Girl Scouts to be honored

This week the members of Troop No. 1 and Troop No. 2 of the Statesboro Girl Scouts are celebrating their National Girl Scout Week.

As a special celebration the two troops will have the Court of Awards during the week at the Recreation Center. Mrs. L. M. Durden, president of the Statesboro Woman's Club, will make the presentations. 32 girls will receive second class scout badges. This is the largest number ever to reach this rank since the organization of Girl Scouts in Statesboro.

The girls in Troop 1 receiving second class badges are: Sara Adams, Priscilla Storey, Mary Bland, Linda Cason, Janice Clark, Joyce Clark, Lynn Collins, Janelle Evans, Jessica Lane, Kay Minkovitz, Eudene Patton, Julia Sack, Margaret Wilson, Marie Ginn, Ann Oliver, Nancy Hamilton, Sandra Williams and Judy Smith. Mrs. Prince Preston is Troop 1's leader.

The girls in Troop 2 to receive second class awards are: Noel Benson, Mary Nelson Bowen, Carole Donaldson, Mary Preston, Lynn Storey, Gloria Sue Wilson, Dale Anderson, Pat Franklin, Judy Holler, Harriet Holleman, Martha Bass, Marie Dwyer, Patricia Hargis, Eudene Wall, Mrs. Virgil Donaldson is Troop 2's leader.

The Statesboro Presbyterian Church will observe a week of spiritual enrichment next week. All people of the community are invited to participate in the services. Services will be held at the usual worship hours on Sunday. Meetings at seven a. m. and seven-thirty p. m. will be conducted through Friday.

Dr. Daniel Iversen of Miami, Florida, will be the featured teacher and preacher. Dr. Iversen, who was reared in Savannah, has had a most interesting career as a minister. He has served churches in Georgia, North Carolina, and Florida. His last pastorate was in the Shenandoah Presbyterian Church of Miami, where he served for over twenty years.

Construction on big electronics plant to begin here in about two months

An electronics firm which expressed interest in a Statesboro site last September will begin construction in Bulloch county soon.

"CONGRATULATIONS" say the losers in the race to elect Youth Mayor of Statesboro in the civic youth elections held at the Statesboro High School on March 2. Shown here congratulating Youth Mayor Gene Newton are left to right, candidates Jimmy Jones, Guy Freeman, "His Honor," Youth Mayor Gene Newton, and Doris Rucker. The Youth Mayor will serve as mayor-for-a-day during Civic Youth Day on March 16. The project is sponsored by the Hi-Y and Tri-Hi-Y Clubs of the Statesboro school.

Construction of the electronics plant is expected to begin in about two months, T. J. Morris, president of the Bulloch County Development Corporation said last Friday.

The plant will be located on U. S. Highway 301 near Statesboro and will employ about 800 workers, Mr. Morris said.

Announcement that Statesboro was being considered as a site for the plant was first made in September of last year when the development group and the Statesboro and Bulloch county Chamber of Commerce held a labor survey in cooperation with the State Department of Labor.

Employment at the Statesboro plant will probably be increased by two or three hundred as the project is launched, Mr. Morris said.

The plant which will be located two miles north of Statesboro, is expected to cover an area of 100,000 square feet. Bergen and Bergen of Savannah are architects. Construction will begin following completion of the drawings and letting of bids for the building of the plant.

An insurance loan for the project was secured last week. The name of the firm planning the project has not been announced.

The Bulloch County Development Corporation which assisted in securing the plant is composed of citizens co-operating with the Chamber of Commerce in seeking to locate new industries. A large amount of the money to finance the building is being furnished by citizens of the county and business firms who purchased stock in the development corporation.

Join the Red Cross to serve your fellowman

The Bulloch County Chapter of the American Red Cross is now in the first week of its annual drive for funds.

A plea is being made to join the Red Cross to serve your fellowman.

Everyday we hear of the distress, need, or adversity of one of our fellow citizens. Sometimes the need is close at home, sometimes it is a far distant point. No matter where, each of us has an impulse to help—an impulse as old as the human heart.

