

July 4th holiday weekend at Rec Center is a big one

By TOMMY MARKIN

Another fourth of July holiday is now history and the Statesboro Recreation Department hopes that its planning and activities have made it a memorable one for a great many of you to be reading this paper today.

Every year the Recreation Centers of Statesboro, both for the whites and the Negroes, plan and promote tournaments, ball games, dances, and other special activities so that the people of Statesboro and Bulloch County can spend a happy and safe Fourth of July here on the local scene.

This year the department feels has been another success. Activities began on Sunday afternoon, July 2, when they had their annual watermelon cutting. It has been reported that approximately 800 slices of Bulloch County watermelons were sliced, eaten, and disposed of, all within eighteen minutes. Those delicious watermelons came from the farm of Mr. Lannie Lee of the Brooklet community.

On Monday morning there was a plenty of excitement around the playground as several tournaments and contests were held. A zell ball tournament was scheduled for the first, eleven and twelve-year-olds and Vick Page was the winner. Young Page is the son of Mr. and Mrs. Fred Page of N. College Street.

Also in action Monday morning was a badminton tournament for boys thirteen and over. Har-

Cobb Vets defeat All-Stars on July 4

By MAX COLLINS

On Tuesday, July 4th, the Cobb Vets continued their winning streak by defeating the All Stars 11 to 7. Ray Williams went all the way for the winners, and the Cobb Vets stayed on the mound for the losers.

Jackie Anderson, first man off for the All Stars went down on four balls. This brought up Clyde Miller who singled into left field. Tony Strozzi then took the bat only to go down on strikes. Harvey Berry followed Strozzi and drove a double into center. Anderson came in out to second and Lindsey Johnston lined out to short for the last out.

First man off for the Cobb Vets, J. B. Searee went to first on a walk. Sketer Griffith flew out to left. Coach Roger Parsons also went to first on balls. Ray Williams followed Parsons and arrived on first on an error on second. Searee scored from third. Ray Williams popped out to the pitcher and was followed by John D. Atkins who was thrown out from third. Searee went to first on a walk. Brings up Red Brown who grounded out to first, while doing so, Searee scored from third. Thomas Simmons came up, but went down on strikes to retire the inning. At the end of the first inning the score stood 1 to 0 in favor of the Cobb Vets.

Don Vaughn singled to left. J. B. Searee led off with a walk. Searee went to first on a walk. Brings up Red Brown who grounded out to first, while doing so, Searee scored from third. Thomas Simmons came up, but went down on strikes to retire the inning. At the end of the first inning the score stood 1 to 0 in favor of the Cobb Vets.

At 12:30 p.m. Don McDougald was on hand at the pavilion to do his "Home-Town News." Supt. Max Lockwood was also present with members of his staff to give the listeners a complete report on the activities that had already taken place and the events to come.

At 1:30 p.m. a large crowd was on hand to watch the first of the three night games. The pool was open on Monday night which is usually on the third night of the event. The pool was open on Monday night which is usually on the third night of the event.

On Tuesday morning, July 4, the tension mounted high as the tournament and other activities progressed. Tracy Lanier won the zell ball tournament held for all eight and nine-year-olds. Tracy is the son of Mr. and Mrs. Thurman Lanier.

While that contest was in progress, Jimmy Williams was banking on his skill as he won the horseshoe tournament. Young Page is the son of Mr. and Mrs. Fred Page of N. College Street.

Tennis, which has become a favorite of many teenagers in Statesboro, was in full swing all day long. In the morning Frank Dupree, son of Mr. and Mrs. Weldon Dupree, edged out Lamar Bagby in the final match of the 12, 13, and 14-year-olds tennis contest. At the same time Jack Paul, son of Mrs. Thelma Paul, defeated Johnny Martin in the finals of the 15-16-year-old division.

At 5 p.m. the Little League All-Stars of Statesboro met the All-Stars from Brooklet. After the six inning contest had ended, Statesboro was on top by a score of 2 to 1.

Within one hour after this game was completed the Men's Softball League staged their annual All-Stars game on top by a score of 2 to 1.

The fourth of July activities were completed with the regular Record Day from 7:30 to 10 p.m. Milk production per cow in Georgia has increased 31 per cent in the last 10 years, reports Extension Economist Paul C. Bunce.

One-third of the yearly requirement of fertilizer for pecan trees should be applied in July, according to Extension Horticulturist L. Livingston.

On diamond two Friday, July 7, Legion 90 defeated the Lions by the score of 8 to 4.

Al Blizard and Lance Folds came across in the first half of the first inning for two of the total 4 Lion runs.

The last half of the first inning found Legion 90 scoring four of their runs. Those coming were Butch Haley, Don Gene Newell, Steve Chester, and Gene Osborne.

The final Lions run was scored by Lance Folds and Kelly in the third and fourth innings.

Other runs scored by Legion were Steve Chester in the third, Tommy Bailey in the fourth, and Butch Haley in the sixth.

Leaders in the hitting attack for the winners were Larry McBride, two for three. Gene Osborne, one for three.

Rotary team keeps league's top place

By MAX COLLINS

Friday, July 7, the Rotary Leagues Baseball Team took the field to defend their first place title in the Majors. Rotary's victory was the third place hard fighting Jaycees.

In the first half of the first inning found Ronald Barnes, first to come to the plate for the Rotary. Barnes was awarded first on balls. Rick Hendrix followed Barnes and on the first pitch Barnes stole second. The next pitch caught Rick's eye, but he only popped it up to third for the first out of the game. Donald Barnes, who was down on strikes as his

brother on second went to third, but was caught about two feet short to retire the inning. After the business of the first off for the Jaycees was the pitcher James Pye who went down on three strikes, as Pratt Hill acquired first on an error by Donald Barnes on second, but was thrown out while trying to stretch it to second. Lehman Gerald went down on strikes to retire the inning.

Greg Sikes led off the top half of the second inning with a free walk, but was thrown out trying to steal. Ralph Pye acquired first when he grounded a hot liner to Jaycees' second baseman, Pratt Hill. Hill did not make his play fast enough and Pye went to second. Rickie Ellis walked and stole second while Marven McMullin went down on strikes. Ronald Barnes next up also went down on strikes.

Johnny Nasworthy and Jimmy Sisson both grounded out. The Rev. Hoyle will leave Monday for Macon to attend pastor Bible Study at Mercer. Mrs. Franklin Zetterower was hostess to a Class Meeting of the Intermediates of Harville. The next pitch caught Rick's eye, but he only popped it up to third for the first out of the game. The Softball Dugout

By MAX COLLINS

On the softball field at the Recreation Center every Tuesday, Wednesday, and Thursday night, softball is the air. Softball players are coming from everywhere to put everything they have in their game. But, where are the spectators? Every game this year the players have out numbered spectators 4 to 1. It should be spectators who are the players 10 to 1. Some of the best softball players in the state are here all three nights playing top notch ball for no one to see.

There is no charge for any games, plenty of sitting room, refreshments close by, and plenty of good softball. So turn out for these games every Tuesday, Wednesday and Thursday from 7:30 until 10:30.

In the game Thursday, June 29, Jake's Amoco defeated Nic Nac 11 to 4. The winning pitcher was Glen C. DeLoach. He was used on the mound for the game. The losing pitcher was Vernon Glascock. Pacing the Amoco hitting attack were Larry Barnhill of Savannah is spending the summer with his grandparents, Mr. and Mrs. E. W. DeLoach.

Among those visiting Mr. and Mrs. Otis Ansley Sunday afternoon and during the weekend were Mr. and Mrs. D. D. Fordham and family of Savannah. Mr. and Mrs. Alton White, Mr. and Mrs. Ernest Williams, Mr. and Mrs. Randall Taylor and children of Pooler. Rev. Reeves Hoyle and others. Friends will be interested to learn that Mr. Ansley has been able to return to his home, but is still under the doctor's care. We hope his condition soon shows improvement.

Mr. Posh Hodges still remains a patient at the Bulloch County Hospital. Mr. and Mrs. James Harris spent the weekend with Mr. and Mrs. Otis Ansley. Mr. and Mrs. James Harris and Mr. and Mrs. Harold McNure will leave Tuesday to spend their vacation, visiting the Smoke Mountains and other places of interest.

Mr. and Mrs. Edsel Waters and family of Augusta, Mrs. J. W. Smith and son, Mrs. Frances Miller of Savannah were guests of Mrs. R. W. Roberts Sunday, July 2.

Mr. Robert Smith and children of Beaufort, S. C. spent the past weekend with Mrs. G. R. Waters. Mr. and Mrs. Edsel Waters and family, Mrs. G. R. Waters and family, Mrs. Robert Smith and children visited Mr. and Mrs. Rogers Waters and family last Sunday afternoon.

