SMALL GRAINS IN GEORGIA

Small grains approximately three-fourths of a million acres in Georgia each year. Of this acreage, slightly over one-half is harvested for grain. In a few areas the small grain crops harvested for cash sale are of significant economic importance, but they are generally of greater value for storage production throughout the state, say economists for the University of Georgia Agricultural Extension Service.

To gave your boy or girl more nutrition, try mixing an egg in a milk shake or chocolate milk, suggests James C. Maness, Extension poultryman.

You can raise more and better oats... if you PLANT COKER'S REGISTERED SUREGRAIN

Suregrain is well named. It will give better protection against more oat diseases than any other variety that is adapted to the lower section of the fall-sown belt. Producing early and abundant forage, it recovers after grazing to make a good crop of grain. Matures about two days earlier than Victor grain 48-93. Short, stiff straw makes it ideal for combining. Very high test weight. Plant a portion of your oat acreage to this fine variety this fall.

Spade and Trowel Garden Club met September 6

The Spade and Trowel Garden Club met Tuesday morning, September 6, at the home of Mrs. John D. Deal with Mrs. Mark Toole as co-hostess. The theme was "On the Patio." An arrangement in keeping with the subject and the setting which was on Barbara Deal's patio, was brought to the club by Mrs. Curtis Lane and Mrs. Lewis Hook. A straw hat filled in all the varied colors of zinnias was placed on a table covered with a black and white checked cover. Yellow marigolds decorated other tables. Flower beds with zinnias and marigolds were seen in the flower garden, and beautiful caladiums flourished around the patio. Mrs. H. P. Jones, president, presided at a brief session. Mrs. Albert Brannen and Mrs. Bill Keith discussed color charts and showed pictures and slides illustrating the relations of color.

Lemon sherbet, in gingerale, was served with cookies and salted nuts.

Every member was present. Members are Mrs. G. C. Coleman Jr., Mrs. W. P. Hill Jr., Mrs. Frank Hook, Mrs. Julian Hodges, Mrs. H. P. Jones Jr., Mrs. A. S. Dodd Jr., Mrs. Robert Lanier, Mrs. W. R. Lovett, Mrs. C. J. Mathews, Mrs. C. P. Olliff, Mrs. Ed Olliff, Mrs. Curtis Lane, Mrs. Lewis Hook, Mrs. Joe Robert Tillman, Mrs. C. Zack Smith, Mrs. Jack Wynn, Mrs. Albert Brannen, Mrs. Jim Sharp, Mrs. B. W. Twitty, Mrs. D. Deal, Mrs. Bill Keith and Mrs. Mark Toole.

Those attending were Mrs. Ralph Tyson, program chairman; Mrs. Viola Perry, Mrs. I. A. Brannen, Mrs. J. A. Addison, Mrs. George Bean, Mrs. W. C. Huggins, Mrs. Raleigh Brannen, Mrs. Albert Brannen, Mrs. Jim Sharp, Mrs. B. W. Twitty, Mrs. Bobby Smith, Mrs. Acquilla

For traveling, the bride chose lilac dressmaker suit with matching velvet hat, black suede bag and slippers. White gloves and the white orchid from her bride's bouquet completed her outfit.

Mrs. DeLoach will return to the University of Georgia where she will receive her degree in June. Mrs. DeLoach received his B. S. degree from the University last June and is a student at the University of Georgia School of Law. The couple will be at home in Athens after September 23rd.

Lanier-Smith
rehearsal party given by parents

Mr. and Mrs. Robert Smith, parents of the groom, entertained the Lanier-Smith Bridal party at a rehearsal dinner in the dining room of the Tobacco Trail Court Saturday evening.

The candlelight dinner was served on a lovely table centered with an arrangement of gladioli and dahlias a silver container with miniature ivy entwined with crystal and pearl beads and accented with loops of ivory ribbons and a scroll effects down the center of the table to the three-branched silver candelabrum where beautiful white wedding bells cascaded from the branches to the tables, the pearls and crystals in the beads reflecting the beauty of the candlelight added to the romantic scene.

A delicious cold plate was served to the twenty-two guests whose places were marked with cameo bride cards.

The bride's place was marked with a white carnation corsage and the groom with a boutonniere. Miss Lanier wore light blue cotton party dress with a bouffant skirt.

