Blue Devils lose to Dublin; play Dudley here October 14

Dublin took a giant stride Friday toward a repeat of its 1959 state Class A football title by defeating Statesboro, 7-6, before 3,000.

The undefeated Irish had already defeated its other high-rated opponent, Washington County, and must only avoid a starting upset to again enter the state Class A playoffs.

The Blue Devils will be idle this week, and on Oct. 14 will host winless Dudley Hughes of Macon, a region 2-A team for the first time this year.

Coach Minton Williams' eleven marched 60 yards in 14 plays after receiving the second half kickoff to gain the win.

The key play in the drive was a fake punt with fourth down and five to go at the Statesboro 40. Jimmy Harrington, seemingly a blocker on the play, received the snap and ran for 25 yards. Seven plays later, Harrington fought his way in from the four.

Dublin added the extra point on a tricky maneuver. Quarterback Ronnie Baggett faked a jump pass, then pitched it back to halfback Bill Riner, who then passed to end Wayne Thomas, unmolested in the left corner of the end zone.

Statesboro's second quarter touchdown followed Carroll Clements' recovery of a Dublin fumble at the Irish 10. Jamie Manley gained one, and then Jimmy Seacore completed a

chronic knee injury on this play.

Third Quarter
Johnston kicked off to Harrington who returned 10 yards to the Dublin 40. Statesboro was penalized five yards for being off-side on the kick-off. Riner gained two and Baggett rolled-out for eight, first down at the Statesboro 45.

Jernigan gained five, Harrington one. Jernigan lost one, and with fourth and one at the Dublin 48, Johnston was stopped inches shy of the first down.

Riner gained seven and Jernigan four, first down at the 30 seconds left to play in the final period. Bob Lane broke through from the 20 yard line with 30 seconds left to play and scored the touchdown that put Statesboro ahead of the League leaders. The final score was 13 to 7.

The Midget Varsity scored in the second quarter and led 6 to 0 at half-time. Then the Vidalia team fought back with everything they had in the second half and scored a touchdown and the extra point in the third quarter. Statesboro trailed the Vidalia team most of the last half by a 6 to 7 score. Then with less than two minutes remaining to be played the local team got the ball on their own 15 yard line marched 86 yards in seven plays to score the game winning touchdown.

The local team became fired up when their Captain Ronnie Street was put out of action late in the fourth quarter in a pile-up. Street was bruised up slightly and was the leading defensive player for Statesboro. He made and assisted in 15 tackles. Hugh Rockett, Larry Deal, James Hagan, and Al Bilzard were outstanding defenders also.

Russ Beucham, an end, scored the first Statesboro touchdown on a 75 yard sprint down the left side line after he simply outran two Vidalia defenders. Wayne Howard, the Vidalia quarterback, and Larry Deal, the

Statesboro Midget Varsity overpowers Vidalia 13 to 7

Statesboro's Midget Varsity broke Vidalia's winning streak Saturday night, October 1, with 30 seconds left to play in the final period. Bob Lane broke through from the 20 yard line with 30 seconds left to play and scored the touchdown that put Statesboro ahead of the League leaders. The final score was 13 to 7.

Mite football now underway at Center

By TOMMY MARTIN

Mite Football got underway for another big season last week at the Recreation Center. An estimated 160 boys have already signed up for play with a few late comers still expected.

The Mite program is set up for boys of Statesboro and Bulloch County who are from eight to eleven years old. The Mite football team is composed of boys eight and nine years old, and they play on Wednesday afternoon from 4:30 to 5:30 and on Saturday mornings from 9:45 until 11:30.

MIGHTY MITES
On Tuesday of last week the Mighty Mites saw action in their first scheduled game of the season. The Blue Devils rolled to an exciting 14-13 win over the Red Devils. Bill Hook, who scored the winning point, was the big horse on offense scoring their entire 13 points on two ten yard touchdowns and an extra point.

GOLD VS GREENS
The Gold Devils had to really scramble for their win over the Green Devils downing them 27 to 20. For the victors, Al Baldwin, scored two touchdowns, one on a pass from Clyde Redding and the other on a pass interception. Baldwin also added two extra points, both on passes from Donald Long. Raymond Cassidy and Marvin McMullen also scored one touchdown each another extra point to the scoring column.

Jimmy Aldred was the work horse for the Greens as he scored two touchdowns on runs of 40 yards and 35 yards and added two extra points. Jimmy Tillman got into the scoring attack for the Greens when he swept around end for six points.

GOLDS VS BLUES
On Wednesday rain prevented the Tiny Mites from playing their first scheduled games. On

Thursday the Mighty Mites were back and more eager than before to see if their team could repeat their win on Tuesday or win their first game.

At 12:13 the Gold Devils held the Blues scoreless as they scored on to win by a 20 to 13 score and their second win of the new season. Al Baldwin repeated his excellent pass receiving as he scored two touchdowns and one extra point on passes from Duke Long and Clyde Redding. Raymond Cassidy and Zack Smith added the remaining seven points with Cassidy scoring the six points and Smith the one.

For the Blues it was Bill Hook on a 35 yards run for the first touchdown and then it was Hook again for the extra point. Greg Sikes intercepted a pass right out of the hands of a Red Devil and returned it 30 yards for the Blue's final six points.

The Red Devils won their one game of the season by defeating the Gold Devils by a score of 19 to 0. Tracy Lanier had the scoring attack for the Reds with his touchdown and extra point for a total of seven points. Larry Boatman and Dan Van Horn were held short on touchdowns. The Golds just didn't seem to get that ball moving. They prove to be a lot tougher as the season progresses.

The Greens and Blue really had a thriller as the 7 to 6 ball game with the Greens coming out on the big end of the score. Donald Williams carried the ball five yards up the field for the Greens and then using the same play scored the extra point that was the difference in the final score.

The Blues kept fighting back all during the game and in the final half Dudley Johnson carried the ball five yards up the middle for their only score. Brent Buchanan was stopped just short of the goal line in their try for the extra point but they would have tied up the game.