Donald Woodward spent Tuesday night with Raymond Waters. Linda Zetterower spent one night last week with Carol Cromley.

Mr. and Mrs. M. E. Ginn spent Sunday with Mrs. J. G. Roberts, son of Mr. and Mrs. W. Roberts, 26 W. Jones Ave., Statesboro, Ga. is a 1957 graduate of Statesboro High School and a student at the Georgia Institute of Technology, Atlanta.

Edsel Zetterower of Oklahoma City visited Mr. and Mrs. C. Zetterower during the week. Mr. and Mrs. W. J. Jones and Mrs. Cloyce Marchant and children attended the Jones reunion Sunday at Metter. Mr. and Mrs. R. L. Roberts and Mrs. DeVaughn Roberts and children attended the Williams reunion Sunday at Dasher's.

Jean Woodward spent Sunday with her grandparents, Mr. and Mrs. B. F. Woodward, Mr. and Mrs. Lester Waters and family spent the Fourth with Mrs. G. R. Waters. Other guests Thursday were Mrs. Enory Smith of Savannah and Mrs. Miss Dianne Waters of Augusta. Mrs. Tommy Sledge Jr. and Mr. and Mrs. Tommy Sledge Jr. of Chattanooga Tenn. were with Mrs. and Mrs. S. Brannen in Statesboro and Mr. and Mrs. H. Zetterower.

The Denmark Sewing Club will meet with Mrs. H. Zetterower Sunday, July 23rd, at her home with Mrs. J. H. Ginn as co-hostess instead of with Mrs. R. P. Miller as previously announced. The club will meet at the home of Mrs. and Mrs. S. Brannen in Statesboro and Mr. and Mrs. H. Zetterower.

Bullock County grower reports best insect control he ever had with a season-long endrin-methyl parathion program

John Cromley, Brooklet, Georgia says, "I stuck with endrin-methyl parathion right through the season last year and got excellent cotton insect control. In fact, it was the best control I have ever had. I certainly plan to use this endrin-methyl parathion mixture from now on."

AN ENDRIN-METHYL parathion program can do the same for you. Here's why: You can kill all major cotton insects with endrin-methyl parathion sprays or dusts. This combination helps get cotton off to a good start by controlling early season thrips, fleahoppers, aphids and plant bugs. Later in the season, it will protect squares and bolls against weevils, worms, and other major cotton pests.

Quick knockdown and kill. Methyl parathion gives you quick knockdown and kill of most cotton insects. It stops them before they have a chance to cause damage.

Stay on schedule. If you want to pick high yields of top quality cotton, use endrin-methyl parathion. Follow the dosage and timing recommendations of local authorities.

Endrin-methyl parathion combinations are available as easy-to-use liquids and dusts. Order yours today.

Long-lasting power keeps your cotton protected for many days. You make fewer applications. And, regular endrin-methyl parathion applications discourage mite build-up.

Bulloch gets new industry; A. & M. Karagheusian, Inc. is building big plant on 'Old River Road' off U.S. 301 North

THIS IS THE architect's rendering of the new plant of the A. & M. Karagheusian, Inc. being constructed on U. S. 301, north of Statesboro on the Old River Road. It is being built of masonry construction and will be air conditioned. Designed by Karagheusian's Engineering Department, under the direction of Richard M. Dorian, Vice-President of Research and Engineering, the new plant will be used to manufacture woolen and synthetic pile yarns for Gullistan Carpet woven at Karagheusian plants located at Albany, Ga., Aberdeen, N. C., Neptune, N. J. and Freehold, N. J.

Plans for 3-day Tobacco Festival here for August 3-4-5 are now complete

Josh Lanier, chairman of the Retail Trade Committee of the Bulloch County Chamber of Commerce, and Al Gibson, executive manager of the chamber, announced today final plans for the 1961 Statesboro and Bulloch County Tobacco Festival, to be held here August 3-4-5.

The Festival will get under way Thursday morning, August 3, when the merchants in the city will offer savings to the shoppers in the county during the three-day Festival. At 5:30 o'clock, Thursday afternoon, the first half of the valuable prizes will be given away. Registration for the prizes, which involve no purchase, only a registration in the place provided, will begin with the opening of the stores Thursday morning, August 3.

Additional prizes will be given away on Saturday afternoon at 5:30 o'clock. Only one prize will be awarded to a registrant and registrants must be present at the drawing to claim his or her prize.

The Festival Parade, in which more than fifteen beautiful floats will take part, in addition to other features, will be at 6 o'clock Friday evening. Mr. Francis Allen will be the parade marshal, assisted by Mr. Leeland Riggs. The parade will assemble on U. S. Highway 80 at U. S. 301. The parade will move south along North Main Street from Highway 80 to Fair Road on South Main, breaking up at the Recreation Center. Captain Homer Parrish of the city police force is cooperating with the parade marshals on the parade.

At 8 o'clock Friday evening, August 4, the Statesboro Business and Professional Women's Club, is sponsoring a square dance on the parking lot at Piggly Wiggly Supermarket. On Saturday evening, beginning at 8 o'clock, the festival will come to a climax with the selection of the 1961 Tobacco Queen and Tobacco Princess. Twenty-two of the county's loveliest young ladies and young men will vie for the titles. Mrs. Edgar Hagan is the chairman of the Festival Beauty Pageant. Don McDougald of Radio "WVNS" will serve as master of ceremonies.

Judges for the Pageant are S. Joseph Ward Jr., assistant manager of the Statesboro Chamber of Commerce; Jerome J. Kilpatrick, executive secretary of the Retail Trade Division of the Savannah Chamber of Commerce, and it is hoped that "Miss Statesboro," Trina Davis, will be crowned.

The Statesboro Senior Citizens Club will meet at the Memorial Park Pavilion on Monday, July 24th at 6 p.m. for another of their good picnic. All members are asked to come and bring a covered dish. Members are urged to bring a guest.

Steele L. Winterer, President of A. & M. Karagheusian, Inc., manufacturer of Gullistan Carpet, announced this week that the plant which has been under construction north of Statesboro, just off U. S. Highway 301 on the Old River Road, is being built for A. & M. Karagheusian, Inc. Mr. Winterer said that the new plant will be used to manufacture woolen and synthetic pile yarns for Gullistan Carpet woven at Karagheusian plants located at Albany, Georgia; Aberdeen, North Carolina; Neptune, New Jersey; and Freehold, New Jersey.

The building is being built of masonry construction and will be air conditioned. Designed by Karagheusian's Engineering Department, under the direction of Richard M. Dorian, Vice-President of Research and Engineering, the new plant is being constructed by Daniel Construction Company of Greenville, South Carolina.

Other personnel being transferred from Freehold include John A. Kesad, Yarn Production Co-ordinator and Walter M. Pesce, Color Passer and Assistant Yarn Co-ordinator. The following personnel will be transferred from Karagheusian's Roselle Park Division: William F. Neuman, Jr., Plant Superintendent; Joseph Giffert, Production Manager; and Arthur Hooper, Jr., Head Dyer.

Mr. Winterer reported that based on the present rate of construction, the first machinery is expected to be delivered to the company's Statesboro Division in late October. Actual production will commence about January 1, 1962, and will gradually be built up to capacity during 1962. He said that a considerable amount of modern, new yarn producing machinery is being fabricated for installation in the new plant, but that the bulk of the equipment is being transferred from the company's Roselle Park, New Jersey, Spinning plant.

In the process of selecting Statesboro as the location for its new plant, A. & M. Karagheusian, Inc. evaluated many communities in several Southern states. Mr. Winterer said that the company's principal reason for selecting Statesboro was the extreme interest of Statesboro community leaders in seeking new industry and their ability to readily solve the many problems incident to starting a new manufacturing operation.

The company's attitude in this regard was expressed by Charles A. Karagheusian, Chairman of the Board, when he visited Statesboro a few weeks ago. "Although there were a number of important economic factors which influenced our decision to select Statesboro, my tour of this lovely community convinced me that Statesboro is the kind of town that we would be very proud to call 'the new home of Karagheusian.' It was very much impressed with the many genuinely friendly people I met there. And seeing the lovely homes, the many large churches, your energetic community recreation program, the local schools and the college strengthened our sincere intention to do our best to be a worthy industrial citizen. We hope to share in Statesboro's growth and prosperity in the years ahead."

Other factors of importance in the selection of Statesboro were the availability of adequate water, natural gas and power; the availability of a suitable land site with adequate process of yarn production; the adequate source of local personnel which can be readily trained in the current state of the art of yarn manufacturing.

