Turpentine Plant Reopens Mar. 13

Announcement is made this week
that the Statesboro plant of the
Standard Processing Company will
re-open tomorrow, Friday, March
13. The plant here has been
closed during the winter months
for repairs, replacements and im-
provements. It has been in opera-
tion for six years, serving the
turpentine producers of this sec-
tion. It provides modern facilities
for handling and marketing.

SURPRISE VISITORS FROM COLUMBIA, S. C.

Mr. and Mrs. H. R. Young of
Columbia were surprise
visitors here Sunday when they
came to see their daughter, Mrs.
Ray Howard and children.

T. C. Philharmonic Choir In Concert

The Philharmonic Choir under
the direction of Dr. Ronald J.
Nash, chairman of the Division of
Music, accompanied by Faye
Lansford will present Theodore
Dubois, "The Seven Last Words
of Christ," a sacred cantata on
Friday, March 13 in the college
auditorium at 8:15 p. m.

The soloist will be Virginia
Newby, soprano; Mary Alice
Jones, soprano; Julian Tucker,
baritone; Gene Roberts, tenor;
Solomon Skandamis, tenor; and
James Hagan, tenor.

"The Seven Last Words" are
based on the actual last words of
Christ as he hung on the cross.

They include, after the introduc-
tion, "All Ye Who Travel on the
Highway," "Father Forgive Them
Who Know Not What They Do,"
"Verily, Thou Shalt Be This
Day Paraded," "Woman, Be-
hold Thy Son," "My God, Why
Hast Thou Forsaken Me?" "I Am
A Thirst," "Into Thy Hands I
Commit My Soul," and "It is
Finished." The choir will sing a
concluding chorus, "Christ, We Do
All Adore Thee."

Answer The Red Cross Call

THE BULLOCH COUNTY Chapter of the American Red Cross is making its plea for funds this month.

The work the Red Cross does is spotlighted by the tornadoes which struck Oklahoma and Texas last week.

Some people were killed.

Many were injured.

And many are homeless.

The winds were still blowing when aid came to these people.

The Red Cross, moving swiftly, came to the area, comforting, helping, nursing the injured, sheltering the homeless.

The Red Cross was ready.

Remember when Bulloch County was hit by a tornado? Remember the part the Red Cross played?

Remember when Gainesville was hit?

Remember when Albany was hit?

Then stop and think—it could happen here again!

And if it does, the Red Cross will move swiftly and surely into Bulloch County to help us.

The Red Cross is now asking us to help that it might help us—when it is needed.

If you have not already contributed—do so generously.

Battle of Our Highways

DESPITE THE steady campaign for traffic safety few Americans realize the extent of the slaughter continuing on the highways of the 48 states. Some indications of the carnage can be seen if one compares the deaths which have occurred among Americans in the Korean War with deaths which have occurred on the highways of the United States in the same period.

The latest Defense Department summary listed 21,471 American deaths in the Korean fighting since its beginning. This covers a period of over two years.

For the years 1950 and 1951, there were 72,000 deaths caused by highway mishaps in the United States. Likewise, while we have suffered over 91,000 wounded in the Korean war, the injured in automobile accidents in the years 1950 and 1951, total about 1,300,000.

One can see that, in a two-year period of highway accidents, deaths were more than three times the total battle casualties sustained in over two years of Korean fighting. Highway injuries for the shorter period of time were over 10 times as great as the total American wounded in the same period.

The discouraging part about these figures is that little can be done to reduce the highway deaths. At least, it is accurate to say that little is being done—since the total is increasing year by year. The emphasis is currently being switched to safer highways, better graded roads and better signs and lighting. However, stricter driving permit laws are also urgently needed in most states.

The safety campaigns, which we have relied on in recent years, do not seem to provide the answer, as effectively as they undoubtedly are and other action must be taken by state governments and the highway departments in the various states if highway accidents are to be reduced in the future. —Newman Times-Herald.

We're Still Proud

EVEN IF OUR BOYS from Stilson did not win the Georgia "C" Championship basketball title, we're still proud of them and their coach, S. A. Driggers.

The boys from Stilson got off to a fast start by defeating Cave Springs 89 to 61, on Thursday night of last week. They went on to defeat Pine Grove 72 to 62 on Friday night to move into the finals.

