The Forty-first Anniversary meeting of the Piggly Wiggly Sales Store organization was held at the Elks Lodge in Vidalia, Ga., on November 2. This multi-food store operator was organized in 1919 and has headquarters in Vidalia since that time and is presently operating 27 supermarkets in central and southeast Georgia. Several new stores are included in its expansion and improvement program.

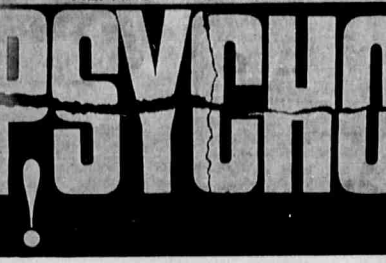

The Annual Meeting program featured an address by Senator Herman Talmadge. Another out-of-town guest speaker is Audley Ward, humorist, from Aiken, South Carolina. Among

Your Mayor

PRESENTS A MESSAGE

TO The Citizens OF Statesboro

W. A. (Bill) Bowen

INTEGRITY AND RESPONSIBILITY in City Government shown by annual audits made by City Records and published, City Books always open for public inspection.

WELL-INFORMED, CAPABLE, CONSCIENTIOUS administration of City business by Mayor and Council.

FAIR AND IMPARTIAL TREATMENT of all citizens . . . City services extended to all on same basis . . . streets opened, and water and sewer service made available to any property inside City Limits if at all possible.

SUPERIOR FIRE AND POLICE PROTECTION for all areas . . . new fire truck and other equipment added to Fire Department . . . new motorcycle and cars added to Police Department . . . Underwriters now studying lowering fire insurance rates in view of increased water supply and expanded Fire Department services.

NATIONALLY RECOGNIZED RECREATION PROGRAM for both white and colored . . . Swimming pool recently completed at Blitch Street Center.

NATURAL GAS SYSTEM constructed upon overwhelming vote of people of Statesboro . . . System recognized throughout the Southeast for its sound operation . . . Under direct supervision of, and rates set by, an outstanding firm of gas engineers, Barnard and Burk. No tax monies used to finance this system.

NEW SEWER BUILT AND SEWER LINES EXTENDED to meet urgent need of the community without raising property taxes. Revenue certificates being paid from water income and sewer charge.

MORE MILES OF STREETS PAVED than in any previous administration with more to come.

TO THE CITIZENS OF STATESBORO:

"Do not be misled by irresponsible promises. The law states that neither the Sewer Charge nor the minimum Gas Charge can be removed until payment of all revenue certificates is completed. I will appreciate your vote on December 2."

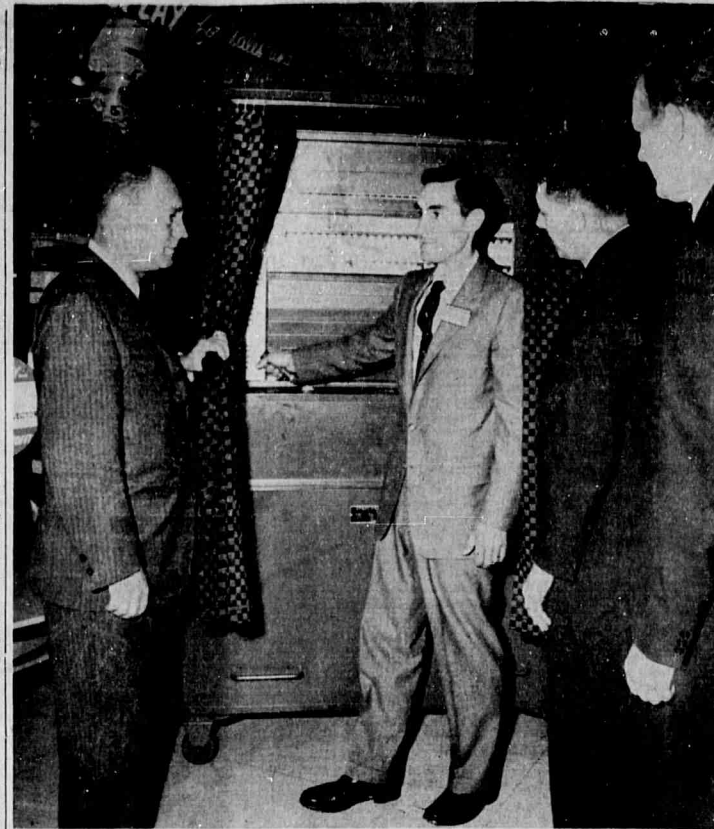

W. A. (Bill) BOWEN

CARD OF THANKS
We wish take this opportunity to express our appreciation for the many kindnesses shown us during the long illness and at the passing of our loved one. Especially do we wish to say thanks for the floral offerings and other expressions of sympathy. May God's richest blessing be upon one and all.
Sincerely,
THE FAMILY OF
J. A. BRANNEN

station representatives, food processors, distributors and suppliers and all personnel, with their wives, having five years of service. The general theme of the meeting was "Partners in Progress" to emphasize the importance that many allied industries play in mass food distribution.

Service awards were presented to personnel with long records of employment and safety certificates to store units with outstanding accomplishments in accident prevention campaign. Other program highlights were a report on Company progress and future expansion plans as well as information on employee benefit programs financed by the Company. The meeting was concluded with a buffet Bar-B-Que dinner and the annual golf tournament for suppliers and guests will be held today.

