Tobacco Golf Tourney to be played at FH August 13

The Third Annual Tobacco Golf Tournament will be played at Forest Heights Country Club on Sunday, August 13, with the club acting as host to this golfing event.

Ike Minkovitz, club golf committee chairman, and Lewis (Bo) Hook, tournament chairman, in announcing the tournament this week, said that all club members and non-resident tobacco-men working in the South Georgia area, are eligible to participate in the one-day tournament. Men will play eighteen holes and ladies will play nine holes, they say. Tee-off time is 12 o'clock noon, August 13.

According to Mr. Minkovitz and Mr. Hook the Calloway system of handicapping will be used.

A tournament field of at least eighty golfers is expected. Golfers who are interested in participating in this tournament may contact: Club Professional Art Kraft at the Country Club not later than Friday, August 11. The entry fee for men is \$3.50 and for ladies, \$3. This includes green fees, prizes and the buffet following play. The wives of the tobacco men who play in the tournament will be the guests of the club at the buffet.

Junior League is second in tourney

By KILBERT L. MILHOLLIN

The Statesboro American Legion Post 90 Junior League team wound up its season by winning second place in the First District tournament in Swainsboro. Statesboro beat Port, Lyons and Sylvania. The loss came on Saturday, August 5 to Swainsboro. Statesboro's starting catcher, Robert Mallard, was injured in the first inning and numerous errors were given the credit for Statesboro's loss.

The Junior League team had an impressive season's record of won 9 and lost 4. Practically every player on the team played equally outstanding the entire season. The leading hitters were Wayne Howard, David Minkovitz and Jamey Beasley. Jamey Beasley did an excellent job throughout the season and tournament in the pitching department. Jimmy Wiggins and Wayne Howard were also outstanding on the mound. Not to go unpraised is Phillip Hodges, the first sacker who has played very well all along. Other standouts were Johnny Johnson and Lamar Bagby at second.

Kikie Scott at short, Bill Davis in right, Connie Young in center, Brad Evans and John Hart as utility men, and a very fine catcher in the person of Robert Mallard. The people of Statesboro and the player's parents can all be proud of this Statesboro American Legion Post 90 Junior League team.

Little Olympics scheduled at Rec. Center August 17th

Plans were released this week for the annual Little Olympics Day sponsored by the Statesboro Recreation Department. The day for the event will be Thursday, August 17 and the probable starting time will be 3 p.m.

Every year at this time the Fair Road Center becomes crowded with the eager young

track and field stars of Statesboro and Bulloch County as they compete for the colorful ribbons and the trophy given to the high point man in each age group. This year there will be five divisions arranged according to ages. The eight-year-olds will make up one group while the nine, ten, eleven and twelve year-olds will make up the other four divisions.

An afternoon full of excitement will be displayed as these "stars of tomorrow" participate in such events as the 100 and 50 yard dashes, Baseball Throw, Chin-ups, Broad and High Jumps and several others.

The climax of the afternoon will be the awarding of the ribbons for the first five places in each event in each division. Then will come the trophy for the high point man in each division.

Cobb Vets win Softball Tournament

By MAX COLLINS

On Thursday the Cobb Vets took the title of champions as they put down Nic Nic Grille by the score of 6 to 5.

The winning pitcher was Ray Williams and losing pitcher was Mynord Dykes. Williams gave up nine hits and walked three men while the losing pitcher, Dykes, gave up only six hits and walked six men.

Leading hitters for the winners was J. B. Seacore who had two for four, Roger Parsons, John Akins, Ray Moore, and Waugh all had one for four. Pacing the losers was Scruggs, who had three for four.

This was the final game of the softball season. Coach Ray Williams stated that he thought this year's league was one of the best softball leagues that he had ever seen. He said that there was more hustle and more interest than he had ever seen before.

Little League All-Stars win first place

By MAX COLLINS

Saturday the Statesboro Little League All-Stars went to Port Wentworth to participate in their annual Little League Invitational Tournament. At 10:00 A.M. Statesboro went against Garden City, and at 2:00 P.M. Sylvania went against Port Wentworth. At 4:30 the two winners went against each other.

In the first game, Statesboro went over Garden City by the score of 6 to 0.

Left-handed Vick Page went all the way for Statesboro while Garden City tried three different hurlers.