A cherry pie is round-trip ticket to Chicago for 4-H girl

On October 7, a beautifully baked cherry pie became a round-trip ticket to Chicago for Mary Alice Belcher, daughter of Mr. and Mrs. Robbie Belcher of the Puckett community. And an apple pie made Amelia Walters, first alternate for the trip, first alternate for the trip.

Mary Alice and Amelia arrived in Statesboro Friday October 7 with one of the highest honors for 4-H girls in Georgia. For Mary won a first place in the Georgia pie baking competition. Her prize is a trip to Chicago, February, 1961 and a \$500 scholarship.

Both Mary Alice and Amelia were district winners at Rock Eagle and attending the State Fair Bake-Off. Mary Alice was the lucky one.

While practicing pies at home and through many trials and errors which made it necessary to change the recipes, the girls came up with the pies which brought them honor for Bulloch County.

The pie makers were judged on the quality of their pies, method of preparation, personal grooming, poise and ability. All eight contestants were very businesslike in their baking and had the recipes down pat. There were peach, apple and pecan, as well as cherry pies, which all turned out beautifully. Mary Alice's winning cherry pie was sent to the President of the Southeastern Fair, Mr. E. S. Papp.

Amelia Walters' apple pie, using cheese pastry, turned out to be a beautiful creation. Amelia is planning to continue baking pies until 1961 and enter the district area bake-off, where she hopes to win so she can return to the State Bake-Off.

Womans Club Harvest Fair is Tuesday, Oct. 18

Members of the Statesboro Woman's Club are working on the "production line" producing articles to be sold at the club's Harvest Fair at the Community Center on Fair Road on Tuesday, October 18.

One item which members of the club will push will be the hammered brass-looking waste can. Another feature of the Fair will be the lovely antique display from four antique dealers in Augusta.

There will be display booths where visitors at the Fair may buy many things, including candy, cakes, preserves, and other sweets, hot dogs, and cold drinks. A cook book containing the Favorite Recipes of club members will be on sale.

There will be a "White Elephant Sale" which will prove interesting to all who attend the Fair.

Admission to the Fair will be ten cents for children and twenty-five cents for adults. The Fair opens at 10 a.m. and closes at 5 p.m.

There will be a valuable door prize.

First Baptists launch annual campaign Oct. 16

The First Baptist Church of Statesboro will launch its annual campaign Sunday, October 16, to underwrite its 1961 budget. The church's budget for 1961 is \$100,000.

After being reviewed by the board of deacons on Thursday night of this week, the budget will be presented to the congregation during the worship service this Sunday morning, October 16, for adoption.

During the next four weeks the various committees of the church will be actively engaged in plans to help present the budget needs to the members of the church.

Among the many highlights of the campaign will be the Loyalty Dinner for the church, held again this year at the Georgia Southern College dining hall on the night of November 3. Dr. Jack Roberts, pastor of the First Baptist Church, Augusta, will be the inspirational speaker at this dinner, with at least 500 people expected to dine. The dinner hour will be a Children's Party held at the church to care for all boys and girls under 12 years of age from 8 years old and below. Young people 9 years of age and above will be expected at the Sunday School hour as the adults.

Auto Show to be a feature of Fall Festival of Values Oct. 27

A feature of the Fall Festival of Values in Bulloch County, being sponsored by the Merchants Division of the Statesboro and Bulloch County Chamber of Commerce, on October 27-28, will be the Auto Show presented by the new car dealers of Statesboro on Thursday, October 27 from 2 to 8 p.m. in the Brown Warehouse, across South Zetterworth Street from the Recreation Center.

All the new car dealers will participate and show their 1961 models.

At 7:30 o'clock on the evening of October 27, there will be the drawing for the prizes to be given away. Booths will be set up for registration. Winners whose names are drawn do not have to be present to win.

There will be music by an orchestra from 5 to 8 p.m.

The highlight of the Festival will be the drawing of the "Miss Statesboro" at the W. S. Hanner Building at Georgia Southern College on Saturday evening, October 28. This evening comes after the awarding of the grand prize of "Live Free in Bulloch County for a Month." Drawing for the winner will be held at the Statesboro Parade will be Friday afternoon.

The Festival gets under way with a meeting for the farmers of the area at which there will be a demonstration or forum of interest to them.

Following the dinner a musical program was presented by a quartet, Hoke Smith, Cecil Walters, Wallace Edfield, and Merrill Johnson, accompanied by Mrs. John Dyal.

Judge Renfro is honored by Circuit Court

Judge J. L. Renfro, who is serving his fourteenth year as Judge of the Superior Court of the Ogeechee Judicial District, was honored by the members of the Circuit Court at a surprise dinner held at the Millen Community Hotel on Wednesday evening, September 28th. Judge Renfro will retire at the end of the year.

G. Clyde Dekle, Jr., Millen, served as Master of Ceremonies, and welcomed the guests.

Claude Sullivan, Ordinary of Jenkins County, gave the invocation.

Following the dinner a musical program was presented by a quartet, Hoke Smith, Cecil Walters, Wallace Edfield, and Merrill Johnson, accompanied by Mrs. John Dyal.

Another dealer shows new 1961 auto models

One more auto dealer is showing his 1961 model today. Lannie F. Simmons, Studer-Lark dealer, is showing the new 1961 Larks at his place in Simmons Shopping Center.

Mr. Simmons invites the public to visit his place and see the new models.

The other new car dealers in Statesboro showed their new models last week and the week before.

Program campaign this year are:

Harry Brown, general chairman; Frank Hook, budget promoter; W. G. Cobb, Sr., budget planning; J. Brantley Johnson, budget pledging; C. B. McAlister, tally committee; lesson chairman; Jimmy Guy, children's party; Mrs. Harold Tillman; Loyalty Dinner, Mrs. L. A. Mallard; reservations committee; Mrs. Paul Carroll, assigner; supper, and Report, Mrs. J. C. Hardy.

Pledged Sunday has been set for November 6, when a great "Victory March" is planned for the Sunday School hour as the members bring their pledges to underwrite the church budget.

I. M. Foy Sr. to retire as City Councilman

Mr. Inman M. Foy, for eighteen years a member of the City Council of Statesboro, announced his retirement from city government with the expiration of his present term of office. He says that he is not a candidate to succeed himself.