PLANT TRIMMINGS BUILD EXCELLENT SOIL.
Grass and shrubby trimmings can be turned into excellent soil builders with little expense and effort. Extension Horticulturist Gerald Smith says. Trimmings are cheaper than buying other organic matter and they are available. They make soils that are black with humus.

F. P. MAXWELL, a Rockwell vice president, extreme left, is shown here with one of Rockwell's Automatic Voting Machines which provides a secret ballot and automatic counting. It was set up at the recent National Hardware Show at the New York Citi-Center. Maxwell is above the State average. In most of the schools the committee found the buildings clean and the rest rooms in good condition.

It is generally recommended that one janitor or maid be provided for every 8 teachers employed at any given center. The janitor of those duties, leaving him more time for heavier and more complicated duties such as keeping of the grounds and doing many minor repair jobs in preventive maintenance.

It is considered to be good business for systems the size of Bulloch County to have a good central maintenance department. If this department functions properly it can set up a systematic painting program and perform all of the duties in preventive maintenance for the school system. The standards recommended for the school system are as follows:

FINANCIAL ABILITY TO CONSTRUCT SCHOOL FACILITIES AND TO MAINTAIN AND OPERATE PUBLIC SCHOOLS
(a) Bonding Capacity.
(b) Assessed value of property for School Bonds, \$14,471.62; (c) Bonding Capacity for Bonds, \$10,013,017.00; (d) Outstanding Bonds, \$620,000.00; (e) In Bonding Capacity, \$393,017.00; (f) Bond and State Capital Outlay Funds on Hand, \$44,494.02. Total Potential Ability, \$437,511.00.

TRENDS IN ATTENDANCE
1. Number of Children Provided for in Other Congregations. The application for State Capital Outlay Funds under the previous State School Building Program was based on the following number of children.
Children to be housed in new units:
White Enrollment 1795, ADA 1625; Negro Enrollment 1986, A. D. A. 1804.
Children to be housed in old units retained:
White Enrollment 1680, ADA 1598; Negro Enrollment 230 A. D. A. 210.

Total number of children provided for in the previous program and for which State Funds were allocated:
White Enrolled 3475, A. D. A. 3223; Negro Enrolled 2216, A. D. A. 2014.
2. Number of Children 1959-60.
The data prepared for use by the committee shows the average daily attendance as of the seventh month is as follows:
White Children in A. D. A. 3253; Negro Children in A. D. A. 2249.

3. Change Since Previous Program:
White Children 30 A. D. A. Increase. Negro Children 325 A. D. A. Increase.
4. Birth Rate Since 1947:
The birth rate for white children in Bulloch County has declined from 375 in 1947 to 278 in 1958.

The birth rate for negro children in Bulloch County has declined from 328 in 1947 to 266 in 1958.

5. Grade Survival Since 1953-54 shows a small increase in attendance of negro children from 2085 to 2136 in 1958-59. This indicates an attendance of 2214. This is due to more of the negro children remaining in school. Better facilities have been provided.

There has been an increase in attendance for white children from 1953-54, with 3,264, to 1958-59, with 3,299. The grade survival, when projected to 1964-65, shows a possible attendance of 3,068.

These data indicate that any material increase in attendance in Bulloch County would necessarily result from either people moving into the county or better holding power of the schools.

The need for buildings for increase in number of children within the next five years does not appear to be significant, except the children may move

employed when over 450 are fed daily.

When over 450 are fed daily, power equipment should be used in order to replace the hiring of additional help. When the above formula is followed, it usually results in better efficiency and prevents overstaffing, thus leaving more money for the purchase of food. A table showing the number of service workers employed to that recommended is attached.

Rockwell Co. declares stock dividend

PITTSBURGH, Pa. — Rockwell Manufacturing Company directors, meeting here today (Friday, October 28), declared a two per cent stock dividend in addition to the regular 40-cent quarterly cash dividend, both payable to stockholders of record November 18.

The cash dividend is payable December 9, 1960 and the stock dividend January 10, 1961. This is the fifth consecutive year that Rockwell has issued stock to shareholders in addition to the regular cash dividends. Four per cent stock dividends were paid in 1956 and 1957, a 3 for 2 stock split in 1958 and a two per cent stock dividend last year.

Rockwell Manufacturing Company is a leading manufacturer of control devices such as valves and regulators; measuring devices such as petroleum, gas and water meters, taximeters, park meters and voting machines; and power tools for industry, schools and home craftsmen. Explaining the dividend plan, Willard F. Rockwell Jr., president, said:

"Our policy of quarterly cash dividends is, of course, well established. This is our 57th consecutive. In addition, it is our directors' intention to give consideration annually to supplementary stock dividends as evidence of our stockholders' growing equity."

"It is the intention of the directors to continue the issue of stock dividends so long as the company continues to prosper and general business conditions remain favorable."

"While our business - and for that matter, business in general - has not been up-to-expected, we are looking for a good year in 1961. The company's total sales for 1960, based on a projection of this month's results, will be in the neighborhood of \$117 million as compared with 1959's record sales total of \$122,700,000."

THE BULLOCH HERALD

Dedicated to The Progress of Statesboro and Bulloch County

C. C. seeks 300 members for 1960-1961 year

With a goal of 300 members set, the Statesboro and Bulloch County Chamber of Commerce now has 255 members—45 short of the goal.

Mr. Tiny Hill, president of the business, professional and industrial organization here, announced that the membership committee, headed by Mr. Ike Minkovitz, hopes to secure the 300 membership before November 18.

Mr. Al Gibson, executive secretary, announced that fifteen new members have enrolled in the last few days to bring the membership to 255.