But as individuals we frequently can do little. No one of us can afford to make a sizable contribution to every person whose trouble or plight appeals to us. All of us banded together, however, each giving what he can afford, will save lives, restore health, or bring comfort and happiness to many in distress.

Through the American Red Cross each of us may make his contribution easily and efficiently.

By joining the Red Cross we are there to restore the shattered home of a disaster victim; to give emergency help to the family of a serviceman; to provide lifesaving and health restoring blood for the

ill and injured; to brighten the weary hours of a hospital patient; to help save and revive a drowning child.

Chartered by Congress and charged with important and specific responsibilities, the Red Cross has been meeting the needs of thousands of stricken or troubled men, and women and children each day for more than 70 years.

Only the participation of all of us makes that neighborly service possible. Answer the call of your Red Cross—join and serve your fellowman.

In an attempt to secure greater participation in the Red Cross drive this year, those charged with the responsibility of raising funds are asking owners and managers of businesses and small industries to contact each employee in their business and their industry for the employee's Red Cross membership. Several businesses and several industries have already reported 100 per cent memberships.

We commend these on their cooperation which helps those performing the important business of making our Red Cross drive 100 per cent.

A 'BB' gun can spell 'Casualty'

It's not just a Statesboro problem. Other communities are bothered with it too. The following editorial was taken from the Claxton Enterprise, which quotes from the Atlanta Constitution which quotes from the Pelham Journal. All of which proves that sooner or later something must be done about the BB problem.

It seems that there is a problem in Claxton that parents COULD do something about if they were so inclined.

Little boys with BB guns are becoming wantonly destructive. They go all over town shooting birds for the fun of it and a few weeks ago deliberately shot the bulbs in all the lights at the City Playground (it will cost even one hundred dollars to replace them) and one little boy's eye was permanently damaged when a B-B shot grazed it while he and some other boys were playing war with these "more dangerous than we think" weapons.

If the parents don't do something about this situation, it seems to us that a city ordinance prohibiting the use of any firearms in the city limits would be in order—to protect these little people from themselves.

Leo Aikman had a column in Monday's Constitution that should

be "must" reading; and we reprint it in part here:

"Some small boys put God to a lot of trouble!"

The sentence was an eye-catcher. It was the introductory paragraph to Editor Jim Chism's column in the Pelham Journal and it led me to read farther: "A few days ago," said Jim, "a house wren with a thrilling voice chirped loudly and flitted about the shrubbery around our house. It did not sing sweetly, but it did all that nature had fitted it to do; it chirped merrily and reminded one of a forerunner of spring. It ventured across the driveway to a little higher limb—then—

"Three small boys, but large enough to know better, felled it with their B-B gun. The thrilling little chirps were heard no more and will never again be heard from the frisky little wren killed by little boys whose parents had not taught them not to kill song birds.

"Here is what is found in Matthew 10:2, 'And are not two sparrows sold for a farthing? And one of them shall not fall on the ground without your Father.'—Yes, three little boys forced the Lord to make a note of the sparrow they felled for no reason whatsoever."

Sparta, Ga., by the way, has banned the shooting of air rifles.

We throw our hat high up into the air

Up goes our hat for the Statesboro High School Band and its members who rated "Superior" in the Regional Music Festival held at the Teachers College last week.

This year the band added 25 "Superior" ratings to its honors, bringing their five-year accomplishments up to 95 "Superiors." This is a record without equal in the state.

We commend Guyton McLendon and every member of the band upon their fine achievement.

And while we have our hat off we throw it up again for Miss Nona Quinn of the Public School Music Department for the "Superior" rating given to the Senior High School Mixed Chorus, and the Junior High Chorus, these two groups including 105 school children.

And for Smets Blitch our hat goes back high into the air for his "Superior" rating in piano and a commendation to his teacher, Mrs. Gilbert Cone.

We like these musical festivals. The one last week brought over 3,300 young people into Statesboro. They got a look at our city and our college.

We like the idea that "there shall be music for all."

We hope that the festival will be held here next year.