Mr. Foy served on the city council under three mayors including the late Mayor Alfred Dorman, Mayor J. Gilbert Cone and the present mayor, Bill Bowen.

For ten years he served as chairman of the street committee of the council and for the past eight years he was chairman of the finance committee and mayor pro tem.

Mr. Foy said in making his announcement, "I have seen Statesboro grow from a city of about 4,000 to its present population of over 10,000 in eighteen years with the city."

Mr. Foy leaves an impressive record to his credit with his retirement. During the eighteen years of public service he has played a part in seeing six miles of streets in the city paved, six miles of new water pipe lines installed, the boring of the \$75,000 deep well, the development of the city's recreation programs in the nation, including two swimming pools, the natural gas system, the new modern sewage disposal and treatment system, the lowering of the tax rate from twenty-one mills to its present six and one-half mills.

"I thank the people of Statesboro for their cooperation and their support in the past, and I trust that many good things will come to the City of Statesboro in the future," he said.

Homecoming at Bible Baptist Church Oct. 16

The Bible Baptist Church of Statesboro, Georgia, October 16, will observe Homecoming and the third anniversary of the call of the Rev. W. F. Tompkins as pastor of the church.

An old-fashioned basket dinner will be served on the church grounds at 1:30 o'clock in the afternoon.

At 3 o'clock in the afternoon there will be a dedication service for the new addition to the Sunday School building. This new structure is 36 feet by 50 feet structure is 36 feet by 50 feet construction. The educational building is now 36 feet by 96 feet. The new space was needed to house the increase of Bible School attendance which had grown out of the original space.

During the evening the quartet rendered several selections of "Old Favorites" and the program closed with the singing of "Living for Jesus."

Each of the recipients spoke for a few minutes, and expressed appreciation for the cooperation of the Bar Association and Court Officials during their years in office.

During the evening the quartet rendered several selections of "Old Favorites" and the program closed with the singing of "Living for Jesus."

Pittman Park Church observes Laymen's Day

Pittman Park Methodist Church will observe Laymen's Day on October 16 at 11:00 a.m. Dr. A. B. Daniel, Church Lay Leader will be in charge of this special service. He will be assisted by other laymen in the church.

Mr. A. H. (Hal) Cotton, the Deputy Director, Marshal Management Directorate, Warner Robins Air Material Area, Robins Air Force Base will be the guest speaker.

Mr. Cotton is an internationally recognized Air Force logistical executive. He was in Lebanon, Turkey, Formosa, Korea and other countries during the Middle and Far East crisis of 1958. In September-October, 1959, Mr. Cotton completed an "around-the-world" trip in the interest of U. S. Air Force responsibilities. For his extensive efforts, the Secretary of the United States Air Force has awarded him the highest award that can be bestowed on a civilian employee by the United States Air Force.

Mr. Cotton was born in Alabama and was educated in the public schools of that state, the University of Alabama, and George Washington University, Washington, D. C. He is a former instructor for the Extension Division, University of Alabama.

He is a member of the official Board, a past Church School Superintendent, a choir member and Sunday School teacher of the Perry Methodist Church. He is also a member of the Planning and Zoning Commission of the city of Perry.

Mr. Will Cromley is honored by the U.S. Weather Bureau

Watching, recording and reporting the whims of the weather and making it a part of the Bulloch County record for the past fifty years brought honor and acclaim to Mr. Will Cromley of Brooklet.

On Wednesday evening, October 5, at the October meeting of the Brooklet Farm Bureau neighbors in the Brooklet community gathered at the Brooklet Community Center to pay tribute to Mr. Cromley and participate in the ceremonies in which Mr. Cromley received a Fifty-Year Service Emblem from the Chief of the United States Weather Bureau. The presentation was made by Mr. Horan S. Carter, State Climatologist of the Weather Bureau Office, Athens, Ga.

The text of Mr. Carter's presentation is as follows:

"Mr. Chairman and members of the Bulloch County Farm Bureau—I am very grateful for this opportunity of meeting with you and having a brief part on your program tonight. It is my duty that I am here to perform one that I have looked forward to for some time and one of the most pleasant I have ever had the privilege of performing."

On September 1, 1910, Mr. Will Cromley, one of your members and fellow citizens, was his first official weather observation for the United States. Since that time, more than 50 years of continuous service, Mr. Cromley still maintains a keen interest in the weather and continues to do an excellent job as official weather observer at Brooklet.

Through his long period of unbroken service and the consistently high quality of his records, Mr. Cromley has rendered an invaluable and truly remarkable patriotic service to his Government and his fellow citizens.

I would like to briefly mention just a few of the things that Mr. Cromley's records tell us about your climate. From more than 2000 inches, or almost 26 2/3 inches fell in his life. He has measured, we know that your average yearly rainfall is about 46 inches. We also know that your rainiest months are June through September and your driest months are October through January. Your wettest month of record was September 1929 when Mr. Cromley measured and recorded more than 24 inches of rain. This was almost as much rainfall as he measured during the entire year of 1954, when only 26.7 inches fell.

After more than 50 years of continuous service, Mr. Cromley still maintains a keen interest in the weather and continues to do an excellent job as official weather observer at Brooklet.

Whether there was rain or not he still had the high and low temperatures to read and record each day. He probably recalled the very hot summer of 1925 when, on August 20, and September, his maximum thermometer rose to the record of 107 degrees. He has come to expect 100 degree weather, though, as there have been only three summers in the last 50 that the mercury failed to reach 100 degrees. Mr. Cromley recorded his lowest temperature on February 3, 1917 when his thermometer read a very cold 10 degrees. In February 1914 Mr. Cromley measured 3 inches of snow.

Vote for Amendment No. 8 on November 8

One night last week we were in a meeting with one of the Bulloch County Farm Bureau chapters when the subject of peanuts and Amendment Number 8 which will appear on the November 8 General Election ballot, came up.

We heard peanut growers get up and express hope that the Amendment will be favorably voted by the people of Georgia when they mark their ballot that election day.

We learned that Amendment Number 8 says:

"For ratification of amendment to the Constitution so as to provide for the promotion of agricultural products."