"These people have enrolled their businesses to become a part of the team made up of businessmen, professional, men and women and industry in our community," Mr. Gibson said. "Occasionally we hear, 'We want a new factory' or 'we must build up our tourist business' or 'we need more retail promotions'—the executive secretary pointed out. "But unless the business professional and industrial community of this city and county is not united through its Chamber of Commerce, how can we accomplish these goals? Your Chamber of Commerce is the team which can accomplish these objectives and it must be strong, active and have the united support of all the community," he added.

He urges that all support the Chamber with their ideas, their energies and their finances. "If you do not do these things, you are not working for the Chamber of Commerce needs your support!" he said.

Here are our most recent members:

C. A. Simmons, Smith's Shoe Shop, W. M. Newton, The Bakery, T. J. Morris Co., Brady Furniture Co., Statesboro Tire and Marble Co., Ernest Cannon and Gordon Simmons.

Dr. K. R. Herring, Bragg Motor Co., Dairy Queen, City and Marsh Service Station, Stothard Deal, Stuckey's Pecan Shoppe, and Roscoe Lairsy Plumbing and Heating Contractor.

He is survived by his wife and a son, Robert B. Franklin Jr. of Swainsboro, and Mrs. W. B. Warrnell of Cairo, Ga., and Mrs. Edwin Brannen of Statesboro, two brothers, Judge Oscar Franklin of Swainsboro and Dr. Paul G. Franklin Sr. of Statesboro.

Funeral services were held November 2 at the Marsh Chapel at Boston University. Burial was in Mount Auburn Cemetery, Cambridge, Mass.

Mrs. H. V. Franklin of Statesboro attended the funeral and on her way home stopped at the New York City to visit her daughter, Mrs. Ward Warehous, and Mr. Morehouse.

The Tel Sunday School Class of the First Baptist Church met in the church recreation hall Friday evening with Mrs. F. C. Parker Sr. presiding. Suggestions on Christmas activities for "shut-ins" were made and discussed. Mrs. W. L. Cecil's group served sandwiches, punch, cake and coffee and mint.

Blue Devils upset by Groves High; play Sandersville next
Groves High of Savannah upset Statesboro 12-6 here Friday night and got even for a 47-0 defeat one year ago.

Quarterback Leon Ricketson sparked two drives for the Rebels that led to the Statesboro team's third win in eight starts. Statesboro played without two first stringers—quarterback Jimmy Seacore and left end Randy Simmons. Seacore suffered a twisted knee and Simmons a hairline ankle fracture game last week's Swainsboro game. Seacore should be ready for Friday's 2-A must game with Washington County at Sandersville.

Members attending were George Pratt, Georgia Sportsman; J. W. Tiller, Creston Mills; N. W. Rowand, general manager of Rockwell Manufacturing Company welcomed the guests and conducted the visitors on a plant tour explaining the various operations at the local plant.

Following the tour Mr. Rowand was host to the group for dinner at the Forest Heights Country Club.

Statesboro Midget Varsity defeats Vidalia 13 to 6

Statesboro's Midget Varsity continued their torrid pace for the First District championship Saturday, November 5, by defeating Vidalia 13 to 6. The Midget Varsity came through under pressure as they have done quite often this season. With the score tied 6 to 6 in the eighth inning, the home team played Statesboro took the ball on their own 20 yard line and drove 80 yards for the clinching touchdown. Wayne Howard galloped 40 yards down the right side of the line to climax the last minute drive.

Statesboro scored in the first two minutes of the game and again in the last two minutes. Larry Deal scored the first touchdown on a pitch-out early in the game after Bob Lane had set-up the touchdown on a 40 yard sprint. The extra point attempt failed. Statesboro held the lead over Vidalia until the third quarter. Vidalia recovered a Statesboro fumble on the Vidalia 15 yard line and scored six plays later.

Statesboro played one of their best defensive games of the season as they contained the Vidalia backs. Several players were outstanding for the Midget Varsity on defense. They were Ronnie Webb, Butch Webb, Wayne Howard, James Hagan, and Rufus Hendrix. On offense Wayne Howard averaged 5 yards per carry, Bob Lane 5 yards per carry, and Larry Deal had an average of 4 yards per carry as they led the Statesboro offense.

The Midget Varsity travels to Hinesville Saturday night November 12, for a big game. Hinesville has beaten everyone in the league except Statesboro and this game promises to be filled with excitement. Statesboro has two more home games scheduled with their next home game being on Saturday night November 19, against Savannah. Then on Thanksgiving night, November 24, at the annual Tobacco Bowl Game. This Tobacco Bowl Game is really some thing to see, so make your plans to be in attendance.

Statesboro has two more home games scheduled with their next home game being on Saturday night November 19, against Savannah. Then on Thanksgiving night, November 24, at the annual Tobacco Bowl Game. This Tobacco Bowl Game is really some thing to see, so make your plans to be in attendance.

Statesboro played one of their best defensive games of the season as they contained the Vidalia backs. Several players were outstanding for the Midget Varsity on defense. They were Ronnie Webb, Butch Webb, Wayne Howard, James Hagan, and Rufus Hendrix. On offense Wayne Howard averaged 5 yards per carry, Bob Lane 5 yards per carry, and Larry Deal had an average of 4 yards per carry as they led the Statesboro offense.

WEDNESDAY, NOV. 2
TINY MITES
Greens 7 Reds 6
The Golds today defeated the first place Red Devils by a score of 7 to 6 and moved to within one ball game behind them at second place.