Miss Belcher on leadership award vacation

PINE MOUNTAIN, GA.—Miss Mary Alice Belcher of Route 2, Statesboro, who served as vice president of the state 4-H council last year, vacationed recently at Callaway Gardens here as the winner of a Leadership Award.

A family vacation was presented to the 12 outstanding student leaders in the State 4-H Club by Callaway Gardens.

Miss Belcher was the state winner in her home industries project which won her a trip to the National 4-H Congress in Chicago. She won another trip to Chicago by baking the best cherry pie in the state contest.

At Callaway Gardens, she participated in a supervised recreation program and received instruction in water skiing, arts and crafts, circus acts, nature study and other activities.

The recreation program is conducted by students in the FSU Circus which has "summer quarters" at the gardens with eight shows weekly through Sept. 4th.

Miss Belcher, a graduate at Southeast Bulloch High, is past vice president of the Beta Club, a cheerleader, glee club, and was "Miss Southeast Bulloch of 1960."

Queen of Hearts meets with Mrs. Emmett Scott

On Thursday afternoon Mrs. Emmett Scott was hostess to Queen of Hearts Bridge Club at her home on South Main St. Her collection of African violets decorated the living room.

Those winning lovely prizes were Mrs. Ray Williams, top scorer; Mrs. Sam Brewster, with floating; Mrs. Edwin Cook, low and Mrs. John Woolley winning cut.

Others playing were Mrs. Frank Gettis, Mrs. Sam Haun, Mrs. Mark Toole, Mrs. Thomas Nasworthy, Mrs. Wendell Rockett, Mrs. John R. Patton and Mrs. Chester Hanberry.

The hostess served sherbet in gingerale and cookies before the games; after games Coke and nuts were served.

We Go Places

Mrs. Acquilla Warnock left Sunday morning for Atlanta where she will join her sister-in-law, Mrs. G. B. Griffin and they will go to Asheville, N. C. where they have reservations at the George Vanderbilt Hotel. They have planned sight seeing trips in the mountains. Mrs. Warnock will be away for ten days.

Mr. and Mrs. Hubert Wood of Atlanta were guests of Mrs. Wood's sister, Mrs. E. W. Barnes and family and have spent some time at Savannah Beach. Mr. and Mrs. Charles Hendrix and little daughter, Melissa, spent the weekend with Mr. and Mrs. Bucky Atkins at the Atkins' Beach House.

Wedding plans are announced for Grimes-Hagins rites

Of cordial interest throughout this section are the plans for the wedding of Miss Shirley Ann Grimes, daughter of Mr. and Mrs. J. Carl Grimes and Bill Hagins, son of Mr. and Mrs. W. M. Hagins.

The marriage will take place at 7:00 o'clock Saturday evening, August 12, at the Twin City Methodist Church with the pastor, the Rev. Carter S. Berkeley, officiating.

The bride will be given in marriage by her father. She has chosen as her maid of honor, Miss Brenda Moore and the bridesmaids will be Misses Mary Andrews and Gail Harper, all of Twin City.

Mr. Hagins will have as his best man, his father, W. M. Hagins and usher-groomsmen will include Ronnie Grimes, brother of the bride-elect and Windy Hagins, brother of the groom-elect.

The wedding music will be presented by Mrs. Anne Waters, organist and Mrs. Fred McNatt of Augusta.

Carole Boatman celebrates her twelfth birthday

Miss Carole Boatman, daughter of Mr. and Mrs. C. M. Boatman, was honored at a birthday party Wednesday afternoon at her home on Gentry Road. Her mother called Carole's friends to come and join in celebrating her twelfth birthday. The party began at five-thirty. They danced in the house and they played games outside. They enjoyed a hamburger supper and the lovely birthday cake. Carole received many lovely gifts.

Party guests were Billy Kelly, Carolyn Abbott, Stacy Webb, Janice Brannen, Lance Foides, Carroll Davis, Eleanor Amason, David DeLoach, Cleve Ellis, Bill Hook, Karen Morris, Janet Smith, David Tillman, Joan Robinson, Van Lanier, Deborah Hagan, Al Baldwin, Marty Byrd, Mikell Ellis and Nancy Ellis.

