### ★ With the Mites

**TUESDAY, JAN. 10**  
**Midget League**  
**INDIANS DOWN REBELS**  
**FOR A SHARE**  
**OF FIRST PLACE**  
The Indians today pulled a highly unexpected victory from the Rebels in the opening game of this week's contests. The Indians combined offense and defense in this all-important victory to win by a score of 25 to 11. The game was a whole lot off to a slow start with first half ending and the Rebels out from six to four. During half-time Al Blizardz made him really talked with his Indians because they came back with 21 points in the final half as compared to the two by their opponents. Bill Kelly led the winners in scoring with 11 points. Frank Hook and Blizardz dropped in five apiece, while Nasworthy collected four.

For the losers James Hagan was high with six points while Ronald Barnes, captain, collected two. The Indians and Rebels now have identical win and loss records, placing them in a tie for first place in the Midget League.

**FOURTH PLACE TBOLTS WIN OVER RATTLERS**  
The TBolts, in fourth place

## Jr., Sr. League Roundup

### Senior League Basketball

**Tuesday, December 27,** the Gremlins squeezed by the Dynamites 33 to 32. Bobby Brown was high point man for the Gremlins with 18 points. For the losers, Jimmy Williamson collected 15 points and Johnny Martin had 11 points in the defeat.

On Thursday afternoon, the Dynamites ran wild in a big victory over the Cobras by an over-whopping score of 55 to 38. Three players hit in the double figures for the winners with Windy Hugins leading the pack. Hugins tossed in 20 points, Jimmy Williamson and Johnny Martin collected 12 points each in the afternoon.

In the second game, the Gold Bricks whipped the Gremlins 40 to 22 by a lopsided score of their deciding points in their period. Donald Nesmith and Marcus Seligman were leading scorers for the Gold Bricks. The Indians, hampered by the strong defensive effort of the winning TBolts, scored a lone point in the first half while their opponents dropped in nine.

In the second half the TBolts came back with 12 points while the Indians collected six. The slow start was evidently the reason for the Indians' defeat.

Gene Cariker was the high scorer for the winners with eight points, and followed closely by Jimmy White with seven. Vick Page and Stacy Webb also entered the scoring column with four points and two points. For the Indians, Frank Hook, Alan Blizardz, Bill Kelly, and Johnny Nasworthy all had four points each. Donald Long scored two points.

**RATTLERS MOVE CLOSER TO TOP POSITION WITH 21 TO 12 WIN**  
The Rattlers today moved to within one-half game of the leading team in their league. The results came after the Rattlers defeated the Rebels by a score of 21 to 12. The Rebels now share first position with the Indians, both teams have a six and four record. The Rattlers held a slim lead of 11 to 8 at the end of the first half, but increased it considerably in the second half as they outscored their opponents ten to four.

High scorers for the Rattlers were Randy Cunningham and Bruce Evans with seven points each. Bill Storey collected two points and Van Lanier scored one. For the losers, Lance Foides and James Hagan scored four each while Ronald Barnes and Donald Barnes scored two each.

**TIGERS ATTACK HAWKS WITH 20 TO 4 VICTORY SATURDAY, JAN. 14**  
The Tigers really poured on the steam in the second half of their ball game today and defeated the Hawks by a one-sided score of 20 to 4. The Hawks scored two points in each half with Douglas Schunick scoring in the first half and Dennis Deal scoring in the second.

The Tigers scored the majority of their points in the second half. Greg Sikes scored the only six points of the first half. In the final half Sikes scored ten more points to give him high honors with a total of sixteen. Johnny Deal also scored five points all in the second half.

**BEARS DEFEAT BOB CATS: WIN THIRD SEASON GAME**  
A strong determined Bear team today finally came through and defeated the second place Bob Cats 16 to 14. The results of the game was two-fold for the Bears: it was their third victory of the season, and it placed them in a tie for third position in their league with the Hawks. The victors held a slim lead in the score at the end of the first half of 12 to 8. The Bob Cats outscored them in the second half six to four.

Charlie Lockwood and Tommy Renfrow teamed up together for frow collecting ten points and Lockwood 5. For the Bob Cats Pratt Hill was high man with 13 points while Tracy Lanier scored the other point.

**CROPS GETTING ONE-FIFTH NEEDED LINE**  
Line needs of Georgia soils are estimated at two to three million tons each year. However, less than 400,000 tons of lime are sold in the state each year. This indicates that there is less than one-fifth of the lime needed to maintain soils for top crop production is used each year, according to P. J. Bergeaux, Extension agronomist at the University of Georgia College of Agriculture.

### To Beat the Band

By DALE JENSEN

WITH THANKS to the NEA Journal and Jack Burroughs, we bring you the following ballad. The moral certainly applies to our Blue Devil Band hall, and it can perhaps be considered as we begin planning our new high school and curriculum.