In addition, the company pointed out that the raw wool used in manufacturing Gullistan yarns is all imported from points all over the world. Statesboro's proximity to the ports of Savannah and Charleston, which will be the ports of entry for these wools, will provide maximum efficiency in the process of yarn production. Another important factor for the selection of the new plant location was the fact that Statesboro is located at the approximate mid-way point between Albany, Georgia and Aberdeen, North Carolina.

THE COMMUNITY SAYS 'WELCOME' TO A. & M. KARAGHEUSIAN, INC.

For sometime we've been knowing that we would have some new neighbors.

We knew this because they had selected a site for their new home in our community and on or about June 1 they began constructing the building into which they will begin moving the latter part of October.

And today we learn the name of our new neighbors—A. & M. Karagheusian, Inc., manufacturer of Gulistan Carpet, one of the largest carpet manufacturers in America.

And we join with all our neighbors in saying — "We Welcome You."

This company is no stranger to many homeowners in our community—rather, let's put it this way—many homeowners in our community know Gulistan Carpet, made by A. & M. Karagheusian, Inc.

The company was founded by Arshag and Miran Karagheusian, brothers who, in 1897, imported Persian rugs. In 1905 they began making domestic carpets. In 1928 the technique of chemical washing to give domestic rugs the beautiful sheen of Orientals was developed. This improvement resulted in the famous "Gulistan Rug," considered to be the finest in Oriental reproduction. It was about this time that the name "Gulistan" was adopted as a trade name for all the rugs and carpets made by A. & M. Karagheusian, Inc. The name means "Garden of Roses," and those familiar with the rugs admit that the name is a particularly fitting trademark.

'Thanks' to all who helped

And now that we've said, "Welcome" we wish to express, on behalf of our community, thanks to those who were the principals in bringing the A. & M. Karagheusian, Inc. to Statesboro to be our neighbors.

Working with the company officials from the first day Statesboro was considered for the new Division was the Executive committee of the Bulloch County Development Corporation, made up of Mayor Bill Bowen, Thad Morris, Wallis Cobb, C. B. McAllister, Edgar Wynn, Ike Minkovitz and Tom Martin.

Working behind the scenes, but playing a most important part were Mr. Eugene Yates and his assistant, Mr. J. Curtis Smith of the Industrial Development Department of Georgia Power Company. It is to these two, through the Georgia Power Company, that the community owes a deep and

Mr. Charles A. Karagheusian, chairman of the board of the company, visited in Statesboro a few weeks ago and found Statesboro and Bulloch County to his liking. He expressed it like this: "... my tour of this lovely community quickly convinced me that Statesboro is the kind of town that we would be very proud to call 'the new home of Karagheusian.' I was very much impressed with the many genuinely friendly people I met there. ... We hope to share in Statesboro's growth and prosperity in the years ahead."

It is difficult to estimate what our new neighbor will mean to our community. We do know that they will make job opportunities for as many as 300 of their Bulloch County neighbors. And for that the entire community should be deeply thankful, both those who become associated with the company as employees and by the business and professional community of Statesboro and Bulloch County.

We must let them know that we are as friendly as Mr. Karagheusian found us when he visited. We must create and maintain with his company a relationship which will never give Mr. Karagheusian and his associates reasons to regret making Statesboro and Bulloch County "the new home of Karagheusian." We are capable of this relationship, but we must be constantly alert to elements which would disturb the basis for this fine relationship.

WE WELCOME YOU.

And to all others who helped, directly and indirectly, we add our thanks. Our community appreciates it.

Try it for summer time relaxation

All right, so it's been hot as a firecracker... "too hot to do a thing," you allow.

But you forget that it's not too hot to read. Just sit and read. Not doing a thing but just sitting, and if you are a Kennedy Democrat and have a Kennedy Rocker, then just sit and read and READ.

Not just the newspaper—get a BOOK to read. "And where can I get a book?" you ask.

Well the Statesboro Regional Library, of course. And if it's too much work getting back home, just you sit there in the quietness of the air conditioned library and take it easy—with a good book.

Can't beat it for summer relaxation!

This Week's Meditation

By Rev. Lawrence E. Houston Jr.

LAST WEEK we discussed the question: "Is forgiveness possible?" This week let us consider a second question: "Is forgiveness right?"

The question arises like this: If God forgives our sins, if He restores the Divine-human relationship as if it had never been broken, isn't He encouraging sin? Is it right for Jesus Christ to be made to stand in our place, and be made to carry the load of guilt we should be carrying? This difficulty is as old as the Christian church.

GOOD PEOPLE came to the Gospel of the gospel he was preaching to the world. Said they: "This gospel of absolute forgiveness means we can call ourselves sinners, and it is dangerous. This is what sinners will say: 'If God is all grace and mercy, why worry about sin? Let us go on sinning and grace will abound—God will have all the more opportunities to be gracious.'"

"What answer can be given to this charge? Let us begin by saying: Forgiveness does not mean that God is making light of sin. If He said to us, as a man might say to his neighbor, 'Forget it, it is of no consequence,' then God would be immoral. But, this is never the case. It is in the miracle of forgiveness that we see the rigidity of God appear."

Dr. James S. Stewart comments: "To take the condemnation out of the Cross is to take the nerve out of the Gospel." IS IT MAKING light of sin to hear Jesus say to Mary Magdalene: "Your sins are forgiven" and sin no more? Is it making light of sin if Jesus Christ opposed it with His life and condemned it in His death? It is!

Ovrehheard Behind a Park Bench

If you want to know what a person is thinking, watch what he is doing. His actions may give you more information than you can get from listening to what he is saying. That is the opinion of Professor Ray L. Birdwhistell of the University of Buffalo's Psychology Department.

Dr. Birdwhistell advises you to watch the gestures. He calls the science kinesics—the study and interpretation of gestures and body movements.

According to Dr. B. these unconscious motions might reveal the following: Birdwhistell "translations," based on eighteen years of observation, should be of interest to you if you want to know what is going on in the mind of that person you are talking to.

the editor's uneasy chair

Because we've had this written since the week of July 6 when Mr. Will Cromley was honored by the U. S. Weather Bureau and because we believe it to be of general interest and because we don't want to throw it away and because it'll save us time in writing a new column, we use it this week. All of these are good reasons and convince us to use it to fill our Uneasy Chair this week.

It is a history of the climate of Bulloch County since 1907 when the first records were kept at the Weather Station at Brooklet.

Brooklet is located in Bulloch County, in the southern part of the Eastern Central Climatic Division. It is in the northern part of the Lower Coastal Plain Province about 40 miles northwest of Savannah. The county is about equally divided between the Middle and Lower Coastal Plain. The terrain is level to moderately rolling, with the elevation within the county ranging mostly between 100 and 300 feet above sea level. The soils are predominantly sandy and loamy sands.

Bulloch County summers are warm and rather humid, with little variation in temperature from day to day. The maximum temperature reaches, on average, 90 degrees F on about three out of four days from

June through August. Over the years there has been an average of six days per summer with a maximum of 100 degrees or higher. The highest temperature of record is 107 degrees and occurred in both August and September of 1925. Summer temperatures are usually comfortable, dropping to the low seventies, or even below seventy, by early morning. The average minimum for the three summer months is just under seventy.

Winters are relatively mild and short in the Bulloch County area. Freezing occurs on an average of 26 days during the winter, but severely cold weather occurs infrequently. A temperature as low as 20 degrees can be expected during slightly more than half the winters. Daytime temperatures almost always rise to above freezing, even during the coldest weather; so, there is little interruption of normal outdoor activities by low temperatures. The lowest temperature officially recorded at Brooklet was 10 degrees in February 1917. The last spring freeze usually occurs before the middle of March, and the first fall freeze does not generally come until late November. This gives an average freeze-free season of approximately 260 days. Bulloch County's average annual rainfall is slightly greater than the average for the Eastern Central Division. Rainfall distribution shows a summer and early fall maximum with fairly equal distribution throughout the remainder of the year. No month has an average of less than two inches, and only the months June through September show an average greater than four inches. Monthly rainfall totals have ranged from a high of 24.34 inches in September 1929, to none at all in October 1943. Only a trace of rain has been recorded in two other months. Less than one inch of rain has been recorded in all months except July. Annual rainfall has varied from 71.38 inches in 1929 to 26.78 inches in 1954. Some of Bulloch's heaviest rains have occurred in connection with tropical storms that either moved inland, or near enough the coast, to bring the area under their influence. Rains that total one inch, or more, in 24 hours occur, on the average, 12 times per year. They are most likely in July and September, and least likely in January, October and November.