We heard it explained—that it means, what it will do for the farmers of Bulloch County and Georgia.

Simply put, the amendment means that farmers would have a right to finance, and carry out programs to enlarge markets, develop new crop uses and otherwise sell more Georgia and Bulloch County produced commodities to the rest of the nation. This would bring more income to the farmers and more cash money into the economy of Statesboro, Bulloch County and Georgia.

It was explained how this agricultural "promotion" works in our neighboring state of Florida.

Back in 1935 Florida citrus growers were going broke by the hundreds. Oranges sold in New York for less than the cost of shipping them there.

Then the Florida Citrus Com-

mission was created by the legislature, financed not by taxpayers but by growers themselves. They set out through advertising and publicity to persuade Americans to eat more citrus products. They set out to build new markets in sunshine-short parts of the world such as Scandinavia. They found new ways to distribute orange juice—in cardboard, tin, aluminum and now even in those push-button squirt cans.

American consumption of Florida citrus grew from eleven pounds per person per year in 1935 to forty-five pounds per person per year today. Now the Florida citrus crop is worth \$400 million to the state.

That same sort of thing can happen in Georgia to the peanut industry, for instance. It would help promote the use of peanuts . . . peanut butter, peanut brittle and on and on.

Approval of Constitutional Amendment Number 8 on November 8 would be the signal for the farmers of Georgia to "take off" on vigorous promotions to increase their income.

We in the cities and towns can do this for our friends—we can vote for Amendment 8. It will not cost you, a taxpayer, a single dime. It will be financed by the farmers themselves.

We suggest that you vote "for" it on November 8. You'll win the approval and thanks of the farmers you know, and the farmers you do not know.

And in the end you'll profit too.

Fire is an enemy

Because fire is such a destructive force when improperly handled or when conditions which nurse the possibility of fire are allowed to build up, our City Fire Chief Red Gay, this week—National Fire Prevention Week—urges the intelligent and determined individual and cooperative action of every citizen of Statesboro and Bulloch County to help reduce this needless destruction or our homes, our businesses, our forests.

Fire Chief Gay suggests that a diligent search be made about your home and your business to determine if there are any conditions which, if allowed to go on, might be the starting point of a fire.

Fire is an ever-present enemy, fight it every day in every way you can.

THE HEALING GOD OFFERS
IT IS A rather shocking fact, but good health is scarce today and poor health is rampant. Start out to receive a room in a hospital, count those who are sick, yet who remain at home; then add those who are mentally ill, spiritually sick and heart sick. The total would astound us and prove that few of us are exempt.

There is a revealing and comforting sentence of Scripture found in the Book of Exodus which has to do with the wanderings of the Israelites. They have come upon the well of Marah, a basin some six or eight feet in diameter, with two feet of water in it. Thirst and thirst, they begin to drink, only to discover the water to be bitter and salty. The people turn to Moses, and Moses turns to God. Upon instruction of the Lord, Moses takes a tree and puts it in the basin and the water is made sweet. Then the Lord says: "I am the Lord your healer."

THIS STATEMENT reveals to us that in the battle between ourselves and illness God is on our side. Disease is not the will of God for us. I wish we could understand that. It would give us a boost when we are sick, if we could believe that God wants us to get well.

But, having said that, we must hasten to say that physical health is not God's main desire for His people. The main business of life under the sun is not to grow healthy bodies but Christian characters. He wants us to get rid of all the diseases we can. When we can't, He wants us to use illness in the developing of Christian character. God permits disease as one of the conditions under which we can grow in likeness to Him.

With this philosophy the healing groups will violently disagree. However, one of the main problems in this area is to limit the healing ministry of God to the magical and the miraculous. We tend to forget that there are miracles than merely the suspension of the laws of the universe. God often works His miracles through men.

SHERWOOD EDDY had weak eyes in his early life. At first he only prayed for better eyesight and refused to see a doctor. Nothing happened. Then he went to a physician and was

When people get sick they usually begin to pray. That is a good sign. Praying should lead to an obedience of the laws of health. Sometimes it will send you to a doctor; sometimes it will lead to a faith which conquers fear, sometimes it will make you say: "God be merciful to me, a sinner."

Know your schools

EDITOR'S NOTE—This is one of a series of articles entitled "KNOW YOUR SCHOOLS." It will be in the form of questions and answers. It's being sponsored by the Bulloch County Education Association. Questions are from parents and teachers in the county.

This week's questions are on the bus and transportation system of the county and the answers are provided by Mr. Lester Atkins. In charge of the operation and maintenance of the county school bus program.

Q. What is a school bus route?

A. A bus route is the shortest distance between the bus driver's home and the school where the bus goes in such a way that it comes within one-half mile of the home of every pupil that rides the bus. Each route is actually measured by a member of the State Board of Education and is required by the State Board of Education.

Q. How many buses operate in the county and on how many routes?

A. In the 1959-60 school year we had 66 buses operating, with 28 colored and 38 white. Each bus made one route and 22 buses made a second route. According to recent state rulings, we will be able to run only 56 buses, with 27 colored and 29 white.

Q. Who may ride a school bus?

A. The State Board of Education rules that for every pupil that lives over 1½ miles as the crow flies from the school he or she attends. The State Board will provide transportation for any pupil within that distance.

Q. How many pupils may a bus haul?

A. Bulloch County has two sizes of buses, a rated 48 passenger bus and a rated 54 passenger bus. The State Board of Education has passed a ruling that a school bus may not be overloaded more than 20% of rated capacity. This means that our small buses may carry 58 passengers and our large buses may carry 65 passengers.

Q. Why do some bus routes overlap?

A. School bus routes overlap mainly for two reasons. Chil-

MEMBERS OF THE Statesboro High School Blue Devil Band say "Thanks" in a voice loud and clear.

They have authorized the Editor's Uneasy Chair to make it a part of the permanent record of the county—their appreciation, that is.

So on behalf of all the members of the Blue Devil Band we say "THANKS" to:

The Crossroads Motel, The College Pharmacy, Mr. & Mrs. A. K. Akins and Son, Hardware, Statesboro Buggy and Wagon Company, Fletcher - Cowart Drug Co., Stubbs Tire Company, Producers Co-operative Association, Paragon Restaurant, Statesboro Telephone Company.