**DEER TEACHER — A FABLE**  
Long ago, some giraffes, determined to educate their progeny, built a school for their young. The school was built in a clearing, and the giraffes were high school teachers. The school was built in a clearing, and the giraffes were high school teachers.

On Thursday afternoon, the Gold Bricks 35 to 32 in a tie game that went into a three minute overtime. The game was tied 31 to 31 at the end of the regulation time and had to be extended to determine the winner. Robert Tanner scored the four points in the overtime period to clinch the victory for the Gremlins. Tanner was the high point man for the winners with a total of 15 points. For the losers, Windy Hugins was the high scorer with 12 points and Billy Nesmith scored 12 points. Johnny Martin scored 12 points for the Cobras in a losing effort.

On Thursday afternoon, the Gold Bricks surprised the Dynamites with a convincing victory. The Gold Bricks defeated the first place Dynamites 52 to 37. Four players hit in the double figures for the Gold Bricks. Billy Nesmith and Donald Nesmith scored 12 points each to lead the Gold Bricks while Morgan Rushing and Bob Scruggs gave support with 11 points each. For the losers, Jimmy Williamson and Richard Howard tossed in 12 points each in the afternoon.

In the second game, the Dynamites ran over the Cobras 60 to 33, behind the sharpshooting of Jimmy Williamson. Windy Hugins and Johnny Martin Williamson tossed in 20 points. Hagin collected 18 points and Johnny Martin scored 12 points. Billy Aldrich scored 16 points for the Cobras in a losing effort.

## New Castle News Union Baptist WMS meets at church

By MRS. D. D. ANDERSON

The WMS of the Union Baptist Church met Wednesday afternoon at the church. An interesting program around the theme "May Know Our Saviors' Love" — Indians in the South — was presented. Mrs. Jim H. Strickland gave the scripture and meditation with several ladies describing different aspects of Indian life and bringing to us the needs of these people. During the program color pictures of the different Indian tribes were displayed; an Indian puzzle was solved by the ladies and a Navajo menu was handed to each one present. At the close, Mrs. J. O. Nevil sang a solo, "Indian's Call" for the closing prayer.

The president, Mrs. George Strickland, presided over a short business meeting after which refreshments were served and enjoyed by the group.

Those attending were Mrs. C. M. Nevil, Mrs. Delmas Rushing, Mrs. Jim H. Strickland, Mrs. Colon Akins, Mrs. J. O. Nevil, Mrs. George Strickland and Mrs. Delmas Rushing Jr.

Mr. and Mrs. Ernest Buie and daughters, Lynn and Ginger Buie of Nevils, were dinner guests Sunday with Mr. and Mrs. Thomas Anderson.

Mr. and Mrs. Lamond McCorkle and children of Swainsboro, visited during the week-end with their parents, Mr. and Mrs. W. B. McCorkle and brother, Ellis McCorkle.

Mr. and Mrs. H. H. Godbee spent Sunday afternoon in Greenville visiting Mr. and Mrs. Emory Godbee and family.

Mr. and Mrs. E. Sapp and family of Savannah, were weekend guests of Mr. and Mrs. Redie Anderson Sunday dinner guests with Mr. and Mrs. Anderson.

Mr. and Mrs. E. Sapp and family of Savannah, were weekend guests of Mr. and Mrs. Redie Anderson Sunday dinner guests with Mr. and Mrs. Anderson.

## Senior Citizens holds first meeting of 1961

The Senior Citizen Club met at the Fair Road Center, Tuesday afternoon, January 10, for the first meeting of the New Year.

The president, Miss Janie Jones presided. Mrs. L. T. Denmark gave the devotional. Miss Jones read a poem "The Golden Years" which was most appropriate at this time.

The door prize was won by Mrs. H. M. Teets. Visitors welcomed were: Sandwich of Augusta, Ga. Welcomed as a new member was Mrs. Linn Fowler. Mrs. John W. Davis, Sr. was appointed as refreshment chairman for the New Year. Mrs. H. M. Teets, secretary, read the minutes and Mrs. J. D. Akins, Treasurer, gave a report on finances.

The group then enjoyed an afternoon of fun, playing bingo. The prizes instead of being purchased were brought in by members of the club. The prizes were "PINK ELEPHANTS," pink elephants being something you no longer need or want and something someone else would enjoy having.

We regret to hear of our member Mrs. J. A. Patch being in the hospital and hope she will soon be out and back with us.

Hostesses were Mrs. John W. Davis, Sr. and Miss Janie Jones. Delicious cookies nuts and hot coffee were served.

The next meeting of the club will be Jan. 24th from 3:30 to 5 p.m. at the Fair Road Recreation Center and all Senior Citizens of Statesboro and Bulloch County are invited to attend.

ing is located between the Frank Williams Center and the Warehouse, will provide facilities for industrial arts and education majors.

The new building will consist of a graphic arts lab, a drafting room, a power mechanics lab, a metal lab, a combination electricity and electronics lab, a finishing room, and a room for wood technology. A general shop is being designed as a sample model of a high school shop.