Following the ceremony, Mr. and Mrs. Grimes, parents of the bride-elect, will entertain the wedding guests at a reception at the community house.

Miss Mary Quick becomes bride of James M. Beasley

Miss Mary Eva Quick, daughter of Mr. and Mrs. B. V. Quick, became the bride of James Morgan Beasley, son of Mr. and Mrs. Cecil Jack Beasley of Statesboro, on Saturday, July 29, at 5:00 p.m. in the Gracewood Baptist Church.

The double ring ceremony was performed before an arrangement of white gladioli and chrysanthemums with seven branch candelabras on either side. The Rev. J. W. Grooms officiated.

Wedding music was rendered by Mrs. George Dwinell, pianist, and Mr. George Dwinell, soloist, who sang "I Love You Truly" and "Where Thou Goest."

Given in marriage by her father, the bride wore a gown of Chantilly lace. The fitted bodice was designed with a scalloped neckline with fitted three quarter length sleeves. Her fingertip veil of illusion fell from a crown of orange blossoms. She carried a white Bible topped with a white orchid.

Mrs. Bobby Robbins, was matron of honor and Mrs. Kelly Lanier was bridesmaid. They wore light blue dresses and carried bouquets of red rose buds.

Mr. Cecil Jack Beasley served as his son's best man. Mr. Johnny Wilson served as usher.

Bridal party fetes Miss Carol Godbee bride-elect of Aug. 6

An interesting event of the season was a "bridal party" given by Mrs. Walton Nesmith, Mrs. Charlie R. Deal and Mrs. Charles Deal in the Nesmith beautiful country home in Nevis on Friday evening at 4:30 o'clock. The home was decorated throughout with multicolored summer cut flowers with the center of interest focused in the spacious living room with a large arrangement of giant pink dahlias and lacy greenery. This happy event was in honor of Miss Carol Godbee, a lovely bride-elect of August 6. Carol was attired for this occasion in a smart blue sheer dress accented with embroidery in white and matching blue shoes and other accessories, which included a white fringed carryall, corsage, which was a gift from the hostesses.

The dining room scene was a thing of beauty with the white and ice blue cut work table cloth overlaid on ice blue background with a centerpiece arrangement of a silver wedding ring, filled with sweethearts and roses and pink altheas with three blue lovebirds perched at intervals on pinks of pink and blue net. Silver trays held banks of fancy party sandwiches shaped like pink wedding rings and stacked tiered pink hearts. A silver strand held nuts and pink mints adorned with light blue wedding bells. Mrs. Charlie Deal served pink punch from one end of the table and Mrs. Nesmith served the pink cherry angel food cake. A wedding bell embedded in a bunch of lily-of-the-valley tied with blue ribbon on pinks of pink and blue net were given to each guest as they left the dining room.

Your immediate attention was drawn to the elaborately decorated buffet which was centered with a miniature bride and groom flanked on either side by silver candelabras, which held ice blue tapers from which blue satin streamers were attached to the arrangement.

Many interesting games were conducted by Mrs. Charles Deal of which the most exciting ones were the individually written advices and messages for Carol's scrap book and the "Sense of Smell" game of kitchen spices wrapped and concealed in foil for each to smell. Those winning prizes were Mrs. Franklin Rushing, Mrs. Harold Smith, Penny Sue Trappell and Mrs. H. H. Godbee.

The bride's gift from the hostesses was a set of sterling silver salt and pepper shakers. Invited guests were the honoree, Miss Carol Godbee; her mother, Mrs. H. H. Godbee; the groom's mother, Mrs. A. R. Snipes; Mrs. Franklin Rushing, Mrs. Freston Turner, Miss Pat Moore, Mrs. Bobby Martin, Miss Sarilyn Brown, Miss Jeanell Rushing, Mrs. R. C. Martin, Miss Donnie Anderson, Misses Vanda and Zenda Anderson, Mrs. J. S. Anderson, Miss Shirley Jenkins, Miss Delores Aycock, Miss Mary Alice Belcher, Mrs. Harold Smith, Miss Sherry Lanier, Miss Niki Ansley, Miss Sandra Nesmith and Miss Kay Hendrix.

Proper drying will up peanut income

By ROY POWELL
County Agent

When harvesting, cut the taproot of the peanut plant just below the area of nuts. To do this, peanut digger blades should be sharp and adjusted relatively flat.

