### He admitted he came a-courting

BY HIS OWN admission he "came a-courting," Governor Marvin Griffin was addressing the members of the Georgia Press Association at their final session of their convention at the DeSoto Hotel in Savannah last Saturday.

He was asking the citizens of Georgia to provide \$85,000,000 more in taxes.

And the way he put it Georgia is going to pot if we don't raise it. He made it sound good.

And now he is "a-courting" the members of the General Assembly, called by him in extraordinary session.

We hope our representatives take a hard look at his "courting words."

There can be no doubt that we need additional money to carry on our rapidly expanding needs for our educational system, our highway program, our growing welfare and health needs.

And if Georgia is to progress it is right that these public services be provided funds with which to grow. We'll go along with our Governor on this.

### The dog problem becomes serious

Last week in our Editor's Un- easy Chair we lightly touched the problem of stray dogs running rampant in the residential areas of Statesboro.

A citizen tells us of dogs in his neighborhood which have just about taken over. He told of dogs playfully biting children on three occasions. He thinks something should be done.

The problem is not so much one of citizens who own dogs, but the dogs which belong to no one. Dogs which just roam the streets and alleys of our city.

There are ordinances which control the business of requiring registration, inoculation for rabies, and prohibiting them from running at large.

Of course you can't control dogs without apparent owners. You can call the police when they foul up your yard and become a danger to your children.

But if you own a dog, or your children own a dog, you have a definite responsibility—Keep the dog in a yard. Have him registered and inoculated. Then your neighbor can't complain—unless he howls at night. And for your neighbor we have only sympathy.

### We'll go along with Dr. Jerome Spar

The first official monthly summary of cloud seeding operations by the East Georgia Weather Modification Corporation appears in this week's Herald.

For those who have been convinced that cloud seeding or weather modification is the answer to our extended drought the report will look good and substantiate their claims.

For the skeptics who have not yet been convinced and who cannot nor will not be convinced the report only confirms their conviction that it would have rained just as much anyway.

We will go along with Dr. Jerome Spar of New York University who has made a close

But let him make us know that he has done all within the power of his office to smother waste, to clip out all the useless personnel, to do away with all the "extra" which are part of the high cost of state government. He told the newspaper people that he had and was doing just that—but there is doubt in the minds of many.

He told of the several millions of dollars State Revenue Commissioner T. V. Williams has added to the state funds from tax delinquents and by tightening up on tax evaders. This is commendable and we applaud Mr. Williams for it.

Everytime there is an acute need for more money, the taxpayer gets it in the neck. He's always there.

Let's consider him for a change—and seek ways and means of relieving him of his extra mounting burden. Let's cut away the extras and begin operating our state government on a streamlined basis.

Then we'll listen to our governor come "a-courting."

statistical study of cloud seeding and says that he could find no evidence that seeding had any large scale effect on the weather. And he has nothing to sell.

### Check your status as a blood donor

THE BULLMOBILE will make its regular visit here on Tuesday, June 14.

The Bulloch County Blood Program, a part of the Red Cross Blood Program, is now operating on a new recruitment basis. It is explained in another part of this week's Herald. Read it and take stock of your status.

To make sure you are protected become a blood donor on June 15.

### Don't be sure it can't happen here

WE'VE TOLD ourselves that it won't happen to us here in Statesboro, or in Brooklet, or in Portals, or Register, or Stilson.

Don't be too sure. Senator Estes Kefauver (D) of Tennessee, chairman of a Senate subcommittee is now investigating all phases of the problem of the recent apparent increase in nationwide distribution of obscene literature and photography.

We read about it in the newspapers and feel safe, telling ourselves that this is something which exists only in New York, Chicago, Los Angeles and such large centers.

Then we read that "One of three persons arrested here (Savannah) on charges of possessing obscene booklets was recently convicted on similar charges in Miami..."

The news story tells of the Savannah police arresting Blaine Richard Jr., 37, owner of a Cadillac in which police said they found more than 30,000 items of pornography.

30,000 pieces of obscene printed material in a Cadillac—only 45 minutes from Statesboro, 30 minutes from Stilson, 60 minutes from Portals, only 55 minutes from Register.

Let's not be too sure it can't happen here.