**SPECIALIST FOUR CHARLES D. GERRARD**, son of Mr. and Mrs. W. A. Gerrard, 425 Fair Road, Statesboro, Ga., recently began a new six-year tour of duty with the Regular Army while serving as a gunner in the 10th Infantry's Combat Support Company at Fort William D. Davis, Canal Zone. He attended Statesboro High School before entering the Army in September 1958.

That \$1.00 invested with us each month for 15 years, earning at our current rate of 4 % per annum, compounded semi-annually, will amount to \$246.25. You have actually paid in \$180.00 and have earned \$66.25. You would have in 20 years \$240.00, plus earnings of \$126.64, for a grand total of \$366.64.

See how your earnings grow with regular payments recorded by the Tenth of each Month—and dividends compounded semi-annually.

## Junior Woman's Club hear about student letters

The Statesboro Junior Woman's Club met Thursday, January 12, at the R. D. 1 Recreation Center for their regular monthly meeting. Refreshments were served by the Home Department.

The International Affairs Department was in charge of the program. Four students from Miss Doris Lindsey's class at Marvin Pittman School read letters from foreign students with whom they had been corresponding. The students are Susan Wallace, Bruce Barry, Carlene Franklin, and Don Carls. This exchange of friendly and informative letters by these students is sponsored by the International Department. The Department hopes that this will, in some small way, increase the understanding and friendship between our country and those countries abroad. Working toward this goal, the Department also sponsors a "Care" package for Korea.

After the program Mrs. E. W. Barnes called the business meeting to order. New members and visitors were recognized. Club minutes were read, the Treasury report was given, and reports from all departments and committees were heard.

## Senior women to occupy new GSC dormitory

Senior women will occupy the new dormitory to be completed by the 1961 fall quarter, Dr. Zach S. Henderson, president of GSC, announced to the Georgia Southern College.

The dormitory, which will be named after the Statesboro woman, will be the first occupants with juniors filling the remaining rooms which are available. This new facility will increase women's housing accommodations at GSC to approximately 640.

With the change, sophomore and junior women will be housed in Lewis Hall, some sophomores and freshmen in

a private parlor, bedroom and bath.

All those present said that the new building will be a great asset to the college and that they would be flattered to have it named after a Statesboro woman. The situation at the University of Georgia remains a very critical one. Many students expect federal intervention in the form of armed troops. Some believe that the situation will remain under control.

It is a critical time for education in our state.

Support List  
"I hope that all of the students will come out and support us in this endeavor to bring a new off-campus building to the Georgia Southern College stage," Mr. Robert Overstreet, director, stated.

Prices of admission is 50 cents for students and \$1.00 for adults.

## Lockwood...

continued from page 10

ber of the Board of Regents the students replied that to do so at the present time would be a mistake and an open invitation to disorder. They were in agreement however that the Dean of Men should be replaced in the best interest of the University.

SOME EXPRESSED the opinion that a mistake was made when the Negro girl was removed from the campus. This was an invitation to the demonstrators to feel. "We have done it before and we can do it again."

THESE STUDENTS present were deeply resentful of the treatment given the Negro students by the Administration, calling it "Red Carpet" and special. There was open resentment concerning the decision by college officials to exclude the Negro girl to a suite in the dormitory formerly occupied by student women leaders. They did not believe that the white students voluntarily gave up their rooms. It is the only suite of its kind in the dormitory and is assigned normally to students as a reward for their superior leadership efforts. It has

GIRL'S VARSITY—Left to right are Harriet Holleman, Eugenia Moore, Lynne Storey, Cynthia Akins, Marie Cleary and Janette Allen.

## Stateboro High Lassies look good for 1960-61

The 1960-61 basketball season is looking up for the Statesboro shes-devils. Under the coaching assistance of Mrs. Jeanne Coleman, the girls have won eight and lost only two games.

Because they have not lost a region game, the chances for a region championship look good.

Lynne Storey, a senior and captain of the team is having a good season, Eugenia Moore, a junior, is leading scorer for the team. Marie Cleary, a senior, is a girl any coach would be proud to have and can play guard and forward equally well.

The guards have done remarkable rebounding work this season, and their skill in defense has led the team to many victories.

The Girl's Region Tournament is to be held in Statesboro this year. We hope you will not miss a single game.

## SHS vs. EH

By HUBERT TANKERSLEY

The Statesboro third loss of the season took place in Effingham County's gymnasium Tuesday January 10, 1961. The Blue Devils lost 48-41.

Johnston and Pye shared high score honors with 15 points a piece. Dekle, Bray and Seacore scored 5, 4 and 2 points respectively.

Effingham outclassed Statesboro all the way. Statesboro came within 2 points of Effingham, but could never span the gap.

In the girl's game, Statesboro High lost 49-28. Eugenia Moore was tops for the night with 18 points. Lynne Storey, Brenda Scruggs and Pat Murphy scored 5, 3, and 2, respectively.