Both teams showed a strong desire to win the game as they were running and tackling was very good.

Michael Sikes scored the seven points for the Golds early in the ball game on a twenty-five yard touchdown run and the extra point was also made by Michael.

Both teams then played an exciting defensive game with no more scoring until late in the game when Tracy Lanier skinned over for the Red's only six points.

Greens 19 Blues 8
The Greens beat the Blues 19 to 8 in an offensive battle that was showered with many explosive runs.

Donald Williams was the outstanding player for the Greens. He scored all the points on runs of seventy-five yards, five yards and thirty yards. Hill added the first point after touchdown for the Greens and the other two attempts were stopped by the Blues.

Dudley Jonsson scored the Blues only six points on an end sweep, behind some good blocking, that carried for fifteen yards. Outstanding for the Blues was Strict Holloway who plays probably the "meanest" end in the league and Brent Buchanan who made several long runs and also played a fine defensive game.

Charleston S. C. through the eyes of Virginia Russell

OCCASIONALLY a person is heard to say something like this, "I don't care to travel abroad until I've first seen America."

Maybe this person has something in his conviction, after all. We came to such a conclusion after a very short visit (our first) to Charleston, S. C.

The jokes one hears about Charleston are apt to make one wonder about the city. A typical one is about the Chinaman who wrote his letter about Charleston.

His letter read, "I know you'll like Charleston, it is just like China. Here they eat rice and worship their ancestors."

WE WERE NOT in Charleston long enough to test out the joke, but we were impressed with what we saw of the city. Naturally, Charleston can't compare its home and build-

ings with some of Europe's old and six-hundred-year-old houses and buildings but there are some old places. Buildings over one hundred years old are common, a few were two hundred years old.

For our country such buildings are among the oldest. It hasn't been four hundred years ago when the first colony was founded at Jamestown, Va.

The first morning we awoke in Charleston right down in the middle of town we heard a roiling crowd. At first seemed incredible but after several more viewings we were convinced we were still sane and that Charleston had a roster right in main town and a roster right in main town seems typical of what we were able to detect.

THE MARKET PLACE was as interesting a place as we could find. One could easily close his

eyes and open them and imagine he was living in Athens before Christ.

This short trip we made, at least, gave us an idea of what one could spend a week's vacation and still not see a fraction of the richness of history and beauty that lies there.

We glimpsed walls and iron gates and knew that in the spring some of these places would be opened to visitors to view the gardens.

The trip there is lovely, too, so we think we'll keep our suitcase handy and hope for another meeting — it seems we don't get anywhere unless a meeting takes us there. But we'll plan a visit for everybody who loves the history of our South.

OUR ROOM looked out over Marion Square and from here we could see numbers of old, beautiful and well-kept churches. There is no doubt that the early settlers were a religious group. This fact is shown by the large number of churches. One might add, too, that they believed in religious freedom and practiced it.

There are small cemeteries outside some of the oldest churches, right down in the middle of town.

Fort Sumter has been uncovered and its ruins are beginning to take shape. One of the guns was left in its dirt-covered state to give the sight-seer an idea of what had been done. The guide we had, gave a wonderful history lesson and we were fighting the War Between the States all over before we went back to the boat. A museum will soon be open at Fort Sumter.

Others playing were Mrs. Hu-

shon, Mrs. W. R. Lovett, Mrs. Lewis Hook and Mrs. Ed Oliff.

Francis W. Allen expressed a warm and hearty welcome to all friends and visitors. A very fitting devotional was given by Robert F. Donaldson with emphasis on "put first things first, and God will do the rest."

Euel T. Denmark of Marianna, Fla., was the guest speaker. He made a stirring and inspirational address which met with the approval of the group.

A short memorial service was held in remembrance of those who had passed on since the last reunion.

A nominating committee composed of Josh T. Nesmith, chairman, Hamp Brannen and Dr. Emory Bohler, submitted a slate of officers for the 1961 reunion. They were: Wilbur Cason, president; Bill Brannen, vice-president; Mrs. Bernard Bank, secretary and treasurer; and Smith Banks, historian.

Gifts were presented to the eldest man present, Mr. Jim Brannen of Glenview, Ga., and the eldest woman, Mrs. Hilton Brannen of St. Petersburg, Fla.

Kermit Waters, son of Mr. and Mrs. Willie S. Waters, received the gift for the one who traveled farthest for the reunion. He came from Hawaii in process of being transferred to some post in the United States.

Those attending regarded the reunion as among the best and a very good dinner table was laden with an abundance of food prepared by good cooks, delicious and appetizing.

Gifts for the meeting will be: Mrs. Sidney Dodd, Mrs. William Smith, Mrs. Belton Braswell, and Mr. and Mrs. A. Sutherland.

Zetterower speech students present program

On Friday morning, October 28, the Jack and Jill-O-Lanterns were the feature of the chapel program as Mrs. Bernard Morris presented her speech students of Sallis Zetterower school in a short chapel program.

It was given in the form of a TV program featuring "Happy Don" (Mr. Don Coleman, Principal) to the delight of the audience. The numbers included "Search For Treasure," Zack Smith and Jimmy Mullis, "Black and Orange," Dan Van Horn and Tassy Wofford Halloween Readings, Frank Morris and Ricky Rushing, Brooks Sorrier, Tassy Wofford and Candy Alderman. Jack Rosenberg served as the MC, Eleanor Amazon was the announcer and Linda Rushing read the devotionals.