Then on Saturday night Winterville defeated our "Champs," 54 to 49.

It makes no difference in the hearts of the basketball fans of Stilson and Bulloch County.

The boys are still Champions in our book.

Up She Goes, Extra High

OUR HAT goes up extra high this week for a group of Statesboro's young businessmen.

It goes up high for the finest display of sportsmanship, cooperation, and personal willingness we've seen in Statesboro in many a day.

These four young men wanted no part of it—we know that.

The very nature of the assignment was one that any young man would have backed away from, bowed up, bared his teeth, and shouted—"Not me."

However, a contributing factor must be considered. Their wives may have had a lot to do with it. We do not know the arguments, the cajolery, the luring, the sweet-talking that went on before these

young men finally agreed to the proposition.

But having been committed to it, the wonderful way in which they performed attests to their fine spirit.

So for Ed Olliff, H. P. Jones Jr., Billy Olliff, and G. C. Coleman we throw our hat up extra high.

For you see they were models in the Junior Woman's Club Fashion Show held here recently.

These young men braved the mockery, the drillery, the cute remarks thrown at them by the less courteous souls as they paraded on the model runway before more than 300 citizens of Statesboro wearing the latest fashions for men.

It was a wonderful display of community spirit.

They Mean Business

OUR LOCAL forest protection unit means business.

According to J. W. Roberts, Bulloch County Forest Ranger, one person has been fined in Bulloch County for violation of the state forest fire laws.

A guilty plea was entered recently in the City Court with Judge Cohen Anderson presiding.

According to Mr. Roberts the state forest fire laws says a person may burn his own property, if he takes the proper precautions. He must notify all adjoining landowners twenty-four hours before burning.

The landowner must also prepare the necessary fire-breaks to keep fire from crossing to the lands of all adjoining property owners.

It makes no difference whether a person intends for his fire to get out of control or not, if it gets on property other than his own, the person starting the fire is guilty of a misdemeanor.

This is right and just.

Landowners trying to protect their forestlands need protection from irresponsible people who insist upon burning their own lands.

We commend those who have the courage to prosecute those who would ruin our forestlands.

Observing A Birthday

THE BROWNIES and Girl Scouts of Statesboro and Bulloch county gathered at the Recreation Center on Thursday evening of last week to observe their 41st Anniversary.

These young girls' organizations now include more than 80 members under the direction of Mrs. Carl Franklin and Mrs. W. T. Clark.

They celebrated their birthday with the beautiful Flag Ceremony. And gathered to celebrate with them were their fathers and mothers.

We congratulate them on the wonderful things they are doing and commend their leaders for their contribution to the well being of this community.

Editor's Uneasy Chair

Like the man said—"Words are too puny to describe it."

He was talking about the explosion of the "atomic device" which was set off on Yucca Flat, 65 miles northwest of Las Vegas, Nevada, on Tuesday morning at 8:20.

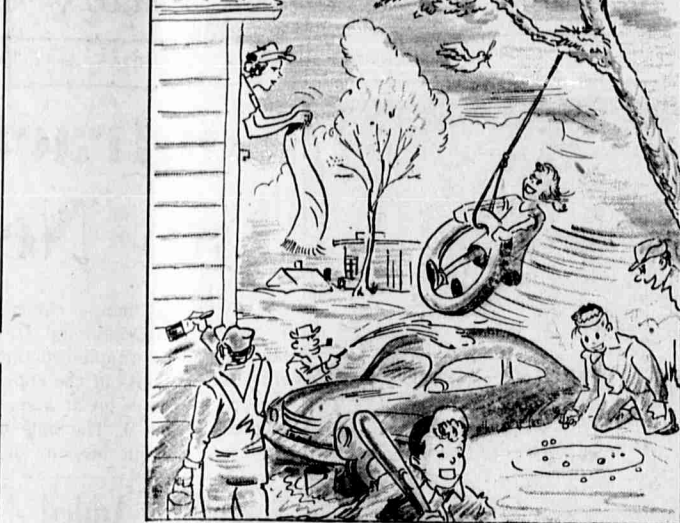

The man's voice was without expression—"15 seconds . . . 10 seconds . . . 5 seconds . . . 4-3-2-1-0" BOOM! and the atomic device went off.

