## GET MORE EARS TO THE ROW KILL SOIL INSECTS airdin

Increase yields economically by controlling soil insects with airdin. One application of airdin pays for itself through bigger, better yields of quality corn.

Airdin is easy to use. You can apply it as a spray, granules or mixed with starter fertilizers.

Order your supply today and by harvest you'll see why airdin stands for bigger yields.

## "I made 35% more cotton per acre by using Nemagon Soil Fumigant"

Reports Mr. Gene McQueen, Route 6, Moultrie, Georgia

Mr. McQueen tells it better than we can! "I have been using Nemagon Soil Fumigant for 2 years. I think Nemagon Soil Fumigant is the difference between making a profit or not making a profit on nematode-infested land. Before Nemagon my cotton crop died at the rate of 80%." Since I started using Nemagon I have a perfect stand."

Like so many other growers, Mr. McQueen found that Nemagon Soil Fumigant pays off in bigger, better yields at harvest.

## SHS declaimers selected for literary meet

On Friday night, March 10, the declamation contest to select a representative for Statesboro High School for the Literary Meet was held at Mrs. Bernard Morris'. Both a boy and girl contestant were selected.

The winner in the girl's division was Mahaley Tankersley, daughter of Mr. and Mrs. Pete Tankersley, a member of the Junior Class. Her selection was "Joan the Martyr," a cutting from a book by Mark Twain.

The winner in the boy's division was Danny Bray, a member of the Senior Class and son of Mr. and Mrs. Herman Bray. His selection was entitled "The Freedom of Man" by President John F. Kennedy, and serving as his alternate is David Minkovitz son of Mr. and Mrs. Ike Minkovitz whose selection was "I Speak For Democracy."

These students will all attend the Literary Meet to be held at Georgia Southern College on April 7th.

They are all students of Mrs. Bernard Morris.

JOHNNY RUSHING, Marvin Pittman 4-H Clubster, son of Mr. and Mrs. John N. Rushing Jr., is shown here at the Champion Barrow and the barrow which won it for him in the Annual Barrow and Steer held at Parkers Stockyard on Tuesday night of the week. Robbins Packing Co. bought both champion barrows, paying \$15 a pound for the Grand Champion and \$10 a pound for the reserve.

NEVISA MARTIN, thirteen-year-old daughter of Mr. and Mrs. Martin of the Stillson community, shown with her Reserve Parkers' Stockyard Wednesday morning, March 29. Her steer weighed 1,030 pounds. The reserve champion steer was bought for \$75c per pound by Winn Dixie Supermarket.

with the American Team and the Russian and Japanese teams with her versatility. Judy is the only tumbler in the world that performs a back somersault with a triple twist in competition.

The possibility exists that the famed Pensacola Naval Air Station "Starliner" Trampoline team will be on hand not only for the competition but to entertain the public with their precision act.

Georgia Southern gymnastic team members will be led by their three State Champions: Stanley McCallar of Richmond Hill who holds the Novice Side Horse Championship of Georgia; Willie Jennings, the Georgia Senior Women's Vaulting Champion; and Bobbie Tapley, who only last week won the Florida AAU Championship on the Side Horse.

On the other hand, top ranked teams expected to enter from out of state are Dallas Athletic Club, Dallas, Texas; Florida State University; Fort Myers, Florida's crack women's team who holds the Junior and Senior women's Championship for that state; and the University of North Carolina, N. C.; The Citadel; and many others.

Tickets will go on sale this week in downtown Statesboro, with competition slated for Friday evening April 7th, Saturday morning and afternoon sessions on April 8th, and the finals to be held Saturday evening.

Seventeen boys and girls from four high schools in Bulloch County will compete in the 1961 Statesboro Junior Chamber of Commerce's Youth Driving Road-E-O at Georgia Southern College on Saturday, April 15.

On the basis of written examinations held at Statesboro High School, Southeast Bulloch High, Port High and Marvin Pittman High on March 20 and 21, two boys and two girls from each school with the highest grades, were chosen to take part in the county finals.

The winners are Joan Sack, Linda Rogers, Harry Stott and Johnny Young from Statesboro High School; Barbara Morris, Elizabeth Terrell, Dayton Allen and Harold Driggers from Southeast Bulloch High School; Ann Hendrix, Carolyn Finch, Billy Bowen and Lynn Reddick from Port High School; Amy Walters, Micky Creech, Johnny McCormack, C. L. Daughtry and Roy Nichols of Marvin Pittman High. Because C. L. Daughtry and Roy Nichols tied for second in the two places for boys at Marvin Pittman High School, both will be allowed to compete in the Road-E-O at GSC on April 15.

Each of the winners of the Road-E-O, a boy and a girl, will receive a \$25 dollar bond given by the Bulloch County Bank and the Sea Island Bank. The top boy and the second top girl will receive a \$10 savings account each from the First Federal Savings and Loan Association.

## Rites held for F. C. Parker Sr. Monday, Mar. 27

Frank C. Parker Sr., age 76, died Saturday afternoon, March 25, in a Savannah hospital as the result of injuries received in an automobile accident near Tuskegee, Ala. two weeks ago.

Mr. Parker came to Statesboro in 1909 from Avera, Ga. and was a livestock dealer until 1936 when he and his son opened the F. C. Parker and Son Stockyard. He was active in the livestock business until several years ago when he sold out his interest. He was a Mason, a Shriner and an Elk.

Mr. Parker is survived by his wife, Mrs. Lizzie Allen Parker; one daughter, Mrs. Frances Brown, one son, F. C. Parker Jr., all of Statesboro, six grandchildren, three sisters, Mrs. Waters, Mrs. Marion Raters and Mrs. Edna Aenbacher, all of Savannah and several nephews and nieces.

Funeral services were held Monday afternoon, March 27, at 2:30 o'clock from the Chapel of Banner Funeral Home with the Rev. J. Robert Smith officiating. Burial was in the East Side Cemetery.

Active Palbearers were Nath Holleman, George Prather, W. L. (Billy) Oliff, Edgar Higin, Gene Curry, A. W. Stockdale, Oliff Akins and Marvin Peck. Honorary Palbearers will be J. Frank Oliff, S. Dew Groover, W. G. Cobb, B. B. Morris, Emil Akins, Hobson Wyatt, John Oliff, Barney Aweritt, Cliff Brad, Cliff Mikel, J. L. Renfro, Julian Groover, W. G. Neville, J. O. Johnston, Dr. Waldo E. ## Special Services planned at First Methodist

The Rev. C. E. Cariker, pastor of the Statesboro First Methodist Church, announced today that the congregation of the Church will climax the observance of Lent with special Holy Week services with Easter Sunday Worship.

This evening (March 30) at 7:30 the congregation will join in a service of Holy Communion. This service commemorates the Last Supper which Jesus observed with his disciples on the night before the crucifixion.

Tomorrow evening (March 31), beginning at 7 o'clock, the Statesboro Music Club will present the cantata, "The Seven Last Words of Christ" by Theodore Dubois. Members of the various church choirs will make up the special choir to be directed by Dele Josselyn with Dr. Jack Brouck at the organ.

One of the highlights of the season has been the "dime a day" folder which families have filled as a special Easter offering. These folders will be presented Easter Sunday as a special gift to Christ.

