

VETERANS OF FOREIGN WARS

Be at the Bulloch County Court House Sunday, February 17 at 4 o'clock for the institution of a Post of the Veterans of Foreign Wars. A state official will be present. A name for the Post will be selected and officers elected.

Be there to help name the Post and elect officers.

"Any officers, or any honorably discharged officers, or enlisted men, who have served or may serve in the Army, Navy or Marine Corps or Coast Guard of the United States of America, in any foreign war, insurrection or expedition—whose service shall be governed by the issuance of a campaign badge by the United States of America—shall be eligible to active membership in the Veterans of Foreign Wars."

If you can fit the above requirements then you can join the Veterans of Foreign Wars.

If you fit the above requirements come to the meeting at the Court House Sunday, February 17, whether you are now a member or not.

JOIN THE OUTFIT whose emblem says "I SERVED OVERSEAS."

Application for membership in the VFW may be made with Leode Coleman, acting quartermaster, at the office of the Bulloch Herald, 27 West Main Street.

TO THE PUBLIC:

My son Lawrence, having returned from Service, we have opened a service station on Route 80 at location formerly known as WHITE SPOT, and will be prepared to serve you with the well-known SHELL PRODUCTS, would appreciate a share of your business.

Bulloch Farmers Now Making Crop-Feed Loans

Mr. Henry B. Burned, field supervisor for the Emergency Crop and Feed Loan Office, stated that farmers of Bulloch County are now applying for loans to finance the production of their 1946 crops. Applications for loans are now being written in Mr. Burned's Office, 2nd floor Bulloch County Bank building, Statesboro. He stated that, in addition to financing the production of the crops regularly grown in this vicinity, loans were also being made for the production of these crops so vitally needed because of the world-wide food shortage this year. Plans for 1946 call for increased production of many food crops. The production of such crops as the Extension Service considers can be successfully planted and grown in Bulloch County should be met. The need for funds necessary for the production of these crops will be given special consideration with the view that credit will be extended, wherever needed, so that no farm family will be denied the opportunity to make its maximum contribution to the food production program.

Emergency crop loans are available to farmers, either owners or tenants, who own or can make arrangements for land to farm; who own or have the use of necessary work stock and equipment with which to farm; and who can give security a first lien on the crops to be financed. These loans will be made to farmers who are unable to obtain loans sufficient to meet their needs on reasonable terms from other sources.

Loans are also available for the purchase or production of feed for livestock whose production will be marketed for livestock to be fed for the market, or for breeding animals with the increase to be marketed, but, as security, a first lien on such livestock is required.

Mr. Burned emphasized that these loans are not restricted to selected applicants but are available to all farmers who can establish eligibility.

Political Ads FOR BOARD CHAIRMAN

To the Voters of Bulloch County: I hereby announce as a candidate for the office of chairman of the board of county commissioners in the primary to be held on March 6th, subject to the rules of said primary. Knowing that it is impossible to see each voter before the primary (because Bulloch County is so large), I wish to use this method of soliciting your vote and influence and if elected I promise to carry on the duties of this office to the best of my ability.

Sincerely yours,
JOHN H. LOLLIF.

S. H. S. Defeats Portal Five 34-31

S. H. S. Blue Devils Sport News

By MIKE McDUGALD

Friday night's cage game really kept the boys and girls on the edge of their seats. "Close" is hardly the word for it. The boys from Portal cooled off the Blue Devils for the first three quarters, but with the final frame the Devils got hot as a firecracker. When the boys retired for the last quarter the man with the scorebook figured the Portal lads had 27 points and the boys in blue 23 . . . and many a game is one on a three point lead at this point in the game.

With only four minutes to play the score stood at 28-24. The Blue Devils began velling for blood, and the Blue Devils finished out the final 24 to 31.

The local fans were satisfied. The lady Blue Devils breezed through a 40 to 18 victory over the ladies from Portal.

HIGHLIGHTS FROM THE SIDELINES

It was not enough that the scorekeeper had trouble in keeping up with the fast change in the scoring . . . a lassie from Portal failed to make the Blue Devils on the court, but she did succeed in confusing the scorekeeper, but there was no doubt about the true score.

And Lane Johnson, eagle-eye timekeeper keeping an eagle eye on the girls.

And Coach Teel won't need anything to eat for a week . . . he chewed all evening on his finger-nails.

Dent Newton and Ray Darley accounted for 25 of the Blue Devils' points.