There was the characteristic colorful blast, the explosion shock, and the majestic column of smoke with the mushroom umbrella top rising into the early morning sky.

We were sitting in on the explosion, together with 600 newsmen, photographers, radio, and television men.

Well now, we were not exactly "AT" the explosion. You see some

SPRING FEVER PERMITTED STARTING SATURDAY

It is a wonder then, that so many pupils quit while still in the first grade, that so few ever get to the sixth grade, that still fewer enter the high school, and that such a pitifully small number complete the high school.

If the blind lead the blind, surely they will all lose the way.

WHAT IS THE JOB TO BE DONE

Well, what is the job? Here are some facts to help you to see it.

During 1952, there were 42,405 children registered in the first grades in the country. In the second grades there were 27,650 or 14,749 less than in the first grades. But hold on to your hat!

By the time we get to the sixth grade, there were only 6,201 pupils! Six-sevenths of the children drop out of school before they get to the sixth grade.

The school system is divided into the Primary School—grades 1 to 6, and the Secondary School—grades 7 to 11.

Of the 6,201 pupils who made it to the sixth grade, only 36 per cent of them go on into the Secondary School.

Unhappily, three-fourths of those who enter the Secondary School drop out before they get to the eleventh year and less than one-fifth go on to graduate.

This means that less than one out of eight 75 children who enter the first grade ever graduate from the public Secondary School.

What a problem to solve! What a task to undertake!

I visited one Negro high school in Macon, Ga., which graduated more students last year than did the Secondary Schools in Costa Rica!

Here is something for Georgia to pitch up her hat, stick out her chest and of which to be proud!

SHORTAGE OF TEACHERS

Perhaps we can better understand the situation when we know that Costa Rica has few well prepared teachers. It has had a small Normal School at Heredia for about twenty years. But what can one small Normal School do toward preparing teachers for an entire country, even though the country is a small one?

And we were tremendously impressed.

We saw the troops as they moved up into the blast area and as they crouched in the trenches, and as they waited for the "word."

We saw two homes that had been built in the blast area—one only 300 feet from the drop tower, the other 750 feet away.

We saw the several automobiles with their dummy drivers at the wheels, parked in the blast area.

Then the blast.

It was terrific in its magnitude. In ten seconds the column of smoke rose a mile into the air.

In a few seconds the soldiers in the trenches were given the word to move out.

And we had to come to work. We'll read about the rest in the newspapers.

It was quite an explosion.

of the 60 newsmen, photographers, radio and TV men were only 2 miles from the explosion, some were back as far as seven miles.

Oh yes—we were sitting in our living room, looking at the explosion as it was coming in on TV.

But it was impressive none-the-less.

It Was Almost Like Christmas At West Side School

BY VIRGINIA RUSSELL

In one of the rooms at the West Side School last week the atmosphere was almost as charged with excitement as it is during the approach of the Christmas season. The air was filled with expectancy.

All week the Third and Fourth grades were making plans for a trip they were to take.

Then on Friday four mothers and the teacher piled the children into cars and drove them first to the campus of the College, where the Westside children were the guests of the Third and Fourth grades.

Graders entertained their visitors with an imaginary trip to Mars. Having received interplanetary tickets, space helmets and suits, which were quickly adjusted and zipped up the travelers took off in a space ship. After whizzing through space for many years, they landed on Mars, and after a short stay, whizzed back to earth. The trip was quite a thrill, not only for the youngsters but also for the adults who went along.

After returning to the world, the group was entertained by a play presented by the Lab Fourth Grades, a performance based upon their study of Egypt. Since the Westsiders had but recently completed a study of Africa, they were quite able to appreciate the full meaning of the play.

The visitors next proceeded to the Third Grade, the children there telling them of a just completed study on clothes, a study which began with the animals and plants which furnish the raw materials, proceeded to the mills in which thread and cloth are made, and concluded in the factories which manufacture the finished clothes.

The climax of this program came when the class put on a puppet show which depicted a visit to a clothes factory.

Having been invited to stop by the Second Grade room, the Westsiders discovered that the desks were arranged in streets and lanes, numbers. The Second Graders had built a post office and, with the room representing a city, were learning all about the mail, down to the last delivery.

Leaving the Lab School, the party of visitors went down town to the Elementary School and paid a call on one section of the Sixth Grade because they had heard that this grade had just completed a unit on China and the Westsiders were just beginning one.