Civic Garden
Club held meeting Sept. 8

The Civic Garden Club met Thursday, September 8th at 10 o'clock at the home of Mrs. Fred T. Lanier Sr. with Mrs. Percy Bland and Mrs. J. P. Foy co-hostesses.

A most interesting and enjoyable program was presented by Mrs. George Johnston, program chairman, Mrs. Waldo E. Floyd, Mrs. Glenn Jennings and Mrs. Cliff Bradley. The speaker, Mr. Harry W. Smith used as his topic "Old Silver Leading to New Silver." Mr. Smith illustrated his talk with a large display of lovely pieces of antique silver, of which many were "Sheffield," and some in a more modern trend. The display was exhibited from the dining room table, which was covered with a lovely Mexican linen cloth. As a background for the silver, there was a beautiful arrangement of orchid chrysanthemums, cat tails and ivy in an imported glass decanter in lavender hues which was placed in an arrangement of silver. Dried arrangements and a large bowl of yellow marigolds were the decorations used in the living room and foyer.

The business session was conducted by the president Mrs. Alfred Dorman.

There were 23 members present, besides the guests, Mr. and Mrs. Harry Smith.

Dainty party refreshments were served by the hostesses.

Mrs. Gerry Darwin Rushing

Miss Gay and Mr. Rushing are married

Miss Eugenia Lynella Gay, daughter of Mr. and Mrs. Eugene Gay of Statesboro, and Gerry Darwin Rushing, son of Mr. and Mrs. H. C. Rushing of Statesboro, were united in marriage at 4 p.m. Saturday, September 3, in a double-ring ceremony at Temple Hill Baptist Church.

The Rev. Dell Bardeau performed the ceremony. Mrs. George Dwinell, pianist and Mr. George Dwinell, soloist, provided the wedding music.

Vows were spoken in a setting of palms, seven-branched candelabra holding lighted tapers and cascade arrangements of white gladioli, and mums.

The bride, given in marriage by her father, wore a bell-shaped gown of Chantilly lace over tulle, accented with a cascade of lace tiers down the back. The gown featured a Salina neckline, and traditional long sleeves. The circular, shoulder length veil of imported illusion fell from a crown adorned with sequins and pearls. She carried a satin covered Bible attached to a white orchid and carnations.

Mrs. W. H. Barlow, aunt of the bride, was matron of honor and the bride's only attendant. She wore a dress of lavender organza over tulle, with a scoop neckline three-quarter sleeves, a full skirt, with matching accessories. She carried a bouquet of pale yellow carnations.

The best man was the groom's father, Mr. H. C. Rushing. Ushers were Rayburn Cannon, cousin of the bride, and Jimmie Rushing, brother of the groom.

The mother of the bride wore a champagne beige lace and chiffon dress, with a Chantilly-type lace scooped neckline, with brown matching accessories. Her corsage was of pale yellow carnation.

The mother of the groom, wore a Navy blue, brocade cotton, hat and gloves of lighter blue with black patent accessories. Her corsage was of white carnations.

Out-of-town guests were Mr. and Mrs. W. H. Barlow of Atlanta, Miss Sara Sue Smiley, Johnny Barnes, Miss Janet Dunn, and John Cook of Savannah, Mr. and Mrs. Eugene Joyce, Carol Jean and Suzanne of Pooler, Mrs. Jimmie Marsh of Porterdale, and Miss Barlow of Atlanta.

A reception was held immediately following the ceremony in the church annex.

For going away the bride chose a gray and black princess line dress with scooped neckline and black accessories. The orchid was lifted from her Bible for her corsage.

Upon returning from their honeymoon the couple will make their home in Savannah.

Miss Brunson and Mr. Allen exchange wedding vows

Miss Sylvia Marcia Brunson, daughter of Mr. and Mrs. James R. Brunson, became the bride of Alvin Wesley Allen, son of Mr. and Mrs. J. W. Allen, on Sunday afternoon at the First Baptist Church. The Rev. J. Robert Smith officiated.

Mrs. William S. Smith, organist, presented the wedding music and accompanied Bill Adams Jr., who sang "Entreat Me Not to Leave Thee" and "The Wedding Prayer" and as Prayer song "O Perfect Love."