It broke our hearts to see Avant Daughtry chafing at the bit on the sidelines. He injured his eye in late Laboratory School game.

BACK TO EARTH FOR US

Statesboro High students . . . rather the boys and gals who go to school at S. H. S. . . got their feet back on hard ground after a season of mid-term exams. Many happy faces on the campus.

A Reason for Friendship

There's always a reason for friendship . . . many families have found it in our superb planning of memorials. We're proud to be of assistance in times of need, and we're prouder yet of the fact that we've never failed in giving beauty and satisfaction in memorials.

Rotary Club Feeds Blue Devils and Band

The Statesboro Rotary Club fed barbecue to the Statesboro High Blue Devils, football team, and the Blue Devil Band and cheerleaders at Lake View Monday night.

It is an annual custom for the Rotarians of Statesboro to play host to the football team. This year members of the band were included and more than fifty young people were on hand for the bar-b-que. The Rotarians also presented Superintendent S. H. Shrum to the boys and girls who, in turn, Zach Henderson was chairman presented coach Ernest Teel to the Rotarians.

Coach Teel reviewed the Blue Devil 1945 football season and then presented Ernest Teel, captain of the football team and Jud Lanier, co-captain. Ernest Teel presented each member of the team giving the position each played.

Mr. Shearhouse, director of the Blue Devil band, spoke for the band members and one of the cheer leaders spoke for that group. Bonnie Morris, Rotarian, and Otis Waters were in charge of the barbecue supper.

Library To Get South Main Lot

At a called meeting of the Bulloch county library board Monday afternoon it was agreed to purchase the building lot between the Rushing home on South Main St. The lot is 90 feet by 140 feet, and was owned by Mrs. S. Edwin Groover.

Mr. Charles E. Cone handled the agreement.

During the latter part of 1945 the members of the library board conducted a drive to secure funds with which to build a new library. At the time the triangular lot between Savannah Avenue and East Main Street was considered. A recent survey indicates that the location on South Main Street is considered more desirable.

The survey made under the direction of Lucile Nix, in charge of rural libraries for the state department of education and Isabel Sorrier, Librarian, indicates that 100 percent more users of the library live in the South Main section of the city than live in the Savannah Avenue area; and that 100 percent more users of the library live in the West Main Avenue section than live on North Main. The smallest number of people using the library live in the West Main Street area.

Because the location of the lot is at the cross roads of the public school traffic, and because of the size and shape of the lot, it is considered by the board to be a desirable one on which to build the library to serve the greater number of the citizens of Statesboro.

BULLOCH COUNTY VOTERS LIST CLOSE FEBRUARY 22

Allen R. Lanier, chairman of the board of registrars, announced this week that Friday, February 22 has been set as the last day to qualify to vote in the primary to be held March 6.

Mr. Lanier urges those with any doubt about their status to check with the Tax Commissioner's office before the voters list is made up.

"Wild Cat Willie" To Appear At West Side School Feb. 20

"Wildcat Willie," a one act play will be presented at the West Side school Wednesday night, February 20.

The cast of the play include: Patty Banks, Mike McDougald, Hal Waters, Hilda Gross, Don Johnson, and Sue Hagan, all of the Statesboro High School. The play is being sponsored by the West Side committee of the Statesboro Library, under the direction of Elizabeth Sorrier.

In addition to the play there will be a number of special dances, solos, and readings.

At 6:30 the ladies of the West Side school will serve a chicken supper. An admission of 10 and 25 cents will be charged for the benefit of the school lunch room.

METHODISTS TO HEAR BISHOP PURCELL ON METHODIST RADIO HOUR

Bruce Thomas to Speak at Teachers College

Bruce Thomas, war correspondent and lecturer, will speak at the Teachers College auditorium on next Wednesday evening, February 20, at 8:00 o'clock.

Mr. Thomas comes here as the second presentation of a series sponsored by the college and civic organizations of Statesboro.

He is a correspondent and lecturer with wide experience in foreign affairs and possesses first-hand knowledge of the problems confronting the countries devastated by World War II. The subject of his lecture has not been announced.

The sponsors of the series want to thank the public for their cooperation in buying season tickets. Plans include bringing these programs to Statesboro annually.

Season tickets may still be purchased at 12.50 per person on the balance of the series. Tickets for a single performance are \$1.00.