Several of the Sixth Graders talked about their study on China, some showed their notebooks, others explained the art exhibits, and still others gave interesting information not found in their textbooks.

Following the signing of China's national anthem by the Sixth Graders, hosts and visitors joined in group singing, after which "good-byes" and "come agains" were said.

After a lunch of chop suey (chop sticks were missing, served at the teacher's house, the group went to the peanut plant. Here, although the complex machinery may have been somewhat beyond their years, these children learned, at least in part, one of the important phases in the processing of a product so important to our economy. Here, too, they were delightfully entertained with a peanut and Coca-Cola party.

Going back to the school after the lunch, a little girl said, "I didn't know it was going to be so much fun."

More than the fun, and it was, was the invaluable stimulation received by the children, the teacher, and the mothers. Especially did the teachers realize anew that education must embrace much more than a mastery of the three R's—as invaluable as these are.

AT THE GRINDSTONE PITT-

MAN.

My first task was to visit all twenty of the Secondary Schools to learn what they are like. Next I made a careful study of one Secondary School so as to learn the "inside" of it. After that, I took a group of eleven leaders to the United States and exposed them to some excellent schools.

My job from now on is to work with the faculties of these twenty secondary schools to help them to modify their procedures. This will mean much individual conferences, visiting, many group meetings—some large, some small. I need to know much more than I now am, before I'll be able to accomplish this.

I shall never, within, nor by myself be able to do it. But those wonderful people whom we visited in the States have already largely done the job for me.

Time, itself, will cure many ills, as it has done many times in the past.

PORTAL P.T.A. HOLDS SPECIAL MEETING, TUESDAY, MAR. 24

The two second grades of the Portal School, under the leadership of their teachers, Mrs. Fred Miller and Mrs. Charlie Hughes, will have a program "Healthy Living," on Tuesday evening, March 24 at 7:30 in the auditorium.

They have as their guest speaker for the evening, Dr. J. H. Henderson, from Georgia Teachers College. They are also honored by the presence of Mrs. Henderson, who will have a special music on the ac-cordian.

Parents and friends are cordially invited to attend this meeting.

Mrs. Herbert Rackley of Savannah spent last Sunday with her mother, Mrs. Lillian Johnson, and daughter Kay, who is a student in high school here.

Mr. and Mrs. Comer Bird, Mr. and Mrs. Preston Collins and Miss Vera Collins attended the closing course at Lake Church last Sunday.

Dr. and Mrs. C. Miller spent several days last week in Augusta. They visited with Mr. and Mrs. Edwin Wilson and Mr. and Mrs. H. T. Womack. Dr. Miller attended a three day post graduate lecture course at the University Medical School while there.

Mr. and Mrs. S. W. Brack were called to Jacksonville last weekend because of the serious illness of Mr. Brack's brother, Mr. Oscar Brack.

They will also visit with Mr. and Mrs. Charlie Hughes and family, and Mr. and Mrs. Bert Hicks and sons. While there Mr. and Mrs. Clarence Brack accompanied them to Jacksonville but have returned home.

Mr. B. L. Williams and sister, Paye Williams, students of Asbury College in Kentucky, are spending several days at home with their parents, Mr. and Mrs. Ben Williams. Miss Gladis Willford, who is also a student at Asbury is home with her parents, Mr. and Mrs. L. B. Willford for an extended visit getting a leave-of-absence for three months.

Mrs. J. Bowen had as her guests last weekend, her granddaughter, Mary Nelson Bowen and her friend Linda Gay of Statesboro.

Mr. and Mrs. Wynn entertained at her home last Sunday with a "Family Dinner," honoring her husband, Mr. Wynn, on his birthday. They had as their guests, Mr. and Mrs. Jack Wynn, Mr. and Mrs. Edwin Wynn and little son Lynn, and Mr. and Mrs. Craig Gay and children, Gayle and Craig Jr.

Mr. Leroy Byrd and son, Richard Byrd, spent several days last week in Baltimore Md. Mrs. Byrd was a patient in Pohn Hospital where she was under treatment for an eye infection.