A dull blade, set with too much pitch will very likely drag peanuts from vines. The slight pitch and thickness of the blades will generally lift and loosen soil around peanuts sufficiently for good mechanical shaking.

Under most conditions, shaking and winnowing of peanuts is best accomplished with the overhead type peanut shaker. With proper adjustment of blades and shaker, excessive soil and rocks in peanuts may be avoided.

If digger blades are functioning properly, it is easy to adjust shaker height to suit only a soil-combing action of the teeth without dragging shaker through the soil. Spread of the shaker-conveyor unit should be adjusted to the forward speed of the machine.

Keep the windrowing rods adjusted to form a loose, fluffy windrow about the width to suit the combine to be used. Avoid adjustments that leave a narrow twisted windrow.

It is strongly recommended that the shaker-windrower be factory equipped or improved with a heavy drag bar to the rear of the peanut shaker rack. This equipment smooths the soil which contributes to less picking up of rocks and soil, less damage to peanuts, particularly where weather is adverse, and more uniformity in drying.

Corn acreage down by 334,000 acres

Extension Economists report that Georgia corn acreage planted this year is down by 334,000 acres from last year.

According to recent average yields about 10 million bushels could have been produced on those acres. If consumption continues at recent rates, an increase in purchases will be needed, largely from the Corn Belt. This may mean that corn prices will be above average for the coming year.

A sharp change took place in corn prices from the first half of the 1950's to the last half of the last five years, the price has averaged about \$1.24 per bushel. The price of the six preceding years averaged \$1.66.

Certified seed will improve farm income

Certified seed helps give farmers crops that are locally adapted and can be depended upon to make money for them when they have met other production requirements such as soil, lime, fertilizer, moisture and cultural practices.

In Georgia, the list of varieties and hybrids eligible for certification are reviewed each year by agronomists, horticulturists and seed inspectors. These specialists take a look at performance in tests of seed.

Field crop varieties and hybrids must be tested at least three years before they are eligible for certification. Varieties and hybrids falling behind in performance are dropped.

Farmers that buy certified seed are buying seed that has been inspected in the field and at seed laboratories, assuring them of higher standard seeds.

Farmers' share of food dollar is 39 cents

The farmer's share of the food dollar last year was 39 cents. It was 40 cents in 1940 and 51 cents in the war year of 1945.

Economists point out that the farmer's share of the food dollar declines as the amount of food processing increases. The wheat grower's share of the dollar spent for white flour, for example, is 33 cents.

When the flour is mixed with other ingredients and baked as white bread, the farmer's share for his wheat drops to 11 cents. The corn grower received 18 cents of the dollar spent for cornmeal and 9 cents of the dollar for cornflakes.

CALF CROP

Georgia's 1961 calf crop is expected to total 593,000 head, a drop of one percent from last year's crop. However, this is a 3,000-head increase over the 10-year average for 1950-59, according to the Georgia Crop Reporting Service.

Wild fires damage from one-fourth to one-half million acres in Georgia each year, report Extension foresters.

Production of tall fescue seed in Georgia this season is estimated at almost 1,500,000 pounds, reports the Georgia Crop Reporting Service.

More than one-fifth of all accidents sustained by children while playing involve tricycles or bicycles, according to Miss Lucile Higginbotham, head of the Extension health department.

One hundred and 53 Georgia counties now have organized forest fire protection units, according to Extension foresters.

Two sections of Bulloch roads in contract letting

Two sections of Bulloch County roads were included in the contract letting by the State Highway Department on July 27 in Atlanta.

Holland Construction Company of Mt. Vernon was apparent low bidder on the construction of 13.26 miles of resurfacing on the State Route 67 to Springfield Road, State Route 119, beginning at the intersection of State Route 67 and extending east to the intersection with State Route 28-U, S. 80. The bid was \$80,220.20.

General Contracting Company of Vidalia was apparent low bidder on the construction of 40.32 miles of widening and resurfacing as follows: 11.31 miles on the Vidalia-Swainsboro Road, State 297, beginning at State Route 46 south of Nunez and extending north to State Route 4, north of Nunez; also 4.7 miles on the Swainsboro Statesboro Road, beginning at State Route 56 in Swainsboro and extending east to State Route 67 at Hopkirk. The apparent low bid was \$392,841.10.