Piano students of Dr. Dan Hooley, Mrs. John L. Jackson and Miss Nell Lee and Mrs. Gilbert Cone played piano solos. The students were Jean Robertson, Cindy Brannen, Deborah Hagan, Lynn Mullis, Judy Nabers, Cathy Morris.

LEGAL AD

PETITION FOR CHARTER TO THE SUPERIOR COURT OF SAID COUNTY

The petition of Carol L. Herrington, E. W. Barnes, and Robert D. Ward, all having as their post office address Statesboro, Georgia, respectfully shows to the Court:

1. They and their successors to be incorporated and made a body politic under the laws of this State under the name and style of

"STATSBORO JUNIOR CHAMBER OF COMMERCE, INC." for a period of thirty-five (35) years, with full right of renewal, as may be provided by law, with its principal office at such place in Bulloch County, Georgia, as its board of directors may from time to time determine.

2. The corporation will not be organized nor operated for pecuniary gain or profit, and it shall have no capital stock.

3. The object and purpose of the corporation shall be to promote commerce, trade, industry and agriculture in Statesboro and Bulloch County; to provide a forum for the young men of Statesboro and Bulloch County to develop responsible citizens and to encourage and promote the progress and improvement of the civic, cultural and educational life of the community; to foster the interchange of thought and ideas among its members and the public; to provide a means and method for the expression of the community that will reflect the best thinking and planning of the business, agricultural, industrial and professional life of the area, and provide an agency through which Statesboro and Bulloch County citizens may voluntarily pool their energies to accomplish greater progress for the community and to do all things needful and necessary to accomplish these aims.

4. No part of the property of the corporation or any assets of the corporation may come into its hands shall ever at any time be used for the benefit of any private individual, firm or corporation, but the corporation shall have power to employ and pay for the services of all necessary clerical and executive personnel to carry out the aims of the corporation.

5. Petitioners desire the right for the corporation to accept gifts and contributions in any form they may be made for the purpose of promoting the objects of the corporation, and all such gifts and contributions so made shall be devoted to and used for and in all respects administered to achieve the objects of the corporation, as herein set out.

6. The governing body of the corporation shall consist of a Board of Directors. Said board shall consist of a number of persons to be fixed by the Board of Directors in the adoption of by-laws, who shall provide for the filling of vacancies on the board, the terms of office of the board members and the manner of selection thereof.

7. The Board of Directors shall have the power to adopt all rules, by-laws and regulations for the government of the corporation consistent with its charter and applicable laws of the State.

8. Petitioners desire for the corporation the power and authority to borrow money and pledge the revenues received by it for the payment thereof as the Board of Directors in their discretion see fit to do and to perform any other act or thing that may be needful, necessary or suitable for effecting and carrying out the purposes of the corporation consistent with the law and charter powers.

9. The officers of the corporation shall consist of a President, Internal Vice-President, Secretary and Treasurer.

WATKINS ROUTE OPEN for the improvement in the Groves High School Band. Groves is only in its third year as a school, so the band is yet a very young group. They have done a lot of work, and it shows.

OUR BLUE DEVIL BAND has come along a little faster than we had anticipated. It is a young band, with over half of the players in the 8th and 9th grades. Our upperclassmen are providing the leadership, but these younger players are following right along. All told, the band is sounding better now than it has for the past several years.

MISS MELODY HUNNICUTT, daughter of Mr. and Mrs. Derrel Hunnicutt, reaches into the Birthday Bonus Pot to pull the winning Club's name out. Mrs. Hunnicutt is assisting Melody while Mrs. Pearl Deal and Charlie Brinson watch. Mr. Brinson, on behalf of Piggly Wiggly, added \$50 to the Bonus Pot during the Cake sale, at which 106 cakes were sold. Piggly Wiggly celebrated their first birthday in Statesboro October 29, on the same date Melody Hunnicutt was having a birthday.

MRS. I. V. SIMMONS, president of the Ogeechee Home Demonstration Club, is shown accepting the \$156.00 award for her club in the recent Piggly Wiggly Birthday Cake Sale sponsored by the Business and Professional Women's Club. Miss Zula Gammon, president of the B and PW club, and Charlie Brunson, manager of the local Piggly Wiggly supermarket, watched as Mrs. Pearl Deal gives the award.

Famous girl at GSC

AAU meet next April. After that, the American gymnastic team will meet the Japanese Olympians in Moscow. Then in 1961, the Americans hope to repay the visit to Russia.

Later, for Doris, there'll be the World Championships in Czechoslovakia in '61, the Pan-American Games in Brazil in '63, then—she hopes—the Olympics again at Tokyo in '64.

"I'm also competing for Georgia Southern now... or soon will be," Doris said. "Mr. Yeager is lining up a team schedule now. The first two meets will take place at the Florida Clinic at Sarasota."

The high flying lass is eager for new honors, but she already owns more championships than she can list.

She started working at gymnastics only five years ago and that same year, 1955, won the National AAU flying ring crown for the Rochester CYO.

In her second year of competition, she earned a berth on the U. S. Olympics team and finished 48th in the world at Melbourne.

Others honors have come fast — the Midwest championship in 1957, the Canadian National Exhibition title in '58, the National AAU in '58, the Pan-American Trials in '59, the Canadian National in '60, and the All-American in '58, '59 and '60.

A Thrill To Remember
Her biggest honor and top-most thrill came in the recent Olympics at Rome. She scored eighth in the world on the uneven bars, the only American ever to place that high.