We commend the Statesboro and Bulloch County Chamber of Commerce for the part they played as hosts to the eleven judges at a special dinner at the country club on Thursday night of last week. It's that sort of thing which keeps people conscious of the graciousness of Statesboro.

Businessmen carry a very heavy burden

Another school yearbook will make its appearance in Bulloch county this spring.

And the merchants and businessmen of Statesboro and Bulloch county are picking up the printer's check.

The generosity of these people is being imposed upon. They are carrying a heavy burden. Hardly a week passes that some organization calls upon these people to finance some "worthy project." Many are recognized as worthy of participation and these are contributed to with a generous heart.

But there are so many "worthy projects" that are not worthy at all. Investigation would reveal that these are projects "sold" to organizations which takes money away from

on community leaving a product of doubtful worth. The merchant and businessman asked to finance these things have no idea of what the project is to cost, what per cent the sponsoring organization is to get, if the cost is in line with legitimate production costs, how many is to be furnished.

An attempt has been made to control these "worthy projects" and protect the business and merchants from those who would sponsor them.

Webelieve a "worthy project" might be considered by the Merchants Council of Statesboro and the Bulloch County Chamber of Commerce ... a project to require thorough investigation of every "worthy project" before its sponsors are allowed to contact those expected to finance it.

If the project is a worthy one, then the would-be sponsors should have no objection to submitting it for approval of the Merchants Council of a committee set up by it.

Such approval would assure its success.

GIRL SCOUTS OBSERVE THEIR 42ND ANNIVERSARY DURING GIRL SCOUT WEEK

This week, March 7-13 is Girl Scout Week. The members of the two Statesboro troops are observing it in a special awards Court of Honor.

This week the Girl Scouts are 43 years old. The anniversary spotlights the wonderful work being done by the adult leaders for these young girls.

It was in Savannah in 1912 that Juliette Gordon Low founded the organization which has grown from a small troop there to a membership of 2,000,000 young women.

Mrs. Low founder Girl Scouts for the expressed purpose of "helping the girls to realize the ideals of womanhood as a preparation for their responsibilities as the home and as active citizens in the community and in the world." The idea was to form the young women in small groups in similar ages for guidance in various types of work and play.

It is non-sectarian and non-political and it is open to girls of all races and creeds, ranging in ages of seven to 17.

Their pledge reads:

"On my honor, I will try to do my duty to God and my Country, to help other people at all times, to obey the Girl Scout laws."

The theme of Girl Scout Week is "Know your neighbors—Know your nation."

We commend Mrs. Prince Preston and Mrs. Virgil Donaldson on their fine work, the sacrifice they make, and the time they give to our Girl Scouts. It's part of what makes our town the wonderful community it is.

Selective Service Test Deadline Is Released

Major General Lewis B. Hershey, director of Selective Service today reminded college students that the deadline for submitting applications for the April 22 Selective Service College Qualification Test is midnight Monday, March 8, and that applications postmarked after that time cannot be considered.

Application blanks and information bulletins, with sample questions, may be obtained by students from the nearest local board. They do not have to write to their own local board to secure an application. Students are to mail their completed applications to Educational Testing Service of Princeton, New Jersey.

To be eligible to apply for the college qualification test, a student must (1) intend to request deferment as a student; (2) be satisfactorily pursuing a full-time course of instruction; and (3) must not have previously taken the Selective Service Qualification Test.

The April 22, 1954 test is the last one scheduled for this school year. Students whose academic year will end in June are urged to take the April 22 test so they will have a test score in their cover sheets before the end of their academic year, at which time the boards reopen and reconsider their cases to determine whether they should be again deferred as students.

The present criteria for deferment are an undergraduate student score of 70 on the Selective Service Qualification Test, a specified rank in class (upper half of the males in the freshman class, upper two thirds of the males in the sophomore class, or upper three fourths of the males in the junior class).

Students accepted for admission or attending a graduate school prior to July 1, 1951, satisfy the criteria if their work continues to be satisfactory. Graduate students admitted or attending after July 1, 1951, must have been in the upper half of their classes during their senior year or make a score of 75 or better on the test. It is not mandatory for local boards to defer students who meet the criteria.