Dr. Ed Smart Jr., Statesboro Auto Parts Company, Henry's Robbins Packing Company, H. Minkovitz and Sons, Inc., The Moose Lodge, The Central Georgia Gas Company, Piggly Wiggly, Winn-Dixie, Bulloch Travel Company, Bryant's Motel, Statesboro Coca-Cola Bottling Co., The American Legion, Post No. 90, J. greatly helped. Ask any doctor how much he has to do with the art of healing, and he will say it is but a channel through which the healing mercy of God flows.

Also, the Christian faith gives us a healthy mind. We need healing here, as well as in the body. At Johns Hopkins a doctor examined fifty patients who complained of nausea and could find a definite organic reason in only six cases. The rest were literally worrying themselves sick.

A STUDY OF a hundred tubercular patients revealed that those who were emotionally disturbed had a swifter form of the disease than those who were free of tension. Doctors are now saying that it is more important to know what sort of patient has the disease than what sort of disease the patient has. Someone has well said: "A good dose of Christianity is what most of us need to get rid of the things which make us sick."

The healing of God is for those out-of-joint spiritually. A young woman sought to justify her sex license by saying: "But, it is all right if you can get away with it." If you can get away with it! But, that's the trouble—you can't! The feeling of guilt is the germ which makes us sick. The Psalmist once confessed: "There is no health in my bones because of me."

NORMAN VINCENT PEALE tells a story in his book, "The Art of Living," of a man who was examined for physical illness. He was judged sound as a dollar. When his physician suggested perhaps something was bothering his conscience, he became enraged. Finally, he admitted he had stolen funds from his brother's business. "Wasn't the check I cashed for the physician," the patient admitted later: "I never knew what the word relief meant before."

When people get sick they usually begin to pray. That is a good sign. Praying should lead to an obedience of the laws of health. Sometimes it will send you to a doctor; sometimes it will lead to a faith which conquers fear, sometimes it will make you say: "God be merciful to me, a sinner."

EXCUSE ME a moment while I add hot water to my tub of water. Now I shall soak my poor aching feet a while longer, and read Georgia's Health published by the Georgia Department of Public Health.

"Our Poor Feet Are Neglected" is an article worthy of attention and especially fitting for those of us whose shoes don't fit (and by jingo, whose fault is it, if our shoes don't fit?)

LET ME QUOTE Georgia's Health. "Few people seem to consider how painful hobbles are a dead giveaway that her shoes are too small. Some will limp; some will take a flatfooted stride that says, just as plain as a painted signboard, that walking is a chore accomplished only on killing feet."

dren who live near the end of bus routes from two different schools may be sent to different schools because of crowding in one school; or a common road may be the shortest distance between the children which two different buses pick up.

"Medically, the feet often are called the 'orphans of the body' because not only do we neglect and chastise them, but they are given short shrift in medical schools and in internships."

STILSON, GA.
OCTOBER 7, 1960

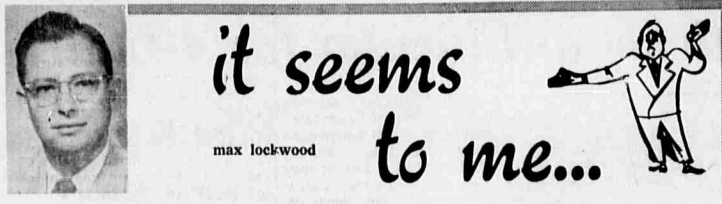

The Editor,
Bulloch Herald
Statesboro, Ga.

Dear Sir:

After reading your editorial on "Our time-tested Democratic Primary System still best," I asked myself, "How do I know this to be the best system?"

Now what kind of double talk is this? I think the time has come when the people of Georgia and other Southern states should have a freedom of choice by having a two party system.

Gerald Brown.

it seems to me...

AFTER SOME years of intensive study the National Council of the Girl Scouts of America has undertaken a gigantic project to extend Girl Scouting to all areas in the U. S. not now having active programs in this very fine planning for girls.

The Girl Scouting eyes of the nation have for years been focused on Savannah, which, we in this area all know is the birthplace of the Girl Scout. Juliette "Daisy" Gordon was born in Savannah in 1860. In 1886 she married William Low and for a number of years they lived in England. While in England Mrs. Low became intensely interested in the boy scout program and returned to America to start the Girl Scouting program as we know it today. Her home in Savannah is now a National Shrine.

The idea behind this extension program is to bind together all of our resources in order that more of our citizens can be reached. For those programs which are already established it will mean perhaps some sacrifice of first.

Glyn County, with Brunswick as its main city, will give up its Charter. This will mean that its properties will be turned into the county program and that its camping areas and other facilities will be available for use by the rest of the area.

IT IS MY belief that this new council will best serve the interests of the girls in our area and it is my sincere hope that the people in our section will give the New Council their whole-hearted support.

THE GEORGIA'S HEALTH Bulletin credits for this article. Well, just a minute, while I add some more hot water to the tub.

Reading that article was not enlightening nor encouraging. My feet are girls in our area, still. I have never been guilty of buying shoes too small, knowingly, that is, I have bought shoes that didn't fit the wamp. Shoes that are too big are really more painful or just as painful as shoes too small.

OUR GOVERNMENT tries to protect its citizenry with pure food laws. Why can't it protect its citizenry with good shoes laws? Why are we subjected to the pointed shoes? Not all of us have that much about high fashion, but all women need shoes to wear.

Let any man go with his wife into a shoe store and see what there is for sale. They carry flat shoes are about as uncomfortable as the others. There aren't any shoes to be bought, stylish or not stylish, that fit.

ARE OUR MEN going to let some money-mad manufacturer take advantage of their women and have us hobbling around like cripples?

Who of us has been agitated at the old method of binding the feet of the Chinese girls? Because not only do we neglect and chastise them, but they are given short shrift in medical schools and in internships."

Ambres Morris kills 8 rattlers

By MRS. W. H. MORRIS

On Wednesday last week Ambres Morris killed his eighth rattler this year.

This one had ten rattles and was about five feet long, he said the number of rattles on the eight snakes he had killed, ranged from three to ten.

