Ann Smith, Beth Stephens, Lavon Williams, Darlene Youmans, Janet Kraft, Linda Moody, Mary Emme Johnston, Margaret Parker, Dottie Donaldson, Tessie Brannen, Janie Everett, Kay Beasley, Jamey Waters, Gail NeSmith, Jean NeSmith, Betty NeSmith, Charlotte Lane, Mahaley Tankersley, Cheryl Wheelchell, Wanda Conner, Ann Wall, Anne Henderson, Carole Donaldson, Martha Lamb, Alice Brannen, Paula Banks, Dale Anderson, Noel Benson, Gloria Bland, Sariyyn Brown, Carlotte Harvey, and Charles Haimovitz.

The singing of the Alma Mater, "The Georgia Song," was presented by the new year members. Those who attained this coveted honor are:

Danny Bray, Sariyyn Brown, Carole Donaldson, Martha Faye Hodges, Harriett Holman, Kay Preston, Lynn Storey, Anne Stephens, Lavon Williams, Darlene Youmans, Janet Kraft, Linda Moody, Mary Emme Johnston, Margaret Parker, Dottie Donaldson, Tessie Brannen, Janie Everett, Kay Beasley, Jamey Waters, Gail NeSmith, Jean NeSmith, Betty NeSmith, Charlotte Lane, Mahaley Tankersley, Cheryl Wheelchell, Wanda Conner, Ann Wall, Anne Henderson, Carole Donaldson, Martha Lamb, Alice Brannen, Paula Banks, Dale Anderson, Noel Benson, Gloria Bland, Sariyyn Brown, Carlotte Harvey, and Charles Haimovitz.

The Criterion staff presented a skit to "kick off" the sales campaign for the 1960 Criterion. It was entitled "Elmer's Mistake" and was written by Gloria Bland, circulation manager. Those participating in the skit were: Anase McClellan, Ed Mikell, Carol Bland, Marsha Ann Shealey, Bob Struggs, Johnny Johnson, Jimmy Cason, Robert Paul, Jimmy Brown, Johnny Myers and Jackie Kelley.

Presbyterian Women meet in Savannah

More than 200 Women of the Presbyterian Church in the Savannah Presbytery met for their Annual Meeting on October 27 and 28 in the First Presbyterian Church of Brunswick. They saw a display of rare and interesting Bibles. This was in keeping with the theme of the program and the special emphasis of the entire denomination for 1960 - "Understanding The Bible."

The opening session of the meeting was at 7:45 on the evening of the 27th in the sanctuary of the hostess church. The guest speaker for this session was Mrs. Hazin Smith of Decatur, Ga. Her subject was "OUR MISTAKE FROM A WOMAN'S VIEWPOINT." Mrs. Smith, a graduate of Agnes Scott College and Columbia University, has just recently returned from Africa where she visited Presbyterian Mission Stations. Mrs. Smith has had a long and distinguished career as an educator and church woman.

Others appearing on the Tuesday, October 27, program were Mrs. Clarence Williams and the Rev. L. A. Beckman, both of Savannah. The Sacrament of the Lord's Supper was conducted by the Rev. Robert McEach, pastor of the hostess church in Brunswick. Mrs. H. Dockery Brown, Presbytery President, presided at all sessions.

Special interest on the October 28 program was the message by the Synodical President, Mrs. John W. Hendricks, of Africa where she visited Presbyterian Mission Stations. Mrs. Smith has had a long and distinguished career as an educator and church woman.

Others reporting or speaking on the October 28 program were: Mrs. Jack Meadows and Mrs. Henry McArthur, both of Vidalia; Mrs. Guy Weeks and Mrs. Horace Miller of Savannah; Mrs. Recal Allen of Blackshear; Mrs. Linn Jenkins, Waycross; Mrs. Gordon McGregor and Mrs. Edwin Fendig of St. Simons.

Mrs. Joseph Lambright of Savannah, Vice-President of the Presbytery, was Moderator when the Women's Agreements for 1960 were presented. Those speaking on this panel were: Mrs. O. J. Holliman of Savannah; Mrs. Thomas J. Ferrell of Waycross; Mrs. G. B. Burroughs;

FTA attends convention in Atlanta

By MARTHA FAYE HODGES

The Future Teachers of America of Statesboro High School attended the F. T. A. convention in Atlanta with their sponsor, Mrs. Jeanette Brinson, on October 28th, 9th, and 10th.

On Thursday evening there was an assembly in the Dinkler-Plaza Hotel, followed by a discussion group period. Much valuable information was collected by members taking part in the discussions.

Friday was packed with activities for the delegates. The morning hours were spent at the State Fair grounds, examining educational exhibits and hearing talks on education. One of the most interesting of these speeches was given by Kayanne Shoffner, Miss Georgia of 1959; her topic was "Why I Want to Teach."

Friday afternoon, Rich's Department Store gave a tea for the people attending the convention.

Later Friday evening, a large banquet was held at the Atlanta Athletic Association. Bernice McCulloch, prominent public relations woman of Atlanta, talked on values. The title of her talk was "What the Cheshire Cat Said to Alice."

POLITICAL ANNOUNCEMENTS

ANNOUNCEMENT

To the People of Bulloch County:

I wish to take this opportunity to thank the people of Bulloch County for permitting me to serve as Judge of the City Court of Statesboro for the past twelve years.

I have enjoyed serving in this capacity and have endeavored to deal fairly and impartially with all matters that have come before me.

I do not plan to offer for reelection in the County Primary Election to be held November 18, 1959. It is my intention to hold the position of Solicitor General of the Georgia Judicial Circuit in the State Democratic Primary to be held in the year of 1960.

In the meantime I plan to see as many of the voters as is possible.

COHEN ANDERSON.

ANNOUNCEMENT

To the people of Bulloch County:

I am a candidate for re-election as County School Superintendent for Bulloch County. I give the rules of our Democratic Primary, the election to be held on Wednesday, November 18th, 1959.