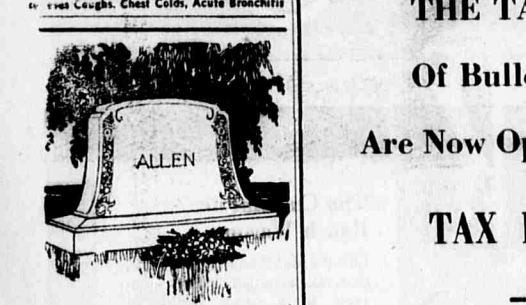

General Hershey has emphasized many times that the criteria are a flexible yard stick used to guide the local boards and that the standards may be raised any time necessary for manpower demands.

Rites held for Lucius Kendrick

Funeral services for Lucius B. Kendrick, 86, who died in Homestead, Fla., after a long illness were held Wednesday afternoon at 2:30 o'clock from the Port Methodist Church by Rev. L. A. Lemmons. Burial was in the Port Cemetery.

Kendrick had lived in Bulloch county and the Port community all of his life except the past few years. He had been living with his son in Homestead, Fla.

Survivors include three sons, Emory Kendrick of Orlando, Fla., H. T. and A. A. Womack, stepsons, of Augusta; two stepdaughters, Mrs. Clifford C. Miller of Port and Mrs. Irvin Wilson of Augusta.

Funeral arrangements were in charge of Smith-Tillman Mortuary.

Red Cross Week Is March 7-13

Monday five Congressmen were shot while in the House chamber of our nation's capitol. Last year tornadoes struck our own state with such force that two disaster areas were created. In both of these instances and in many many more the American Red Cross saved lives and otherwise gave aid.

March 7 through 13 is American Red Cross Week. This week of fund raising is our chance to support this worthwhile organization. Donations will be taken up in each dormitory by the House Council.

Max Lockwood to attend Rec. meet

The Georgia Recreation Society announced this week that Max Lockwood, society president from Statesboro, has been invited to participate in the program at the South Eastern Recreation Executives convention, being held in Columbus the middle of March.

Mr. Lockwood will appear on the program with the Mayor of Columbus and will accept an invitation and welcome to the city from him. Mr. Lockwood will reply to the address of welcome as representing all the recreation executives in the southeastern states.

A special dinner will be held on the evening of the 19th for all the Georgia members attending the convention.

Palbearers were Hudson Williams, E. L. Womack, Lennie Brannen, J. E. Parrish, Walt Woods and E. E. Stewart.

Funeral arrangements were in charge of Smith-Tillman Mortuary.

John Crumley gives hoe dope

John Crumley of Brooklet, a Bulloch County farmer, tells readers in the March issue of the Progressive Farmer how he uses his rotary hoe.

The World War II veteran says: "We use our rotary hoe on cotton, peanuts, and corn. It breaks crust and clods and leaves land in better shape to cultivate and work later."

"We can also start getting that young grass earlier than with plows. If we have rains and the ground crusts, we can go in and break the crust and help the young plants break through."

"We plant for a good stand, then if we knock up a few plants, it won't hurt. We start with our rotary hoe as soon as our crops is up."

Crumley is quoted in an article, "Rotary Hoes Cut Costs," by Harold Benford, associate editor of the Southern farm magazine.

With Our Armed Forces

Pfc. Felix B. DeLoach, son of Mr. and Mrs. Felix DeLoach of Statesboro, Ga., is serving as a member of the "Wolf-raiders" squadron of Marine Aircraft Wing in Korea.

The "Wolf-raiders" attack-bomber squadron contributed substantially to the record amount of bombs dropped on enemy targets by the "heavy haulers" of Marine Aircraft Group 12 during the Korean Conflict. Flying their Douglas "Skyraiders" pilots of the squadron set an all-time Marine record for single-engine aircraft by dropping 154 tons of bombs in one day.

Results of Georgia Corn performance tests in recent years indicate that Georgia 101 is the best variety to grow in the mountains and piedmont areas of the state.