The "B" Boys ran over Effingham 53-27 with Jim Hines and Don Nesmith scoring 19 and 16 points for the victors. This brought the "B's" a 7-1 record.

Statesboro High moved into the finals of the Jaycee-Georgia Southern tournament. The Blue Devils led all the way. Joe Pye led the scores with 22 points, followed by Lindsey Johnston and Jimmy Seacore with 9 points each.

Pyre's 22 points gave him 134 points for a new tournament record. Pye is a junior and has one more year at High.

VIDALIA 67-46 STATESBORO DEFEATS The Statesboro High School Blue Devils defeated Vidalia 67 to 46 in the first round of the fifth annual Jaycee-Georgia Southern basketball tournament.

Statesboro was led in scoring by Joe Pye and Lindsey Johnston with 20 and 17 points respectively.

S'BORO DEFEATED BY APPLING COUNTY 53-32— Statesboro was defeated in the last two seconds of the final game of the Jaycee-Georgia Southern tournament. The leading scorer for Statesboro was Joe Pye with 15 points. Statesboro placed 3 men on the tournament team.

Joe Pye, Lindsey Johnston, and Jimmy Seacore all were on the team. This is the highest finished in this tournament.

JOSEPH HENRY PYE (Junior), 6'1" - Junior forward. Has a 20 point average per game. This year he broke the scoring record at Jaycee Tournament with 134 points.

LINDSEY JOHNSTON - 6'3" - Senior center. Lindsey grabs the rebounds and scores about 10 points per game.

STATESBORO, GEORGIA, THURSDAY, JANUARY 19, 1961

## SHS Juniors score higher than the national average on PSAT

By GLORIA LANE

Anxious juniors thronged Mrs. Bice's office Tuesday, January 10. Word was out that scores for the Preliminary Scholastic Aptitude Test had been received.

The PSAT, which the juniors had taken in November, is a preliminary test taken to the college board test taken in the senior year. Reactions ranged from squeals of joy to sad notes of disappointment. Jokes were made about the scores, but the juniors seriously contemplated the scores by next year.

Mrs. Bice explained the significance of the scores to the juniors. The PSAT test contains verbal and mathematical sections, which measure the student's ability to reason with verbal and quantitative material—to read with skill and understanding and use words correctly, and to understand number and their use in solving problems. Since these abilities are important for good work in college, the test scores give one indication of how well the student might do in college.

Mrs. Bice announced that the Junior Class of SHS had scored above the national average of students taking the PSAT. These test scores are placed on the student's permanent record along with the Scholastic Aptitude Test to be taken next year.

Instead, let's take a backward look; which is after all the best way to predict the future.

Since most of you were born, more changes have taken place than in the lifetime of those who have come before you. You have lived during the greatest era of inventions, changes and discoveries man has ever seen.

Since 1945, the population of the United States has increased 42,000,000, the value of the dollar has dropped 40%, there are 1,500,000 fewer farms, but the farm production has doubled. Within the last fifteen years, we have seen the development of miracle fibers, such as Nylon, television, jet propulsion, useless tires, frozen dinners, polio vaccine, and a lot of others.

Since you were born, the spread of "nationalism" (the government students recognize this, I'm sure), has been greater than in all recorded history. The social changes resulting from the great changes in the world are going to have to solve, and live with the solutions.

The challenge you face is one of the greatest and most important in the annals of history. Frankly, I envy you! Think deep, think long, and I am sure you will come up with the right answer. And just in case you want to put this thought aside, it is, indeed, later than you think!

The band is, at present, working on Festival Music and a number of solos and ensembles. Of the solos and ensembles of the band, the most important is the "Festival Music" ratings. The director, Mr. Dale Jensen, hopes to have even more this year.

## The Hi-Owl A Prize Winner

HIGH SCHOOL SECTION OF THE BULLOCH HERALD

## Message from Principal James Sharpe

By GLORIA LANE

Changing the calendar always gives me a "jolt," and I am sure it will affect you the same way in a few years. We usually think of New Year Resolutions when this event takes place, and never having been one who was strong on New Year resolutions, I cannot with great enthusiasm encourage you to make resolutions. I also seriously doubt if many are kept.

Instead, let's take a backward look; which is after all the best way to predict the future.

Since most of you were born, more changes have taken place than in the lifetime of those who have come before you. You have lived during the greatest era of inventions, changes and discoveries man has ever seen.

Since 1945, the population of the United States has increased 42,000,000, the value of the dollar has dropped 40%, there are 1,500,000 fewer farms, but the farm production has doubled. Within the last fifteen years, we have seen the development of miracle fibers, such as Nylon, television, jet propulsion, useless tires, frozen dinners, polio vaccine, and a lot of others.

Since you were born, the spread of "nationalism" (the government students recognize this, I'm sure), has been greater than in all recorded history. The social changes resulting from the great changes in the world are going to have to solve, and live with the solutions.