I have at heart the many problems facing our school system at this time, and would like to offer my best abilities for the furtherance of the education of our young people, bearing in mind their needs and the burden of parents and taxpayers.

If again honored with this office, I shall strive to render efficient, economical and progressive service to all of our people, and shall always value highly the judgement and thoughts of the public regarding their school system.

Time will not permit seeing each one of you, but I shall deeply appreciate every consideration given to me in this election.

I wish the voters of Bulloch County and Mr. John Spence to know that I am grateful that I am running for re-election. I am without opposition. I want all to know that I will continue to carry out the policies of the Bulloch County Board of Education to the very best of my ability.

Sincerely,
H. P. WOMACK
County School Superintendent.

FOR TAX COMMISSIONER

To the Voters of Bulloch County:

I am a candidate for Tax Commissioner in the forthcoming County Democratic Primary, November 18, 1959. I am confident that I will be able to conduct the affairs of this office, during my

first term, in an efficient and impartial manner.

Your vote and influence will be deeply appreciated.

WINFIELD LEE

POLITICAL ANNOUNCEMENT

FOR CHAIRMAN OF COUNTY BOARD OF COMMISSIONERS

To the Voters of Bulloch County:

I have qualified as a candidate for the office of Chairman of the County Board of Commissioners, subject to the rules of the Democratic Executive Committee governing the primary to be held on November 18, 1959. I will appreciate very much your vote and support and if elected I pledge you my continued devotion to the office to accomplish the most for our county.

EDGAR WYNN

POLITICAL ANNOUNCEMENT

To the People of Bulloch County:

I am seeking election to the office of Solicitor of the City Court of Statesboro in the election to be held November 18, 1959. It has been an honor to serve in the past, and I pledge full cooperation and harmony with the Court and our people in the future, so that all Court matters will be conducted with fairness to all concerned.

I have earnestly endeavored to learn from long service, and in turn will be grateful for your consideration and support which will enable me to render a full measure of public service.

Respectfully,
W. G. NEVILLE

FOR CHAIRMAN OF COUNTY COMMISSIONERS

To the Voters of Bulloch County:

I hereby announce myself a candidate for the office of Chairman of the Board of Commissioners of Roads and Revenues of Bulloch County. Subject to the rules as prescribed by the Democratic Executive Committee, Election to be held November 18th, 1959. Your support will be greatly appreciated.

Thank you,
ALLEN R. LANIER

FOR JUDGE CITY COURT

To the People of Bulloch County:

I am a candidate for the office of Judge of the City Court of Statesboro in the Democratic Primary to be held November 18th, 1959. If elected I promise to handle the affairs of the Court in a manner the people can be proud of. Your vote and support will be greatly appreciated.

Thank you,
FRANCIS W. ALLEN

FOR SHERIFF

To the Voters of Bulloch County:

I wish to announce that I have qualified to succeed myself in the office of Sheriff. I will again appreciate your support and will strive to give you the same efficient service in the future as I have in the past.

Thank you,
HAROLD HOWELL, Sheriff.

POLITICAL ANNOUNCEMENT

FOR JUDGE OF THE CITY COURT OF STATESBORO

To the People of Bulloch County:

I hereby announce my candidacy for Judge of the City Court of Statesboro subject to the rules and regulations of the Democratic Executive Committee of Bulloch County in the Primary to be held on Wednesday, November 18, 1959.

I was born and reared in Bulloch County, where I graduated from Statesboro High School. I attended the University of Georgia, where I studied until I entered the Armed Forces in 1943. In 1946 after having received my discharge from the Armed Forces, I returned to the University of Georgia and was graduated with a Law Degree in August, 1948. In the past ten years, I have been associated with my father, Fred T. Lanier, Sr., in the practice of law. I am now completing my term as Solicitor of the City Court of Statesboro.

It is my feeling that the experience that I have had as a practicing attorney and as Solicitor amply qualify me for the duties and responsibilities of this office.

I earnestly solicit your votes and influence in the forthcoming Primary, and I pledge you that if I am elected, I will perform the duties of this office to the best of my ability.

Respectfully,
RUFUS ANDERSON

Mercury for 1960 is both distinctive and functionally clean in design. The car's soft, smooth ride is the result of the blending of body, frame, suspension, engine and transmission into a completely road-tuned car. Two-barrel carburetors increase economy of the low-friction V-8 engines. Two of the engines offer added economy by using regular gasoline. Mercury's spacious interiors with lowered transmission and driveshaft tunnel afford comfort for six passengers. Thirteen models in four series, all on 126-inch wheelbase, are available. Pictured is the Montclair four-door cruiser (hardtop).

as possible to clip off the bahia seed heads and leave the grass. Then, following the combine, he mowed the grass and got better than 2 1/2 tons of hay per acre. This removed all the old tough grass and Mr. Neal said, "My cows really liked the tender grazing from the last of August until the first of November." An Open Letter To the Voters of Bulloch County:

Subject to the rules of the Democratic Primary to be held on Wednesday, November 18, 1959, I hereby announce my Candidacy for the office of Chairman of the Board of County Commissioners of Roads and Revenues of Bulloch County.

Though it will be impossible for me to see every voter before election, I want the general public to know through his medium that if I am elected I will diligently and earnestly discharge the duties of this office and always to the very best of my ability.

For more than 20 years I have served in various executive capacities in the Armed Forces. This experience coupled with my years of service both as an employee and as the owner of a wholesale grocery and notions business, I feel, helps qualify me in being able to discharge the duties demanded of this office. I have worked over the years with the various church, civic and service organizations of the community and have been an active supporter of the Chamber of Commerce and its program.

If honored with this office, I pledge myself to conduct its affairs in a fair and impartial manner to all of our citizens and to apply my best efforts towards getting the most for or county that is available through state and Federal agencies.

I will appreciate your support and your vote. If I am elected I will be humble and grateful and will constantly strive to merit the confidence placed in me.