HILL-STEPHIE In a double ring ceremony performed Saturday night, Feb. 20, by Rev. Harris Crooks, Miss Katherine Hill of Statesboro became the bride of Jack T. Stephie.

The ceremony took place at the home of the groom. Miss Hill is the daughter of Mrs. V. V. Hill and the late Mr. Hill. Mr. Stephie is the son of Mr. and Mrs. C. T. Stephie.

The bride, given in marriage by her brother, Roy Hill, was lovely in a navy blue suit with white trim. She wore matching accessories. She wore an orchid corsage.

Mrs. Cannon Donaldson, her sister's maid of honor and only attendant, wore navy blue. Her corsage was of white carnations. Ted Cowart served as best man.

Immediately following the ceremony the wedding party and guests were entertained at a reception. The home was attractively decorated with arrangements of ivy, white gladioli, narcissi, with candle light enhancing the beauty of the scene.

The bride's table, overlaid with a lace cloth, was centered with the tiered wedding cake, topped with a miniature bride and groom.

Mr. and Mrs. Stephie left for a short wedding trip to Florida. Upon their return, they will make their home in Statesboro where they are both employed with the Statesboro Telephone Company.

STATESBORO WOMEN ATTEND FLOWER SHOW IN WAYNESBORO

On Thursday the following women went to Waynesboro to attend the flower show: Mrs. Fred Smith, Mrs. Inman Foy Sr., Mrs. J. O. Johnston, Mrs. L. E. Tyson, Mrs. A. M. Braxwell Sr., Mrs. Harry Smith, Mrs. Bruce Olliff and Mrs. Cliff Bradley.

These women were most enthusiastic about the beauty, the variety, the flower arrangements and most unusual and lovely containers that marked the Waynesboro Flower Show as something "quite out of this world."

And making our Statesboro Ladies feel so very welcome, Mrs. Joe Cooley (Lillian Braxwell's sister) invited them over to her house for tea. When they arrived, they were delighted to see that she had invited several of her Waynesboro friends to meet her Statesboro friends.

Mrs. Cooley's home had several exquisite arrangements and the tea table was especially attractive with yellow, candles and yellow-toned china. Chicken salad, along with afternoon tidbits of this and that for daintiness, and delicious refreshments were served.

No Sunday school at Stilson Presbyterian Church Sunday

By MRS. W. H. MORRIS

There will not be any Sunday School at the Stilson Presbyterian Church March 14. There will be a series of meetings each night at the First Presbyterian Church in Statesboro beginning March 14 and continuing through Friday, March 19. The Stilson Presbyterian Sunday School will run, for those who wish to attend these meetings. It will run Sunday evening about 5:30 o'clock p.m. March 14, and if enough want to go Monday night it will run again Monday and every night through Friday, March 19. If there is not enough who want to go on the bus each night, the bus will run Sunday, Wednesday and Friday nights. The service will be at 7:30 p.m. Anyone who would like to attend these meetings please get in touch with Harmon Morris who will be in charge of the bus. The Stilson Presbyterian Church will be on the same schedule March 21. So please try to be present.

David Eugene and Darrell Kayle Hiltch, infant twins sons of Mr. and Mrs. Leroy Hiltch, were made members by infant baptism, by the pastor, Rev. John Prigden of the First Presbyterian Church, Sifton.

Mr. and Mrs. E. Attaway spent several days in Savannah this week visiting their son, Mr. and Mrs. Gordon Attaway, and family.

Mrs. Gordon Sowell is back home after being in the Bulloch County Hospital for treatment.

The March meeting of the T.A. will be held March 11th. The program committee will be Mrs. C. W. Lee, Mrs. Bob Wright, and Mrs. Gordon.

March Meet of Associated Women

By Mrs. John A. Robertson

The March meeting of the Associated Women of the Farm Bureau was held last Wednesday night in the home of Mrs. J. L. Morris and Mrs. Morris.

A report on the tobacco stabilization program was made by F. C. Rozier. The program explained the change in the livestock show that was planned for April. He announced the show would not be held until next fall, probably the last of November.

County Agent Byron Dyer, discussed soil fumigants and corn varieties. The guest speaker was the