## The Editor's Uneasy Chair

WE WANTED to do just what he did. He was about ten years old and sat near us in church. When we got up to sing he had to fish around to find his shoes—he had slipped them off while the preacher was delivering his sermon. It really was a trouble for him, for he was wearing the looser type of shoe which slips on and off easily. We bet his feet felt good on the coolness of the air conditioned church floor.

SURE SIGN SUMMER is here popped up on the front page of Harry Rhodes's Lyons Progress over in Toombs county. According to Harry many odd things have been found in Toombs county, some could be explained and some couldn't but the oddity to end all oddities has just come to light. A CAT WITH WINGS!

"We seen it, it is a fact," Toombs county residents reported. "We seen it, it is a fact," Toombs county residents reported.

He goes on to tell that "last Saturday a lady called and said she had seen a cat with wings has been seen in our section." That was hard to believe but the lady continued "I've seen it, it is a fact." To further verify the story, Billy Yarborough, while carrying the mail Tuesday, stopped at the home of Jim Williamson, and so sure enough, another cat with wings was still there. Bill described the cat as follows: A full grown, long-haired, Persian, color gray. The wings are just back of the shoulder blades, perfectly matched and stretch about four and one-half inches wide and covered with hair (not feathers). Another odd thing was that two large bumps are on his hips about the size of golf balls. The cat came to the house last Friday morning. It was seen running across a field, the wings spread as if flying close to the ground, so the reports go.

DOG DAYS ARE NOT too far away. But it's dog day every day "round here. Another citizen reported seven on her front yard one day last week. We asked why she didn't report them to the police and the answer amounted to her not wishing to antagonize her neighbors. But that's the one way to help our city authorities clear up the problem—call the police. We're sure that our neighbors had rather do that than for their dog to become involved with stray dogs which are apt to be infected with rabies. And if the dogs are strays you'll be doing you, your neighbor and your community a favor.

ALBERT BRASWELL broke his leg on Tuesday afternoon, June 8, 1937, while playing softball in the city park.

R. J. KENNEDY JR. was promoted to office engineer of the State Highway Department and moved to the Macon office. In 1936 Mr. Kennedy accepted a position as resident engineer with the highway department and operated out of Eastman. He soon moved to the Augusta office.

## It Seems To Me

By Max Woodward

THERE IS AN organization in the United States which is active primarily in the Southern States and one to be the champion of the Negro race. We Southerners have watched it grow in our midst until it has become a modern-day dragon and now threatens to lead the fight to destroy the civilization of the South.

There are those among us who have watched it grow and who have used their influence to destroy it, for it serves as a cancer which will ultimately destroy all our social standards. There are those among us who have ignored it and have refused to recognize it is the force for evil which it is. There are those among us who have supported its growth, while at the same time, have accepted in humility, or seemingly so, every sincere effort our officials have made to better the standards of living and education for our Negro race in the South. They have played the game of co-existence with both groups. In some of the Negro papers, and in doing so have betrayed both races.

IF YOU ARE NOT afraid to admit the truth you already know that these people who claim to represent the best interests of the Negro are actually creating a feeling of unrest and of distrust between the Negro and the white on many levels of society throughout the South. In some of the Negro papers, and in doing so have betrayed both races.

There are many avenues of attack which our state government can use which will protect the best interests of all our people. It seems within reason that when an organization forms itself into a recognized body that openly advocates the destruction of our social standards and of our civilization, then it is the responsibility of our state government to brand it as a threat to the peace and to drive it from our midst.

I DO NOT BELIEVE that any organization, religious, fraternal, or otherwise should be allowed to exist regardless of its aims if it is willing to risk the destruction of itself and of the society in which it is found. Justifiable nor acceptable either in God's plan or in man's plan to better himself.

The United States Government believes such action is acceptable and having voted that belief it has moved to outlaw the Communist Party. Such action wasn't taken to discriminate against any individual or any race but to protect the rights of the majority of our people and to insure the survival of our nation.

The terrible truth is that the rights of our states to self-determination of principles of law have been destroyed. Destroyed the very court in which the justices have taken a solemn oath to protect that law and other states which have approved this decision should stop to realize that they have, one and for all, given up all rights to self government and self-determination. This is but one step toward complete control of all laws and will lead to the destruction of America.