Respectfully,

HENRY J. ELLIS

Mr. Neal's farm is mostly flat sandy land. Some is 11w-2w land, which he has drained with open ditches. He has 440 acres total, with 72 acres cropland, 28 acres pasture, 10 acres newly planted pine and 330 acres woodland which he is managing for pines and creek hardwoods.

Mr. Neal is the son of the late E. L. Neal and Mrs. Laura Shuman Neal of Stilton. He is 36 and married to the former Miss Betty Atkins, daughter of Mr. and Mrs. Lehman Atkins of the Stilton Community. They were married in 1949 and have one daughter, Janet 8 and one son Randy 3. He graduated from Stilton High School in 1940, and spent 3 years in military service during the war serving in the Air Force as gunner on medium bombers, before beginning his farming career. After the war he farmed with his father one year before buying his own farm in 1946 of 175 acres. In 1949 he bought another adjoining farm of 265 acres.

Mr. Neal describes these farms as badly run down, with much of the land laying idle, houses in bad repair with no barns or other out-buildings, and fences almost non-existent when he bought them. Since then has put up new fences, new barns and grain bins, and rebuilt the old homestead.

Mr. Neal gives much credit for his success not only to his wife, the Soil Conservation Service and the Ogeechee River Soil Conservation District, but also to the Federal Land Bank which helped him get started; the Farmers Home Administration which helped him develop the farm and build a home; the Statesboro Production Credit Association; the Vocational Agriculture and Extension Service programs; Forestry agencies and local banks.

First District Women's Club meet in Savannah on Friday, October 23

By Mrs. EDNA HOFFEL

The Woman's Clubs of the First District, met in Savannah at the Manger Hotel on October 23. Mrs. Angus Purvis, President of the Savannah Woman's Federation, called the meeting to order, and after the collect, the Pledge of Allegiance to the flag, a welcome by Mrs. Purvis, and a response by Mrs. J. E. Bowen, Jr., the "Georgia Song" was sung, led by the Savannah Woman's Club. Mrs. Purvis then presented the District President, Mrs. L. M. Durden of Statesboro, who presided thereafter.

At the business meeting, Mrs. Louis J. Rose was named as a reserve to take the place of Mrs. Tom Brannen as a Trustee for Tallulah Falls School. Mrs. Robert Frankenstein was elected as the person to represent the First District on the Nominating Committee of the Georgia Federation. Mrs. Hugh Reid was named alternate to Mrs. Brannen. Mrs. Lora Hill, Mrs. Alfred Dorman, and Mrs. Peggy Salmon, who is now Vice-President of the Junior Women's Clubs of the Georgia Federation were appointed.

Goals to work for, and the awards were then named by the respective officers of the different departments. It was announced that Sept. 22 to 29 would be American Home Week.

Mrs. E. L. Barnes of Statesboro, president of the Georgia Federation of Women's Clubs, told us all to write about the things our clubs were doing, and that we should try to make First District first. We must enter this contest by Nov. 14 and send in the report by March 1.

She also said that the Freedom Program could be combined with a Count Your Blessings program and with "Care There are many different branches that can be gone into in the Community Achievement Conference, and help can be sought from the outside. An application has been made to the Ford Foundation for help in providing for the future and the need of the things needed was a boy's dormitory.

Mrs. Alfred Dorman then introduced Mrs. Mamie K. Taylor, who was the speaker of the hour. She was the money for this project was responded to by every club president. The money for building the dormitory would be made. To create more enthusiasm, Mrs. Taylor said we should have programs that would give the members an understanding of the school. They should invite the Trustees to tell the members about Tallulah. The Club Institute will again be held there next year.

Mrs. Dan Gray, of Credentials, said there were 79 from the District who were present a wonderful attendance for such a bad day.

Mrs. R. T. Tebeau of the Sylvania Woman's Club, invited us to have the Spring District meeting in Sylvania.

After the courtesy resolutions were given by Mrs. D. W. Harrison, Mrs. L. M. Durden announced that the meeting was adjourned.

Those attending the meeting from Statesboro were Mrs. E. L. Barnes, Mrs. L. M. Durden, Mrs. Alfred Dorman, Mrs. J. E. Bowen, Jr., Mrs. Peggy Herring, Mrs. J. A. Pafford, Mrs. Joe Neville, Mrs. E. W. Barnes, Mrs. Wm. Z. Brown, Mrs. Jake Smith, Mrs. Talton Baxter, and Mrs. Edna L. Hoofel.

On our northern boundary, there is a gigantic radar which is tied in with "Sage"—the ground force. \$150,000,000 a year is spent for the land line. In two or three minutes, we can get a warning that planes are moving across the pole and toward us—planes that can travel 600 miles an hour. Savannah would have 4 hours warning. Our northern boundary would have only two hours.

They have adopted a evacuation technique. A manual was put out describing it. It has three maps in color, and shows the escape routes out of town. By practical and actual tests, all the people can be evacuated in two hours beyond the 15 mile area.

The first priority are the children who are to be moved by railroad. The railroad could have cars on sidings in thirty minutes. Those beyond walking distance would be moved by Buses and Vans. Those in the hospitals would be placed in passenger cars. Those on the islands would be safer to stay where they were. Twenty-nine counties have been assigned the responsibility of providing food for the evacuees at the end of their journeys. This would also require the whole-hearted cooperation of everyone in the community.

The signal for evacuation is a continuous blast of the sirens for five minutes—a lull of one minute, and then a repeat of the five minutes.

If a nuclear missile were to be lobbed in from a submarine, the sirens would produce a wailing sound at short blasts. All you could do would be, "Duck and Cover." Get into a center room of the house and wait until help can come to you. If you are in a car, close the windows and get down on the floor of the car.

A Megaton weapon would create a crater 90 ft. deep and 900 ft. in diameter. Within a three mile radius—or A-ring, everything would be destroyed. Within the B-ring, there would be 50% casualties. The C-ring

Grand Jury Presentments for Oct. Term

We, the grand jury, chosen and sworn to serve at the Oct. term, 1959, of Bulloch Superior Court, beg to submit the following presentments and recommendations.