"It was the best competition in my life," Doris exclaimed. "I didn't let the U. S. down, and I'm thankful for that. When I came off those bars, the applause was tremendous. I'll never forget it."

There's another chapter to Doris' Roman holiday. The European — and American — press made much of her "friendship" named Boris Nikonorov. They were photographed together repeatedly. One of the pictures of Doris and Boris, juggling made the pages of the Morning News.

Did anything serious develop? "Let's don't talk about that," Doris twinkled. "Let's just say that Boris is a nice guy and we became good friends."

The German-born miss—she spent some childhood years in a concentration camp in Czechoslovakia—is quite a gal. She packs a 38½-24-36½ figure into a 116-pound, five-foot frame.

She was Life Magazine's cover girl for the Sept. 12 issue. Besides beauty and talent, Doris speaks four languages. She handles English, German and Spanish without trouble and is studying Russian now.

But her most striking asset in her burning desire is to improve, to reach her third Olympics in 1964, and to win.

As she puts it, "It's Tokyo or bust."

AAU meet next April. After that, the American gymnastic team will meet the Japanese Olympians in Moscow. Then in 1961, the Americans hope to repay the visit to Russia.

Later, for Doris, there'll be the World Championships in Czechoslovakia in '61, the Pan-American Games in Brazil in '63, then—she hopes—the Olympics again at Tokyo in '64.

"I'm also competing for Georgia Southern now... or soon will be," Doris said. "Mr. Yeager is lining up a team schedule now. The first two meets will take place at the Florida Clinic at Sarasota."

The high flying lass is eager for new honors, but she already owns more championships than she can list.

She started working at gymnastics only five years ago and that same year, 1955, won the National AAU flying ring crown for the Rochester CYO.

In her second year of competition, she earned a berth on the U. S. Olympics team and finished 48th in the world at Melbourne.

Others honors have come fast — the Midwest championship in 1957, the Canadian National Exhibition title in '58, the National AAU in '58, the Pan-American Trials in '59, the Canadian National in '60, and the All-American in '58, '59 and '60.

In timber 12 is twice more than 10

By ROY POWELL, County Agent

A WALK IN THE WOODS OF BULLOCH COUNTY

We mentioned last week in this column that we would be talking about some "timber arithmetic" this week. Many of you have been hearing that "twelve is twice as much as ten." Perhaps you have seen one of the exhibits on this subject.

Usually 12 is not twice as much as 10, but in the case of

timber volume it is. A tree that is 12 inches in diameter contains about twice as much board feet of lumber as a 10-inch tree in height.

An average 10-inch tree will yield around 45 to 100 board feet when sawed. This is an important lesson for timber owners of Bulloch County. Under good forest management practices a pine tree will grow from a 10-inch to a 12-inch size in five or six years. Where else can you earn such a high rate of interest on your investment?

In making sawtimber sales, too many farmers in the county sell "down to a 10-inch stump." In a way this is about like killing the goose just before she lays the golden egg. Trees are cut before they are mature and the volume and value of the timber is reduced.

We should not miss this productive period in the growth of our trees except in the case of some financial emergency.

It might be well to point out here that we can't grow all of our 10-inch trees into 12-inch trees. Some of them must be thinned out in order to keep a good growth rate and maintain a healthy stand of timber. It is important, however, that we keep as many 10-inch trees as good growing conditions will permit if we are to reap the greatest returns from the tree-growing enterprise.

This doesn't mean that all trees should be cut when they reach 12 inches in diameter. It is very profitable to grow some of the pine timber on up to 16 and 18 inches or more. The high quality of lumber sawed from these larger sizes can mean even

'61 TORSION-SPRING CHEVROLETS

If you don't think scrapping the front axle has made a world of difference, you haven't driven a Chevy in a while. A few minutes behind the wheel and you can feel why drivers are happier and breakable loads are better protected. But the biggest advantage of all, you'll realize, is that the truck itself (sheet metal, tires, chassis components, everything) takes less abuse. With independent front suspension soaking up road shock and vibration, the truck lasts longer, goes extra thousands of miles before trade-in time. Add that to what everybody's always known about Chevy dependability and you find yourself looking at the soundest truck investment you could bet your business on.

and look! **NEW REAR-ENGINE CORVAIR 95's**

A panel and two pickups that put a thrifty air-cooled engine in the rear, the driver up front and as much as 1,000 pounds of load space in between! That's more capacity than a conventional half-tonner. Yet these Corvair 95's are nearly two feet shorter from bumper to bumper. Highly maneuverable. Septic tank owners warned of 'operators'

In a statement issued this week by Jack D. Welch, director of environmental sanitation of the Bulloch County Health Department, citizens of this section are warned to clean out septic tanks.

The full text of the warning is as follows:

"To the Citizens of Bulloch County:

"Usually during the fall of each year our counties which are on or near a through North or South Highway often have transient septic tank cleaning out operators preying on our citizens.

"Usually these operators charge exorbitant prices from \$50 to \$150 for the cleaning out of a septic tank. We have local people who clean out septic tanks for a price range from \$25 to \$35 for a home septic tank. Frequently these transient operators will tell you they are inspectors of your Health Department and want to inspect your septic tank. Then after inspection will tell you that you must clean out your tank. They will then try to make a deal with you for your job.

"Your Health Department does not have any employees to make routine inspection of septic tanks to determine if they need cleaning out. If you think your tank needs cleaning, contact your local Health Department and they will either inspect your tank or advise you how you can inspect it, to determine if it needs cleaning out.