Measurable snowfall occurs infrequently in the Bulloch

COMMENT ON THE NEWS OF THE DAY

House Speaker Sam Rayburn, speaking on the A.C.-TV show, "Issues and Answers" commented: "The caliber of representatives in Congress today is the highest I've ever known." Most of us would agree with Mr. Rayburn on this fact. At the same time it makes me a little upset to learn that Congress has built itself a "store" in the Capitol where "members can buy anything they want to buy at cost. I wonder if manufacturers who wish to influence Congressmen would consider making their wares available at less than cost. Investigation shows that Congressmen are calling for the store to stock items not usually used in their offices. Things like automobile tires, conditioners and etc. Not trusting each other's system has been devised so that Congressmen must justify purchase of unusual item needed. Surely we can trust our men in these high places to be men of honor. Congressmen already are given sizable expense allowances which are designed to cover these same expenses. This is a new way found to again increase these allowances.

Mr. Rayburn also said, "The United States will have to meet Force with Force in Berlin." Now Mr. Rayburn, almost any man, woman or child in the United States could have told you this many, many months ago and many can also tell you that not many folks, including

Elizabeth C. Clephane expressed this truth in her hymn, "The Ninety and Nine."

But, none of the ransomed ever knew How deep were the waters crossed.

Now how dark was the night that the Lord passed through— 'Til He found the sheep that was lost.

It is in child-like faith that we need a God who forgives us so freely offered.

Alison Mikell fêted at birthday party

The Forest Heights Country Club was the scene of a surprise birthday party for Alison Mikell, daughter of Mr. and Mrs. Frank Mikell, on Friday night, July 14. The party was given by her parents and a large number of friends. Alison, who is now 17 years old, was the guest of honor. The party was a great success and everyone enjoyed it very much.

Seated Tea lovely compliment to Barbara Brunson

Miss Barbara Brunson, popular bride-elect of August, was honored at a seated tea, Monday afternoon with Mrs. Grady Attaway and Mrs. Percy Bland hostesses at the Bland home on Savannah Avenue.

Tea guests were greeted by the hostesses and introduced to the honoree and her mother, Mrs. Hoke Brunson.

Blue hydrangeas gave color accent to the living room. The dining table with a beautiful Point d'Esprit lace and cut-work cover was artistically decorated with yellow and white gladioli, white snap dragons and lilies in color tones of yellow, green and white. Wedding bells and showers of white satin ribbons trailed to the punch bowl. Mrs. Lannie Simmons served punch. Miss Kaye Lunceford served embossed cakes, green and yellow bridesmaid mints and toasted nuts. Favors were wedding bells linked with white satin and valley lilies.

Each guest was asked to give a brief bit of advice to Barbara. Most of the girls were her classmates and they readily accepted this opportunity.

Other guests invited were Barbara's mother, Mrs. Hoke Brunson, the groom's mother, Mrs. J. L. Jackson, Mrs. Lannie Simmons, Mrs. William G. Hill, Misses Madelyn Waters, Beverly Brannen, Bonnie Woodcock, Jane Brannen, Edwin Paul, Sue Ellis, Cynthia Johnston, Betty Brannen, Marlene Mikell, Nancy Ellis, Diane Brannen, Alice Amason, Pat Lamb, Mrs. Wendell Marsh Jr., Mrs. John Ogden, Mrs. Ralph Howard and Mrs. James G. SHS Class of '31 held reunion Saturday night

The Statesboro High School Class of 1931 held a reunion of their class members celebrating its 30th anniversary Saturday evening, July 15 at the American Legion Home. There were 61 graduates and from this class there were only twenty-five who attended the reunion. However there were 40 people at the reunion. The reunion was held at the American Legion Home. The class met for their 25th anniversary and there were 34 members present.

Earl Lee and DeWitt Thackston were co-chairmen for arrangement and contacting classmates.

The decorations for the affair were done by Mrs. James Bland and Mrs. H. D. Everett. The speaker's table was centered with a large arrangement of white crepe myrtle and yellow marginals, ivy interspersed with black scrolls, tiny diplomas and mortar boards with favors attached.

A steak supper was served. Hall Mark gifts were given to members who fell into certain categories: traveling the longest distance was Mrs. C. Hays (Josephine Rogers) from Miami, Fla., the member with the most children was DeWitt Thackston and Mr. and Mrs. Thackston have the most grandchildren. The member with the youngest child was Winfield Lee.

Attending the reunion were: Mrs. E. H. Chambers (Mary Margaret Blitch) of Daytona Beach, Fla.; Alton Brannen, Mrs. Rex. Hodges (Eula Mae Cartledge) and Mr. Hodges, Simon (Mike) Donaldson, C. Wright Everett and Mrs. Everett, Metter; Miss Grace Gray, Statesboro; George (Doug) Hagan and Mrs. Hagan, Clinton; Mrs. C. C. Ballard (Etta Mae Hayslip) and Mr. Ballard, Spartanburg, S. C.; Mrs. A. A. Corbett (Clennine Lee Jones), Savannah; Earl Lee and Mrs. Lee, Winfield Lee (Lester, Frances Mathews, classmates); Mrs. E. A. McFarland (Margaret Moore of Puerto Rico, now at Georgia Southern College); Mrs. Enoch Dixon (Jessie Lou Morris) and Mr. Dixon, Gilbert, McLemore, Emory University; Randolph McCallum, West Palm Beach, Fla.; Abram Pike, Mrs. Pike, Savannah; Meyer Pike, Mrs. Pike, child, Sylvia; Thomas W. Preston and Mrs. Preston, Statesboro; Penton Rimes, Statesboro; Mrs. C. Hays (Josephine Rogers), DeWitt Thackston and Mrs. Thackston, Statesboro; Frances Trappnell and Mrs. Trappnell, Statesboro; Bernice Woodcock, Statesboro.

Mrs. George Hitt Jr. entertains for house guest

On Saturday afternoon Mrs. George Hitt Jr. was hostess at a party honoring Mrs. Joe Rackley of Tallahassee, Fla. Mrs. Hitt's aunt and former resident of Statesboro.

With one exception, the guests were members of the Treasure Seekers Class of the First Methodist Church of which the honoree was a member. The class had honored her at a going away party in 1926 and Mrs. Rackley had kept the party booklet which was artistically decorated and the names of members attending.

Mrs. Hitt's home was decorated with a large arrangement of daisies on the dining table and marginals in a unique container in the living room. The guests were served time sherbet in gingerale and lady fingers.

Party guests were Mrs. Hitt, Mrs. Fred T. Lanier Sr., Mrs. Alfred Dorman, Mrs. C. P. O. Hitt Sr., Mrs. Hinton Booth, Mrs. J. O. Johnston, Mrs. Ernest Brannen, Mrs. J. A. Addison, Mrs. R. J. Holland, Mrs. M. M. Braswell, Mrs. W. E. Cobb, Mrs. C. E. Cone, Mrs. Hubert Amason and Mrs. Arthur Turner.

Luncheon honoring Mrs. Robert T. Morris of Baltimore

Mrs. C. J. Mathews was hostess at a luncheon Tuesday at the Town and Country Restaurant honoring Mrs. Robert T. Morris, of Baltimore remembered here as Marguerite Mathews. Lovely arrangements of varicolored dahlias and gladioli were used on the tables.

Luncheon guests were Mrs. Morris, her sister, Mrs. Bob Pound, Mrs. Charles Olliff Jr., Mrs. Curtis Lane, Mrs. P. W. R. Lavett, Mrs. Julian Hodges, Mrs. Buford Knight, Mrs. Sidney Dodd, Mrs. G. C. Coleman Jr., Mrs. Johnny Deal, Mrs. Jimmy Gunter and Mrs. Frank Hoke.

Barbara wore a light blue gown, mist dress, trimmed in heavy lace and catching creases.

The guests were Mrs. Hoke Brunson, mother of the honoree, Mrs. J. L. Jackson, the mother and grandmother of the groom-elect, Misses Tess Bryan, Cynthia Johnston, Sue Ellis, Mrs. John Ogden of Atlanta, Madelyn Waters, Edwin Paul, Nancy Ellis, Diane Brannen, Georgeanne Prather and Kay Lunceford.

HERE ARE THE YOUTH WORKSHOP PLANNERS—Shown here is the Georgia Youth Board, the group which planned the Fifteenth Annual Georgia Youth Workshop to be held in Statesboro July 24-28. Max Lockwood, to serve as dean of the workshop, is seen at the end of the table. Jack Paul and Carol Blund of Statesboro are members of the Georgia Youth Board. Cliff King, president of the Georgia Recreation Society, is at Mr. Lockwood's left.