1. The report of the April, 1959, Grand Jury was received by this Body and is hereto attached to this record. Chairman, Edgar Wynn, reported that the food would be repaired on the Court house following inspection by a roofer.

2. Mr. H. P. Womack, County School Superintendent appeared before this Body and made an oral report of the conditions and needs, as well as problems, in the school system.

3. We recommended that Miss Sara Hall, County Health Officer, who gave a comprehensive report of the welfare program in the county.

4. We had a report from the Tax Revaluation Committee in the County and they reported the Committee is working and will present a written report to the Board of County Commissioners.

5. We also recommend that the Sheriff and Ordinal be paid on a salary.

6. The per diem for Jurors and the fee for their services rendered, be set at six dollars (\$6.00) for each year 1960.

7. R. L. Poss of Brooklet was appointed to be the clerk of the Court.

8. We recommended that an additional \$5.00 be paid for his services.

9. We recommended that Miss Lee Johnson be paid the usual fee for her services rendered.

10. Building is apparently in good condition with normal maintenance requirements.

11. We wish to express our appreciation to the County Commissioners and County Wardens.

12. We wish to thank Judge Field, for the delicious meal served this Body and the County Officials at the noon day meal on yesterday.

13. We wish to thank Judge J. L. Renfro for his able chairmanship to the Jury and the Solicitor General.

14. We wish to thank the jurying and efficient service of this Body.

15. Respectfully submitted, W. D. ANDERSON, Chairman.

Following report from a committee appointed to Grand Jury of April, 1959, to inspect the County buildings and report their findings at the October County Court.

BULLOCH COUNTY JAIL
HILL STREET
Sheriff Harold H. Custer
Remodeled in 1958 at a cost of \$27,100. Very good appearance, generally in good shape. Consists of 4 white and 2 colored cells with a total capacity of 42, reported adequate for present day requirements. One locked report in roof.

COUNTY COURTHOUSE
Edgar H. Wynn, Chairman, County Commrs.
Records in tower are a fire hazard. More safe storage space is needed for records in Clerk's Office. Also more working space needed in this office. Some leaks are reported in Courthouse.

COUNTY CONVICT CAMP
Located on 56 acres, 2 miles North of Statesboro on Highway 301. Fed Fields, Warden 1. Barracks Building (60 colored, 24 white).
2. Warden's Residence in good

repair. Painted for front porch, white or D-ring would have 25% and the 15 mile or D-ring would have 25% casualties. The penetration of the Alpha rays would be the outer layer of the skin. The Beta rays would penetrate clothes as well. The Gamma rays are deep-penetrating ones. The radiation from fall-out can last for years, and the ground would have to be tested with Geiger counters which are available.

In World War II, 10% of the planes could be knocked down. Now 30% of them could be put out of commission; but there would still be some that got through.

Civil Defense also works on natural disasters—as results of hurricanes. The oldtimer disaster was another in which they helped the people. They got on the job immediately and worked day and night. They worked with the Red Cross, but Civil Defense is protected by the City, County, State, and Federal authority, which the Red Cross isn't.

The Women's Club are asked to continue to co-operate with the Civil Defense. There is a Civil Defense meeting in McRae on the 29th of October.

Mrs. H. Loyd had charge of the door prizes and Gen. Henderson drew the numbers.

Mrs. Shultz donated a ham which Mrs. Taylor won. Mrs. Betsy Palmer got a prize from Mrs. Noel Rhodes' Specialty Shop. A gift from Mrs. Frankenstein was won by Mrs. Neville. Mrs. Kelley, a member of the Savannah Women's Club, was the prize winner.

Mrs. Peggy Kelley, and Mrs. Peggy Fishback were responsible for the beautiful decorations of the different departments. A delightful luncheon was served. During the luncheon, fashions from Fine's were worn outside. An application has been made to the Ford Foundation for help in providing for the future and the need of the things needed was a boy's dormitory.

Our northern boundary would have only two hours.

They have adopted a evacuation technique. A manual was put out describing it. It has three maps in color, and shows the escape routes out of town. By practical and actual tests, all the people can be evacuated in two hours beyond the 15 mile area.

The first priority are the children who are to be moved by railroad. The railroad could have cars on sidings in thirty minutes. Those beyond walking distance would be moved by Buses and Vans. Those in the hospitals would be placed in passenger cars. Those on the islands would be safer to stay where they were. Twenty-nine counties have been assigned the responsibility of providing food for the evacuees at the end of their journeys. This would also require the whole-hearted cooperation of everyone in the community.

The signal for evacuation is a continuous blast of the sirens for five minutes—a lull of one minute, and then a repeat of the five minutes.

If a nuclear missile were to be lobbed in from a submarine, the sirens would produce a wailing sound at short blasts. All you could do would be, "Duck and Cover." Get into a center room of the house and wait until help can come to you. If you are in a car, close the windows and get down on the floor of the car.

A Megaton weapon would create a crater 90 ft. deep and 900 ft. in diameter. Within a three mile radius—or A-ring, everything would be destroyed. Within the B-ring, there would be 50% casualties. The C-ring

It would take a lot of money to make most folks forego the entertainment they get from their TV sets. But how about when your TV picture tube goes dead? How much will it be worth?

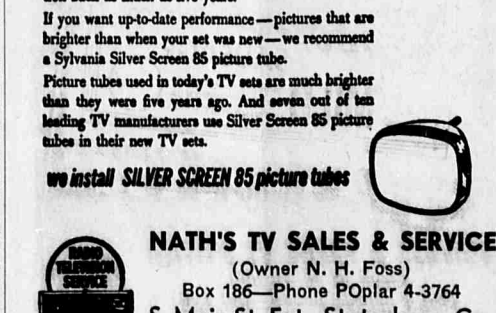

If your only interest is getting back a picture without regard for the quality of that picture, you can save money by buying a cut-rate, off-brand picture tube. But nationwide tests show that the average brightness of cut-rate tubes is so low, you might not see your TV reception back as much as five years.