Twenty-three persons were received into the Church on Easter Sunday. These persons were: Herbert Powell Jr., Register 4-H; Dewayne Starling, Nevils 4-H; Steve Brannen, Matie Lively 4-H; Joseph Hood, Nevels 4-H; Reggie Anderson, Register 4-H; and Clifton Miller of SEBH 4-H.

The evening sermon will be "Good Wonders Surprises," 7:30 p.m. Special Easter music will be featured during both worship hours.

## '61 Georgia Youth Workshop planned

Announcement is made this week by Georgia Recreation Society President Cliff King of Douglas, that the Georgia Youth Workshop will be held in Statesboro at Georgia Southern College during the week of July 24.

Mr. King and Mary Roth, supervisor of Youth Programming and Director of the Youth Workshop, were in Statesboro on Saturday last week looking over the Statesboro Recreation Center and checking the facilities at Georgia Southern for the Workshop. With them were Bud Hanneman of Savannah, Harry Moseley of Moultrie, Toni Marcus of Tifton and representing the Statesboro youth was Jack Paul of Statesboro.

Mr. Lockwood stated that the "cream of Georgia's youth, from communities all over Georgia, will be present for the Sixteenth Annual Workshop, which is the oldest of its type in the nation and has been copied in many states."

Mr. N. W. Rowand, general manager of the Rockwell Statesboro Corporation here, said that the people who are working at the plant will participate in the "Open House" that day. Visitors will see them at their machines

### The Story of Easter

The last week in the life of Jesus Christ is remembered by Christians with special services and great solemnity, for it was a time of betrayal and suffering that led up to the resurrection of the Son of God.

Jesus arrived in Jerusalem on Sunday, cheered by hopeful throngs who showered His path with branches of palm trees. It was dangerous for Him to enter the city because of the high priests who feared and resented Him; but He believed it was His duty to preach there.

According to the Bible, Jesus spent the first few days teaching and visiting the Temple. Once again He threw out the money-changers and those who sold doves for sacrifice. Some of the time He prayed and meditated in Bethany, just outside the city.

On Thursday night He joined the twelve disciples for what was probably the first meal of the Jewish Passover. During the last Supper, He told His disciples that one of them would betray Him. Then He gave them bread and wine, saying, "This is My Body" and "This is My Blood." From this meal originated the sacrament of Communion, or Lord's Supper.

Jesus knew that His hour of suffering was near. He led the disciples to the Garden of Gethsemane, on the slope of the Mount of Olives. Late that night a band of armed men, with Judas Iscariot

among them, came to the garden. Judas kissed Jesus, identifying Him to the armed men, who took Him away to the high priest.

Charged with blasphemy for calling Himself the Son of God and King of the Jews, Jesus was taken early Friday to Pontius Pilate, the Roman governor, and then to Herod Antipas, ruler of Galilee. Herod mocked Jesus, dressed Him in a kingly robe, and sent Him back to Pilate.

Without the approval of Pilate, Jesus could not be executed. But Pilate hesitated to condemn Him. He brought Jesus and a condemned murderer named Barabbas before the people and told them to choose one to go free, as it was the custom to pardon one prisoner during Passover. The mob screamed for the release of Barabbas. Jesus was sentenced to death by crucifixion, a common Roman form of execution.

The crucifixion took place on a hill outside the city called Golgotha, or Calvary. After several hours, Jesus died and His body was taken to a new tomb.

On Sunday morning Mary Magdalene went to the tomb. The stone had been rolled away and the tomb was empty. But an angel told her that Jesus had risen.

Later Jesus appeared to Mary Magdalene and to Simon Peter. For the next 40 days He taught His eleven faithful disciples. Then He rose to heaven.

### For safety's sake

What is the best rule to keep out of traffic trouble? Adopt the Golden Rule as your personal rule of the road, suggests the State Patrol—that's real Defensive Driving!

No matter how good an attack a fighter might have, he wouldn't last long without a pretty good defense, too. Take it from the State's over-the-road truck drivers: You need a good defense to stay out of accidents, too!

Drive defensively especially during March when it is apt to be foggy and rainy. You may know what you and your car can do in fog and rain, but you cannot be sure about the driver of the other car. His windshield wiper may not work—his lights may be badly aimed—his tires may be slick—and he may have no brakes! You cannot tell the condition of a car as it approaches or as you approach it from the rear. Your only defense against accident with that car is to Drive Defensively all the time.

When days are sunny and bright, more kids will be out on the streets and highways on bikes and skates. Watch out for them! But when the weather is rainy or foggy, they could be out on the road and you might not even see them. Be sure to be on the lookout for them—and slow down and use your brake when you see them—and give them a break!

You may work in the safest office or plant—and you may observe every Safety rule and regulation for your protection against danger—but unless you use the same

precaution and care when you're on your way to and from work, you may lose a lot of time on account of an accident—and you may never go back to your job! Off-the-job accidents take a much greater toll of workers than accidents while they are on the job. Watch out for danger while at work—and be sure you exercise the same precaution out on the streets and highways!

### A safety jingle

#### Ten Little Motorists

A safety jingle going around:

Ten Little Motorists, driving in a line, one tried to pass the rest, then there were nine. Nine Little Motorists, sadly I relate, one jumped a traffic light, then there were eight. Eight Little Motorists, young and not so deft, one tried to show his skill and seven were left. Seven Little Motorists, touring in the sticks, one failed to dim his lights, and then there were six. Six Little Motorists, very much alive, one did not see a train, then there were five.

Five Little Motorists, speeding to the shore, one skidded in the rain, then there were four. Four Little Motorists, coming from a tea, one faced about to chat, then there were three. Three Little Motorists, this is sad but true, one slumbered from fatigue, then there were two. Two Little Motorists, racing just for fun, one passed upon the crest, then there was but one. One Little Motorist, though it's seldom done, lit a match to gauge his tank, now there are none!

## HOPE ETERNAL

### This Week's Meditation

By Rev. Lawrence E. Houston Jr.

TWO HAPPENINGS in our household demand attention this week. The first deals with the renewed thrill of flying a kite. Just last week, while visiting on North College Street, I spied a kite which I judged to be some five or six hundred feet in the air. This is nothing new in kite flying, except that it was a box kite. I confess that I have never been able to get one of those contraptions in the air.

However, I have enjoyed a great deal more success with the other kind of high-flyers. Upon sharing this secret with my two daughters, I was besieged with requests to buy, rig up, and fly a kite for them.

LAST WEEK, I could put it off no longer, so I gave in and put together a kite. With some hesitation, I took the kite, along with mother and daughters, out to the church grounds. I frankly ordered if I could get it up. I worried about the length of the scrap-sheet tail I had arranged. But, worry was needless, for a great gust of wind took the kite out of my hand and carried it the length of the three hundred feet of string. What a surprise!

The sensation of my boyhood days returned as I stood there marvelling at the floating kite. There was the gentle pressure and pull of the wind against the paper. It reminded me of a story I read once which aptly illustrates the certainty of faith in the Christian life.

A LITTLE LAD was flying his kite one day. It was so high that it could not be seen with the human eye. An elderly gentleman came up, watched the boy for a few minutes, and finally asked: "Son, how do you know the kite is still up there?" The simple answer was: "Because I can still feel its tug on the string."

How many people doubt the validity of the Christian religion today because they cannot see all they want to see. They forget, as we are so prone to do,

that faith is not something which can be measured in a science test tube. It is reality in the spiritual world. When a person's heart is open toward God, there is no question about the reality of God and Christ. By faith we feel the tug of the Spirit upon our lives.