A pyramid of yellow candles formed a background for tall baskets filled with yellow mums, yellow glads on each side of the altar. Behind the kneeling bench was an arch of cascading yellow and bronze gladioli was on the altar rail. Family pews were marked with yellow ribbon and bronze ball leaves.

The bride, given in marriage by her father, wore an original wedding gown designed and made by her great aunt, Mrs. Eva Hurst, which combined Chantilly lace, tulle and bridal satin. The bodice featured a scoop neckline of scalloped lace, accented with pearls. A straight panel down the front was outlined with scalloped lace. Tremendously full in the back, the gown swept to form a chapel train. Her veil of imported illusion was attached to a beaded pearl and sequin crown over satin. She carried a bouquet of white fugi mums.

Mrs. Duke Knight of Columbia, S. C., was matron of honor. Bridesmaids were Miss Patty Thompson and Miss Glenda Brunson of Savannah, Miss Anne Fulmer and Mrs. Clyde Joiner of Statesboro. The attendants wore opera blue chiffon street length dresses, featuring draped neckline, crushed chiffon fitted bodices which dipped to V-neck in back, ending in a panel of chiffon over tulle. They wore matching velvet circlets with veiling and tiny velvet bows with shoes dyed to match. Their bouquets were cascaded of yellow fugi mums with fall leaves.

Bennett Allen served as his brother's best man. Ushers were Billy Brunson, Tony Strozio of Savannah, Earl Edfield and Charles Clements of Savannah.

Mrs. Brunson, mother of the bride, wore a plum crepe and net dress with tiny beads at the neckline. Her small hat was of roses in shades of lavender and plum. Mrs. Allen, mother of the groom, wore an ice blue sheath with iridescent trim with an ice blue velvet hat.

Immediately following the ceremony a reception was held in the social room at the church. The guests were met by Mrs. J. C. Hines and Mrs. H. L. Atwell. Mrs. D. P. Waters introduced guests to the receiving line.

The bride's table was overlaid with a white organdy cloth. The three-tiered wedding cake was in the center, flanked by cupids holding arrangements of white and chrysanthemum fugi chrysanthemums and green grapes. The serving table was also covered with organdy with a centerpiece of yellow fugi mums, fruits and fall leaves. The table, where Miss Faye Dunham kept the bride's book, was covered in organdy and featured a cupid holding yellow chrysanthemums.

Mrs. Les Witte, in charge of refreshments, was assisted in serving punch and wedding cakes, minis, and nuts, by Mrs. Cardell Thompson, Miss Beverly Alderman, Mrs. Fairy Hiers, Mrs. George Sitter, Mrs. Lamar Simmons and Mrs. Earl Edfield.

Mingling with the guests were Mrs. Homer Simmons Jr., Miss Ronnie Pafford, Mrs. Ray Thompson, Mrs. Rudolph Thompson, Mrs. Betty Hendrix, and Miss Evelyn Simmons.

When Mr. and Mrs. Allen left for their wedding trip to Florida, the bride was wearing a red and black costume suit with black accessories.

Out-of-town guests for the Brunson-Allen wedding were Mr. and Mrs. Elton Mobley, Savannah; Mr. and Mrs. Gus Brown, Covington, Ky.; Mr. and Mrs. Ray Thompson and family, Mr. and Mrs. Paul Brunson Jr. and family, Mr. and Mrs. Rudolph Thompson, Mr. and Mrs. W. Trees for lumber vs for turpentine

By ROY POWELL
County Agent

HOW MUCH LOSS IN WOOD GROWTH DUE TO TURPENTINE?

A 10-inch tree contains about 100 board feet of lumber. In most areas of the gum belt the 10-inch trees grow into 12-inch trees in about eight to 10 years. It takes the two-inch growth in 10 years we have produced an additional 50 board feet of wood which amounts to five board feet per year. If sawtimber is bringing 30 dollars per M stumpage the five board feet of lumber produced each year is worth 15 cents.

If you lease your navel stores to an operator you will probably get 15 to 25 cents per year. By having your trees worked research has shown that your wood growth will decline about 25 percent. You were producing 15 cents worth of wood per year without cupping and if you cup you will produce only 11 1/2 cents worth of wood per year. You see you lost one-fourth of your growth (1/4 of 15 = 3 1/2).