The Communists in Russia and other places behind the Iron Curtain can never destroy us but we have slowly started down the road of no return and at the end shall find our own destruction.

It seems incredible that in a country such as ours a Supreme Court would violate the very laws of nature and of God along with the laws which man has

made and has followed for generations. It seems unbelievable that any group, or any social organization would rule that the rights of any minority group are more important than the survival of the nation.

There are many of you who read these words who will laugh to think that these thoughts are of little significance and it seems impossible that in this modern age that a crisis is upon us. We are deeply concerned with the financial problems which face our state, but it is my conviction that all these will seem of little significance if the march toward the integration of the white and Negro races is not ended.

Mr

# Mrs. Bondurant makes president's report to Statesboro Womans Club

It is with much pride that I submit the following report for the year 1954, through May, 1955.

Our membership drive was sponsored by our membership chairman, Mrs. Carl Anderson, and her co-chairman, Mrs. Lawson Mitchell and Mrs. Jaie Smith, having a total of 112 paid members and 9 honorary members. We also have 11 subscribers to Clubwoman magazine.

(1) September — Mrs. Catherine Kirkland, program chairman, brought us the program in the form of group participation, subject, "What Kind of Program Do You Want?" Then we were led in group singing by Mrs. Juanita Abernathy. From this program came the planning of our year look and programs. The programs were planned along the theme of our Georgia Federation, "Let us be large in thought, in deed, in deed," which comes from the Club Collect. Our programs were set up for two years each month bringing a thought from our Collect. September, "Let us take time for all things."

(2) October — "In the big things of life we are as one." Our international relations committee, Mrs. E. L. Barnes, chairman, brought us Mr. Jack Broome and Mr. Dan Hooley of Georgia Teachers College in a double piano duo of international music. Mrs. Barnes spoke on "Clubs of Other Lands" and Mrs. L. M. Darden gave us some of the highlights on her trip to England. It was voted to give \$5 each to the libraries of the Mattie Lively and Sully Zetterover Schools, also encouraged members to send books to these new libraries.

(3) November — "Make us grow calm, serene, and gentle." The home committee Mrs. Julian Groover, chairman, mailed letters to all ministers promoting Home Week, November 21-28, asking all families to attend church in a group emphasizing religion in the home. This committee sponsored the Christmas lighting program, with prizes being awarded in three classes of home decoration. First, second, and third prizes in each class.

They brought us a program most befitting to the home, "The Important Place the Home Plays in a Child's Development." Mrs. Paul Carroll introduced Mrs. Nancy Wilson, daughter of Dr. and Mrs. Leonard Wilson and she was interviewed concerning her science achievements. Lewis and Kay Ann Hendrix, Bulloch county 4-H Club talent contest winners, sang several numbers. All club members were inspired by this youth of today. We voted to give the Girl Scouts \$15, \$5 to each of the three groups to be used for handicrafts.

(4) December — "Oh Lord, let us not forget to be kind." For our annual Christmas party each member invited a guest and sent a gift for that guest. This makes our party one of the highlights of the year. Santa Claus was there in good spirit and the beautifully decorated tree added much Christmas spirit. The club remembered Max Lockwood and Mrs. Sue Hummick, our recreation director and assistant at this party. Mrs. Bernard Morris and Mrs. Bing Phillips and Mrs. Zach Henderson, gave several Christmas selections. We had 95 ladies present.

(5) January — "Teach us to put into action our better impulses." Mrs. H. J. McCormick, conservation committee chairman, presented Mr. Wright and Mr. Mullis of the Federal Conservation Department. They brought us a most interesting program on soil conservation. At this time our district president, Mrs. Preston Sanford was presented, also several other visitors from Savannah.

(6) February — "It is the little things that create differences." Mrs. Norman D. Campbell, public affairs committee chairman, presented Max Lockwood, our recreational director, who brought us a message of "Community Recreation and Every-day Living." Mrs. Bernard Morris presented Sarah Adams, Marguerite Wilson, and Hugh Burke in a Valentine skit. We also planted a magnolia tree on the recreation grounds at this meeting carrying out Arbor Day. This program was carried out by Mrs. J. Frederick

distributed among members and members attended Civil Defense meeting held at the Bulloch County courthouse.