Laboratory School

The Laboratory School P.T.A. met on Thursday night, March 5, in the school auditorium at 8 p. m. Mrs. Deal, president, called the meeting to order and introduced Mrs. Marjorie Crouch, chairman of the nominating committee, gave a report. The slate of new officers for the year 1953-54 was elected unanimously by the group. They were: president, Mrs. Billy Simmons; vice president, Mrs. Robert Zetterower; secretary, Mrs. Frank Minkell; treasurer, Mrs. C. C. Moore.

Mrs. Billy Simmons, program chairman, introduced Mrs. William Moore, 10th grade homeroom and Home Economics teacher. Mrs. Moore introduced Mrs. Carl Franklin, who was the guest speaker at the February 5 meeting of the Statesboro Future Homemakers, with Shirley Allen presiding in the absence of Jane Edelen, president.

Mrs. Franklin told how she keeps house and how the material worked up for the feature article in the home which appeared in the March issue of McCall's magazine.

She said that she has received many letters from people all over the country since the story came out.

She gave a demonstration on flower arrangements.

Red Cross Fund Campaign Poster for 1953

The "marching flags" poster of the late N. C. Wyeth, first used by the Red Cross in 1933 and repeated in 1947, will be used again in the poster of the 1953 Fund Campaign because of its great popularity. Repeated also is last year's slogan, "Answer the Call."

REGISTER H. D. CLUB

Mrs. J. F. Olliff and Mrs. Charlie Holland entertained the Register club March 13 at the home of Mrs. J. F. Olliff with thirty members and two visitors present.

The meeting was opened by singing America. The Devotional was given by Mrs. W. R. Anderson. Scripture being taken from Eph. her thought was "Strength and it Source."

The club voted unanimously to participate in the fair this fall.

Miss McDonald gave a demonstration on salads and I am sure we will all be using the recipes.

Mrs. Julian Tillman being our auctioneer, sold a few articles with the proceeds going into our treasury and Mrs. Hilton Banks entertained the group with some games.

All enjoyed the refreshments.

HELLO!

How are you this morning? Please let us take just a minute of your time to ask this question. If you had within your power the opportunity to give right to some person, how much personal satisfaction would you gain from such an experience?

Unfortunately we do not have the power to perform such a miracle, but have you ever stopped to think that many of the things we take for granted each day, is in reality a miracle for someone else?

If you took a child who could only partially see and corrected his difficulty with surgery or by simply fitting him with glasses so that he could adapt himself in his group and become a normal individual with all the pleasures and opportunities offered by our way of life, wouldn't you think that this would truly be a miracle for this child?

Would you be willing to perform such a miracle? Beginning the week of March 23rd, the Statesboro Lions Club is going to give every house and business in Statesboro the opportunity to perform this miracle. We simply ask that you hold any purchase of brooms that you might be planning to make in the near future if you can conveniently do so and make your purchase from the Lions in their annual broom sale.

ALL'S FAIR

By JANE

Statesboro folks are vacationing in lovely places and coming home to give us new ideas, the various attractions that are designed primarily to attract tourists.

This weekend, Mrs. O. L. Brannen and Mrs. Pearl Davis went to Tampa to visit Ruby's daughter, Lynn, who returned with her grandmother for a visit here.

Pearl says, "We had the best time—visited Cypress Gardens, the Book Tower, saw the 'Great Master Piece' a masonic of the 'Lord's Supper' at St. Petersburg they watched the beginning of the yacht race as they lined up at the municipal pier—destination Cuba. Pearl says she was astonished at the stores at the end of the pier where one could buy any sort of merchandise you could possibly need.

RIGHT HERE in my office nook I see several tourists each day stop across the street to take pictures of the lovely garden next door. The lovely flowers were planted by the late Mrs. Alex Fitch and are now carefully tended by Mr. Fitch and Miss Alice Wilcox. Many of the tourists are amazed at the wisteria on the pines. A tourist remarked to one of the Hodges boys at the filling station that he had never seen a tree with blooms like that.

Another of the many beauty spots in Statesboro is the front lawn at the Harry Smith's on South Main. There, red and white dwarf azaleas nestle close to the lovely home with apparent affection. So many blooms in such vivid contrast is something to store in your memory. There are, of course, other red and white flowers on the lawn, and we remember the beauty of older plants in lush beauty as you look through the picture windows of the dining room.