You lose less than four cents worth of wood growth and you receive 15 to 25 cents worth of gum. If you are in a position to make even more profit. You can work your trees under intensive management where the trees might grow two inches in five years the loss is only 7 1/2 cents per year. Only the worked area grows normally.

The loss in wood growth is very small when compared to the extra income from navel stores. Even under intensive management where the trees might grow two inches in five years the loss is only 7 1/2 cents per year. Only the worked area grows normally.

IRRIGATION

Georgia farmers have increased the number of irrigation systems in this state from 35 system 15 years ago to the present 2,540. Irrigation is becoming more widespread in Georgia each year. More than 98,000 acres of crops and pastures are now under irrigation. Only 9,500 acres were irrigated in 1951. The total annual rainfall in Georgia is adequate, but num-

Air cleaner service for farm tractor important operation

By JERRY KENNEDY
Special Teacher of VO-AG

Southeast Bulloch High School By this time of year nearly every farmer is either engaged in, or soon will be picking peanuts. It is no problem to spot this operation even if the equipment cannot be seen at work. All that is necessary is to see a huge cloud of dust rising in a centralized area of a field and once you can feel certain that the peanut harvesting operation is in full swing.

For those owning the tractor and combine at work this either be a money-making or a money-spending operation depending on how well he maintains his equipment. The important of servicing the tractor and combine assembly is one of the most important jobs that you can perform on your tractor.

In fact, an Illinois report states that more tractor troubles result from lack of air cleaner service than any other single cause. This finding is supported by the experiences of manufacturers, dealers, and various other such reports from several states.

Here is the reason clean air is so important. The common carburetor tractor uses large quantities of air—9000 gallons of air for each gallon of gasoline burned. The diesel engine uses approximately three times this amount of air for each gallon of fuel burned. Even a small amount of dirt in that amount of air add up considerably in a day's operation especially when operation is under such conditions similar to those of pulling a peanut combine.

If the dirt is not filtered out, it passes directly through the intake manifold into the engine cylinders. Here it mixes with oil on the cylinder walls and forms a grinding compound. The grinding action takes place on the cylinder walls, piston rings, ring grooves and bearings.

As the parts become worn your tractor loses power, starts using oil and takes more fuel to get the job done. It finally reaches the stage where a complete overhaul is necessary.

The speed with which this wear takes place depends on the amount of dirt that enters the inside of your engine. This is determined by how well you service your air cleaner. Under very dirty conditions and with no air cleaner, new tractors are reported to have reached the complete overhaul stage after being in operation in the field under operation for less than 15 hours. This is under such conditions as operating a tractor with a peanut combine. Tractor manufacturers equip their tractors with the most efficient air cleaners available in an effort to help you prevent this unnecessary wear and expense. The air cleaners that you see on most farm tractors