THE SECOND incident which demands attention centers around the concern of our older daughter for penguins. With a great deal of distress, she expressed to me her feeling of great injustice and unfairness which she felt toward a peculiar habit of these little animals. It seems that when a group of penguins are uncertain about the depth of the water about them, they will push one in, and if he lives they know it is safe. If he drowns, they are aware of the danger. It seems to be nature's way of protecting the group. One can be sacrificed for the good and welfare of the group.

Caliph, the high priest in Jerusalem at the time Jesus Christ was crucified, adopted this attitude when he said: "It is expedient that one man should die for the people." To be sure, he was unaware that he would make that phrase famous forever. He was ignorant of its far-reaching effect.

PERHAPS, it was in the councils of heaven that God realized the necessity of sending His Son to take upon himself the sins of the world in order that the peoples of the world might be saved from the power of sin. In so doing, God struck the deathblow to sin's power over mankind. And the crowning achievement of Good Friday is seen in all of its glory and power in the resurrection morn of Easter Day.

"He died that we might be forgiven. He died to make us good. That we might go at last to heaven. Saved by His precious blood."

Notes about alcoholism and other things.

FROM EVERY WALK of life people comment on sobriety in AA.

A department store executive: "The biggest job for me was getting alcohol out of the beverage department of the mind and into the poison division."

A housewife: "Come to the meetings, read the literature, and let it simmer on the back of the stove."

A chemist: "AA is a protective coating of the mind instantly soluble in alcohol."

A bartender: "It doesn't tempt me. I've cultivated the habit of seeing the misery for me in every glass."

## the editor's uneasy chair

BY NOW EVERY newspaper columnist and editorial writer in the country has had his say about President Kennedy and his high-tack wooden rocking chair.

Last week there was a picture in all the daily newspapers of the President sitting in his rocking chair talking to VP Lyndon Johnson during working hours. Grandpa Rushing would not have approved. For we remember from our childhood days spent at Grandpa's place three miles south of Statesboro that he figured as how a rocking chair was not for working people, but for lazy people and when you set in a rocking chair you were too old to work—he always used a high-back straight chair with a cow hide bottom and rungs spaced just right for catching the heels of his work shoes. In that was Grandpa's kind of a chair—kept his back straight and strong it did.

BLESS HER Heart. It had to be a woman to tell us men folk why our wives married us. We were always a little fearful to

probe too deeply on the question but now it comes out. According to Celestine Sibley, our favorite columnist, who got her information second-hand, our wives married us because who else would tell them when their petticoats are showing.

THERE WAS a lot of riding around town Sunday as home-folk were out touring Statesboro to bask in the glory of Spring. There was beauty and loveliness in nearly every yard and home flower garden. The azaleas were at their very peak of color. Hardly a home in the city was without a few of the brilliant plants. The dogwood in all of its white glory stood whiter than one ever remembers. The wisteria was beginning to lose its beauty as the azaleas began coming into their full bloom. The spirea seemed whiter, the common white iris seemed taller, and the mocking birds are now singing louder and longer and with what seems to be more joy than ever before. Are we getting younger? or are we looking and listening with more care or are

## it seems to me...

A HUNDRED MILLION dollars is a lot of money. It is a lot of money for a state to spend over a period of several years in the repair and maintenance of its roads and highways. The spending of it is a very real responsibility and should come after careful planning and consultation among professional people who have some understanding of the problems involved.

The Georgia General Assembly in its recent session signed the name of the people of Georgia on a bank note to raise the hundred million dollars to spend on road repair. The money has been raised. Now it is being spent.

The immediate questions which present themselves inside: Who is going to spend this money where it is going to be spent, who is it going to be paid to, and just what kind of repairs are we talking about? The people of Georgia have the right to know the answers to these questions. All of the people of Georgia are going to be paid for it. It is going to be considered, much less given the job of deciding where this money is to be spent.

Never before in the history of Georgia politics has any administration had this much money to spend on an election and never before in Georgia politics has any administration been so brazen as to openly tell the people of Georgia just who they had better vote for in the next Governor's race, or else.

## Thru the P's of Virginia Russell

ONE MIGHT imagine that the Sunday morning, which we think of as being the first Easter, must have been a beautiful morning when Christ arose from the dead because spring

testifies to His resurrection. It is easy to imagine the women going to the tomb in the early dawn hours.

This quietness is the type that usually excludes human sounds but takes in animal and bird sounds.

WHERE THE women were on their way to the tomb, when the earthquake came about we aren't told, but Matthew says: "Now after the sabbath, toward the dawn of the first day of the week, Mary Magdalene and the other Mary went to see the sepulchre. And behold, there was a great earthquake; for an angel of the Lord descended from heaven and came and rolled back the stone, and sat upon it. His appearance was like lightning and his raiment as snow. And for fear of him the guards trembled and became like dead men. But the angel said to them, 'Do not be afraid; I know that you seek Jesus who was crucified. He is not here; for he has risen, as he said. Come, see the place where he lay. Then go quickly and tell his disciples that he has risen from the dead, and behold, he is going before you to Galilee; there you will see him. Lo, I have told you.' So they departed quickly from the tomb with fear and great joy and ran to tell the disciples. And behold, Jesus met them and said, 'Hail!' And they came and took hold of his feet and worshipped him. Then Jesus said to them, 'Do not be afraid; I have told you. Go and tell my brethren to go to Galilee, and there they will see me.'"

THE EARTHQUAKE that Easter morning was not the same as the one when Christ hung on the cross. It was an earthquake to open the tombs, to open men's eyes so that they could see God and what He wants of men.

The first Easter morning that revealed to us the plan God had for men, happened over nineteen hundred years ago. Men were given light and yet we continue to live in darkness.

ON THIS Easter morning, 1961, we have the opportunity to look with bright spiritual eyes at what God has given man if we will but open our eyes.

we seeing our hometown with new interest!

STATE SENATOR Carl E. Sanders of Augusta who married Betty Bird Foy, daughter of Mrs. J. P. Foy and the late Mr. Foy of Statesboro, is finding himself in a pretty political pickle. For a man named CARL E. SANDERS of Atlanta has announced that he is a candidate for the office Lieutenant-Governor of Georgia, the position for which CARL E. SANDERS of Augusta has been sort of running for a long time. CARL E. SANDERS of Augusta allows as how he might just up and run for GOVERNOR OF GEORGIA just to keep the good voters of the state from becoming confused. He declares he is ready, willing and able to run for the governorship if "that is what it takes" to allow the voters a free choice when with Marvin Griffin and Garland Byrd already allowing as how the people choose between the two of them.

# Alpha Omega Chapter of BSP honors rushees

The Ellis Tea House was the scene of a lovely tea Sunday afternoon, as the members of the Alpha Omega chapter of Beta Sigma Phi honored the Rushees.

Both sororities called between the hours of 4 and 6 p.m. Beauty and dignity in dress and entertainment marked the traditional Preferential reception of new members into the chapter. The rushees wore corsages of yellow roses. The tea table was overlaid with an exquisite hand made cover, applied with the Beta Sigma Phi emblem, and centered with an arrangement of yellow roses.

Helen Brunson met the guests and Mary Jane Powell presided at the silver service.

Rushees in the line were Margie Kennedy, Joan Oliver, Kay Willis, Betty Rockett, and Dorothy Henry.