Ga. Youth Workshop here July 24-28

Approximately 200 young people from all over the state will assemble at Georgia Southern College in Statesboro July 24-28 for the 15th youth workshop. The annual affair, sponsored by the Georgia Recreation Society, will feature various sessions on youth fitness, party planning, promoting youth club activities, poster making, party decorations and careers recreation. Some of the top leaders in the field of recreation will be on hand to conduct classes. Fun will not be forgotten at the workshop. Among the activities planned during the four-day period are a Western party, a talent show and a fun finale. Mr. Eddie Neely Anderson, nationally known youth consultant from Atlanta, will be present to work with the young people who will be present at the workshop.

Mrs. Mary Roth, Albany, chairman of the workshop advisory board, said the workshop program and staff will be one of the best that the Georgia Recreation Society has ever sponsored. Max Lockwood, superintendent of recreation for the state, has been named dean of the workshop. Assisting him will be Ed Mitchell, dean of men, Normal College, and Rebecca Hollingsworth, dean of women, Hazel Gammadin, assistant dean, and John Davis, registrar.

The youth workshop is the oldest of its kind in the nation and is used as a pattern by other states.

Max Lockwood, superintendent of recreation for the state, has been named dean of the workshop. Assisting him will be Ed Mitchell, dean of men, Normal College, and Rebecca Hollingsworth, dean of women, Hazel Gammadin, assistant dean, and John Davis, registrar.

Strong wind does damage at place of Denver Lanier on night of July 12

It may not have been a tornado, but it acted just like one, is the way Mr. Denver Lanier described the wind which blew up about 9 o'clock on Wednesday night, July 12 and destroyed his barn and a concrete block house on his place. The wind knocked out Mr. Lanier's telephone wires.

The barn stood about 500 yards from Mr. Lanier's house. The concrete house in which Mamie Sherrod lived with her son, Willie Sapp, was about a mile from Mr. Lanier's home.

There was very little wind at the time it destroyed the barn and house he said. Mamie was just before going to bed when the wind struck and the chimney fell across her bed just as she went to lie down. She was not injured.

Peanut growers are urged to vote for peanut promotion

LAUNDRING WASH-AND-WEAR

In laundering wash-and-wear suits and slacks containing dacron polyester or orlon acrylic fiber, avoid the use of hot water and strenuous washing action, suggests Miss Leonora Anderson, head of the Extension clothing department at the University of Georgia College of Agriculture.

By ROY POWELL
County Agent

The Georgia Farm Bureau Federation today urged peanut growers to vote their ballot to help determine the future of a growing peanut industry.

Harry L. Brown, President of the Georgia Farm Bureau Federation, said that the Federation is urging growers to vote for a program designed to create larger markets, consumption, and new uses for Georgia grown peanuts.

Deadline for casting ballots is July 25. "Any grower not casting a ballot is automatically voting against a grower self-help program for better marketing opportunities," the Farm Bureau President explained.

"Producers groups in other states have enlarged their income opportunities by establishing commodity self-help programs," he said.

"Florida citrus growers have increased consumption of Florida citrus from 11 pounds per capita to 45 pounds in the United States, and California cling peach growers more than doubled the consumption of peaches with a grower financed research, promotion and education program," Brown said.

The proposed peanut promotion program would be financed by \$1 per ton assessments — if approved by growers.

"While ballots have been mailed to all growers they may also be obtained from County Farm Bureau Offices on the County Agents Office."

1000 killed in a year in tractor accidents

About 1,000 persons are killed each year in the United States in farm tractor accidents. That is why vehicle and farm machinery safety are being stressed during this year's Farm Safety Week, says Willis E. Huston, agricultural engineer of the University of Georgia Cooperative Extension Service.

Over the last eight years, the death rate from tractor accidents has climbed 50 percent. In addition to these fatal accidents, nonfatal mishaps involving tractors occur at the rate of about 45,000 a year, Mr. Huston pointed out.

One-third of tractor fatalities occur on highways, not in the field. To help prevent tractor accidents on highways, Mr. Huston makes the following suggestions:

Good planning can avoid much unnecessary movement of farm equipment on heavily traveled roads.

Keep the tractor under control. Slow down for turns. Leave the tractor in gear on downgrades.

Only experienced operators, possessing a tractor license, should be given the responsibility of handling farm machinery on public roads.

Permit no extra riders on the tractor. Many of the tractor accident fatalities are small children.

Well located entrances to fields and farmyards allow good visibility for operators of farm machinery and motor vehicles. Courtesy makes friends and prevents accidents. Pulling off the pavement to let faster traffic pass takes only minutes — and may save lives.

Red flags by day, approved lighting by night, call attention of the motorist to the dangers of slow moving machinery.

Value of quality is recognized by hog market

Quality may soon be given its due reward at Georgia hog markets, according to James A. Christian, animal husbandman of the University of Georgia Cooperative Extension Service.

Most Georgia sales barns now sell hogs on a weight basis only, he explained. But leading markets in the state are starting to divide hogs into uniform quality and weight groups instead of weight groups alone.

This change in marketing system is to be made at the auction barn in Brooks County on August 30 by Harold Long, owner and manager of the barn, Mr. Christian reported.

In midwestern hog states, he continued, quality has been an important consideration in sales for many years.

This system for marketing hogs, new in Georgia, will make it possible for buyers to purchase the number and quality of hogs they desire at the price they can afford to pay.

"All hogs that weigh 200 pounds are not worth the same amount of money," he declared. He pointed out the results of the carcass contest at the State Barrow Show in Americus last March. The top hog in the show had a carcass value of \$20.66 per hundred pounds live weight. This was \$4.08 a hundred live weight in value more than the poorest hog.

This means that for every hundred pounds the best hog weighed alive, it was worth over \$4.00 more than the poorest hog where it really counted — at the meat counter. However, under the present system both hogs would have brought about the same price to the producer.

The average for the 30 barrows in the carcass contest was \$18.46 per hundred on the live weight basis. These figures show that the top barrow in this group was worth \$2.40 more per hundred pounds than the average of all the hogs, while the poor hog was worth

SEVIN

INSECTICIDE

WEEVILS and WORMS that attack cotton are easy to control at low cost. Just SOCK 'EM with SEVIN! No other insecticide controls so many insects so efficiently and so economically. No other insecticide gives you all the advantages offered by SEVIN.

SEVIN provides powerful protection against boll weevils, bollworms, leafworms, fleahoppers, leaf rollers, fall armyworms, stink bugs, flea beetles, leafhoppers, striped blister beetles, grasshoppers, leaf perforators, and tarnished plant bugs. None of these pests has developed resistance to SEVIN. Even the most resistant boll weevils and fleahoppers are easy to control with SEVIN.

SEVIN is safer to use than many insecticides. All you do is follow simple precautions. No special protective clothing is needed. The drift hazard is greatly reduced with SEVIN, because SEVIN can be used on more than 25 different crops.

You make more money with SEVIN because you get better control of cotton insects. The new, low price of SEVIN has reduced the cost of this control. You save money because SEVIN protection is so durable and long lasting that you need fewer applications. SEVIN retains its effectiveness through strong sunshine and extreme heat.

Get SEVIN in dusts, or in the new easy-mixing sprayable formulation. You just put one-half of the water needed in your spray tank, add SEVIN Sprayable and use by-pass agitator to mix. Add the rest of the water and spray. Make sure to have 50-mesh screens in equipment. Don't worry about cotton insects — SOCK 'EM with SEVIN!

small for people to eat, yet too big for the young bass) and thereby overstocking the pond with bream. Thus by keeping the millions of small reproduction bream small for a year will allow the young bass to thin them out to a manageable number.

More disappointments have been caused by overfishing a newly stocked pond the first year than all others combined with the possible exception of putting catfish and other fish in the pond in addition to the hatchery fish. Both the young bream and young bass are easily caught that first spring, summer, and fall, and the temptation to catch them is very great. However, for the benefit of many years of future fishing pleasure, resist that temptation to catch them during that first year. Wait until you are sure the bass have reproduced, then happy fishing!

CRIMSON CLOVER SEED

Crimson clover seed production is down by 17 percent in Georgia, due mainly to adverse weather conditions in the spring, according to the Georgia Crop Reporting Service. The 1961 production of seed is 1,860,000 pounds, about 860,000 pounds less than last year.