The challenge you face is one of the greatest and most important in the annals of history. Frankly, I envy you! Think deep, think long, and I am sure you will come up with the right answer. And just in case you want to put this thought aside, it is, indeed, later than you think!

The band is, at present, working on Festival Music and a number of solos and ensembles. Of the solos and ensembles of the band, the most important is the "Festival Music" ratings. The director, Mr. Dale Jensen, hopes to have even more this year.

SHS scientists attempt rocket launching  
By AGNES FARKAS  
A Cuban cow was reportedly killed by fragments of an unsuccessful Transit satellite launched recently from Cape Canaveral. There wasn't a Cuban or any other cow around when the Science Club launched Vanguard, Jr. at Cape Statesboro (Statesboro airport). Lucky for the cow because our rocket was unsuccessful also. Vanguard, Jr., a fourteen inch aluminum rocket powered by a solid fuel of zinc and sulphur, blasted off with a sizzle and huge spurts of blue flame, flew to the left and plunged into the ground.  
This did not discourage our budding scientists, Randy Black and Ernie Campbell, who are already making plans for building the next one. Mr. McKenzie, co-sponsor of the Science Club, encourages the boys in their interest in space science.  
Relatively few students at Statesboro High are interested in science, but they are really missing something. Willard F. Libby, 1960 Nobel Laureate, says: "We scientists are the only people who are not bored, the only adventurers of modern times, the real explorers—the fortunate ones."

All State Choir Clinic held at Athens Jan. 8-9  
By MARY E. JOHNSTON  
Athens, Georgia, was the scene for the All State Choir Clinic January 8th and 9th. This clinic was held in preparation for the All State Choir Convention which will be in Atlanta in March.  
Eight girls from Statesboro High School were elected to attend the Choir Clinic. Those participating were Amelia Robertson, Kathy Owens, Noel Benson, Alice Brannen, seniors; Beth Neasmith, Jean Neasmith, Jamey Waters, Carlisle Harvey, juniors. Mrs. Gilbert Cone, Director of Public School Music accompanied this group.  
The Choir Clinic was under the direction of Mr. Robert Pyle, Director of Music in Carnegie Hall. Approximately eight hundred boys and girls from the State of Georgia were under Mr. Pyle's direction.  
The Choir Clinic received great praise from their concert given in Athens on Saturday, January 9th and was not spent in vain.

Future Nurses have Christmas tree party  
By AGNES FARKAS  
On Sunday, December 18, members of the Future Nurses of America gave a Christmas Tree - trimming Party at the Brown's Nursing Home.  
The girls brought and trimmed a Christmas tree, put decorations on the door.  
Cake and punch were served. Everyone sang Christmas carols accompanied by Marilyn Brown on the accordion. Each patient was given a gift. The men received handkerchiefs from the Future Nurses Club, and the women received sweaters donated by St. Matthew's Catholic Church.  
Those on the party committee were Suzanne Barry, chairman; Eloise Simmons, Anne Neasmith, Sharon Stubbs, Carolyn McCorkle, Cheryl Forbes, Nancy Davis, Sharon Lee, and Agnes Farkas.

Christmas Spirit Dance at SHS on Dec. 17  
By TESSIE BRYAN  
The annual Christmas Spirit Dance was held on December 17, 1960 at the Statesboro Cafeteria. Janet Kraft and Johnny Martin were crowned Mr. and Miss Christmas Spirit. The court consisted of Seniors Martha Faye Hodges, Hubert Tankersley, and Danny Bray; Juniors - Gloria Lane, Donna Minkovitz, and Hoke Brunson; Sophomores - Marsha Cannon; Freshman - Robert Mallard.  
The Christmas Spirit Dance was sponsored by the Y Club of Statesboro High. Santa Claus was on hand to crown Miss Christmas Spirit. The chaperones for the evening were Mr. and Mrs. Sam Brewton and the faculty of Statesboro High School.

KEEPING GEORGIA STRONG Among the 12 southeastern states, only 4 rank lower than Georgia in the amount of personal income spent on higher education.

If we are to compete with the other states in the country's fastest growing, most geographically competitive area, Georgia must better this ranking.

During the past 10 years per capita income in Georgia has increased by over 50 percent. If we are to expect a continuing increase in income of the citizens of this state, we must give much more than lip service to increasing support of the University System of Georgia. At the same time, we must bear in mind that every other state is also going to increase its percentage of personal income spent for higher education.

The University System needs the help of every citizen of Georgia to insure that it continues to grow. Only in this way can we produce the leadership sandwiches, potato chips, cherry tarts, and coffee.

High score was won by Mrs. Delmas Rushing Jr., receiving a vase. Low score went to Mrs. Emory Brannen, receiving an ash tray, and went to Mrs. John Ed Brannen, receiving perfume, and visitor's high went to Mrs. Emory Brannen, receiving a box of candy.