# Visitors expected to attend Cromley Anniversary

Mr. and Mrs. W. C. Cromley are anticipating a happy reunion of friends and relatives on Sunday, April 2, when they will celebrate their golden wedding anniversary at their home.

Among those who will share the joys of the happy occasion will be their three children and their families. Mrs. David Jeffords (Mary Cromley) lives with her husband and children in Sylvester, Georgia, where she is a member of the Sylvester High School faculty.

Mrs. Ernie Jenkins (Dorothy Cromley) lives with her husband and children in Savannah where she is principal of the Elementary Country Day School.

William C. Cromley Jr., lives with his wife and children on the large Cromley farm near Brooklet. He has been rated an outstanding farmer in Bulloch County.

The Cromleys invite all friends and relatives to call between three and five o'clock Easter Sunday afternoon.

# Evergreen Garden Club installs new officers

The Evergreen Garden Club held their regular monthly meeting March 23 at the social hall of the First Baptist Church.

Mrs. William J. Neville presided at the business meeting. It was announced that camellias arranged on trays, were taken to patients at the Bulloch County Hospital. The lovely blooms were graciously given by Mr. Fred Smith.

The officers for the new club year installed by Mrs. Tom (Jean) Smith were: president, Mrs. William J. Neville; vice president, Mrs. J. P. Folger; recording secretary, Mrs. Foy O. Liff; corresponding secretary, Mrs. Edwin Cook and treasurer, Mrs. J. S. Anderson.

Mrs. Carroll Harrington, flower show chairman, reviewed the schedule for the Flower Placement Show scheduled for May 3.

After the business session, the members participated in a Flower arranging workshop.

Mrs. Ed Eckles was welcomed by the club as a new member.

Others attending were: Eddie Rushing, Mrs. Dight O. Liff, Mrs. H. E. Bray, Mrs. Wallis Cobb Jr., and Mrs. Ed Cone.

# Willette Woodcock feted at lovely luncheon

On Friday, March 24, the first in a series of weekend parties honoring Miss Willette Woodcock, bride-elect of early June, was a lovely four course luncheon in the banquet room of Mrs. Bryson's Kitchen. Hostesses at the luncheon were Miss Woodcock's aunts, Mrs. Horace Smith and Mrs. George Prather of Statesboro, Mrs. John Woodcock of Gainesville, Georgia and Mrs. Harry McElveen of Sylvania.

The T-shaped table was beautifully decorated with pink gladioli and vivid pink carnations. A lovely corsage of white pom poms marked the honoree's place.

Willette was lovely in a navy blue polka dot dress with navy accessories. Her gift from the hostesses was a charming pink chiffon sleep cap trimmed with delicate pink roses.

Luncheon guests were Miss Woodcock, her mother, Mrs. Wilbur Woodcock, Mrs. Bernard McDougall, Mrs. Leslie Witte, Mrs. Jack Smith, Mrs. Robert Smith, Mrs. Inman Brannen, Mrs. Percy Averitt, Mrs. H. L. Brannen, Mrs. Harry Sack, Mrs. Aubert Brannen Sr., Mrs. Percy Blitch, Mrs. Inman Dekle, Mrs. W. H. Ansley, mother of the groom-elect of Alma, Georgia, Miss Anne Kennedy, Mrs. J. J. Kennedy of Midville.

# Afternoon party honors bride-elect of June

Mrs. Inman Dekle, Mrs. Jimmy Blitch and Mrs. Joe P. Johnston were hostesses at afternoon bridge Saturday at Mrs. Dekle's home, a lovely compliment to Miss Willette Woodcock, who was down from Atlanta for the weekend. Camellias and azaleas in lovely arrangements and purple and white iris combined with lovely decorations in the home.

The hostesses served frozen fruit salad, crackers, cheese straws, hot ham rolls and coffee.

Mrs. J. C. Hines, with high score, received a pair of white gloves; Mrs. H. L. Brannen, with high score, received a pair of pearl earrings. A pink summer necklace for cut prize, went to Mrs. Gordon Franklin.

The hostesses' gift to Willette was a hand made bridge cover in colors matching her casual china. Willette was attractively attired in a royal blue sheath and straw hat, enhanced with blue garden flowers.

Other guests were Mrs. Glenn Jennings, Mrs. Percy Averitt, Mrs. Ann Evans Johnston, Mrs. Lemuel Nevil, Mrs. Tommy Powell, Mrs. DeVane Watson, Mrs. Aubert Brannen Sr., and Miss Jane Brannen.

# Dr. Ronald Neil speaks at AAUW meeting

The Statesboro Branch of the American Association of University Women held its March 21, meeting in the Faculty Lounge of the Frank I. Williams Center.

Miss Bertha Freeman, the president, presided.

Prominent on the afternoon's program, arranged by Miss Marie Woods, was an address given by Dr. Ronald Neil, of the Georgia Southern College Faculty. Dr. Neil based his talk on the book, "The New Nations of West Africa."

His talk was delightful and informative. He illustrated his lecture by showing a map of the principal natural divisions of the continent. He gave a brief history of Africa and pointed out the facts as Leopold II stated, "Africa has existed to be exploited said Dr. Neil, 'for it has known an almost continuous series of invasions by Europeans since the fifteenth century.' He stated that although Africa has grown rapidly from four to twenty-two independent countries, the trouble in Africa today is not so much a matter of revolt against colonial overlords as it is the rivalry that springs up between tribes as they gain their independence.

Dr. Neil described the difference in the colonial policies of Belgium, who give "No vote, but shirts and shoes," Britons "who expect no profit, but will tolerate no loss," and France, whose policy is somewhat a contradictory one.

The speaker stressed the fact that a country for years carved up among great powers would naturally suffer from growing pains when there is not enough time to grow."

During the business session, Miss Freeman reported that the Statesboro Branch was over the top on the building fund.

The following members were appointed on the nominating committee to select a slate of officers for 1961-62: Miss Virginia Parker, Mrs. Helen Collins and Miss Viola Perry.

# Mrs. Mitchell hosts to Contract Club

Mrs. Lawson Mitchell was hostess to the Contract Bridge Club Tuesday morning of last week at her home on North Main Street.

House plants effectively decorated her living room. Apple turnovers were served with coffee. Mrs. John Wilson won a both nut set for high score. Mrs. C. L. Howard's prize for second high was a towel set. Mrs. Rex Hodges received an electric brew master for cut.

Others playing were Mrs. F. B. Martindale, Mrs. Gerard Swarthout, Mrs. Ivey Spivey, Mrs. George Stopp, and Mrs. DeWitt Thackston.

# Edgewood Acres Community Club plans card party

# Woman's Club gives \$25 to beauty project

At the March meeting of the Statesboro Senior Woman's Club the members approved a resolution recommending a gift of \$25 to the U. S. Highway 80 beautification project.

Mrs. C. P. Olliff Sr., chairman of the membership committee, presented Mrs. E. L. Barus, former president of the Statesboro club and a past-president of the Georgia Federation of Women's Club, who addressed the members on "Come Now Let Us Reason Together." Her talk was based on the program theme which was "Togetherness—Federation Reasoning."

Mrs. Barnes, in her talk of things the Women's Clubs are doing over the state of Georgia. The Home Department was in charge of the refreshments. Mrs. Frank Rushing and Mrs. Lillian Brannen presided at the beautiful table from which they served Russian tea.