We have contributed, by cash and work, to American Red Cross; Bloodmobile; March of Dimes; Boys Estate; and other community drives.

The president represented the Club at the Recreation Board and Council meetings during the year. We have contributed 8 season tickets to the Recreation Board for the year 1955.

Each committee has acted as hostess once during the year. Your president asked at the planning of the year that our refreshments be simple and keep within our budget. May I say Thank You. You have been very cooperative in this and our Treasurer has been enriched by your cooperation.

The Club president attended the Bulloch County Regional Library book in memory of Mr. Alfred Dorman, and also one book in memory of Mrs. B. H. Ramsey, a past president of our club.

We had to elect a new First Vice President due to the fact Mrs. Paul Carroll resigned. Mrs. F. C. Parker, Jr. accepted this office. Mrs. Tom Little, second Vice President moved away leaving this office vacant and Mrs. C. B. Altman accepted this place.

Our Club has been recognized in the Georgia Federation by having some of our own members on the Executive Board. Mrs. E. L. Barnes was elected second Vice President of the Georgia Federation. Mrs. L. M. Darden was appointed City Beautiful Chairman of the State and Mrs. Alfred Dorman was on the Resolution Committee, later being elected trustee of Tallulah Falls School. These honors bring great pride to our Club and community.

Mrs. Alfred Dorman sold 4200 Georgia Federation Postal Cards—more than any other member in the entire state.

## 'Skytrain IV' to fly June 4

The Savannah Air Defense Filter Center has been notified by the Eastern Air Defense Forces of an alert to be held on the 4th of June from 9 a. m. to 9 p. m. "Skytrain IV" as this exercise is titled is designed to further the training of the civilian volunteers of the Ground Observer Corps in the 53,000 square mile area of responsibility of the Savannah Filter Center, and for evaluation purposes.

This is the second exercise of this nature since the change of command from the Central Air Defense Forces to the Eastern Air Defense Forces. The last alert proved to be a major success. Major James M. Kendrick, commander of the Savannah Filter Center, in a letter to all volunteers, has urged them to put their best foot forward and make an all-out effort to participate in this alert.

The president represented the Club at the Recreation Board and Council meetings during the year. We have contributed 8 season tickets to the Recreation Board for the year 1955.

Each committee has acted as hostess once during the year. Your president asked at the planning of the year that our refreshments be simple and keep within our budget. May I say Thank You. You have been very cooperative in this and our Treasurer has been enriched by your cooperation.

# Don't argue with this baby!

All Chevrolet's competitors and most of the high-priced cars tried it recently in official NASCAR\* trials—and took a licking!

**Meet the champ!** The new Chevrolet "Turbo-Fire V8" — the most modern V8 on the road today. Here's what happened—

**Daytona Beach, NASCAR Acceleration Tests** Over Measured Mile From Standing Start. Chevrolet captured the 4 top positions in its class 8 of the first 11! And on a time basis Chevrolet beat every high-priced car, too—but one! Wait!—this is just the beginning!

**Daytona Beach, NASCAR 2-Way Straightaway Running** Over Measured Mile. Open to cars from 250 to 299 cu. in. displacement. Chevrolet captured 3 of the first 5 places!

**Columbia, S. C. NASCAR 100-Mile Race** on half-mile track. Very tight turns. Chevrolet finished first!

**Fayetteville, N. C. NASCAR Late Model Event.** Chevrolet again finished first. Because of even tighter turns the driver chose to run the entire 150 laps in second gear! Yet no overheating or pit stops!

These facts you can't laugh off. Sales leader. Road leader. A crowning achievement of Chevrolet and General Motors. Try a Chevrolet... and live in a land of going-away where you win all the arguments! Soon, maybe?

When checking cotton for boll weevil infestation, if an average of one weevil per 100 plants is found, an early season application of insecticide is recommended.

Phony disease, the most destructive virus disease of peaches in the U. S., can be partially controlled by killing wild plum trees near peach orchards.

There's another mighty good reason for owning the Silent Flame, too. It takes most of the work out of harvesting... and anyone that has bent and stopped all day long pulling tobacco knows what it would mean to sit and ride!

That's what Silent Flame owners everywhere are saying. The savings that you can make by owning one of these machines is almost unbelievable. Many owners report they have saved up to 75% on labor costs. Almost anyone can save 50% or more, depending on their labor conditions and labor costs.