If you want up-to-date performance—pictures that are brighter than when you set was new—we recommend a Silver Screen 85 picture tube. Picture tubes used in today's TV sets are much brighter than they were five years ago. And seven out of ten leading TV manufacturers use Silver Screen 85 picture tubes in their new TV sets.

**FALCON, the New-size Ford, is
America's lowest-priced 6-passenger car***

The Falcon is priced up to \$72 less than its rear-engine competitor... as much as \$124 less than other American-built, so-called compact 6-passenger cars. And the new Ford Falcon is the easiest car in the world to own. Just look at these Falcon superiorities:

Beauty and economy! The Falcon has the clean lines and the uncluttered good looks of the glamorous 60 Fords. Diamond Lustre Finish never needs waxing. Galvanized structural members resist rust and corrosion. Bolt-on front fenders cost less, replace easily.

Seats six passengers with all their luggage. The Falcon easily seats six big adults in built-in people comfort. There's no floor-mounted gear shift to interfere with center-front passenger. Big luggage compartment in the rear holds over 25 cu. ft.

**Georgia Dairymen are learning to
feed their cow economically**

By T. R. Powell, County Agent

By watching the dairy cow's production performance and the other factors, many Georgia dairymen are learning to feed their cows economically. They allow the cows to consume large amounts of high-quality forage and then feed additional grain depending upon (1) the quality and quantity of forage—pasture, hay, or silage—that are fed.

(2) the milk yield and its butterfat percent for the individual cow, (3) the weight, condition and appetite of the animal, and (4) the local milk marketing conditions.

Feeding all milking animals in the herd the same amount of grain usually tends to overfeed the poor producers and underfeed the high producers. An efficient way to feed is to give each milking cow grain according to her milk production and butterfat test. Under most Georgia conditions, a 12 to 16 percent ration fed at the rate of 1 pound of grain to 2½ to 4 pounds of milk should be ample.

During periods when surplus milk is being produced, it may be practical for dairymen to reduce the amounts of grain fed, stage of the cow's lactation. Grain feeding recommendations and tables on amount of feed to use are included in Georgia Agricultural Extension Bulletin 604, "Georgia Dairy Herd Management Practices," which can be obtained at your county agent's office.

COASTAL BERMUDA
Acres planted in Coastal Bermuda in Georgia has increased greatly in recent years. Perhaps you have some pasture land growing this grass. Here are some new facts you may want to know about Coastal Bermuda.

1. Research during the past three years at the Southern Piedmont Experiment Station, Alabama, shows that winter kill of Coastal Bermuda was most severe on plots that had received combinations of high nitrogen and low potassium fertilization.

2. As the amount of nitrogen increased, winter kill caused progressively more damage—particularly on plots that received no potash fertilization.

3. Excessive nitrogen without adequate potash, over stimulates the grass, making it more susceptible to winter injury. Potash is effective in hardening the plant material. This makes the grass more hardy.

4. Farmers should take soil samples to determine the potash level in Coastal fields. Low potash conditions can then be remedied with high potash fertilizers such as 5-10-15 or 0-10-20.

BEHAVIOR PATTERNS
Mrs. Mana Pratt, nutritionist, Agricultural Extension Service, points out that milk is an excellent source of animal protein. Three cups of milk contain as much protein as one-half pound of all lean meat. In addition to providing high amounts of protein and calcium, whole milk supplies vitamin A and several B vitamins.

Georgia farmers buy from town businesses for more than \$340,000,000 in goods and supplies each year, according to economists, Agricultural Extension Service.

Message from Principal

James L. Sharpe

By JAMES L. SHARPE

When a person goes into a new community to assume so important a job as directing a fine high school like Statesboro High, and to make his home he is an unusual person if he does not experience some misgivings. One wonders whether the machinery will run smoothly, whether it will run at all.

Where hundreds of people are concerned it would be rather naive to expect the complex machinery of such an institution to operate perfectly. With six weeks behind me I can truthfully say that only a few rough places have marred the fine start that this fine school has made.

The student body is most cooperative. The faculty has spared no labor to fulfill every requirement of duty.

A great school like Statesboro High cannot relegate its important goal to that of a reformatory—this school is for young people who need an sincerely desire an education.

I am gratified that students are falling in line for the first years work within their reach. I especially wish to commend the senior class, a fine group of young people. Very little support from the community is needed all seemingly serious minded and conscious of the big job ahead.

The younger classes have done well. They are falling in line as one would say and seem definitely happy.

Students of Statesboro High need to realize that if we are to raise our scholastic standard that more hard study must be a major part of the program.

We have had delicious meals and the conduct in our lunch room is growing better each week.

Students and faculty appreciate the repairs that Mr. Womack and the county board have made in our high school building and in our gymnasium.

The shrubbery planted on the school campus thirty years ago had grown to be unweildy and for the size of the campus not beautiful. School authorities have thought that it should be removed.

The ladies of the Statesboro Garden Club were so gracious enough to volunteer the landscaping of the campus. Thanks to these ladies we shall look with "big anticipation" to the beauty of the campus when the job is finished.

The high school P. T. A. has had the support and cooperation of the parents—a good sign that people are in earnest about a successful year for their children.

The people of Statesboro have been most gracious to me and my family, for this we thank you.

Most Sincerely,
James L. Sharpe

By SARA ADAMS AND MARY DEKLE

Mr. James L. Sharpe formerly with Savannah High and later superintendent of Screven County became principal of Statesboro High upon the resignation of Mr. S. H. Sherman last May.

At assembly Mr. Sharpe introduced the new members of the faculty, recognized the new students and gave a brief summary of the "set-up" for the following school period.

Enrollment surpassed all previous records in the history of the school. Total enrollment was as follows: 12th grade, 91; 11th grade, 98; 10th grade, 123; 9th grade, 130; and 8th grade, 155. The present senior class is the largest in the history of the school. The total enrollment of the five grades was 597.

Statesboro has the same complaint as many other schools, that is too few classrooms, too few teachers, and too many students, if such a thing could exist. Arrangements are now being made to accommodate overflow, especially in social studies and sciences.