Mrs. J. A. Brannen Jr. furnished music during the social. Mrs. Edna Hoefel, club president, reminded the members of the district meeting in Swainsboro today (March 30) and urged all who could to attend.

## Statesboro addresses kept popping up at GEA

Delegates from Statesboro may have set a political record during the four-day convention of the Georgia Education Association in Atlanta last week by capturing the presidencies of five Georgia Education Association departments or affiliates.

The fact that Statesboro teachers had made such a big sweep gradually became evident as newly elected presidents were introduced at a breakfast in Atlanta Saturday morning. Delegates laughed as the Statesboro home address cropped up again and again, and finally they were pleased.

Statesboro teachers who were elected to the head position of five GEA departments are:

Don Coleman, principal of the Sallie Zetterower Elementary School, was elected president of the Department of Elementary School Principals; James Sharpe, principal of the Statesboro High School, was elected president of the Department of High School Principals; Dr. Ralph Tyson, dean of students at Georgia Southern College, was elected president of the Department of

Higher Education; Miss Elizabeth Sorrier, librarian of the Statesboro High School, was elected president of the Children's and Young People's Library Section; Miss Carol Jean Collins, a student at Georgia Southern College, was elected president of the Future Teachers of America-Student GEA.

Mr. Carl V. Hodges of Fitzgerald became the 1961 president of the GEA and Mrs. Hazel Lewis of Columbus became president-elect, which means that she will be the president in 1962.

George Durrence of Evans County was elected to serve as First District director of the Georgia GEA.

Dr. Purcell to speak at SHS PTA April 4

Dr. Claude Purcell, State School Superintendent, will address a joint meeting of the Statesboro High School P.T.A. and the Sallie Zetterower P.T.A. here Tuesday evening, April 4.

Dr. Purcell, for more than nineteen years with the State Department of Education, will discuss some of the serious problems facing the people of Georgia in the field of education.

J. Brantley Johnson, president of the High School P.T.A., and J. Shields Kenan, president of the Zetterower P.T.A., have sent out requests to all parents in the area urging them to attend this meeting which will be held in the High School auditorium beginning at eight o'clock in the evening.

Dr. Purcell, a native Georgian, was assistant superintendent of schools in Georgia until his elevation to the office of superintendent last year. He is a graduate of Piedmont College and the University of Georgia, has done graduate work at Peabody and Columbia and holds several honorary degrees. He has been a teacher in a one-room rural school, a school principal, county school superintendent, and a college professor.

He is Georgia's Director in the National Education Association. Dr. Purcell has played an important part in the beginnings of Georgia's multimillion dollar school building program which has resulted in modern, attractive school buildings throughout the state.

Bonnie Dekle, daughter of Mr. and Mrs. Lehman Dekle of Register, made the Dean's List for the winter quarter at Georgia State College for Women at Milledgeville, according to Dr. Donald H. MacHahan, dean of instruction at the Woman's college.

Always remove oily stains before washing resin-finished fabrics, advises Miss Leonora Anderson, head, Extension clothing department.

## Senior Woman's Club gives to beauty project

The Statesboro Senior Woman's Club, serving as a steering committee in beautifying the four-lane thoroughfare on U. S. Highway 80, brought Mr. Robert Bennett, Construction Engineer, State Highway Board, Atlanta, Georgia to Statesboro for a meeting this week to discuss progress made on the beautification project. The meeting was held with Mr. C. D. Collins, resident engineer, State Highway Department, in his office in the City Hall here.

A plat drawn to scale, was studied and discussed by these two highway men, assisted by Mrs. Marcus Toole, Local Landscape Architect. It was suggested that Junipers, Yuccas, Dogwood, Red crape, Myrtle, Flowering Quince, Flowering Cherry, and pink Sasanqua be planted in the area between the two lanes now, and later larger trees and shrubs would be planted in the background on outer edges of the right-of-way.

Two assigned highway men will be on full time duty, to assist with the correct placement of each plant, tree or shrub, during the time of planting.

Mr. Bennett stated that he was well pleased with the beautification plans, which would be very helpful to the Highway Board in helping to eliminate the traffic snarl on the highway. Mrs. James Collins, treasurer, reported that Tuesday evening, April 4, has been set as "Past Master's Night" and that all past Masters are invited to attend.

Presentation of fifteen Twenty-five Year Buttons will be made to twenty-five year members.

Supper will be served at 7:30 o'clock.

The plants arrive. Orders have been placed for most of the plants. Reports will be made as the work progresses.

It's about that time—auto tag time, that is

Approximately 1,000 automobiles are being driven around in Bulloch County without 1961 license tags and the deadline for purchasing tags without a penalty is Saturday of this week.

Tax Commissioner Windfield Lee expects that there will be a lot of car tags bought by Saturday, but he also knows that there will be many—unless they get on the ball—who will have to pay a 20 percent penalty and a \$1 executive fee for waiting too late to buy their 1961 tags.

The pre-printed tag application forms, which make securing auto tags this year faster, will be destroyed after April 1 and vehicle owners will have to fill out their forms.

Members of the Bulloch Livestock Committee are W. C. Hodges, chairman; Ray Williams, J. H. Wyatt, R. L. Roberts, J. L. Dekle and M. P. Martin Jr.

Randall Grooms was the judge and P. D. Leonard was the auctioneer for the sale following the shows.

## BUILDING A BETTER BULLOCH COUNTY

### The Land . . . . .

#### —OUR LAND—

LAND is the most important and useful of all our natural resources. No other gift of nature is so essential to our personal welfare and to our country's progress and prosperity.

The land here in our county—Bulloch—is part of a vast operation carried on by a group of dedicated people, loving the land and participating in the business of supplying part of the food we eat, part of the things from which are made the clothes we wear, and growing the trees for materials with which we build our houses.

The most important producers of wealth in our county are our farmers.

In 1959 Bulloch County farmers sold \$12,700,000 worth of farm and forest products. This included \$3,500,000 worth of tobacco, \$1,400,000 worth of peanuts, \$2,000,000 worth of cotton, \$1,000,000 worth of corn and \$700,000 worth of miscellaneous farm products. They sold \$2,600,000 worth of livestock and \$1,500,000 worth of forest products.

This \$12,700,000 was brand new money—wealth, created by hard work from the LAND in Bulloch County.

Business created between the Bulloch County farmer and the consumer in the handling, processing and distribution of farm products of Bulloch County exceeds \$30,000,000 annually.

Bulloch County farmers have \$27,500,000 invested in land and buildings.

Despite the price squeeze which is forever harrassing our farmers, their love for the land and their devotion to the county in which they and their families live is the foundation of Bulloch County's greatness.

#### TO MAKE BULLOCH COUNTY GREATER

IN BULLOCH COUNTY there is now a group of farmers who are organized under the name of The Bulloch County Resource Development Board. Made up of farm leaders the Board has been studying the problems which beset them and how they can be solved. Recommendations have been made on how to improve their position in all phases of agriculture as carried on by farmers in Bulloch County. These include livestock production; corn production and pasture development, tobacco cultivation, harvesting and marketing; forestry as a growing phase of farming; horticulture; peanut production, harvesting and marketing; cotton production, harvesting and marketing.

These farm leaders, including the women, are not neglecting their most important asset, their young people. There is concern over the ever growing migration of farm youth to the large cities over the state and nation.

They are not forgetting the problem of what to do with their leisure time, which even farmers and their families can and do have.