Don't put it off any longer! Start this season to make that extra money from your tobacco crop. You can do it if you will see your local Silent Flame dealer and get your order in now. Don't wait until it is too late to get your order in. Find out yourself that it is like to own one of these machines. Many growers made up to \$75.00-\$100.00 per acre more last season because they had this wonderful machine.

Up until just recently, it could be built in volume only with two doors—not more—because it would take wholly new structural principles to hinge another set of doors without floor-to-roof center posts.

But Buick came up with those new structural principles and is now building—in volume—hardtops with four doors.

Enjoy cooled, filtered air for less than you think with Buick's AIRCONDITIONER. It's a genuine Frigidaire.

No pillar or post

for this wide-open beauty

It's the new kind of hardtop—The 4-Door Riviera!

There seems to be some confusion about what a hardtop really is, and we'd like to set the matter straight.

A hardtop is a car that looks like a Convertible with the top up—but has a solid steel roof overhead—and no center posts in the side window areas.

Up until just recently, it could be built in volume only with two doors—not more—because it would take wholly new structural principles to hinge another set of doors without floor-to-roof center posts.

But Buick came up with those new structural principles and is now building—in volume—hardtops with four doors.

On top of that, this beauty is all Buick—with the buoyant ride of Buick's all-coil springing—the walloping might of Buick's record-high V8 power—the whip-quick

getaway and sizable gas savings of Buick's spectacular Variable Pitch Dynaflow.\*

And it's available in Buick's two lowest-priced Series—the budget-tagged 188-hp SPECIAL, and the high-performance 236-hp CENTURY, illustrated here.

Come visit us for a first-hand meeting with the 4-Door Riviera—and see how quickly and how easily the last word in automobiles can be yours.

\*Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series.

See one pictured here. It's the 4-Door Riviera. And it's taking the country by storm...

Because here, at long last, is an automobile with the sleek and sporty styling of a true hardtop—but with separate doors for rear-seat passengers, plus the added room of a full-size Buick Sedan.

Foy, Miss Betty Smith, Mrs. Barbara Ann Brannen, Miss Jan Murphy, Miss Mary Temples and Miss Frances Rackley.

**MRS. NORRIS HOSTESS AT DINNER FOR NIECE**  
On Saturday evening, Mrs. J. M. Norris entertained at dinner her niece, Miss Mary Alice Jones of Hazlehurst, whose marriage to James Harvey Harley will take place June 25 at the First Methodist Church in Hazlehurst.

The table, overlaid with white linen cover, was centered with a silver bowl of pink roses, flanked by silver candelabra, cascaded with miniature bouquets of pompons and valley lilies.

Covers were laid for Mrs. Sam P. Jones, mother of the bride, Misses Mary Alice Jones, Cathy Holt, Carolyn Pile, Cheryl Williams, Harriet Woodward, Fayrene Sturgis, Eulita Carter, Shirley Ann Jones, Rita Ann Atkins, Betty Jo Woodward, Melba Prosser and Mrs. George McCleod.

**QUEEN OF HEARTS AT NORRIS HOTEL**  
Miss Jack Norris was hostess last week to her bridge club, the Queen of Hearts, at the Norris Hotel.

Gladioli, alshasta daisies, and attractive arrangements of summer flowers adorned the living room.

Congested salad, crackers, and punch were served before the games. Later, cookies and nuts were served.

Mrs. E. W. Barnes was awarded costume jewelry. A fitted evening bag went to Mrs. Joe Robert Tillman for guest. Mrs. Albert Davis won costume jewelry for low, and Mrs. Jerry Howard winning cut received sun tan lotion.

Others present were Mrs. John Daniel Deal, Mrs. Ed Oliff, Mrs. Dight Oliff, Mrs. Tillman Castetter, Mrs. Joe Neville, Mrs. H. P. Neal, Mrs. Wendell Rockett, and Mrs. Ed Cone. Mrs. Frank Aldred called for refreshments.

**PINE AID WOMANS CLUB MET WITH MRS. LARISCH**  
On Friday night, the Pine Aid Women's Club met with Mrs. Larisch.

**SCOUTS AND FAMILIES ENJOY PICNIC**  
The Den Mothers, the Cub Scouts and scout leaders enjoyed a picnic supper at the home of Mr. and Mrs. W. W. Brannen Tuesday night.