Others playing were Mrs. Allison Davis, Mrs. Aretha Temples, Mrs. Eubie Riggs, Mrs. H. H. Oliff Jr., Mrs. J. B. Johnson, Mrs. Oris Holloway, Mrs. Graham Bird, Mrs. T. L. Moore, Mrs. H. L. Banks, Mrs. Reginald Anderson, Mrs. L. J. Holloway, and Mrs. Jimmy Atter home. The hostess served

URA AND COASTAL BERMUDA Burning off Coastal Bermuda

So, before purchasing seed or ornamentals take a good look at what you are paying for. It could make the difference in obtaining or not obtaining the variety you want, seed which will or will not give a good stand, and perhaps getting healthy or diseased plants.

Better balanced rations, disease and pest control, and other improved practices brought about by research have contributed greatly to this progress.

So, before purchasing seed or ornamentals take a good look at what you are paying for. It could make the difference in obtaining or not obtaining the variety you want, seed which will or will not give a good stand, and perhaps getting healthy or diseased plants.

urea in terms of yield response. This finding was obtained in experiments at the Coastal Plains Experiment Station in Tifton. While other studies at the station have shown surface-applied urea to be from 12 to 20 percent less effective than equal quantities of nitrogen from ammonium nitrate, the urea applied to clean burned land was only 4 percent less effective than the ammonium nitrate.

The reason for the greater effectiveness of urea after the soil burning, the researchers say, is that the burning operation either destroys or alters the ureas into the ammonia form of the atmosphere.

Spring burning of Coastal Bermuda sod also helps to control spittlebug and early weeds.

RESEARCH Agriculture research is the main reason why most of our Georgia farmers are producing more food and fiber on less land than ever before in our history — such farm efficiency never before realized.

Research has given us better ways of breeding poultry so that today's hen lays more eggs. For example, the average hen in the nation 30 years ago laid 121 eggs per year. Today, she lays 206 eggs per year.

Thirteen per cent fewer hens on farms last year produced 60 percent more eggs than their ancestors did in 1930. The savings in feed, labor, and equipment represent a net gain to the egg industry.

Better balanced rations, disease and pest control, and other improved practices brought about by research have contributed greatly to this progress.

## Senior Tri-Hi-Y meets at SHS Thursday, Jan. 12

By DOTIE DONALDSON

The St. Tri-Hi-Y held its monthly meeting Thursday, January 12 at 7:30 p.m.

Darlene Youmans gave a responsive reading along with the group on the ten commandments. Janet Kraft gave a program on thoughtfulness and the members discussed YMCA Week and the annual Youth Mayor Election which will take place after the mid-term test. It was decided that the names of all members who had missed two meetings in a row would be taken off the roll. To get their names put back on the roll, they have to make up as many meetings as they have missed.

Besides the resolution concerning religion, we should consider our social and physical welfare. Proper care of the individual is a very important factor. Ask yourself these questions: "Do I get proper rest?" "Do I eat the correct foods?" "Do I have adequate exercise?" If your answer is "No," then now is your chance to reform yourself through New Year's resolutions.

Perhaps a more appropriate question concerns our intellectual ability and our study habits. If you are the type of individual who does not conform to routine, now is your chance for a change to proper study habits. As the old saying goes, "All work and no play make Jack a dull boy." This old proverb can also be reversed, "All play and no work make Jack a dull boy." Perhaps some individuals do not understand the depth and importance of knowledge. Learning is a gift that no one can take away and a gift that no one can give. The information is there and taking the opportunity of grasping it is left up to the individual.

In making your New Year's resolutions, consider all of the above factors. Study them over; sit down and make out a list of your individual resolutions and decide to really concentrate on keeping the ones you make.

## Mrs. Bice is Statesboro High Counselor

By HUBERT TANKERSLEY

For the first time, in 1959, Statesboro High School was privileged to have a full time counselor. For the first time we could find an answer for our every question from "where to go to college" to "why did I have to stay in the world ready to cope with any situation that may arise or will you go out into the world depending on luck alone to pull you through? These are the formative years. What you make of yourself now determines what you will be in later life.

School is a place of preparation, both mentally and emotionally. In school you prepare yourself with knowledge for problems that may come up in the future. You can also prepare yourself socially by learning to get along with people while in high school. If you can't wait to get out of high school so you

can get away from all the people you don't like, you will probably be running all of your life. People are about the same wherever you go. In school you should take the subjects that will help you the most, not the ones you can make the best grades in or pass the easiest.

Although we should take school seriously, fun does have its place. But we can't spend too much time on fun. As Benjamin Franklin said, "But, dost thou love life? Then do not squander time, for that is the stuff life is made of." You will spend about one-fifth of your life in school. That one-fifth will have a great influence on the rest of your life.

Only one person can determine when you are prepared for the outside world. You are that person. Are you prepared?

## New Year's Resolutions

By JANE ORR

The New Year, 1961 is finally here. It is time, once again, for resolutions and changes. Many resolutions will be broken, more than the number which will be kept. On deciding what changes we want to make in our daily lives we should place one factor first: the greatest and most important—religion. Ask yourself this question, "Am I getting the most out of my church and its many activities?" To be truly happy a person must be at peace with himself and God.