TO MAKE BULLOCH COUNTY GREATER, every citizen in our community must develop an understanding of the problems which are peculiar to our farmers. Our community leaders must continue to work with our farm leaders in carrying out the objective set up by the recommendations which are coming out of their intensive study of the farm problems of Bulloch County.

We must never forget that the greatness of Bulloch County has its very foundation in the LAND and that our farmers and their families are the stewards of our LAND and in their hands and hearts and energies lie the formula for Bulloch County becoming a greater county.

First of a series of "Building a Better Bulloch County." Others will follow in THE BULLOCH HERALD. One Quarter Century Service to Bulloch County

#### Selective Service tests set for GSC

The annual Selective Service College Qualification Test will be offered to college students April 27 at approximately 500 colleges throughout the Nation. The score made on the test is a help to local boards in considering students for deferment from induction for study as undergraduate or graduate students.

Col. Mike Hendrix, State Director of Selective Service for Georgia, announced that the test in Georgia will be conducted at the following schools, including Georgia Southern College, here.

Albany, Albany State College; Athens, University of Georgia; Atlanta, Clark College; Atlanta, Georgia Institute of Technology; Macon, Mercer University; Mount Berry, Berry College and Statesboro, Georgia Southern College.

Col. Hendrix urged students to take the test.

"The test is for the student's benefit as well as for the Nation's good," Col. Hendrix said. "A local board should have full information about a student in order to classify him, including his class standing and a score on this test. A high test score may compensate for low class standing; and high class standing may compensate for a low test score."

"The purpose of student deferments is to give promising students an opportunity to continue to prepare themselves for careers in support of the national interest."

"The undergraduate student who does not plan on graduate study may change his plans as he nears graduation," Col. Hendrix added. "That is the time that a deferment may be most important. That is also the time when a test score may be important in the local board's decision concerning deferment."

## BUILDING A BETTER BULLOCH COUNTY

**Novelty Club entertained by Mrs. W. T. Coleman**

On Wednesday afternoon Mrs. W. T. Coleman entertained the Novelty Club at her home on Vista Circle.

Varicolored spring flowers decorated the living room. The hostess served dainty assorted sandwiches, pound cake and coffee.

Many challenging and interesting games were played. Those winning prizes were Mrs. Henry Lanier who received earrings in a flower contest; Mrs. O. M. Lanier won a bath towel; Mrs. H. M. Cuts' prize was a towel and Mrs. Wilbur Cason won an attractive flower container. Mrs. George Lee won the door prize which was a potted azalea.

Others present were Mrs. C. P. Claxton, Mrs. Ellis Y. DeLoach, Mrs. Sula Freeman, and Mrs. C. P. Claxton.

**Mrs. L. E. Tyson**  
hostess to the  
**Mystery Club**

Mrs. L. E. Tyson was hostess Thursday morning to the Mystery Club. Throughout the home Mrs. Tyson showed her consummate skill and originality in her arrangements of camellias and pink gladioli in French blue containers.

Chicken salad, pineapple and cherry sandwiches, cream cheese and nut sandwiches and coffee were served.

Mrs. W. E. Cobb, scoring high in the club, received a tile plaque and cheese knife, as did Mrs. C. B. Mathews for low. Mrs. A. M. Braswell Sr. was given barbecue bamboo sticks for low and Mrs. Gordon May's prize for cut was a gourmet spoon tray.

Others playing were Mrs. J. O. Johnston, Mrs. Clyde Mitchell, Mrs. R. J. Holland Sr., Mrs. Cecil Brannen, Mrs. Fred Smith, Mrs. Harry Smith, Mrs. J. B. Averitt and Mrs. E. L. Barnes.

**Mr. Mrs. Garden Club hears Ray Williams speak**

On Wednesday night March 22, the Mr. and Mrs. Garden Club met with Mr. and Mrs. William Dewberry at their home on Vista Circle.

After a brief business discussion, Mr. Raiford Williams gave a most interesting talk on "Lawn," a topic assigned to him. Mr. Williams is an authority on the planning and cultivation of lawns. He showed slides which were made in Statesboro of the lovely lawns, that illustrated many points he brought out in his discussion.

Cake and coffee were served by the hostess.

Those attending were Mr. and Mrs. Raiford Williams, Dr. and Mrs. Hunter Robertson, Dr. and Mrs. Fielding Russell, Dr. and Mrs. Bob Swint, Mr. and Mrs. Shields Kenan, Mr. and Mrs. Tom Browne and Mrs. Max Lockwood.

**Little Roy Akins**  
celebrates his  
sixth birthday

Mrs. Bucky Akins went all outdoors Thursday, March 23, as she honored her son, Roy, on his sixth birthday with a cookout at their home on Jefferson Road.

Hot dogs and hamburgers on the grille wafted tantalizing odors over the neighborhood.

**Winslow Bridge Club meets with Mrs. Francis Allen**

Mrs. Francis Allen was hostess Wednesday evening to the Winslow bridge club at her home on Nottingham Trail.

Spring flowers were used in the decorations. The guests were served lemon chess pie, coffee and nuts. Coke and mints were served at progression.

Mrs. Jerry Howard with top score was awarded a necklace and matching ear buds. A miniature picture frame went to Mrs. Inman Hodges for low. Mrs. Hal Waters won a desk pen set for cut, and a decorative bottle opener went to Mrs. Charles Hendrix for floating.

Others playing were Mrs. Belton Braswell, Mrs. Bucky Akins, Mrs. Ben Gray, Mrs. Ed Scott, Mrs. Isaac Buncie, Mrs. Weldon Dupree, Mrs. Hal Macon Jr., and Mrs. Carroll Herrington.

Mrs. Van Strickland assisted Mrs. Allen in serving.

**Civic Garden Club meets Thursday at First Federal**

The Civic Garden Club met Thursday, March 9, at 10 a.m. in the Civic Room of First Federal Savings and Loan Association.

The hostesses, Mrs. Alsbett Brannen Sr., Mrs. Jim Brannen and Mrs. L. M. Durden, served light party refreshments.

"What to do while waiting on Mother Nature" was the theme used, by Mrs. J. O. Johnston and Mrs. E. L. Barnes, in presenting the program.

An informative and humorous skit (a telephone conversation) on "The Care of Baby Birds" was enjoyed by the group.

Mrs. Barnes then gave an article on "Conservation and Wild Life" with suggestions on the "Protection of Birds," using the Bible reference Deut. 22:6.

Another interesting phase of the program was the arrangement which consisted of dried materials, a few sprigs of holly, and a colorful bird. All of the group participated in this by selecting individual pieces of material, and placing them in a wooden container.

This "Do It Yourself" arrangement turned out beautifully.

Mrs. Johnston carried a beautiful formal arrangement of mixed spring flowers, consisting of violets, Judge Barrett and Duchess of Sutherland Camellias, Forsythia, Flowering Almond, purple iris, white flowering peach, Narcissus and Pres. Clay Azaleas. A "Spring Garden" arranged in a milk glass, 3 1/2 quart vase with 2 white birds as accessories.

The Attractive Japanese arrangement carried by Mrs. Barnes consisted of sprays of Barbary and Jasmine, with four small birds perched on the limbs and was in a black metal Japanese type container.

Members besides those already mentioned, attending were: Mrs. Al Sutherland, Mrs. C. P. Olliff Sr., Mrs. H. P. Jones Sr., Mrs. R. L. Winburn, Mrs. George Johnston, Mrs. J. P. Collins, Mrs. Percy Mitchell and Mrs. Clyde Blund.