Miss Carlyle Lanier and Dr. Salvador Buevas wed

By Mrs. John A. Robertson

Before a background of jade palms, a white column holding a large sunburst arrangement of white glads and pink peonies, flanked on each side with cathedral candelabra holding burning tapers, Miss Carlyle Lanier became the bride of Dr. Raul Salvador Buevas of Atlanta, at 3:30 p.m. Sunday, July 16, at the First Baptist Church in Brooklet.

The Rev. Kent L. Gillenwater performed the ceremony.

The bride is the daughter of Mr. and Mrs. James Bennett Lanier and Dr. Buevas is the son of Mr. and Mrs. Rafael Buevas of Bogota, Columbia, South America.

Mrs. W. D. Lee, pianist, and Mrs. Edwin Akins, soloist, presented the wedding music.

The bride entered with her father by whom she was given in marriage.

Her wedding gown was a classic princess styled dress of peau de soie, with shirred bracelet sleeves. The V decolletage was appliqued in Brussels lace. Her four tiered veil of hand-rolled French tulle was attached to

A Mary Queen of Scots cap. She carried a white orchid and Lily of the Valley.

Mrs. Andrew Joseph Edwards Jr. of Augusta sister of the bride, was matron of honor and only attendant. She wore a blushing pink Alencon lace over taffeta, made on princess lines and featuring a round neckline, dropping to a V in the back, with three-quarter length sleeves. She wore a head piece of pink horsehair and veiling, and matching shoes and gloves. Her flowers were asters, shading from light pink to deep rose.

Andrew Joseph Edwards Jr. of Augusta, brother-in-law of the bride served as best man. The usher-groomsman were James Bennett Lanier Jr., Jerome Kemple Jones, Frank Cleveland Rozier III, and Billy Lanier.

Mrs. Lanier, the bride's mother, wore a short, dark, rose Chantilly lace with matching accessories. Her corsage was a white orchid.

RECEPTION

Immediately following the wedding the bride's parents entertained with a lovely reception in the social hall of the First Baptist Church.

The color scheme at the reception was pink and white. The bride's table was covered with a cloth of organza and lace, with a three-tiered wedding cake, and an epergne of pink peonies and fernery, flanked by lighted candles.

Mrs. Buevas left for a wedding trip the bride wore a dress of white silk with duobinet accessories and the orchid from her white Bible.

On their return they will make their home in Atlanta.

Among the out-of-town guests were Mr. and Mrs. George Cooper of Gainesville, Georgia; Commander and Mrs. E. Lanier of Pensacola, Florida; Miss Loretta Cooper and Miss Carmen Buevas of Atlanta and George Reed Pearson III of Jacksonville, Florida.

MRS. BROOKS LANIER ENTERTAINS FOR MISS CARLYLE LANIER

Tuesday evening, July 11, Mrs. F. Brooks Lanier entertained the members of her bridge club and also with two tables of canasta in honor of Miss Carlyle Lanier, a bride of July 16. The Lanier home was attractive with arrangements of mixed summer flowers. The hostess served a delicious sweet course. She presented to the bride-elect china, in her chosen pattern and to Miss Carmen Buevas, a guest from Atlanta, she also presented a gift.

MISS CARMEN BUEVAS ENTERTAINS LANIER-BUEVAS WEDDING GUESTS

Saturday night at 8 o'clock, July 15, Miss Carmen Buevas of Atlanta, Mrs. Andrew Joseph Edwards Jr. of Augusta, Miss Ginny Lee and Mrs. W. Kemple Jones entertained the Lanier-Buevas wedding party with a delightful dinner in the banquet room of Mrs. Bryant's Kitchen in Statesboro.

The T-shaped table held a lovely floral arrangement of pink and white, the color scheme that was carried out in detail.

As the guests arrived they were served punch, and later the dinner was served from the banquet table. The menu consisted of melon ball cocktail, broiled chicken a la king, Maryland, with fluffy steamed rice, creamed egg gravy, congealed wedding bell sweetheart salad, green bean casserole, pickled beets, party pickles, home made rolls, blueberry muffins, Parfait with cookies, tea and coffee.

The guest list included Miss Carlyle Lanier and Dr. Raul Buevas, Miss Carmen Buevas, Mr. and Mrs. James B. Lanier, Mr. and Mrs. Andrew Joseph Edwards Jr., Mr. and Mrs. George Cooper of Gainesville, Miss Loretta Cooper of Atlanta, George Pearson of Jacksonville, Fla., Mr. and Mrs. Billy Lanier, Jimmy Lanier, Jerome Jones, Frank Rozier, Miss Jacques Jones, Miss Ginny Lee, Mr. and Mrs. Edwin Akins, Rev. and Mrs. Kent L. Gillenwater, Mrs. W. D. Lee, Mr. and Mrs. T. R. Bryan, and Mrs. J. Harry Lee and Mr. and Mrs. W. Kemple Jones.

MRS. HIRAM DOLLAR ENTERTAINS FOR MISS CARLYLE LANIER

Sunday, July 16, Mrs. Hiram Dollar Sr. entertained at 12 o'clock at her home with a lovely buffet luncheon in honor of Miss Carlyle Lanier and Dr. Raul Buevas with Mrs. Carl B. Lanier co-hostess.

The table was covered with a white linen cloth hand embroidered in pink roses. The color scheme, pink and white, was used in the flowers in the home and the menu.

The guests were the bride and groom, Mr. and Mrs. James B. Lanier, Jimmie Lanier, Mr. and Mrs. Joe Edwards of Clayton and Augusta, Mr. and Mrs. George Cooper of Gainesville, Miss Loretta Cooper, George Pearson, Mrs. Milane Ruston, Mr. and Mrs. Dell Hendrix, all of Atlanta; Frank Rozier, Billie Lanier, Mr. and Mrs. Hiram Dollar Jr. of Bloomingdale, Miss Carmen Buevas of Atlanta, Mrs. Carl B. Farm Safety Week set for July 23-29

"Safety is a Family Affair" is the theme for Farm Safety Week, proclaimed by Gov. Ernest Vandiver the week of July 23-29.

In his proclamation, Gov. Vandiver urged all citizens of Georgia to support and participate in this special effort to help reduce the number of farm accidents.

The two critical areas of rural highway and farm machinery safety will be stressed during this year's Farm Safety Week according to Willis E. Huston, agricultural engineer for the University of Georgia Cooperative Extension Service.

Huston said the Extension Service will work with the Georgia Farm and Home Safety Council and all other groups and agencies concerned with farm safety to help rural families become aware of the dangers in these and other areas. Four 4-H Clubs, home demonstration clubs and other groups will help emphasize the week in their communities, he said.

The areas of rural highways and farm machinery were selected because of the large number of fatal and crippling injuries for which they are responsible, Huston continued.

He pointed out that motor vehicle accidents claimed the lives of 5,300 farm residents in 1956. Some 4,700 of these were non-work accidents.

Recent studies also show that one out of 10 fatal accidents to rural residents involves farm machinery other than tractors and motor vehicles.

Observance of the week of July 23-29 as Farm Safety Week was also proclaimed nationally by President John F. Kennedy.

The observance is co-sponsored nationally by the Department of Agriculture and the National Safety Council.

GOOD OLD DAYS

Uncovered in some old school records in California are the following rules for teachers made by their school board in the 1880's:

—Each teacher will bring a bucket of water and scuttle of coal for the day's session.

—To conserve supplies, make your pens carefully. You may whittle nibs for the individual tastes of your students.

—Men teachers may take one evening a week for courting purposes, or two evenings a week if they attend church regularly.

—After 10 hours in school the teachers should spend the remaining time reading the Bible or other good books.

—Women teachers who marry or engage in unseemly conduct will be dismissed.

—Each teacher should lay aside from each pay a goodly sum of his or her earnings for their declining years so that we will not become a burden on society.

—Any teacher who smokes, uses liquor in any form, frequents pool or public halls, or gets shaved in a barber shop, will give good reason to suspect his worth, intentions, integrity and honesty.

—The teacher who performs his labor faithfully and without fault for five years will be given an increase of 25c per week in his pay, provided the Board of Education approve.

Wesley and Martha Satcher family meets

The descendants of Pickens Wesley Watson and Martha Satcher Watson held their reunion Sunday, July 2, at Herbert Watson's pond east of Twin City.

About 150 members attended and enjoyed the basket dinner spread in the spacious private Club House.

Luther I. Watson, president, led the meeting after dinner and began by introducing Rev. S. Carter Berkeley, Twin City Methodist minister, who gave a short enjoyable talk on our American and Family heritage, and why it should be so cherished and preserved.

Mrs. A. V. Holloway read the minutes of the last meeting. Mrs. L. L. Watson presented the Watson Coat-of-Arms and gave a brief history of it. She then recognized the six family groups of the original Georgia Family and each representative gave the information they had obtained on their family.