Besides the resolution concerning religion, we should consider our social and physical welfare. Proper care of the individual is a very important factor. Ask yourself these questions: "Do I get proper rest?" "Do I eat the correct foods?" "Do I have adequate exercise?" If your answer is "No," then now is your chance to reform yourself through New Year's resolutions.

Perhaps a more appropriate question concerns our intellectual ability and our study habits. If you are the type of individual who does not conform to routine, now is your chance for a change to proper study habits. As the old saying goes, "All work and no play make Jack a dull boy." ## Are You Prepared?

By JOHN BROCK

In these times of turmoil and trouble we should think seriously about the future and what it holds for us. Are we going to let things just happen as they may or are we going to do something about them. Now is the time for preparation, now is the time to think about what you are going to do with your later life. Will you go out into the world ready to cope with any situation that may arise or will you go out into the world depending on luck alone to pull you through? These are the formative years. What you make of yourself now determines what you will be in later life.

School is a place of preparation, both mentally and emotionally. In school you prepare yourself with knowledge for problems that may come up in the future. You can also prepare yourself socially by learning to get along with people while in high school. If you can't wait to get out of high school so you

can get away from all the people you don't like, you will probably be running all of your life. People are about the same wherever you go. In school you should take the subjects that will help you the most, not the ones you can make the best grades in or pass the easiest.

VOLUME XX—Established March 26, 1937—P.O. Box 210

STATSBORO, GEORGIA, THURSDAY, JANUARY 26, 1961

MISS GLENDA RENTZ, center, "Miss GSC of 1960" and her court are shown here at the coronation ceremonies at Georgia Southern's 1960 Homecoming. They will give way to the new Miss GSC of 1961 to be selected tomorrow night (Friday) at the McCroan Auditorium beginning at 8 o'clock. The picture shows left to right, Ellen Durham of Bainbridge, Betty Biggers of Keyville, Glenda Rentz, "Miss GSC of 1960," Jane Fraser of Hinesville and Janet Jones of Milan.

## It's Homecoming at Georgia Southern College on weekend

Homecoming weekend at Georgia Southern College is scheduled for Friday and Saturday, January 27-28, with a full two days of activities and events.

Setting the gala event into motion will be Alpha Rho Tau, the Art Club, with its presentation of the 15th annual Beauty Revue in which Miss Georgia Southern 1961 and her court will be selected. The Revue will be staged in the McCroan Auditorium at 8:00 p.m., Friday night, January 27.

Something new and entirely different will be on the agenda with the gymnastic meet between Georgia Southern and the University of Georgia. The meet will be held at 8:00 p.m. Saturday in the W. S. Hamner Gym.

According to Mr. Pat Yeager, Georgia Southern's athletic director, the event should provide some thrilling competition. Georgia Southern and the University are about evenly matched," he said.

The competition between the two teams will feature performance on the parallel bars, still rings, long horse vaulting, trampolines, tumbling, rope climbing and free calisthenics.

Georgia Southern's gymnastic coach, Mr. Pat Yeager, has been chairman of the United States Women's Gymnastic Council since 1957 and accompanied the U. S. delegates to the 1960 Olympic games in Rome this year.

The alumni will have supper together at 5:30 p.m. Saturday in the college dining hall and will have the annual business meeting following supper.

One of the highlights of the Homecoming festivities will be the basketball game Saturday night between Jacksonville University and Georgia Southern. The game will be held at 8:00 p.m. in the Homecoming game last year.

The annual Homecoming dance after the ballgame in the Alumni Gym will climax the busy weekend.

Many Georgia communities are showing increasing interest in turning unused areas into attractive small parks, reports Extension Landscape Specialist T. G. Williams.

Activities Saturday morning will get off to an early start with the judging of the Homecoming displays between 9:00 and 10:00 a.m. The various organizations on campus will be competing for the trophy and their displays depicting "This Changing World."

From 10:00 to 11:00 a.m. Saturday morning, the senior class, under the direction of Mrs. Thelma Hartley, house director of Cone Hall, and Mrs. Mary Kate Evans, house director of Lewis Hall, will be host to the alumni during registration and coffee. The registration and

Plan Growth The self-study is not a status study only but is one which should make it possible for the institution to project its educational program and to plan its growth within the framework of its purpose.

The self-study will stress the institution-wide character of all schools and divisions involved. The two-year self-study by an institution must be comprehensive and include every important fact of the institution.

Purpose Given The purpose of the self-study is a critical analysis of the institution itself, with frank recognition of weaknesses and problems, with recommendations for solutions to the problems. There must also be indications of differences of opinion where these have developed in course of the study.

The report will stress the critical areas, unique programs, and facets of the institution which are of special interest or concern to the faculty, administration, and governing board.

The members of the Self-Study Committee will be announced within a few days.