## To Beat the Band

By DALE JENSEN

Monday's Atlanta Constitution brought a fine editorial by Eugene Patterson, about the performance of the All-State music groups at the GEA convention in Atlanta last week. We were quite pleased that he went, and enjoyed the concert so much, and were proud that four of our fine young musicians from Statesboro were there. The theme of the concert, and also of the editorial, was Music, the Universal Language.

It is that, you know. No matter from what country a person comes, no matter his language or dialect, music says the same things to him as to every one else. He can express any feeling, anger, peace, joy, sorrow, whatever he wishes, through music. We are always thrilled to see how groups like the All-State band chorus, and orchestra can come together for the first time, and perform music from little dots on a printed page, and make the glorious melodies and harmonies, and exciting rhythms that were intended by the composer. Music, the Universal Language.

We kept thinking about that. The Universal Language. That means everybody. And we thought about how, between the high school band and chorus, which are the only music activities in the county under professional supervision, there are only about 150 students, out of about 3600 white students in the county schools. About one out of twenty-four of our school children are in a music class. The other 94 per cent have no regular music program, other than what their elementary grade teacher may be able to do.

For over-all high, Mrs. Jack Tillman received a pair of pastel pillow cases; Mrs. Charles Robins Jr. won low and Mrs. Jimmy Morris, cut. Their prizes were also pillow cases. Mrs. Thomas Nasworthy won a chocolate Easter bunny for floating prize.

Others playing were Mrs. George Byrd, Mrs. Bill Harper, Mrs. Bill Olliff, Mrs. Don McDougald, Mrs. Fred Hodges Jr., Mrs. Eddie Rushing, Mrs. Ben Turner, and Mrs. Chester Hanberry.

Mrs. Glenn Jennings, Mrs. George Johnston, Mrs. J. P. Collins, Mrs. Percy Mitchell and Mrs. Clyde Blund.

## Tuition Increase Announced For Fall Quarter, '61

The matriculation fee at GSC will be raised from \$45 to \$60 and will go into effect next fall quarter, according to W. M. Dewberry, comptroller.

Dewberry said this increase in fees, which was ordered by the board of regents, will affect all students at Georgia Southern. As a result of this raise, present student expenses at GSC will be increased fifteen dollars per quarter.

Varying amounts of increase have been ordered for all Georgia state-supported colleges and universities.

Board of Regents Chairman Robert O. Arnold stated that this action has been approved in order to provide funds for the increasing operational expenses of the university. An increase in faculty salaries was particularly mentioned.

**BULLOCH HERALD**  
New peanut support will boost income

Georgia Farm Bureau officials in releasing a statement on USDA's announced peanut support price for 1961 declared the new support levels would boost peanut grower income by over \$8,000,000 annually in Georgia.

Gross sales last year totaled approximately \$54 million. Georgia is the nation's largest peanut producing state and in 1960 it produced 563,500,000 lbs. based on October 1960 Georgia Crop Reporting estimates.

Harry L. Brown, Georgia Farm Bureau president, declared "I commend the Secretary for this action — it will mean an added boost to Georgia peanuts of approximately \$8 million."

GEFB President Brown earlier had named a Farm Bureau delegation to confer with Secretary of Agriculture Freeman on peanut problems. The GFB delegation was headed by

Walter Usher, Georgia Farm Bureau vice president, and included J. R. Anderson, Georgia Farm Bureau secretary, and J. R. Anderson, Georgia Farm Bureau secretary.

**SOYBEANS THRIVE ON FERTILE SOILS**  
By ROY POWELL  
County Agent

Lime and fertilizer for soybeans  
Soybeans are like most crops in that they grow best on fertile soils.

Most of our soils in Bulloch County have to be limed and fertilized if we are going to step up our yields of soybeans. And we can step up our yields.

Legation — Bobby Luck, Chairman of GFBF peanut committee, of Terrell County, and W. J. McKemie, Jr., member of Farm Bureau peanut committee and Vice President of the State Farm Bureau — were in a jubilant mood upon their return to Georgia following the initial conference.

Such action has been a long-time objective of the Georgia Farm Bureau, and the Federation of working for the improvement of years to obtain an improved position for Georgia peanuts growers. The Georgia federation also had opposed the \$9.00 per ton "deduct" for a number of years, and had carried their protest to Washington. The USDA action removes the deduction.

The increase totals \$29 per ton in average price support over last year with elimination of the deduction," he said. Last year's average announced support price was \$201 with \$9.00 per ton deducted from the grade support. The 1961 minimum support reflects 85% of parity, \$221 per ton with elimination of the \$9 per ton deduction. The net increase over last year will be an average of \$29 per ton to growers.

way to find out your lime needs is to have your soil tested. If this is not possible, a general rule is to apply a ton of lime per acre.

## Stilson Young Farmers visit

**Dixie Nitrogen**  
Members of the Stilson Young Farmers were guests of the Dixie Nitrogen Co., when the group made a tour of the plant in Savannah on March 21.

Upon arriving at the plant the group was taken in the main office building where they were given information on the size of the plant, how it operates, products manufactured by each individual plant within the main plant, and also the economies of the plant pertaining to the cost of operation and the developments to be carried out in the future. The discussion pointed out the process by which air, water, and natural gas is combined to form what we know as anhydrous ammonia, ammonium nitrate, and the 20.5% nitrogen fertilizer.

Following the tour of the plant the group returned to the main building for a short question and answer period.

The tour was arranged by Mr. John W. Davis who is the local distributor for the Dixie Nitrogen Co., which is locally known as Millhaven Sales Corp.

## Field borders becoming important soil practice

By E. T. "RED" MULLIS  
Soil Conservation Service

Cooperators of the Ogeechee River Soil Conservation District are fast coming to a practice that, to me, is as important as parallel terraces. This practice is field borders. Field borders, boiled down to their basic meaning, are strips of perennial vegetation—either grasses or legumes, or both—bordering a cultivated field next to woods or fences.

## Safe drivers to get new insurance rate

A "safe driver" insurance plan, under which motorists will pay automobile insurance rates based on their driving records, was approved for Georgia by Insurance Commissioner Zack Cravey on March 10.

The plan is being offered by the National Bureau of Casualty Underwriters and the National Automobile Underwriters Association on behalf of their more than 400 member and subscriber companies writing automobile insurance in the state.

The Insurance Information Institute reported that Georgia is the 34th state to adopt the plan as proposed by these two national rating organizations.

Insurance Commissioner Zack D. Cravey said that the State has estimated that approximately 82 per cent of Georgia's drivers would be eligible for the 15 per cent "safe driver" discount.

Under the "safe driver" plan, the premium for a private passenger car would depend on the three-year driving record of those who drive the car, said the Insurance Information Institute.

The policy rates for which the household qualified would be figured on a "point" basis. Points would be charged against the applicant for the accidents and traffic violations during the past three years.

Each chargeable accident which resulted in bodily injury to property—including property of the owner—would be charged one point.

Each chargeable accident, each of which resulted in property damage of \$50 or less, would be charged two points.

Two-point penalties would be imposed for:

- Reckless driving.
- A series of violations requiring a filing of evidence of financial responsibility.