A total of apparent low bids of \$12,965,998.60 were received by the State Highway Department on the first contracts to be let under the Vandiver Administration's 100-million dollar Highway Authority bond program, according to Highway Board Chairman Jim L. Gillis.

Last Thursday's letting consisted of 45 contracts providing for the widening and resurfacing of 1,118 miles of primary and secondary highways in eighty-six Georgia counties.

Carl Hodges to speak at GSC commencement

Mr. Carl V. Hodges, President of the Georgia Education Association and superintendent of schools at Fitzgerald, will deliver the Commencement Address at Georgia Southern College.

Commencement will be held in McCowan Auditorium on Thursday, August 17, at 10:30 a.m.

Mr. Hodges is an alumnus of Georgia Southern College. He received his B.S. in education degree here in 1934. He received the M.Ed. degree from Duke University of South Carolina and a New York University.

A native of Guyton, Ga., Hodges became superintendent of schools at Fitzgerald in 1948. Prior to that he taught and coached in Effingham, Bulloch, Camden and Warren Counties. He has also served as elementary and high school principal at Kershaw, S. C., and as supervising principal at Blackshear.

A past president of the Fitzgerald Rotary Club, he is presently director of the former Gwendolyn Ulmer of Effloree, S. C.

them courteously for about a 3-minute conference in his office.

The Reverend Mr. Holmes, pastor of the Centenary Methodist Church on Simpson Road in Atlanta, was the spokesman.

THE INTERVIEW

The interview followed these lines:

Holmes said the NAACP group was interested in modifying the Senate cloture rule. (This is Senate rule XXII which requires a two-thirds vote of those present to shut off debate and stop a filibuster. So-called Senate liberals want to modify this rule to make it easier to curb southern filibusters against civil rights legislation.)

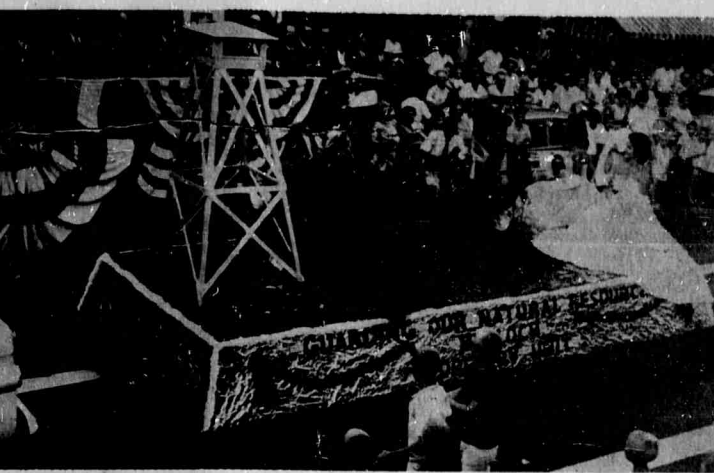

TALMADGE replied that the Senate rule has been in effect since the days of the Founding Fathers, that it was modified in 1917 and in 1959 and that "actually, it protects minorities."

"I shall continue to support it," the Senator said. "If you study history you will find that the Senate has been used by minorities. If the Reichstag had had such a rule there would have been no Hitler, and if the Italian Parliament had had it there would have been no Mussolini."

WONT ARGUE

When Holmes sought politely to argue the point with TALMADGE, the Negroes sitting around the office listening intently, the Senator said: "I've stated my views on it and I'm not going to argue with you about it. You're not going to change my mind. If you go back and study it you might change your mind. The first time somebody tried to change it they wanted to abolish habeas corpus. Never has any filibuster prevented the passage of legislation the people want."

As the Negro minister interrupted to make another point, Talmadge stopped him, politely but firmly, and said, "Now, Preacher, we could argue about it until kingdom come and I'm not going to change my mind."

Farmers urged to vote ASC election

An increased voting participation by the farmers of Bulloch County is urged in this year's ASC Committee Elections. A large vote is especially hoped for this year since the Secretary of Agriculture has emphasized the vital importance of the local administration of our farm programs by ASC county and community committees.