The next reunion will be held next year on the Sunday preceding July 4 at Hubert Watson's Pond.

The group elected the following officers: DeVane Watson, Statesboro, president; Mrs. J. P. Foy, Statesboro, vice-president; Mrs. Lawson Brannen, Metter, secretary.

Florence Smith and Billy Deal family reunion

Members of the family of Mrs. W. D. Deal and the late Mr. Deal held their annual family reunion Sunday, July 9, at the Recreation Center.

The union of Florence Smith and W. D. (Billy) Deal produced fourteen children, making it one of the largest and oldest families in the county, whose history can be traced to the Colonial Era in Georgia.

Of the fourteen children born these twelve are still living and were present with members of their families for the affair Sunday.

Miss Linda Powell, sister of the bride, served as maid of honor. She wore a dress of lavender silk organza and taffeta with a fitted bodice, ending in a point over the bouffant skirt. It featured a scalloped neckline and tiny cap sleeves. She wore a halo of matching lavender with a tiny circular veil. Her bouquet was a nosegay of lavender mums encircled with scallops of pearls.

Miss Lynn Forbes and Miss Virginia Gettis served as bridesmaids. They wore dresses of the same material and color as the maid of honor, but their bouquets and headpieces were identical to the groom attendant.

Little Jimmy Mitchell, groomer of the groom, was ring bearer and a niece of the groom, Cindy Mitchell, was flower girl. She wore a white embroidered tulle dress with long pointed sleeves and a sabrina neckline accented with garlands of sequin embroidered Alençon type lace. Panels of sequin embroidered lace radiated into the buoyant tulle skirt which flowed gracefully into a chapel train. Her matching head piece was of sequin stuffed lace and was topped with a tiny pearl coronet and held a wide floating elbow length veil.

She carried a white Bible, given her by the YWA, topped with a white orchid and showered with white carnations and satin streamers.

The mother of the bride chose for her daughter's wedding a sheath of ice blue lace with a pleated cummerbund from which flower tulle-length silk organza panels. She wore a matching blue picture hat. Her corsage was white carnations.

The groom's mother wore a sheath dress of lavender with a tiny lavender hat and white carnations.

Out-of-town guests for the wedding were: Mr. and Mrs. Arto Grooms, Phenix City, Ala.; Mr. and Mrs. Jim Mitchell, Fort Stewart, Ga.; Cindy and Jimmy Mitchell also of Fort Stewart, Ga.; Mr. and Mrs. Dan Higgs, Metter, Ga.; Mrs. Vera Perkins,

Miss Donnie Powell, Mr. Vernon Street wed Sunday, July 9

The Calvary Baptist Church, Sunday, July 9, was the scene of the marriage which united Miss Donnie Powell, daughter of Mr. and Mrs. J. C. Powell and Vernon Street, son of Mr. and Mrs. Cecil Street.

A selection of wedding music was presented by Mrs. George Dwinell, organist, and she accompanied Mrs. Don Scarborough as she sang, "I Love You Truly" and "O, Perfect Love."

The Rev. Auston Yeomans Sr., pastor of the bride and groom, performed the ceremony before a background of palms, under a white wrought-iron arch with standards on either side holding sunburst arrangements of white gladioli, large mums and lavender pom-poms. Standing cathedral and tree candelabras held lighted white tapers.

The groom chose as his best man his brother-in-law, Bobby Stubbs. His brother, Tommy Street, and another brother-in-law, Jim Mitchell, served as usher-groomsmen.

BABY TANTES

Corporal and Mrs. William Henry Simmons III of Camp Lejeune, Jacksonville, North Carolina, announce the birth of a baby daughter, Melynda, on July 18, at the United States Naval Hospital, Camp Lejeune, North Carolina. Mrs. Simmons is the former Miss Carolyn Faye Hagan, daughter of Mr. and Mrs. Wallace Hagan of Statesboro, who was called between 3 and 5 p.m.

We Go Places

Miss Sally Coleman, accompanied by her parents, Mr. and Mrs. G. C. Coleman Jr. and Miss Lois Gibson, left Sunday for Jennie Arnold Edwards Camp at Bogart, Georgia, where she will spend two weeks.

Miss Nan Simmons, daughter of Mr. and Mrs. B. H. Simmons Jr., will be a counselor in training at Jennie Arnold Edwards Camp, Bogart, Georgia, for the next four weeks.

Mrs. Daughtry hosted at tea honoring her sister Mrs. Avant Daughtry entertained for her sister, Miss Patricia Lanier at a tea on Tuesday at her lovely home on Cumberland Drive.

Mrs. Daughtry greeted the guests and introduced them to the receiving line composed of Mrs. Linton Lanier, Miss Patricia Lanier, Mr. and Mrs. James Doyle. The honoree was lovely in an azalea pink organza dress with a full ruffled skirt and molded bodice, worn with matching pink shoes.

The tea table was overlaid with a white imported linen cut work cloth, and centered with an arrangement of white gladioli and pink carnations on a silver tray.

Dainty assorted tea sandwiches, Petits fours, wedding bell mints, tea and punch were served the guests.

Throughout the home a color motif of pink and white prevailed in flower arrangements of asters, carnations and gladioli. A large marble coffee table in the living room had an arrangement of pink and white frosted grapes. The view through the glass panel in the den added the beauty of pink and white geraniums growing in beds of ivy.

Mrs. Mary Watson, Mrs. Roy Courington, Mrs. W. H. Saunders and Mrs. Eugene Clarke assisted the hostess in serving. Sixty guests called between 3 and 5 p.m.

3-DAY EVENT AUGUST 3-4-5

On Thursday morning, August 3, all Statesboro and Bulloch County will begin the observance of the Thirty-fourth anniversary of the Statesboro Tobacco Market, which opens today, July 27. The observance will be a three-day Bulloch County Tobacco Festival, under the sponsorship of the Retail Trade Committee of the Bulloch County Chamber of Commerce. Josh Lanier is chairman of the committee.

Leodel Coleman, president of the Chamber, said that Mr. Al Statesboro firms, on which will Gibson, executive manager of the Chamber of Commerce, is young ladies and small girls working with Mr. Lanier in the plans for the festival. He announced last week that Mrs. Edgar Hagan is the chairman of the Festival Beauty Pageant and that Don McDougald of Radio Station WNNW will be master of ceremonies for the parade which will be held in the city along South Main, to the Recreation Center where it will "break up." Mr. Don McDougald of Radio WNNW announced that the parade will be carried "live" on the radio. Friday night beginning at 8 p.m. the Statesboro Business and Professional Women's Club will sponsor a square dance on the Piggy Wiggy parking lot. There will be an admission charged with the proceeds to go into the BBW's nursing scholarship fund.

AUGUST 3—OPENING DAY BARGAINS FOR ALL
On Thursday, August 3, the Festival will be officially opened. All Chamber of Commerce members who operate retail stores will feature real, money-saving specials to induce visitors to Statesboro to shop during the three-day event. The Chamber of Commerce members will be decorated in the tobacco theme. Each store will provide facilities for visitor registration for the prizes to be given away Thursday afternoon at 5:30 o'clock. It is not necessary that they make a purchase in order to register. Registrants whose names may be called for the prizes, must be present to win. The prizes will be made on the courthouse square. As of Friday there were twenty-one entrants in the Princess contest and eighteen in the Queen's contest, and more were expected before the Tuesday, July 25 deadline. (See Beauty Pageant story in this week's Herald.)

AUGUST 4—SECOND DAY BIG PARADE AT 6 P.M.
Arrangements have been made for a special Military Display on the courthouse square which will be of general interest to all visitors. There will be more lemonade, for free. The big Festival Parade is scheduled to begin at 6 p.m. There will be marching bands music, horse-

Chicago Bound
The streets of the city will be decorated during the three-day event to focus attention on the Chamber of Commerce's First of many exciting promotions for the retail merchants and the citizens of the county. Mr. Gibson, of the Chamber of Commerce said.

Local tobacco market begins 34th season today; crop good, prices expected to be higher

Local tobacco warehousemen predict that sales on the local market will be better than last season, both from the price standpoint and volume. Sales will begin this morning at 8:30 a.m. as the auctioneer begins the familiar chant that only the tobacco buyers, warehousemen and sales personnel will understand.

The 34th tobacco auction in Statesboro will get underway here today with two sales starting at eight-thirty.

Prospects are bright for one of the best seasons here since the market was established in 1928. The crop is good in both quantity and quality and yield is expected to equal that of last year when Bulloch county produced 5,473,529 pounds.