The sweep of green lawn and the pine grove made a wonderful setting for the boys who needed no directory of games in such ideal surroundings for cow boy or Davy Crockett activities.

Those invited were Mrs. F. I. Williams, Mrs. Everett Williams, Mrs. Hugh Arnold, Mrs. Lloyd Barnum, Mrs. Stephen Holmes, Mrs. Frank DeLoach, Mrs. Edna Neville, Mrs. Dan Lester, Mrs. John Hendrix, Mrs. Talmadge Brannen, Mrs. Roy L. Foy, Miss Betty Smith, Mrs. Barbara Ann Brannen, Miss Jan Murphy, Miss Mary Temples and Miss Frances Rackley.

**CONTRACT CLUB HAVE AFTER PARTY**  
After several games they had intermission and were served a sea food luncheon.

Mrs. Pete Bazemore, with high scores, received a cigarette holder with matching ash trays. Second high, a hamburger press, went to Mrs. Jim Denmark. Mrs. John Wilson received guest towels for cut. Floating prize, a book on bridge, was won by Mrs. Pete Bazemore.

Others playing were Mrs. Harold Jones, Mrs. Thurman Lanier, Mrs. Ivy Spivey, Mrs. Lawson Mitchell, and Mrs. Herman Marsh.

**We Go Places**  
Mr. and Mrs. J. Richard Gullledge and children, Sharon and Richard Jr., of Valdosta spent the weekend with their parents, Mr. and Mrs. A. M. Gullledge.

Mr. and Mrs. Bob Richardson of Augusta spent Sunday with Shirley's parents, Mr. and Mrs. A. M. Gullledge.

**Mr. and Mrs. Finney Lanier and Mr. and Mrs. Fred Darley last Saturday morning for Chicago where they will visit an aunt of the two sisters, Mrs. Tom Darwin, whom they had not seen in many years. They will be in Chicago a week.**

Twelve-year-old Joyce Clark, had a wonderful trip recently with her father, Mr. W. T. Clark, who went by train on a business trip to Bridgeport, Ct.

Mr. Clark, considerate of Joyce's pleasure, took her sightseeing in New York City where they were on a TV program with Bill Goodwin as MC, Baltimore and Washington, D. C. They returned to Statesboro by car on Saturday afternoon and Joyce confided to her mother, "We never had any good food from the time we left until we returned home."

Mrs. T. Coleman visited her sister, Mrs. E. H. Powell in McRae, Mrs. Powell was critically injured in a car accident and her condition was listed as critical when taken to the hospital. Mrs. Coleman admits that her sister is still not out of danger, but they have hopes of her recovery. Her little granddaughter, who was in the car, had her leg broken in two places.

## Brooklet News Farm Bureau Ladies Auxiliary hold last meeting of FB year

By Mrs. John A. Robertson

The last meeting of the Ladies Auxiliary of the Farm Bureau for the 1954-55 year was held Wednesday night in the home of Mrs. J. R. Bell and Mrs. John McCormick.

The social committee, Mrs. H. P. Lee, Mrs. H. G. Parrish, Mrs. Dan Hagan, Mrs. John C. Cronley, and Mrs. John C. Cronley, served a lovely supper.

The business meeting was conducted by the president, Mrs. John C. Proctor Sr., has been notified by Francis W. Allen, adjutant of the Dexter Allen Post 90, that he has been selected by the Boy's State committee of the post, as one of three Bulloch county boys to attend the annual Boys' State that will be held June 19-25 in Alexandria, Virginia.

The program chairman, Mrs. J. H. Hinton, showed a film, "The Arranging of a Marriage," which was shown by the local chapter of the National Education Association.

## The P's of Va. Continued from Editorial Page.

Nearing midnight we found a little cottage hotel that was not air conditioned or "televized" but was clean and more nearly fitted our pocket-books. After a few hours of refreshing rest we resumed the journey. Mamma went back in the cottage to check for left-behind and see none.

Miles up the road she saw a that her sweater was missing and remembered that it hung in the closet where she forgot to check.