HATCHING EGG PRODUCTION

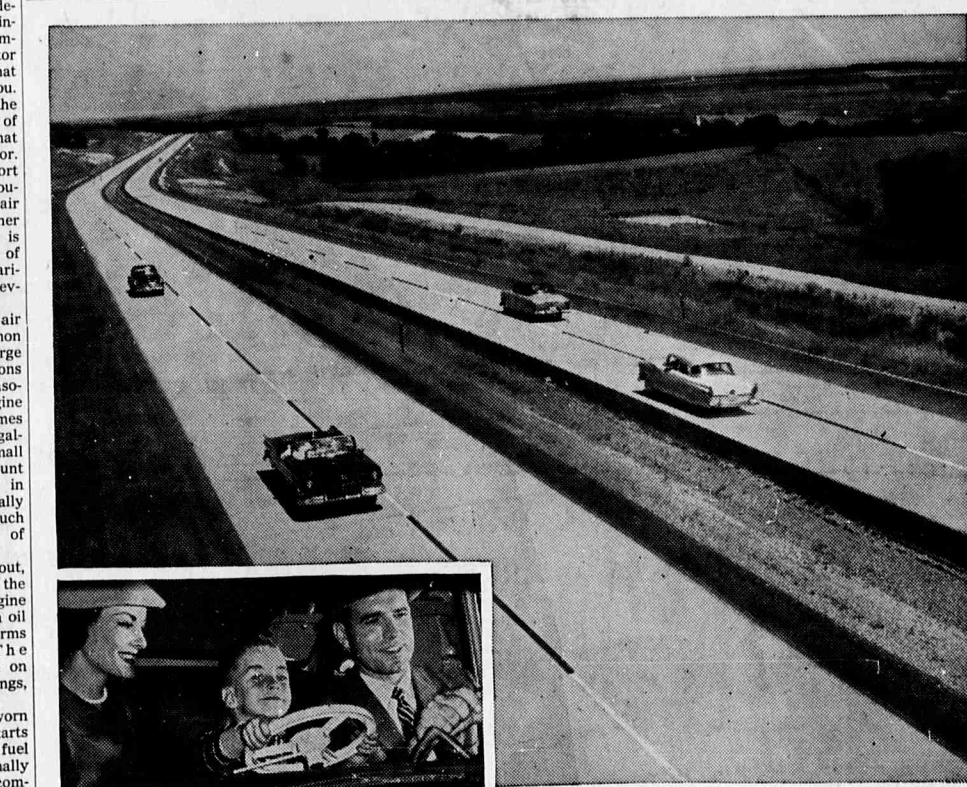

Successful production of hatching eggs requires greater managerial skill than any other phase of poultry production, according to M. Y. Dendy, Extension poultryman. A good producer of hatching eggs must have a thorough knowledge of husbandry, including a basic understanding of hatchability and how it is preserved. Preferably, a hatching egg producer should be an experienced poultryman, he says.

are about 99 per cent efficient. Even with an efficiency this great about three-quarters of a pound of dirt enters the engine in a season. Yet, if the air cleaner was only 50 per cent efficient, about 37 pounds of dirt would reach the engine in a season.

When operating the tractor under such dusty conditions as pulling a peanut combine, the cleaner should be checked about every 2-3 hours or less if the wind is blowing in the direction so as to carry the dust directly toward the tractor. In order to eliminate this costly problem of complete

Agnes Elizabeth Donaldson

TIFTON, GA. — Announcement is made today by Mr. and Mrs. Warren Bruce Donaldson Jr. of Tifton, of the engagement of their daughter, Agnes Elizabeth Donaldson, to the Rev. Joseph Rogers Porterfield of Waycross.

A graduate of Westcott College in Marion, Miss Donaldson has been employed for the past year by the Glynn County Board of Education in St. Simons.

The Rev. Porterfield is the

son of Mrs. Ralph Porterfield of Louisville and the late Rev. Ralph Porterfield of the Albany First Methodist Church. The groom-elect received his education at Georgia Southwestern College in Americus and Valdosta State College, Valdosta, and the pasteurized Brookhaven Methodist Church in Waycross.

Miss Donaldson is the granddaughter of Mrs. Elizabeth Donaldson of Statesboro.

Miss Ulmer become bride of L. P. NeSmith Jr.

Miss Joan Carmen Ulmer, daughter of Mr. and Mrs. Horace R. Ulmer, became the bride of Linton Perry NeSmith Jr., son of Mr. and Mrs. L. P. NeSmith Sr., of Brooklet, recently in the Faith Lutheran Church of Savannah.

The Rev. Paul Haffley officiated at the double-ring ceremony. Dwight Bruce, organist and Miss Gale Rhodes, soloist, of Estill, S. C., presented the wedding music.

The bride, given in marriage by her father, wore a gown of Chantilly lace designed with a fitted sleeveless bodice, the deeply scooped neckline of which was accented with a sequined lace medallion. Sequined medallions caught the side panels of the full skirt which fell into a chapel train. Her headpiece was of white tulle and carried a nosegay of pink sweet-rose roses.

Hubert Barnard, brother-in-law of the groom, was the best man. Ushers were Al Blackburn, Jerry Tuttle and Dan Currie, of Florence, S. C.

The mother of the bride selected a dress of pink silk organza with matching accessories and a white carnation corsage.

Immediately following the ceremony a reception was held in the bride's home. The bride's table was covered with a white satin cloth overlaid with nylon lace and holding two five-branch candelabras. Centering bouquet of white sweethearts, roses and stephanotis. Her only ring cake topped with a bride and groom.

For their wedding trip to Florida, the bride chose a white linen petti suit with matching accessories and the corsage from her bridal bouquet.