VISITING Mrs. E. N. Brown this week was a friend from Merchantville, N. J. Mrs. W. E. Euvall. Mrs. Brown and Mrs. Euvall became close friends as each of them accompanied their husbands to Duke Clinic. Since those days they have each lost their companions and thus have mutual ties. On Saturday, the two of them left for a tour of Florida and upon their return, Mrs. Brown will accompany Mrs. Euvall to New Jersey for a visit.

MRS. TOM PETERS has returned to Dublin after visiting her daughter, Mrs. Bob West, and Dr. Bob. She was bubbling over with her grandson's rapid advancement in the business world. Margaret would intervene occasionally and say, "Now, Mama, George might not like this." But I can under-

stand the pride of grandparents. So despite Margaret's protest, I am taking the liberty of publicizing promotions etc.

GEORGE POWERS has recently been made president of the Atlas Elevator Company in Atlanta and is also representative of the Southeastern Rotary Lift Company serving seven states. George is a handsome young man and still a bachelor!

AND FOR Hall of Fame I nominate Guyton McLendon, Director of Band, at Statesboro High School. "Mr. Mack" as he is affectionally called by his students, is not slowing down.

The Instrumental Music Festival last Monday in Statesboro, saw our Statesboro Band earn 35 SUPERIOR ratings. This was seven more than last year. And as for the high estimation his ability rates in the State we have only to note the many occasions he is called to judge in other towns. On February 7, "Mr. Mack" conducted the District Clinic for the schools in the Gainesville area. This was one of the series of instrumental music clinics held by the University of Georgia extension department in cooperation with the Georgia Music Educators Association. He also judged in the Washington District on Feb. 27, where bands came from Washington, Atlanta, Thompson, and Augusta. On March 3 he was one of the judges at Thomaston with bands from LeGrange, Carrollton,

There's a girl across the river who has a diamond on her hand... Put there by a fellow who leads his own band... He has a soda shop in a neighboring town and is very popular there... The girl is blond and pretty with complexion fair... Yes "Rock" still loves his music, still loves to beat a drum... But he's likely taking time off sweet nothings to him... He has a wonderful set-up... She lives just half way from Savannah and his folks back home... No need to wander. No need to roam... Congratulations!

As ever, JANE.

PETITION FOR ADMINISTRATION

COURT OF ORDINARY, Bulloch County, Georgia.
To any creditors and all parties at interest: Regarding estate of Clifford A. Dasher, formerly of Bulloch County, Ga., notice is hereby given that the estate owes no debts and division of the estate may be had without administration thereon, and that Mrs. Edna B. Dasher, one of the heirs, has filed application with me to declare no administration necessary. Said application will be heard at my office, Monday April 6, 1953, and if no objection is made an order will be passed saying no administration is necessary.

March 11, 1953. F. I. WILLIAMS, Ordinary. 4-2-41c—#47.

NOTICE TO DEBTORS AND CREDITORS
GEORGIA, Bulloch County.
To All Concerned: The estate of Sarah Jones, late of Bulloch County, deceased, are hereby notified to render in their demands to the undersigned according to law, and all persons indebted to said estate are required to make immediate payment to me. This March 7, 1953. E. VA J. MOORE, Administratrix of the estate of Sarah Moore, deceased. 4-2-41c—#48.

COMMISSIONER'S SALE
GEORGIA, Bulloch County.
Notice is hereby given that on the first Tuesday in April, 1953, within the legal hours of sale, before the court house door in the City of Statesboro, Bulloch County, Georgia, the undersigned, as Commissioner, appointed by the Superior Court of said county, will sell at public outcry to the highest bidder, for cash, the following described land, to-wit: That certain lot or parcel of land, lying and being in the Town of Portia, 1716th District, Bulloch County, Georgia, known as the W. H. Sparks place, fronting North on South Second Street a width of 140 feet, and running back in a southerly direction between parallel lines perpendicular to said street a depth or distance of 430 feet, more or less, bounded North by South Second Street, East by lands of Jim Sparks, South by lands of Hiram Bonnett, and West by lands of U. S. Griffith.

Said sale to be made for the purpose of making a division of the proceeds among common owners of said land ratably to their respective shares therein. A deed will be executed to the purchaser, conveying title in fee simple, by the order of said court, authorized. This March 7, 1953. J. E. BROWN, J. G. G. McGowan, Commissioners. 4-2-41c—No. 37.