Rural Electrification

Good For All Americans!

Rural Electrification is good for all Americans because it has created additional job opportunities on the local and national level. It has created new markets for retail sales that otherwise would never have been developed. Farmers are able to produce more and better quality farm products. A better national defense has been brought about because of Rural Electrification.

Rural Electrification as you can see is not only good for rural people but all people. We are proud of the progress and the service we have given in the past and pledge to do an even better job in the future.

Mr., Mrs. Robertson observe 60th wedding anniversary

By MRS. JOHN A. ROBERTSON

November 7, 1960, John William Robertson and Miss Bessie Berry were married in the First Methodist Church of Guyton, Ga. by the Rev. Dr. T. D. Ellis officiating.

Last Sunday afternoon, at their home in Brooklet, they observed their 60th wedding anniversary. In a sweet, simple manner, with relatives, neighbors and friends "dropping in" for coffee and cake, and to wish them "many happy returns" of the day.

Mr. Robertson, 60, is a member of the Brooklet Baptist Church. He is a member of the Future Farmers of America of Southeast Bulloch High School.

Mr. Robertson has always been an active member of the Woman's Society of Christian Service and served as treasurer of the organization for a number of years. She was active in Parent-Teacher work when her children were students in the Brooklet School and served as president of the Bulloch County PTA Council.

Mr. and Mrs. Robertson are the parents of four children, Mrs. Herbert Kingery of Statesboro, the late J. W. Robertson, Jr., Claude B. Robertson of Brooklet, and Paul B. Robertson of Albany, Ga. They have eleven grandchildren and one great grandchild.

Now, after sixty years of married life, they live simply and

quietly, just the two, in their home on Parker Avenue, in the town and community they have loved and served for three score years.

FUTURE NURSES CLUB OF SEBH MEETS

The October meeting of the Future Nurses Club of Southeast Bulloch High School was held in the classroom of the sponsor, Mrs. L. M. Clontz.

A committee was appointed to make plans to raise funds for some needed causes.

Following the devotional, a report was made on the requirements and activities of different schools of nursing.

During the social hour refreshments were enjoyed by the group.

BAPTIST SUNDAY SCHOOL CLASS ELECTIONS OFFICERS

At a business meeting of the adult ladies Sunday School class of the First Baptist Church, the following officers were elected: president, Mrs. L. A. Ham; vice-president, Mrs. John Thaxton; secretary, Mrs. Grady Howard; treasurer, Mrs. James Lanier; teacher, Mrs. Kent L. Gillewater.

QUARTERLY CONFERENCE TO BE HELD NOV. 13

Rev. W. E. Chapple, pastor of Brooklet-New Hope Baptist Church, has announced that the second quarterly conference will be held next Sunday, the 13th, at the New Hope Baptist Church, Brooklet. The district superintendent, Rev. Frank Robertson of Savannah, will deliver the message at 11:30 a.m.; and there will be no preaching services at the Brooklet Church that day.

BROOKLET GARDEN CLUB PLAN NOVEMBER MEET

Club installs
new officers

The West Side Home Demonstration Club met Wednesday afternoon, November 2, at Mrs. E. Deal's home with Mrs. Deal and Mrs. Grady Spence as hosts.

The meeting was called to order in the usual manner with Mrs. E. Deal, president, in charge.

Mrs. Smith chose for the devotion a scripture reading from the fifteenth chapter of St. John, which was followed by prayer.

Many items of club business were discussed and disposed of. New officers for the 1961 were installed by Mrs. Deal, County Agent, in an impressive installation ceremony.

The new officers are: president, Mrs. Dan Ling, vice-president, Mrs. Lamar Smith; secretary, Mrs. E. Deal; treasurer, Mrs. J. W. Anderson.

A complete roster of project leaders were named.

All members were urged to participate in the Chrysantheum Show under the leadership of Mrs. Dan Ling on November 10 from 3 to 6 p.m. at the Home Makers' Center.

The West Side Club will hold its annual Christmas party on Friday, at 7:30 p.m., December 16 at the West Side lunch room.

Mrs. Deal, ably assisted by her new assistant agent, Miss Judith Webb, demonstrated many lovely Christmas arrangements.

During the social hour the hostesses served assorted sandwiches, home made cake, toast, nuts and coffee.

Mrs. Lamar Smith won the door prize. There were two guests, Mrs. Whitaker and Mrs. Sandwick.

There were 18 members present.

Panel of federal judges void Georgia's 'Blue Tag' law

A panel of federal judges ruled that Georgia's "blue tag" or tobacco identification law is unconstitutional and invalid.

The ruling was made on Wednesday, November 9, and was signed by Judges Frank Scarlett of Brunswick, Warren L. Jones and Bryan Simpson, both of Jacksonville, Fla.

The ruling made permanent an injunction first obtained last August by Georgia tobacco warehousemen including those of Statesboro. The three-judge panel had the suit under advisement for two months before issuing their decision.

The Statesboro and Swainsboro warehousemen filed the injunction on July 30, two days after the 1960 market opened. They contended that the 1960 law was discriminatory and an infringement on federal powers in interstate commerce. The 1960 law provided that Georgia, Alabama and Florida tobacco was to be marked by a white tag on the warehouse floor and that other tobacco, including that from South Carolina, was to be marked by a colored (blue) tag.

The federal panel said that the provisions of the law were a restraint on interstate commerce and also were in a field where Congress had preempted legislative authority.