Three points would be charged for:

- Driving while intoxicated or under the influence of drugs.
- Failure to stop and report when involved in an accident.
- Homicide or assault resulting from operation of a motor vehicle.
- Driving while license is suspended or revoked.

In addition, one point would be charged for any other motor vehicle violation which requires filing of evidence to show financial responsibility.

A CLEAN RECORD for the three-year period—no points charged against those who drive the car being insured—would bring a 15 per cent reduction in the basic premium.

One point would mean paying the basic premium, plus five per cent.

Two points would cost the applicant 50 per cent above the basic premium; three points would double the basic premium, and four points would require the basic premium, plus 150 per cent.

NO POINTS would be charged for accidents in some instances. These include damages caused by "hit and run" drivers, provided the accident is reported within 24 hours; accidents in which the policyholder's car was legally parked; being struck from behind by another car if the driver of the struck car is not convicted of a "moving" violation in connection with it; accidents in which the policyholder or other operator in the household is not convicted of a moving violation but the driver of the other vehicle is convicted.

An accident also would be point-free if the driver or owner of the car he was driving got reimbursed or obtained judgment from another person responsible for the accident.

## Local citizen may get income taxes paid free

Someone in this community may have his 1960 income tax paid for him—free.

This prediction comes from the Bay Petroleum Corporation which today pledged to make refunds to 100 lucky taxpayers who win a simple contest. The oil firm will market new, high quality gasoline under a new name.

Contestants are asked to choose one of five names proposed for the new product. These are TOR, TORCO, OCTE, EN, TENNECO, or BAY PLUS. All those who select the name which the company will adopt for the gasoline will be eligible for a drawing on April 26. Winners will be determined by the drawing.

The contest opened Wednesday, March 8. Interested persons may obtain free entry blanks at local Bay gasoline service stations. All entries must be postmarked by April 17.

Bay is conducting these contests in stations throughout the country and estimates it will spend up to \$200,000 to give the tax refunds. A maximum of \$2,000 has been set for each payment.

Officials of the petroleum company explained the contests were being held "to help celebrate the fact that we are the fastest growing petroleum company in the nation. We've achieved this dynamic growth through the help of our wonderful customers. Now we want to do something special for them."

One point would mean paying the basic premium, plus five per cent.

Two points would cost the applicant 50 per cent above the basic premium; three points would double the basic premium, and four points would require the basic premium, plus 150 per cent.

**"I made 35% more cotton per acre by using Nemagon Soil Fumigant"**

Reports Mr. Gene McQueen, Route 6, Moultrie, Georgia

Mr. McQueen tells it better than we can! "I have been using Nemagon Soil Fumigant for 2 years. I think Nemagon Soil Fumigant is the difference between making a profit or not making a profit on nematode-infested land. Before Nemagon my cotton crop died at the rate of 80%. Since I started using Nemagon I have a perfect stand."

Like so many other growers, Mr. McQueen found that Nemagon Soil Fumigant pays off in bigger, better yields at harvest.

Nemagon is easy to use. It can be applied as a liquid, granules or mixed with fertilizer and applied in one time- and labor-saving application. It's economical, too! The cost of treatment can be paid many times over in bigger, better cotton yields.

Make this season's cotton the best yet. Use Nemagon Soil Fumigant and knock out nematodes before they cause serious damage. When nematodes attack fight back with Nemagon Soil Fumigant. Be prepared—order your supply today.

Almost all shrubs need regular waterings during the first growing season after transplanting, says Extension Horticulturist Gerald Smith.

Georgia farmers grew 93,000 acres of soybeans in 1960 with an average yield of 18 1/2 bushels. It would require 949,138 acres at this yield to produce the soybeans used in the state for broiler feed alone, says J. R. Johnson, Extension agronomist.

# THE BULLOCH HERALD

DEDICATED TO THE PROGRESS OF STATESBORO AND BULLOCH COUNTY

STATESBORO, GEORGIA, THURSDAY, APRIL 6, 1961

**THE KEY PASSING CEREMONY** which made Rockwell Manufacturing Company a part of the community of Statesboro and Bulloch County. Shown here is the passing of the keys to the Rockwell plant on January 23, 1956, when Mr. W. F. Rockwell Jr. (second from right), president of the Rockwell Manufacturing Company, Pittsburgh, Pa., received the keys to the plant on U.S. 301 from Thad J. Morris (second from left), president of the Bulloch County Development Corporation. Looking on, extreme right, are Mr. A. Dixon Sr., executive vice president of the company, and general manager of the plant here. Tomorrow, five years later, the company observes its Fifth Anniversary.

## Rockwell to celebrate Fifth Anniversary here on April 7

"Open House" at Rockwell tomorrow afternoon from 3 to 7:30 p.m. will be more like "Old Home Week" when the friends and neighbors of the Rockwell Statesboro Corporation visit the plant to inspect the growth and progress of the company as its officials, staff and employees celebrate their Fifth Anniversary as a part of the community of Statesboro and Bulloch County.

It was on Monday night, January 23, 1956, that Mr. W. F. Rockwell Jr., president of the Rockwell Manufacturing Company of Pittsburgh, Pa., received the keys to the brand new building on U. S. 301, from Mr. Thad J. Morris, president of the Bulloch County Development Corporation. Here from Pittsburgh, with Mr. Rockwell to take part in the "key-passing ceremony," were Mr. L. A. Dixon Sr., executive vice president, and Mr. W. F. Rockwell Jr., executive vice president in charge of the Meter and Valve Division of the Company. Mr. Rowland is now vice president of the Rockwell Statesboro Corporation and general manager of the Statesboro plant.

On April 7, 1956 the company celebrated its first anniversary. The company has since then grown to become a major industrial plant in the area.

It is with a great deal of pride that the publishers of the Herald welcome the Aldred Food Mart to its growing list of advertisers.

## Central Ga. Gas Community mass meeting to be held at the courthouse this morning at 10:30 o'clock

The Central Georgia Gas Company, at an early date, will move its Statesboro office from East Main Street to a new location at 14 North Walnut Street in the Simmons Shopping Center.

The announcement was made by Charles P. Olliff Jr., district manager for Southern Propane Company, the parent organization of the Central Georgia Gas Company.

The Central Georgia Gas Company moved here from Swainsboro in 1942 after being established here in 1939. It was purchased by Lehman Franklin and the late Gordon Franklin. In 1946 Mr. Olliff purchased an interest in the company. In 1956 the Central Georgia Gas Company was purchased by the Southern Propane Company whose headquarters are in Jessup, Md.

Mr. Olliff was named district manager over the territory including Statesboro, Swainsboro, Milledgeville, Claxton, and Metts. The company has forty-one offices through the tobacco belt from Wadley to Tensaw, Florida.

Mr. J. B. Hiler is manager of the Statesboro office of the Central Georgia Gas Company. Others with the Statesboro office are Mrs. J. I. Clements, Mrs. James Rushing, Francis Hunter, Robert Helmut, Bobby Kiesel, Bobby Stringer, Lester Raneer, Arthur Chester, Wynan Deal, G. R. Lee, Joe Nathan Johnson and Willie Hunter, Norris Moore and James Jackson.

And Rockwell Statesboro Corporation was in business and became a part of Statesboro and Bulloch County.

And today, five years later, the officials, staff and employees of the company are inviting the citizens of this section to visit them during Open House from 3 to 7:30 p.m. tomorrow (Friday) afternoon, April 7, to celebrate with them their Fifth Anniversary.