Finally we reached Richmond, Virginia, where the General Assembly was to meet. Commissioners from all the Presbyteries of the Southern Presbyterian Church were attending this meeting. These men were selected by the Boy's State committee of the post, as one of three Bulloch county boys to attend the annual Boys' State that will be held June 19-25 in Alexandria, Virginia.

The eight-year-old pulled the sheet over her and said, "Isn't it good to have kind people?" indeed, it is. We hope that they can say the same after ten days more.

The members of the staff of the school annual enjoyed an outing at Savannah Beach last Friday. They were accompanied by the staff sponsor, Mrs. Marshall Hamilton, and by several mothers of the students.

A "Daily Vacation Bible School" began at the Methodist Church Monday morning and will continue through Friday. Classes begin at 8:30 a.m. and close at 11. The topic of the work is Heroes of the Cross, and a full program of education and recreation has been planned which includes music, games, and handicraft.

Refreshments are served each day by the members of the church. The school is being conducted by Mrs. Lenwood McQueen, Mrs. William Cronley, and Mrs. D. H. Hendrix, assisted by some of the junior girls. The school will close Friday with a picnic at the Recreation Center in Statesboro.

The Brooklet FFA boys and girls voted for Arthur Sparks, Kay McCormick, and Midge Lanier as their delegates to the Leadership Conference of FFA and FFA organizations that will be held in Statesboro, Ga. by the FFA sponsor, Mrs. J. H. Hinton.

The Daily Vacation Bible School of the Brooklet and Leefield Baptist Churches began last Friday afternoon when the pupils had a "parade" through the business part of the town. Classes began Monday and will close Friday, from 8 to 11 each day.

The general principal of the school is Mrs. H. P. Lee. The school is assisted by Mrs. H. P. Lee, the Leefield Baptist Church is assistant principal.

The school is divided into the primary, beginners, primary, and intermediate departments. Refreshments are served each day by members of the WMS of the Leefield and Brooklet Churches. The Rev. C. L. Goss is pastor of both churches.

Wednesday the Brooklet FFA girls spent the day at Savannah Beach, accompanied by their staff sponsor, Mrs. J. H. Hinton.

## Negro Farm Club at annual picnic

Last Saturday, the Nevils Farm Club held its annual barbeque and recreational festivity. This affair is the culmination of the county fair which was held last October, at which the Nevils Club won first place; and it is in keeping with agricultural and recreational activities for all the people of the community, old and young. The order of this picnic complied in full with those policies and standards. And the men, the women and children joined in on the feast, the recreation and the fun. The meal was made up of delicious barbeque, Brunswick stew, potato chips, bread and lemonade. The games were football, running, jumping, and rifle shooting. The shooting contest was the most popular. In this contest, fifteen men took part in the senior loop. County Agent Martin again was the winner as in the past years. This year was four out of a possible five. In the junior loop, the 4-H girls and boys participated. Sophie Mae Brown, an older 4-H girl was the winner in this loop. She was then matched against Mr. Lomas Parks who was number two runner-up in the senior division. It was said to see this 4-H girl practice win over Mr. Parks. One thing of note here is that Sophie followed instructions, while Mr. Parks followed his own technique of year-year.

The Principal of the school, Mrs. George Lee, her husband and daughter were the honored guests. Mrs. Lee says that she feels that she is a part of the community and everything that interests the farmers interests her. Mr. Lee was gracious enough to join the rifle contest. He won the trophy. His shooting score is too low to publish.

The farmers of the Nevils community take great pride in their community organization. They have interest in their regular monthly meetings, which they discuss problems pertaining to production, family living and community improvement, just as they have in recreation and fun.

## The Bulloch Herald, Statesboro, Ga. THURSDAY, JUNE 9, 1955

**GOOD CASH CROP**  
Thigpen taught the members how to make articles of copper machinery, and they also can be substituted for other cash crops now under acreage reduction. This crop has about the same climate and soil requirements as corn. Now is a good time to plant soybeans and they can be planted through June with a fair chance of success.

Mrs. E. L. Womack read the minutes of the last meeting and called the roll.

Mrs. C. J. Wynn gave the treasurer's report.

Plans were made for the annual picnic set for June 22, at McKinney's Pond. The picnic will be a family affair.

Following the meeting the hostesses served party sandwiches, pound cake and Coca-Cola. 16 members were present.