The last one was killed near the home of Mr. and Mrs. M. C. Padgett. Mr. Padgett killed one about the same size, a few days before this one was killed, on his place also.

Mr. and Mrs. Lavern Sanders of Avondale spent last Sunday with their parents, Mr. and Mrs. H. N. Shurling.

Mr. and Mrs. Wayne B. Dixon, of Garden City, spent last Sunday with his mother, Mrs. Fanny Cribbs, and other relatives here.

Mr. and Mrs. Ben Sapp of Savannah visited Mr. and Mrs. Norman Sapp several days last week. Mr. and Mrs. E. L. McDonald of Denmark visited Mrs. D. L. Morris one day last week.

Mr. and Mrs. H. C. Kennedy of Savannah spent last Sunday with her mother, Mrs. D. L. Morris, and visited other relatives during the afternoon.

Mr. and Mrs. Ray Mobley of Sylvania, visited her mother, Mrs. D. L. Morris, last Sunday morning and Mrs. Morris returned to Sylvania with them for a few days' visit.

Miss Carol Morrison and Ben Morrison of Garden City visited Miss Lillian Morris last Sunday afternoon. They spent most of the day with Miss Jessie Moe Shurling.

Mr. and Mrs. W. G. Morris spent last Sunday with her parents, Mr. and Mrs. Cecil Ray, at Eldora.

Mr. Garry Jordan of Savannah visited his daughter, Mrs. James Morris, and Mr. Morris at the Headwaters in Savannah. Mrs. Lillie Knight and Miss Mary Foote, of Savannah spent the weekend with Mrs. J. L. Morris and family.

SICK LEAVE Mrs. I. T. Beasley has returned from the Bulloch County hospital where she spent several days undergoing treatment.

Mrs. Attaway of Route 2, Stilson, has returned from the Bulloch County hospital where she had surgery on an infected hand.

MRS. B. B. HEERY of Savannah, has served as chairman of this area Study Committee. She has done a magnificent job in dealing with the problems as they have arisen. Two of the area meetings have been held in Statesboro. Many of the problems of extending the area have been solved. Many others have been created for which a solution must be found.

GEORGIA FARMERS' OUTLAY FOR FERTILIZER INCREASES In 1959 Georgia farmers bought \$80 million worth of fertilizer and in 1960 they bought \$93 million more than in 1958 and amounted to 11 percent of farmers' cash sales, reports Stephen J. Brannen, head of the Extension economics department.

TURKEY PRODUCTION UP Turkey production in Georgia is expected to be up by 15 percent this year, according to the Georgia Crop Reporting Service. Number of turkeys to be produced is expected to reach 363,000 head, which would be the largest production since 1954.

School roll to be question of census survey

Questions will be asked in the October Current Population Survey to determine how many children are enrolled in school, level of schooling, and similar data, it was announced today by Director Thomas W. McWhorter of the Census Bureau's regional field office at Atlanta, Georgia.

A number of families in the Current Population Survey sample panel will be asked special questions on consumer plans to purchase automobiles, television sets, washing machines, and refrigerators. This is part of a quarterly survey being conducted at the request of the Federal Reserve Board for use in a national study of consumer buying trends.

The questions on education and consumer buying plans are in addition to the regular employment which are asked each month in the Current Population Survey.

Mr. and Mrs. DeWeese Martin and daughters of Savannah visited Sunday afternoon with Mr. and Mrs. Walter Row.

Mr. and Mrs. James L. Rowe of Statesboro, Mr. and Mrs. J. M. Rowe and Mr. and Mrs. L. Allen were Sunday night supper guests of Mr. and Mrs. J. M. Rowe.

Mr. and Mrs. Charles Deal were Sunday dinner guests of Mr. and Mrs. Walter Row.

Mr. and Mrs. C. F. Page and sons, Gregory and Randolph Lewis, all of Waycross, visited Sunday with Mr. and Mrs. Olin Anderson and family.

Wiley Cook spent Sunday night with Benny Anderson.

MIGHTY MITES

TUESDAY, OCTOBER 4

Blues 12 - Greens 0

The Blues, paced by Bill Hook and Greg Sikes, outlasted the Greens in a defensive battle to win the game 12 to 0. Hook scored the first touchdown for the Blues on a 20 yard sweep play around end. Sikes added the other score shortly thereafter on a 15 yard pass play from Hook. The extra point after each touchdown was not good.

Jim Tillman, Johnny Zetterow, and J. Ben Deal led the Greens' attack to stay alive in this hard fought game.

TINY MITES

WEDNESDAY, OCTOBER 5

Gold 6 - Greens 0

The Golds were able to push over one touchdown as they slipped past the strong defense efforts of the Greens by a 6 to 0 score. The touchdown came on an end around play by Michael Sikes early in the second half. The point-after-touchdown was tried but the carrier was held just short of the goal line.

The Greens put up a great battle against the Golds with hard tackling on defense and good blocking and running on offense. Donald Williams, Mike Clark, and Mike Kelly led the Greens during the game.

REDS 12 - Blues 0
The Reds held on to their first place position today as they rolled up a 12 to 0 score against the Blues. Tracy Lanier and Larry Boatman teamed up for the Reds scoring their only touchdowns with Lanier scoring first.

The Blues fought back both on offense and defense. The defensive team played on exciting ballgame holding the Reds from a scoring threat in the second half. The offense seemed to have an off day as they were unable to get the ball moving.

Statesboro Midget Varsity Hinesville Midgets 20 to 13

By RALPH TURNER

Statesboro's Midget Varsity jumped into the top position in the District standings Saturday night October 8, as they defeated Hinesville 20 to 13. The league leaders rallied twice in the first half to give them a 13 to 0 half-time lead. The second half was a different story with Hinesville bouncing back with two touchdowns and one extra point while Statesboro added seven more points to their first half score.