This year the Secretary has given added recognition to ASC county and community committees. The regulations have been changed to place the responsibility for holding the committee elections with the county and community committees now serving. In other matters, also, the committees have been given enlarged responsibilities.

By getting a large vote in the elections this year, it will insure that the committees elected will be as representative as possible of the farmers they serve. All ASC committee members and ASC County Office personnel will

Growers of peanuts and potatoes vote for self-help program

MACON, GA., — August 3: The Georgia Farm Bureau Federation, and member Georgia's Agricultural Commodities Commission reported that state's peanut producers had voted a 17 to 1 ratio in favor of such a program. Sweet potato growers voted better than a 9 to 1 ratio to carry out a similar marketing program on Georgia grown sweet potatoes.

Paul Nesmith of Statesboro is a producer member of the Peanut Commission.

The announcement followed a tabulation of votes cast in referendums concluded July 25. "Peanut farmers rolled up a total of 10,430 completed votes cast," Brown said. "Sweet potato growers cast 8,838 votes for the grower program with 691 producers voting against. Not included in the total votes cast were 73 ballots that were incomplete."

Peanut producers thus rolled up a two to one margin over the monetary required by the promotion, research, educational program. For the program to become operative, twenty-five percent of peanut producers with two-thirds of those balloting were required to vote.

Sweet potato growers voted 386 to 42 in favor of the marketing order on Georgia grown sweet potatoes. Some 652 commercial potato growers were qualified to cast ballots and 438 did so. There were only 3 incomplete ballots cast among sweet potato growers.

Producer members of the Peanut Commission included: W. J. McKemie Jr., Chairman, Columbus; E. M. Rynolds, Vice Chairman, Arabi; James H. Moore Jr., Chula; Paul Nesmith, Statesboro; and Billy Newberry, Arlington.

Grower members of the sweet potato commission included: Harry Lutz, Leesburg, Chairman; Eugene Adams, Norman Park; J. W. Aultman, Macon; J. T. Mayfield, Cairo; and Gibbs Patrick, Omega.

The potato marketing order required a minimum of 51 percent of the voters producing a minimum of 65 per cent of commercially grown potatoes voting in favor.

The program will be financed by a 2 cent per bushel assessment on all sweet potatoes grown in Georgia and marketed for human consumption, and \$1 per ton of sweet potatoes.

The Georgia Farm Bureau Federation had backed the program, and worked for the past several years to obtain the right for farmers to engage in such programs.

To Build A Better Georgia for Georgians

It is true we need outside capital, but to make Georgia a more progressive state, we Georgians must invest more of our own talents, energies and savings in planned programs of economic and cultural development.

Our natural resources have scarcely been touched. Hundreds of thousands of idle acres are not producing crops of any kind—not even timber. Farm credit in Georgia has always been too tight. We need some kind of state program to work with our farmers in securing a reasonable credit line over a long-range period, at reasonable interest rates. We need a program for children and youth to stimulate and to develop to the fullest extent, this richest of our resources. Such programs must be launched without increasing your tax burden and mine. Our tax income grows with our increasing population and rising economy. The savings of business-minded state officials will help us achieve the goals necessary for a greater Georgia. I am seriously contemplating being a candidate for Lieutenant Governor of Georgia next year. Please write me if you agree with any or all of the ideas expressed herewith.

Even more modern than they look

MORE THAN 2,000 commercial buildings in Georgia are using electricity to maintain a preselected climate all year round. Flameless electric heating-cooling systems provide ideal temperature control—automatically.

The increasing commercial use of electric heating-cooling systems proves, beyond question, their dependability and economy. Owners and tenants have learned that these electric systems are wise investments that will pay off generously through the years in employee and customer comfort and enjoyment—and in solid value added to the buildings.

Want to know more about this modern method of indoor climate control? Just ask at any Georgia Power Company office.

The Tobacco Festival was a great success. All those taking part in the arrangements for the parade are to be commended for the extra good job they did.

The young ladies who were trying out for the Tobacco Queen were all lovely.

The very young ladies who were trying out for Tobacco Princess were very pretty.

I am sure the judges found the task of choosing the Tobacco Queen and Princess a very difficult job to do.

Many of the Bulloch County citizens were on hand for the Parade last Friday evening and I believe everyone enjoyed the parade and the free orangeade and lemonade.