Amelia Robertson was selected from ten F. H. A. contestants as one of four to be song leaders at the Fall District Convention which will be held in Dudley.

Instructional supervisor, Miss Leona Newton, met with teacher reading group Tuesday afternoon.

The Hi-Owl A Prize Winner

Six-game review of Blue Devil 1959 season; 3 wins, 3 losses

By BOBBY BROWN and
LINDSEY JOHNSTON

SAVANNAH HIGH
Statesboro High School "Blue Devils" opened their 1959 football season with a 26-0 loss to the powerful Savannah High School "Blue Jackets." Leading the Statesboro attack was Wendell McLamery, who was strongly supported by senior quarterback Joe Hagan. For Savannah, David Harn was the leading ground-gainer.

JESUP
A much improved Statesboro football team lost its second straight game in Jesup on September 14th. The "Blue Devils" defense, led by Jimmy Seacore, Lindsey Johnston, Joe Hagan, and Jimmy Brock, held the powerful 2-AA Jesup team to 13 points.

COCHRAN
Statesboro's Blue Devils won their first game of the year by defeating the Cochran "Royals" 14-0 in Cochran on Friday, September 25. Joe Hagan scored both touchdowns and Jimmy Seacore "booted" both extra points. Outstanding on the Statesboro defense were Jimmy Seacore and Arnold Cleary.

DUBLIN
Statesboro played host to the favored Dublin "Irish" on Friday, October 2nd to lose their third game of the season. The slippery field gave the "Irish" a 12-0 advantage over the hard-hitting "Blue Devils." The Statesboro offense was hindered with fumbles throughout the game, but halfbacks Wendell McLamery and Joe Hagan managed to look good for Statesboro.

METTER
In the season's first non-regional game, Statesboro edged Metter 19-18, Friday evening, October 9, in Metter. Leading the "Blue Devils" defense were Carl Atkins, Jim Brock, Arnold Cleary, Lindsey Johnston, and Jimmy Seacore. Fullback Jerry Trappell, and halfbacks, J. L. Ward and Robert Franklin were outstanding for Metter.

BLACKSHEAR
Statesboro High's "Blue Devils" chalked up their second regional victory on Friday October 16, in Blackshear, by defeating them 20-0. For the Statesboro Defense, Jimmy Cason, Arnold Cleary, Michael Jackson, Lindsey Johnston, and Jerry Newsome made an excellent showing. Andy Clough, Wendell Day, and Carleton Turner were Blackshear's "bright lights" in defense.

Akins, secretary, Joe Neville and reporter, Thomas Chester.

The meeting opened with a devotion by Geraldine Biser and the pledge to the American and 4-H flags. The boys and girls then went to separate rooms for individual meetings.

Mr. Jones L. Peebles, assistant County Agent, talked to the boys on hunting and gun safety. Mrs. Gertrude Davis, assistant Home Demonstration Agent talked to the girls on flower arrangements.

The fourth period home making class were seen observers of new products, September 25, when they visited two of our local supermarkets.

Mrs. Gerald Groover is the new secretary to the principal this year. She was previously secretary at the Gold-Kist Peanut Plant here in Statesboro.

Bonnie Dekle, a graduate of 59, is now attending G. S. C. W. at Milledgeville. She was one of our top ranking students and winner of three scholarships.

The homemaking department was surprised with a visit from Dr. Lindsey, head of student

teachers at T. C.

Ann Preston, popular alumna of S. H. S. spoke on two occasions for the fourth period homemaking class, during the month of September.

Ann's subject was her around the world as Ship's Social Director on the "S. S. President Polk."

Miss Betty Lane, acting head of Home Economics at T. C. visited our Home Ec. Department on September 29.

The new tile floor in the library is about the nicest thing that has happened to the library in its life.

34 girls report to Coach Coleman for girls' '59-'60 varsity basketball team

By LYNN STOREY

Thirty-four girls reported to Coach Jeanne Coleman Tuesday, September 29 for the first meeting of the girls' varsity basketball team.

The girls' out for the team are Janette Allen, Sandra Cullen, Marie Cleary, Nancy Cullen, Paula Banks, Eunice Edwards, Harolyn McCorkle, Cynthia Atkins, Paula Franklin, Lucy Holleman, Marjorie Parker, Harriet Holleman, Sandra Akins, Marie Ginn, Olivia Akins, Sharon Collins, Judy Renfroe, Donna Minkovitz, Judy Beasley, Martha Faye Adams, Patsy Simmons, Pat Murphy, Mary Ann Pollak, Janette Riggs, Linda Rogers, Eugenia Moore, Kay Preston, Pat Heath, and Lynne Storey.

A different program has been set up for choosing managers of the team this year. In the past, the managers were appointed by the coach. This year girls interested must "go out" for the job.

He suggested that the class ask the questions that had been studied by the students. The class asked Congressman Preston many questions of varied subjects, but most of them concerning the present status of the country and people of Russia in comparison with the United States and the present effects of the visit of Khrushchev to the United States.

Other phases of the two countries discussed by Congressman Preston concerned the position of education, religion, science, and the influence of propaganda.

Congressman Preston closed his talk by telling the class the significance of taking journalism in high school and how his courses in high school as well as college had benefited him in his work in the nation's capitol as well as his work in foreign countries.

All the girls will not make the varsity, but a B-team will be organized shortly giving the girls interested a chance to play.

Linda Anderson, Patsy Simmons, Nancy Cullen, Sandra Cullen, and Estelle Coleman reported Tuesday to go out for managers' job.

The skill of the homemakers was obvious in the beautiful decorations in the home. The table was covered with a white linen damask cover and held a centerpiece, flanked by silver candelabra, holding green tapers with agerines filled with Thompson green grapes and festooned with ivy.

The guests enjoyed green fruit punch, finger length embossed cakes and mints.

Mary Dekle was at the door as the guests departed.