Quarterback Wayne Howard scored in the second quarter on a 5 yard sneak play. The extra point attempt failed. Then Larry Deal intercepted a Hinesville pass and scored 25 yards for the second touchdown. The extra point attempt was good and Statesboro led 13 to 0 as the whistle ended the first half. In the second half Hinesville's big fullback scored on a two yard plunge and a 60 yard sprint after receiving a ten yard pass from his quarterback. Hugh Rockett scored on a two yard plunge and a 60 yard sprint after receiving a ten yard pass from his quarterback. The extra point attempt was good and Statesboro led 13 to 0 as the whistle ended the first half.

Statesboro's offensive carries went like this: Wayne Howard picked up 104 yards in 10 carries for a 10.4 average. Larry Deal gained 99 yards in 10 carries for a 9.9 average and Hugh Rockett picked up 32 yards in 10 carries for a 3.2 average. Statesboro's strong defense was as sharp as ever in stopping the Hinesville team. Several players scored in double figures of tackles. These statistics show both the individual and assisting tackles per player. Ronnie Street led the Statesboro team with 18 tackles, James Hagan and Rufus Hendrix tied with 16 tackles each. Ted Cleary made 14, Hugh Rockett 13 and Larry Deal had 11 for the night. Ronnie Hendrix, Johnny Minick, Butch Webb, and Al Blizard played well on defense also. In the five games thus far, Statesboro has held the opposition to 34 points while they have scored 73 points.

This week's game is here at Memorial Park Stadium on Thursday night October 13, at 7:00 p.m. Statesboro's host to Sylvia. The public is cordially invited.

Daughters of

American Colonists

hear Sen. Mercer

The St. Phillips Parish of the Daughters of American Colonists held their regular meeting Saturday, October 7, in the Club Room of the First Federal Savings and Loan Association, with Mrs. Lawton Brannen, Regent, presiding.

The meeting was opened with a Devotional, led by Mrs. J. L. Nevil, followed by the Lord's Prayer in unison.

The pledge to the flag was led by Mrs. Sam Fine.

Reports from officers and committee chairmen were read. Serving as State Officers are Secretary Mrs. J. Barney Averitt and Mrs. J. Barney Averitt as Secretary.

The patriotic chairman, Miss Leona Newton, introduced the speaker, the Honorable Russell Mercer, representative in the Senate of Bulloch County and Evans counties who spoke on "Patriotic Education."

A social hour followed the program with Mrs. J. L. Nevil, Mrs. E. S. Lane, Mrs. Sam Fine and Mrs. Charles Olliff Jr. as hostesses.

The next regular meeting will be held in December.

Dames Club

entertained at

lovely reception

On Wednesday evening, October 5, members of the Dames Club of Georgia Southern College were entertained with a lovely reception at the home of Mrs. Bird Daniel. Assisting as co-hostesses for the occasion were Mrs. Donald Hackett, Mrs. Zack Henderson, Mrs. William McKenny, Mrs. Robert Overstreet, and Mrs. Fielding Russell.

The table was covered with a cut work and lace cloth and centered with a five branched candelabra holding burning tapers and an arrangement of pink roses. Individual cakes, cheese wafers, salted nuts, mints, coffee, and punch were served.

Mrs. William Dewberry, club president, gave a word of welcome. The 1959-60 club history was read by Mrs. George Rogers, club historian. Mrs. Zack Henderson then made introductions, after which a delightful and acquainted hour followed.

Attractive year books were distributed by Mrs. Tom Smith, vice president of the club.

New Dames Club members are: Mrs. William Hitchcock, Mrs. Darrel Lynch, Mrs. Joe Wilber, Mrs. Ray Wilson, Mrs. Margaret Winkemper, and Mrs. Pat Yeager.

The party was held at Cypress Lake. Refreshments were served with Coca Cola and Fanta.

Class members attending were: Johnnie Brock, Bobby Brown, Danny Bray, Carroll Clements, Sonny Granger, Ed Ellis, Lindsey Johnston, Jimmy Kirksey, Jimmy Stone, Jimmy Seacore, and Robert Tanner.

Mr. Ross has been their teacher for two years, and on Wednesday night, in token of their high esteem, they presented him a sterling silver telephone index for his desk.

'MissStatesboro' to be named Oct. 29

The Statesboro Junior Chamber of Commerce announces today that plans are well under way for the holding of the Miss Statesboro Pageant on October 29, 1960, at the W. S. Hanner Building at Georgia Southern College.

Trophies have been ordered for the occasion and will be awarded to the following winners: Miss Statesboro, Miss Talent, Miss Bathing Suit, Miss Evening Gown, and Miss Congeniality. Miss Congeniality will be selected exclusively by the contestants. It has been pointed out that according to the rules as set forth by the Miss America Pageant, that twice as many points are given to the talent aspect of the pageant as any other single item.

The pageant will be held in conformity with the Miss America and Miss Georgia roles and the Miss America programs have already been ordered. The judges have already been selected and their names will be announced later.

Everett Williams to head Girl Scout campaign

Area Girl Scout Officials today announced that Everett Williams of Statesboro would head the annual Girl Scout Fund Drive for Bulloch County. Mr. Williams is a lifelong resident of Bulloch County, a former Chairman of the County Board of Education, and now serves on the Board of Regents of the University System and is chairman of the Statesboro Recreation Board.

Mr. Williams is active in all programs affecting the young people of Bulloch County and scout officials were high in praise of his courage to serve as Chairman of the Drive.

Mr. Herman Bray, Cashier of the Sea Island Bank in Statesboro has been named by Mr. Williams to act as Treasurer of the fund campaign.

"I'm sure that the people in Statesboro and Bulloch County want very much to continue the very fine work being done in our area for our girl scouts," Mr. Williams stated. He praised the work being done in the Council by the volunteer workers and expressed hope that in the near future other areas in the council could be reached which do not now have a girl scout program.

In Statesboro more than 200 girls are active in the scouting program under the supervision of some 25 volunteer leaders.

Revival begins at Immanuel Baptist Church

Revival services will begin on Sunday, October 23 and continue through Sunday, October 30, at the Immanuel Baptist Church, Brooklet.

The Rev. Cecil Peacock of Bartow, Florida, will be the guest speaker. Services will be at 7:30 each evening. The pastor of the church is the Rev. Franklin Williams.