Statesboro will operate with four firms this season. The firm of Cobb and Foxhall and Sheppards have consolidated and will operate as Sheppard, Atkins and Sugg. The new firm is composed of H. E. Atkins, a Bulloch county farmer, J. T. Sheppard and Harding Sugg both of North Carolina. Aubert Brannen and A. J. Brannen Jr., natives of Statesboro will again operate the Farmers Warehouse and the New Statesboro Warehouse. Guy Sutton will again operate the Farmers Warehouse and the New Statesboro Warehouse. Cecil Wooten, Ed Wiggins and George Sugg.

The Statesboro market, largest in physical size in the Georgia-Flores Belt, has thirteen warehouses covering 775,000 square feet of floor space. The market has grown from a two house market in 1928, selling 2,306,288 pounds the first season, to as high as twenty million pounds in 1953. Statesboro has led the state since 1946, with the exception of one year.

Two full sets of buyers representing every major company buying bright leaf tobacco will be on the Statesboro market. The companies buying here are: American Tobacco Company, R. J. Reynolds, Liggett, Myers, Imperial, Export, Farmville, Venable, Fields and Southern.

For the first time since the market was established here in 1928 the name Cobb will not appear on a sales card.

43 members of bomb scoring unit now here

Forty-three members of the Twelfth Radar Bomb Scoring Squadron of the Strategic Air Command, now located at the Statesboro Air Force Base, have moved to Statesboro with their families.

Of these, 11 do not have any dependents. The other thirty-two have a total of eighty-five dependents.

The roster includes four officers and thirty-nine enlisted men. Fourteen additional enlisted men are expected to move here during August and September.

ALVIN W. ALLEN promotes Allen to supervisor

N. W. Rowand, General Manager of the Statesboro Division, Rockwell Manufacturing Company, announced today the promotion of Alvin W. Allen to supervisor of the local plants.

Mr. Rowand states that both of these promotions are in line with Rockwell policy of promoting and upgrading from within wherever possible.

"Al" Allen is the son of Mr. and Mrs. J. W. Allen of Statesboro, a lifetime resident of Bulloch County, a graduate of Statesboro High School, attended Georgia Southern College and is married to the former Sylvia Brunson of Statesboro.

Mary Alice Belcher is Rec. Center 'Miss Memorial Park'

The Memorial Park Pool was the scene of the Annual Miss Memorial Park Pageant on Friday night, July 21, at 8 p.m.

The pool was decorated beautifully by using the Old South as the theme. Balloons floated in the water with a string of balloons in the center of the pool designating a fountain. Flowers and greenery outlined the path of the 23 contestants.

Four of the past five queens were seated under umbrellas in a flower garden with each one wearing a star which designated the year in which she reigned as "Miss Memorial Park."

The climax of the evening arrived when Miss Patricia Murphy, crowned Miss Mary Alice Belcher "Miss Memorial Park" for 1961, Miss Belcher is the daughter of Mr. and Mrs. Robbie Belcher of Brooklet.

Miss Elaine Scott, daughter of Elder and Mrs. T. Roe Scott, was first runner-up. Miss Lucy Holleman, daughter of Mr. and Mrs. Nathan Holleman, was second runner-up.

Mrs. Eloise Hunnicutt was emcee for the pageant. Judge for the pageant were Mrs. Harry Harrington of Savannah, Mr. Patrick Yeager, Mr. Everett Williams, Mr. Tiny Hill, and Mr. Eddie Rushing.

Miss Marilyn Denmark was in charge of decorations and directing the pageant. Paula Kelly assisted the contestants from the plantation house to the pool area.

"MISS MEMORIAL PARK" for 1961, Mary Alice Belcher is shown above with her escort, Barney Fordham. Lucy Holleman was second runner-up and is shown in the left of the picture with her escort, Bill Pickens. Elaine Scott, first runner-up is on the right and with her is Billy Newsome. Mary Alice is the daughter of Mr. and Mrs. Robbie Belcher and is a graduate of Southeast Bulloch High School. The "Miss Memorial Park" contest was held at the Fair Road Center on Friday night of last week.

MR. PAUL ALLEN, right above, is shown with the Allen family — all helping to harvest their tobacco crop for marketing. Left to right is Mrs. Tony Allen, Tony Allen, Glenda Faye Allen and Mrs. Paul Allen.

Entire family makes up typical tobacco farm "team" in Bulloch

By ANN HENDRIX
Mr. and Mrs. Paul Allen and family of Route 1, Portal, are typical of those who raise tobacco in this section. Of his whole farm of 370 acres, Mr. Allen plants eight and seven-tenths of tobacco which includes two and four-tenths of rented tobacco. For the past five years Mr. Allen has made approximately one ton of tobacco per acre except for one year.

In 1956 Mr. Allen added a 20 acre parcel to his farm which he has since divided into two parts. He has now a total of 390 acres. He has made around 2,100 pounds per acre.

Mr. Allen has bought his father's home place and remodeled it into a four room house. Mr. and Mrs. Allen live there with their children, Glenda Faye, 13, Tony, 19, and his wife, LaFaye.

All of the family help in the tobacco. Mrs. Paul Allen works in the shipping department at Rockwell and helps when she is home. Mrs. Tony Allen is in training as an X-ray technician at the Bulloch County Hospital, and also helps in her spare time. Tony, who is a "cropper," will return to Southern Tech in the fall.

Mr. Allen has a real good crop of tobacco this year. He grows Hicks' Broadleaf and raises his own plants. He usually has extra plants which he offers for sale.

Bulloch County grower reports best insect control he ever had with a season-long endrin-methyl parathion program

John Cromley, Brooklet, Georgia, says, "I stuck with endrin-methyl parathion right through the season last year and got excellent cotton insect control. In fact, it was the best control I have ever had. I certainly plan to use this endrin-methyl parathion mixture from now on."

Long-lasting control
Endrin's long-lasting power keeps your cotton protected for many days. You make fewer applications. And, regular endrin-methyl parathion applications discourage mite build-up.

Stay on schedule
If you want to pick high yields of top quality cotton, use endrin-methyl parathion. Follow the dosage and timing recommendations of local authorities. Endrin-methyl parathion combinations are available as easy-to-use liquids and dusts. Order yours today.

Short course on beef cattle to be July 28

The University of Georgia's annual Beef Cattle Short Course will be at the University's beef cattle barn on College Station Road in Athens on July 28. Dr. R. A. Long, head of the animal husbandry department, announced.

Dr. Long said the course is to be at the barn this year so that those attending will be able to see cows, calves and yearlings on which records are available for a demonstration on grading, weighing, and identification.

C. S. Radebaugh, first vice-president of the American Cattlemen's Association, will meet with Georgia cattlemen at the course to discuss how they can help themselves. He will speak immediately after lunch.

Beef Cattle Improvement will be the topic for the morning program beginning at 9:30 a.m. Extension animal husbandmen will discuss the "How" of improvement, and W. M. Warren, head of the animal husbandry department of Auburn University will speak on the "Why," Dr. Long said.

George Litton, head of the animal husbandry department at Virginia Polytechnic Institute, will speak on Feeder Calf Sales during the afternoon.

The short course is sponsored jointly by the Georgia Cattlemen's Association, the University of Georgia animal husbandry department and the University's Cooperative Extension Service.

Seed cotton containing more than seven percent moisture is too wet to be ginned properly, says Extension Cotton Marketing Specialist Richard H. Long.

Brian Shelton, formerly of West Palm Beach, Florida, now of 106 S. Main, Statesboro, recently received promotion from feed sales representative to district sales manager with his company.

Two ministerial students here for two weeks
Two Ministerial Training Students of the Christian Church will be in Statesboro for a period of two weeks beginning Sunday, July 23, to assist in the work of the First Christian Church of our city.

These two young men, Mr. John Holland and Mr. John Thompson, will participate in the morning and evening worship services on Sunday and conduct the mid-week prayer services on Thursday.

This program of training, sponsored by the Peachtree Christian Church of Atlanta, gives these student ministers an opportunity to gain greater understanding about the work of the ministry and to gain some practical experience in the field. They, along with others, will serve various Christian Churches in Georgia for a period of seven weeks. While in Statesboro they will be under the supervision of the official board of the First Christian Church, of which Mr. W. H. Armstrong is pastor.

Mr. Holland, a native of Clifton Forge, Virginia, is a student at Carthage College, Carthage, Illinois. Mr. Thompson attends Central College in Fayette, Missouri, and his home is in Nevada, Missouri.

Well planned and executed timber sale can not only increase present income, but also improve the future earning power of timberland, says Extension Forestry Marketing Specialist S. Nelson Brightwell.