For an early delivery, all material for the yearbook must be in the hands of the publishing company early enough the year so that the books can be delivered before the close of the school term. Because of this early deadline, many of the school's most important functions are excluded from the annual. For example, play day, Kid's Day, track schedule, the Junior-Senior Banquet, graduation exercises, Freshman Sophomore Prom, all fail to be recorded in the book.

In the 1959-60 Criterion, all of these will be included. The material will be mailed to the publishing company immediately after graduation.

Near mid-summer when the books arrive, invitations will be sent to those who have bought books to attend an autograph party which will be held in the school gym. Besides receiving a unique yearbook, the party will afford an opportunity for a get-together and for catching up on the latest news.

SHS students see new teachers on August 31

By A. JOE MCGLAMERY

Statesboro High School students got their first glimpse at the new members of the faculty August 31, the first day of regular session.

Mr. James L. Sharpe, new superintendent, received his B.S. degree from Georgia Teachers College, and his Master of Arts from the University of Georgia. He has done other graduate work at Mercer University and Columbia University.

For the past two years Mr. Sharpe has held the position of superintendent of Screven County High School. Prior to coming to Screven County High School, he was assistant principal at Savannah High School.

Eight new name plates were over classroom doors. Other new additions to the faculty include Mrs. Jackie Foy, B.S., University of Georgia, and Mr. Condie D. McKenzia, B.S., Georgia Teachers College, in the science department; Mrs. Virginia Howard, B.S., Georgia Teachers College, in the social studies department. Others include Mrs. Marvonne Nabers, A.B., University of Georgia, in language arts; Mr. Guy Dasher, B.S., Georgia Teachers College, in business; and Mrs. Jeanne Coleman, B.S., North Georgia College, in physical education. Mrs. Herbert Bice, B. Ed., University of Georgia, has been added to the staff as guidance director.

AND NOW THE NEWS—From left to right are shown Barbara Bowen, Joe McLamery and Linda Cason as they read three-minute newscast over the school radio in Journalism class.

Importance of Good Grades

By SARA ADAMS

Early next spring large number of seniors will anxiously be awaiting an acceptance from the college of their choice. For many this acceptance will not come, and eventually these students will realize why their teachers had always urged them to improve their grades.

The neglect or students to apply themselves in high school is the cause of thousands of students turned away from colleges annually.

The same problem exists with student who plan to work immediately upon graduation. Their scholastic records will more than likely to the basis for an employer's decision.

There are some people who say that too much emphasis is placed upon grades. It is not the grades in themselves that are so vital, but they are the only means by which one can measure accomplishments and abilities.

The sooner we realize the importance of good grades in high school and actually do something about them, the better our chances will be for success.

3.5 average is honor roll requirement

By JOE MCGLAMERY

Any student, grades eight through twelve, having an average of 3.5 or above is considered eligible for the Honor Roll.

To compute Honor Roll eligibility, a student counts four points for each A received, three points for each B, two points for each C, and one point for each D. There are no points awarded for an F. The student's conduct grade must also be an A.

The following students have met the requirements for the first report period of the 1959-60 term:

From the eighth grade: Billy Akins, Benny Cannon, John Park, and Jackie Smith.

From the ninth grade: Jack Futch, Paul Halpern, Lucy Holleman, Charles McBride, Joe Neville, Jack Paul, Dennis Rath, and Frances Smith.

From the tenth grade: Rufus Goss, Johnny Martin, Mary Ann Smith, and Cheryl Welchel.

From the eleventh grade: Danny Bray, Harriet Holleman, and Bob Scruggs.

From the twelfth: Sara Adams, Lynn Collins, Mary Dekle, Lily Miller, and Robert Paul.

5 students to attend Yearbook Seminar Sept. 17

By BARBARA BOWEN
And MARY DEKLE

Five members of the 1959-60 Criterion staff attended the annual Mercer Yearbook Seminar. Mercer University was host to 53 students on Thursday, September 17. These students were from schools over the Southern part of Georgia.

Those attending heard lectures by distinguished personnel in four classes on "What Makes an All-American Yearbook?" In the first class, Dr. W. H. Taff, University of Missouri, spoke on the content of a yearbook. Mr. Charles Dolan explained all facets of photography. Art Director Tom Murray discussed better layout and balanced design. In the last class, three movies were shown by Mr. Bill Baker. The movies explained the work at the yearbook plant.

Those attending were Linda Cason and Lynn Collins, co-editors-in-chief; Barbara Bowen, associate editor; Mary Dekle, class editor; and Carrie Johnson, feature editor.

The color parade of Shrine boys and clowns marched the down town length of Broughton, famous business street of Savannah.

After the parade the Blue Devils band went out to "Johnny Ganan's" for a steak supper (paid for by Statesboro Shrine Club).

Later in the evening the Blue Devils again represented Statesboro in Grayson Stadium, along with twelve other bands, at the football game between Groves High of Savannah and Glynn Academy of Brunswick.

The Statesboro band left Savannah at the end of the first half and reached Statesboro at eleven o'clock Saturday evening.

Program chairman, Paula Banks, introduced the guest speaker, Miss Kofoed. She is a Rotary Exchange Student from Denmark, who is attending Georgia Teachers College.

Requirements for an honor club were explained by Elsie Simmons and Beth Stephens explained the earning of degrees.

The devotionals were given by Pat Murphy. The minutes were read by Pat Harvey and Darlene Youmans submitted the treasurer's report.

Requirements for an honor club were explained by Elsie Simmons and Beth Stephens explained the earning of degrees.

After this discussion the meeting was adjourned and the club journals were given out.

The Mayor and Council
Statesboro, Georgia

Gentlemen:

We have made an examination of the funds of the CITY OF STATESBORO, GEORGIA, as of May 31, 1959, and the results of their operations for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statements present fairly the financial condition of the City of Statesboro, Georgia, at May 31, 1959, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding period.

Respectfully submitted,

Census office to open here in January, 1960

T. J. Morris Co. is supply depot for IGA stores

Recently Congressman Prince Preston announced that one of Georgia's ten census offices would be located in Statesboro. This week Mr. Preston states that the census office here will be opened in January, 1960.