Bulloch is still Democratic; Howell is reelected Nov. 8

With the final and official voting returns in for the November 8 General Election, Bulloch County went Democratic by a majority of 1,867, the count was 3,373 for the Democratic Electors and 1,506 for the Republican Electors.

Each state and county official who had been nominated in the state primary elections was officially given 4,936 votes.

A total of 5,479 votes were cast in the election, believed to be the highest in the history of the county.

The county voted 3,183 to 417 in favor of Amendment No. 8, which allows the farmers of the state to finance the promotion of their agricultural products.

The county voted 1,942 to 708 against Amendment No. 10, which would have made the county a "dry" county.

STATESBORO, GEORGIA, THURSDAY, NOVEMBER 17, 1960

Bulloch County Development Corp. has option on land for new industry

Statesboro's newest industry moved a step nearer reality Wednesday as Mayor W. A. Bowen, spokesman for the Bulloch County Development Corporation, announced that an option had been taken on an 88 acre tract of land near the Statesboro Airport on which a 200,000 square foot building will be erected to house a huge new manufacturing plant. Construction of the building itself is expected to be underway by January 1, 1961.

Mr. Bowen stated that the Development Corporation's Executive Committee had been negotiating for the past six months with officials of the company which will locate in Statesboro and that the Committee now felt absolutely certain that the plant was definitely going to locate there.

"Statesboro citizens will be proud of the fact that this company is so sound financially that no local participation in the building of the plant is necessary," Mr. Bowen observed. "However, the site is being furnished by the Development Corporation which will provide land for any new industry that agrees to locate in our county." He added, "Drawings of the building have been completed and engineers for the firm will be in Statesboro within the next two weeks to confer with local officials."

The Mayor said that the new plant will provide welcomed new jobs and new payrolls in Bulloch County, and that of anti-inflationary effect on several hundred employees, approximately 50 per cent will be men and 50 per cent women. "Undoubtedly, the local economy of this new industry here will be the most important contribution by the Development Corporation since Statesboro Rockwell Corp. local here," Mr. Bowen commented.

Other members of the Development Corporation's Executive Committee besides Mayor Bowen were: Mr. D. C. Brooker, Regional Planning and Research Director, Bureau of Public Roads, Atlanta, and Mr. G. Cobb, C. C. "Let's Push Safety," led by Lt. B. P. McKinnon, supervisor of Georgia State Patrol, "Upgrading Our Tourist Facilities."

Additional discussions were held on ideas on how to promote and develop the tourist traffic on U. S. 301.

At the dinner meeting Tuesday night, D. C. Brooker, Regional Planning and Research Director, Bureau of Public Roads, Atlanta, and Mr. G. Cobb, C. C. "Let's Push Safety," led by Lt. B. P. McKinnon, supervisor of Georgia State Patrol, "Upgrading Our Tourist Facilities."

The meeting was sponsored jointly by the seven Primitive Baptist Churches of the county which comprise the Bulloch County Evangelical Council. These churches are Upper Lotts Creek, Middle Ground, Upper Black Creek, Brooklet, Lanes, Fellowship, and Statesboro Primitive Baptist Churches.

F. Everett Williams of Statesboro is president of the Council which has contributed to the Brunswick Primitive Baptist Church for the past year for the support of their pastor, and states that the Council plans to continue this aid for the coming year.

Guest speakers for the three-day meeting will be: Monday evening, Elder R. L. Mitchell of Savannah, Tuesday evening, Elder C. C. Carrin of Metter, and Wednesday evening, Elder Roland Waters of Brunswick.

Elder T. Roe Scott, Pastor of the Statesboro Primitive Baptist Church, announced that all those interested are invited to attend these services.

Mayor Bowen is speaker at Kiwanis Club
Mayor Bill Bowen was the guest speaker at the weekly meeting of the Statesboro Kiwanis Club on Thursday last week at Mrs. Bryan's Kitchen.

Mayor Bowen spoke on the progress of the city of Statesboro since 1953.

All members of the Kiwanis Club are urged to attend the meeting.

Statesboro assets to attract industry
Recently an Industrial workshop was held in Statesboro, sponsored by the Statesboro and Bulloch County Chamber of Commerce. Led by two experts in industrial development problems, a study was made of the assets and liabilities which Statesboro and Bulloch county possess which are considered by industry seeking new sites for expansion.

This is the third in a series of examination of the assets possessed by the City of Statesboro which are considered important to industry.

Already examined are the water and sewage improvement and expansion program, the natural gas system established in 1955 and the city's administrative and fiscal program.

This week additional assets are examined.

The recreation program of the city and county is considered to be one of the best in the nation. Headed by Superintendent Max Lockwood, the program has attracted favorable comment from industry. Two large swimming pools, the one in Memorial Park and the one in the Blitch Street Center furnish summer's major recreation facility for the young people of the city and county.

Those who visit the city of Statesboro are impressed by the streamlined operating procedures. New bookkeeping systems have been installed for utilities billing. The city has assumed responsibility for the upkeep of the East Side Cemetery, including the old section as well as the new section.

Recently an Industrial workshop was held in Statesboro, sponsored by the Statesboro and Bulloch County Chamber of Commerce. Led by two experts in industrial development problems, a study was made of the assets and liabilities which Statesboro and Bulloch county possess which are considered by industry seeking new sites for expansion.

This is the third in a series of examination of the assets possessed by the City of Statesboro which are considered important to industry.

Already examined are the water and sewage improvement and expansion program, the natural gas system established in 1955 and the city's administrative and fiscal program.

This week additional assets are examined.