On behalf of the many farmers, let me say "Thanks for a job well done." To Mr. Ledell.

She didn't expect to have baked rattlesnake for supper that day

By ANN HENDRIX, Portal Correspondent

Last Thursday evening when Mrs. Jessie Legette reached into her oven for a frying pan, she was confronted with a rattlesnake.

She said when the snake struck it hit the frying pan and almost knocked it out of her hand.

Mrs. Legette called her husband and he killed the white diamondback rattler with a rake handle. Mr. Legette said the snake struck at the rake handle before he killed it.

The rattler was about two and one-half feet long and not very big. This makes the third snake killed at their home.

Rec Center to sponsor swim meet August 18

The Statesboro Recreation Department will sponsor the Bulloch County Involational Swim Meet Friday night, August 18, at 8 p.m. at the Memorial Park Swimming Pool.

The meet will be under the direction of Jimmy Brock who routes all residents of Bulloch County between the ages of 6 to 15 years to participate in this final swimming meet of the 1960-61 season.

Ribbons will be presented to the first five places with two trophies being given one each to the boy and girl with the highest totaled points.

A group of divers under the instruction of Billy Seare will perform during the intermission.

The members of the 1960-61 swimming team are especially invited to participate and to assist in the running of the meet in any way possible.

The meet should be great fun for everyone so bring your children down and let them participate in an official swim meet.

EXCEPTIONS:

These cars could deliver top performance with only 8 of Super Shell's 9 ingredients. But they'll soon need the ninth. Do you know why?

If car engines could stay clean as new, they'd get along fine without Shell's TCP additive. But harmful deposits start building up the moment your car leaves the showroom—and can soon cut power and mileage. TCP works to keep that from happening. Here's how.

THE ENGINE of every car on the road has combustion chamber deposits. Nothing can stop them from forming. They're the inevitable result of combustion.

If your car has only a couple of thousand miles on it you probably won't know the deposits are there. But once they've built up, they can be rough on performance. Fortunately, something can be done about that. Shell's TCP additive does it.

engine. When certain types of deposits get hot enough, they can heat spark plugs to the point of igniting the fuel themselves.

These premature explosions are forms of pre-ignition. They give your pistons a terrific hammering. Your power falls off. And so does your mileage.

Instead of purring smoothly, your engine falters—and costs you money.

How TCP prevents trouble

New, improved TCP in today's Super Shell gasoline literally alters these combustion chamber deposits. It "fireproofs" them so they no longer glow red hot.

Result: top performance. And a new, new improved TCP can help spark plugs last up to twice as long.

NOTE: TCP can improve the performance of many older cars. Tests have shown that it helps restore power lost to harmful combustion deposits—and can add up to 17 miles per tankful.

9-ingredient formula

TCP is just one of Super Shell's nine ingredients. To get an idea of how all nine contribute to top performance, run your eye over the list at the right.

And try a couple of tankfuls yourself. If you do it soon, you'll get Super Shell's Hot Weather Blend. It's specially formulated to give your car top performance in summer. And that's a reassuring thing to know when you're out driving on a sizzling day.

Super Shell's 9 ingredients for top performance

- #1 is TCP—for power, mileage, and longer plug life.
- #2 is Pentane mix—for fast warm-ups.
- #3 is anti-knock mix—for knock resistance.
- #4 is Alkylate to control "high-speed knock."
- #5 is Butane—for quick starts.
- #6 is "cat-cracked" gasoline—for power.
- #7 is an "anti-icer." Added when cold weather sets in.
- #8 is gum preventive—for clean carburetors.
- #9 is Platformate for extra mileage.

*TCP is a trademark of Shell International Chemical Company. Shell's TCP is covered by U.S. Patent 2899212.

She didn't expect to have baked rattlesnake for supper that day

By ANN HENDRIX, Portal Correspondent

Last Thursday evening when Mrs. Jessie Legette reached into her oven for a frying pan, she was confronted with a rattlesnake.

She said when the snake struck it hit the frying pan and almost knocked it out of her hand.

Mrs. Legette called her husband and he killed the white diamondback rattler with a rake handle. Mr. Legette said the snake struck at the rake handle before he killed it.

The rattler was about two and one-half feet long and not very big. This makes the third snake killed at their home.