During February this office will recruit and hire the necessary crew leaders. He said that each crew leader will serve an area containing from 15,000 to 25,000 people.

Crew leaders will recruit the enumerators locally, according to need, during March. Both crew leaders and enumerators applicants will be required to pass a qualifying test administered by the Bureau of Census.

Census requirement needs are geographic. For every population segment of 1,000 to 1,200 persons, Census will need an enumerator to take the census in that area. For example: In a town of less than 1,200 persons, only one enumerator will be needed. But in a city of 1,000,000 persons, Census will need about 900 enumerators, spaced throughout the city and its suburbs.

Crew leaders will be responsible for the work of fifteen to twenty enumerators, will work five to eight weeks on a full-time basis, and will earn approximately \$15.50 for an eight-hour day.

Enumerators will be paid on a piece-work basis designated to yield about \$12.00 daily for diligent work. These are full-day jobs and will last from two to four weeks.

The general qualifications for crew leaders and enumerators are as follows:

Applicants must be United States citizens, at least eighteen years of age; able to devote full time to the position; licensed to operate and must provide

First District municipal group to meet here

W. A. Bowen, mayor of Statesboro, and vice president of the Georgia Municipal Association, representing the first congressional district, announced today the association will hold a meeting in Statesboro on Thursday, November 19 at Mrs. Bryant's Kitchen.

Mr. Bowen stated that Lieutenant Governor Garland T. Byrd will address the meeting at 11:15 o'clock.

Others on the program include Charles A. Cowan, mayor of Cartersville, Georgia and president of the Georgia Municipal Association; W. Elmer George, executive director of the association and James F. Darby, mayor of Vidalia and state senator from the fifteenth district.

The meeting will adjourn following a luncheon at Mrs. Bryant's Kitchen.

STATESBORO MUSIC CLUB TO MEET TUESDAY EVENING, NOVEMBER 17

The Statesboro Music Club will meet Tuesday evening, November 17, at 8 o'clock at the home of Mrs. E. L. Barnes with Mrs. C. B. McEwen, Mrs. G. Moore, Mrs. William Smith and Mr. Bernard Morris as co-hosts. Dr. Jack Averitt will present a program on opera.

Midget Varsity rolls on to eighth victory; to play in Tobacco Bowl

By RALPH TURNER

The Midget Varsity whipped Vidalia 20 to 7 in an exciting gridiron duel last Saturday night. It was their eighth victory this season.

A large group of chippy spectators watched the Vidalia team lead to the strong Statesboro team with less than eight minutes left in the game. The score stood 7-7 in the closing minutes of the game when Captain Jimmy Wiggins sprang around left end for the game winning touchdown and four minutes later repeated the run with another touchdown gallop.

Fullback Wayne Jackson scored on a 40-yard sprint in the second quarter to give Statesboro a 7-0 halftime lead. Robert Mallard and Wayne Howard each scored one extra point.

Statesboro had two touchdowns called back because of penalties, but played one of their better games of the season. The fans saw plenty of those bone-jarring tackles that a often seen in the college games. Both teams backed and tackled with the viciousness of a college team.

Statesboro's backfield was exhibiting that razzle-dazzle running that has provided the Midget Varsity with eight victories this season. There were several runs of 30 yards or more during the game.

The line play and the down field blocking was the best this season. Steve Lanier, John Hart, Ted Cleary, Phil Hodges, and Larry Del led the Statesboro's line play.

This week the Statesboro team will be idle except for practice in preparation for the November 21 Turkey Bowl game in Atlantic and our own second annual Tobacco Bowl game on November 21 at the Statesboro Municipal Stadium.

Thanksgiving night against Swainsboro in the final game of the season.

Polls to open at 7 a. m. for Bulloch County primary Wednesday, Nov. 18

Bulloch County polls will open at 7 o'clock Wednesday morning for the Bulloch County Primary and will close at 7 o'clock in the evening.

Voting in Statesboro in the 129th GM district will be in the county courthouse. The polls in the other militia districts in the county will be in their customary locations.

The county's Democratic executive committee announced that a candidate must have a majority of the votes in his race to win and in case of a runoff, the runoff will be held on December 2.

Qualified as candidates and whose names will be on the ballot are:

FOR ORDINARY—R. P. Mikell, unopposed.

FOR CLERK OF COURT—Joe H. Clark, J. Rufus Anderson and Austin D. Riggs. Miss Hattie Powell, present Clerk, is not a candidate to succeed herself.

FOR SHERIFF—Harold Howell, unopposed.

FOR TAX COMMISSIONER—Winfield J. Lee, unopposed.

FOR CHAIRMAN COUNTY COMMISSIONERS—Henry J. Ellis, Allen P. Lanier and Edgar H. Wynn. (Mr. Wynn is the incumbent.)

FOR MEMBER BOARD OF COMMISSIONERS—John Paul Ellis, Homer C. McEwen and V. L. Mitchell. (John Paul Ellis and Homer C. McEwen are the incumbents.)

FOR SUPERINTENDENT OF SCHOOLS—H. P. Womack, unopposed.

FOR JUDGE OF CITY COURT—Francis Allen and Robert S. Lanier. (Robert Lanier is present judge, but is not a candidate to succeed himself.)

FOR SOLICITOR OF CITY—W. G. Neville Sr. and Robert D. Assery. (Robert Lanier is present Solicitor, but is a candidate for the judgeship.)

FOR CORONER—Ed L. Martin, unopposed.

FOR JUSTICE OF PEACE—R. F. Saunders, J. Racer Evans, J. W. Starling, W. F. Wyatt, Hoy Griffin, H. D. Deal, H. V. Rucker. (Josh T. Lanier's name is on the ballot. This should have been Josh S. Lanier, but Mr. Lanier is not a candidate qualified before his appointment as probation officer of the Ogeechee County Jail. He was disqualified him as a candidate for J.P.)

FOR CONSTABLE—M. E. Sowell, George R. Franklin, J. H. Tutch, Perry NeSmith and Roger Collins.