Port split a basketball twin bill with Screven County at 7 p.m. Tuesday night. The Screven County girls won the game 32-24, and the Port boys took a 39-29 victory.

Jeann Lovett scored 18 for Screven County and Kay Carter tallied 12 for Port.

Charged Monday morning the judge went into detail on plans and purposes of the court, the duties of jury committees, and the importance of the jury in the community.

Members of the eighth grade will show the "throw pillows" they made in a bedroom scene. An exclusive dress shop scene will be shown by the girls to display the clothes they made during the year. The program will conclude with a fashion show by the fifth period class, composed of seniors, juniors and sophomores. The entire program will be under the direction of Mrs. Reppard DeLoach and Mrs. Yvonne Jet, student teacher.

J. Brantley Johnson is president of the high school PTA.

THE CAST OF "Arsenic and Old Lace" get together over a glass of "poison" at the Statesboro High School auditorium. Shown here seated, left to right, are Ashley Tyson, Mabley Tankersley and Cheryl Wheeler. Standing, left to right are Bob Scroggs, Johnny Johnson, Beth Nesmith, Donna Minkovitz and Billy Franklin. The play is directed by Mrs. Bernard Morris and will be presented at the high school auditorium on Monday evening, January 30, curtain time is 8:15 o'clock.

## Jaycees name Cloyce Martin 'Outstanding Young Farmer'

Mr. Cloyce T. Martin of the Denmark community was named Bulloch County's "Outstanding Young Farmer" in special ceremonies at the Tuesday night meeting of the Statesboro Junior Chamber of Commerce held at the Forest Heights Country Club.

Jaycee President Carroll (Khaki) Herrington presented Mr. Martin a bronze plaque representing the high honor paid him by the young business men of Statesboro and Bulloch County.

Mr. Martin is the son of Mrs. J. O. Alford and the late John Martin. He married the former Miss Billie Jones, daughter of Mr. and Mrs. Bill Jones. They have two children, two boys, four years of age, and one girl, eighteen months of age. His brother is Mr. Hollis Martin, who is engaged to Miss Faye Sanders of Statesboro was announced recently.

The Martins live on RFD 6, but they call Denmark their home.

In 1950 he purchased the old Anderson home, which has 35 acres of land of which 100 is in cultivation. He rents an additional 200 acres.

His production averages were high enough to win the title of "Outstanding Young Farmer" on 200 acres of corn he averages twenty bushels per acre, on 25 acres of tobacco he averages more than a ten per acre; on 30 acres of cotton he averaged two bushels per acre; on 25 acres of peanuts he averages a ton per acre.

He has twenty-five acres of permanent pastures.

He has forty-two brood sows. He averages selling 400 Number One hogs per year.

Mr. Charles Kelly of the University of Georgia, College of Agriculture, was the guest speaker. He paid high tribute to Bulloch County on its fine people and the great work they are doing in agriculture and to the Jaycees for their interest in the young farmers of the county.

Jaycee Club members were the chairman of the Outstanding Young Farmer selection committee.

GENERAL MEETING AT UPPER BLACK CREEK CHURCH JAN. 27, 28, AND 29

The General Meeting of the Lower Canoechee Association of the Primitive Baptist Church of the South will be held at Upper Black Creek Church on Friday, Saturday and Sunday, January 27, 28, and 29.

Morning services will begin at 10 o'clock. Dinner will be served on the church grounds each of the three days. The public is invited. Elder Howard Cox is pastor.

HAPPY GO LUCKY CLUB GETS READY FOR VALENTINE FORAL

The Happy-Go-Lucky Club met on Monday evening, January 16, for the second meeting of the new year and made plans for the big event of the year, the Valentine Festival. During the program Neil Hagin, Debra Hagin and Anna Hollard did the Madison Shuffle. Members voted for the Valentine Sweetheart and will know on January 30 who the members of the Sweetheart Court will be.

Others in the cast are Mabley Tankersley as "Aby Brewster," Bob Scroggs as "Mortimer," Billy Franklin as "Teddy," Johnny Johnson as "Dr. Harper," Beth Nesmith as "Miss Brophy," Donna Minkovitz as "Elaine," and Ashley Tyson as Mr. "Gibbs."

Admission will be 25 cents, to cover a royalty fee for each performance.

The play is directed by Mrs. Bernard Morris.

Members of the Statesboro High School speech and drama club will present "Arsenic and Old Lace" at the high school auditorium on Monday evening, January 30, at 8:15 o'clock. The play will feature Miss Cheryl Wheeler who was declared to Region 2-A's "Best Actress" and Billy Franklin, Region 2-A's "Best Actor," when the play won third place in the annual one-act play contest.

Mr. and Mrs. Livingston moved to Statesboro the first of the year, from Winchester, Virginia. They are living in the Presbyterian Church manse at 6 South Zetterower Avenue.

At the winter meeting of Savannah Presbytery on January 17, in the White Bluff Presbyterian Church the following Ministers were named to the Commission: Rev. J. Walton Church, Savannah; Rev.