Curtis Youngblood Co. opens new store

Mr. and Mrs. Curtis Youngblood of the Curtis Youngblood Co. Company invite the people of this section to visit their new store on Sunday, October 23, from 2 to 6 p.m. for its formal opening.

The new furniture and appliance store is said to be "South Georgia's finest furniture and appliance center." Located in the Simmons Shopping Center it faces north on the park area 150 feet and extends along North Walnut Street 100 feet.

The modern building was built by Boy and Hall of Savannah. Ed Echles of Statesboro was the architect.

A canopy of unique design, over the sidewalk features the front and side of the building. Glass walls feature the north front and the east side of the building.

Mr. Youngblood states that a series of gifts will be given away on October 23, November 5 and November 12. "All you

Federal funds for new Armory to be released this fiscal year

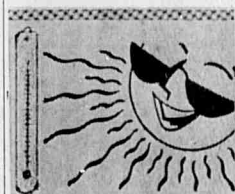

Mayor W. A. Bowen has announced that federal funds for the proposed new Statesboro National Guard Armory will be included in the new money released by the Bureau of the Budget to the Department of Defense.

"A high authority in the Defense Department has assured me that federal funds for the Statesboro Armory will be released by the Bureau of the Budget during this fiscal year," he said.

The Mayor said that the total cost of the Armory is expected to be around \$240,000 with the Federal government putting up half of this amount. The rest of the cost will be furnished by state and local funds which the City of Statesboro and Bulloch County already have available and earmarked for the Armory.

Mayor Bowen recalled that Georgia's Adjutant General, George J. Hearn, had assured local officials that as soon as the federal funds are provided, the state will put up its share of the money.

On receiving the new information about the availability of federal funds, Mayor Bowen immediately wrote Governor Ernest Vandiver that the City of Statesboro and Bulloch County had their share of the money ready and that he was most anxious for the state of Georgia to expedite the payment of its share as soon as the federal funds were released.

Statesboro assets to attract industry

Recently an Industrial Workshop was held in Statesboro sponsored by the Statesboro and Bulloch County Chamber of Commerce. Led by two experts in industrial development problems, a study was made of the assets and liabilities which the city and county possess which might be considered by industry seeking a new site for expansion.

The city is now completing a one and one-half million dollar water-sewer expansion and improvement program including a new water tank and new sewage disposal plant. The water supply is one of the finest in the southeast with the water tested regularly by the state department of state. It is bacteria free and chlorinated. The program is financed by revenue certificates, constituting no general obligation against the municipality.

Constructed in 1955, the city has a fine natural gas system which is financed by revenue certificates with no general obligation against the municipality.

(Note—Next week we will continue looking at the assets Statesboro has to offer industry seeking a site here).

Tourist industry is 'big industry' here

The impact of the tourist industry on Statesboro and Bulloch County was revealed in figures released this week by Mr. Albert Gibson, executive secretary of the Statesboro and Bulloch County Chamber of Commerce, furnished him by Mr. Charles Bryant and Mr. Ralph White. Mr. Bryant is a member of the board of directors of the Chamber of Commerce and is chairman of the tourist committee.

Working over a period of six weeks, Mr. Bryant and Mrs. White carefully checked with every business along U. S. 301, U. S. 80 and U. S. 25 which is in direct contact with tourists using these highways. The figures are not estimates but are from the books of those cooperating in the survey.

The figures reveal that there is a total of \$5,797,000 invested in tourist facilities in Statesboro including seventy-three motels, motor courts, hotels, restaurants and service stations. There are 450 motel units, 103 hotel rooms, ten restaurants (including three barbecue units) and service stations.

The total gross income of these tourist facilities is \$6,607,300 a year.

Five hundred and fourteen citizens of this community are employed in the tourist industry with a weekly payroll of \$24,520, to average \$42.00 per week per individual. There are 234 male employees and 280 female employees. These figures do not include salaries or drawing accounts of the owners.

"This weekly income of \$24,520 is spent right here in Statesboro," Mr. Gibson pointed out. "It buys a lot of clothes, a lot of furniture, a lot of many things," he added.

These figures, carefully compiled, indicate that the tourist industry touches nearly every segment of the local economy, Mr. Gibson pointed out. "It is one of the community's most important industries," he said.

Statesboro has a good reputation with tourists who use these federal highways and it is desirable that we continue to build that good will.

"The state highway department figures show that an average of 6,600 automobiles pass through Statesboro every twenty-four hours."

DR. JAMES T. BURRELL

First Baptists begin revival on October 23

The Fall Revival at the First Baptist Church, Statesboro, will begin Sunday, October 23, with Dr. James T. Burrell of Bainbridge, Georgia as guest preacher, and Bernard Morris of Statesboro as song leader.

Services will be held twice daily, at 10 a.m. and 7:30 p.m., during the week.

Dr. Burrell is in his eighth year as pastor of the First Baptist Church of Bainbridge. He is a graduate of Mercer University and the Southern Baptist Theological Seminary, Louisville, Kentucky. Prior to his Bainbridge pastorate he served as pastor of the First Baptist Church of Paraghy, Georgia. He is a member of the Georgia Baptist Executive Committee and has held a number of other denominational positions.

Bernard Morris is a native of Statesboro and received his education at Georgia Southern and the University of Georgia where he was a member of the Glee Club. He is in business with his father locally and has served as Director of Music at the First Baptist Church for the past year and a half.

The week day services will be broadcast over the local radio station WWSN. The morning services during the week will be for only 30 minutes each morning beginning at 7:30 and concluding at 8:00. The church nursery will be open for the Sunday services and for the night services throughout the week.

All members and friends of the First Baptist Church are hereby extended a cordial invitation to attend these services.

Membership of Chamber of Commerce is 228

The Chamber of Commerce reports nine additional checks have been received since Thursday, last week. This brings the total for the year to 228. All prospective members are urged to send in their checks immediately, as this figure is still short of the number of members needed for the completion of our program during the 1960-61 year.

Members sending in their checks are: Aldred's Downtown Court, Blackburn Service Station, Shuman's Trading Center, J. C. Blackburn Co. and J. L. Hodges Department Store. Grimes Jewelry Co., D. R. DeLoach, Hendrix Self Service Grocery, and The Bulloch Times.