Mr. E. W. Keel has the season tickets and single tickets may be purchased at the auditorium doors. Student tickets are 50 cents.

AAUW Hear Helen Coxson

Mrs. Helen Williams Coxson, former member of the Georgia state legislature and now a member of the state pardon and parole board, will be the speaker at the meeting of the American Association of University Women held Tuesday evening at the home of Mrs. P. O. Olliff.

Miss Hester Newton introduced the speaker.

Mrs. Coxson made a plea for better government, saying "We must forget favors and friendship in order to 'vote intelligently.'"

Following Mrs. Coxson's address the membership of the club discussed "Women in a democracy should assume responsibilities and should be accorded the opportunity to participate fully in the intellectual, social, economic and political life of the community, state, and nation, without restriction because of their sex or marital status."

will play in Statesboro in the playoffs on Monday night, February 25. The C schools playing at 8 o'clock.

The B schools playing at 9 o'clock.

The C schools will play at 8:00 and the B schools will play at 9:00 o'clock. The winners of the Brooklet tournament B and C will play the winners of the Collins tournament B and C in Swainsboro on Monday night, March 4, unless Statesboro is in the finals and in that case the games will be in Statesboro.

The winner of the Sardis tournament will play the winner of the Brooklet new church plant, the basement of which cost \$200,000. Now this enlarged plant is inadequate to take care of the people who are waiting on the Ministry of Dr. Cole.

Dr. Cole will speak at the Georgia Teachers College Monday morning, February 18 at 10:15.

Work to Begin on Sylvania End of Burton's Ferry Road

It was announced here this week by Fred W. Hodges, chairman of the county commissioners, that the contract for paving the highway from the Statesboro Airport to Dover will be let at an early date.

Bulloch County Girl Meets Big Queen Mary In New York

When the Queen Mary docked in New York Sunday a Bulloch county girl was there to meet it.

She is Ruth Rebecca Franklin, daughter of Mr. and Mrs. H. J. Franklin, of Bulloch county.

Ruth Rebecca was sent to New York by The Atlanta Journal to meet the huge ship and the twenty-six brides of Georgia soldiers who came to the U. S. from the war to receive the grading and paving of the Burton's Ferry route from Sylvania to Dover.

Vernon C. Smith will be in charge of the work for the State highway. It is understood that the Scott Construction Company of Thomsville will build the three bridges between Sylvania and the Ogeechee river.

Mr. Hodges also announced that the survey on the Statesboro Pembroke has been completed and contracts for paving will be let soon. J. G. Attaway Construction Company has completed the grading below Denmark and all the bridges.

With so much attention focused on the state post roads, Mr. Hodges announced that the state has approved grading of several stretches of the post roads in Bulloch. These are: the Nevils to Denmark section of the Brooklet-Nevils road; the Portal-Rockford road; between U. S. 80 and the West Side road.

He pointed out that Bulloch county maintains 220 miles of post roads, including 1700 public roads and 650 miles of school and mail routes.

Bulloch county now owns excellent road equipment and it is all in good condition.

The county has been maintaining about 32 miles of dirt roads in Bulloch county of the state highway system.

H. R. CHRISTIAN JOINS CHAS. E. CONE REALTY COMPANY

This week a new partner was added into the firm of Charles E. Cone Realty Company.

Mr. Charles E. Cone announced that Howard R. Christian has joined the realty firm and becomes a partner with Mr. Cone and Mr. Robert M. Benson.

The Charles E. Cone Realty Company, organized in January, 1915, is Statesboro's oldest real estate business. It was organized by Mr. Cone and Mr. Henry C. Cone and later Dr. Wesley Cone joined the firm. In 1938 Robert M. Benson became a partner.

Mr. Benson worked with the Sea Island Bank before joining Mr. Cone and during World War II he served with the armed forces in the Burma theatre.

Mr. Christian returns to Statesboro after being away for two years during the war. He was owner of the Western Auto Company on East Main Street.

For over thirty years the firm of Charles E. Cone Realty Company has bought and sold property in Bulloch county. It is believed that Mr. Cone knows more about Bulloch county property than any other man in the county.

REVIVAL WEEK

Baptist to Hear Dr. W. R. Cole

The Spring Revival will begin at the Statesboro First Baptist church Sunday, February 17 and will continue through Sunday, February 24. Rev. Earl T. Serson, pastor, announced this week services will be held daily at 11 a. m. and 8:00 p. m.

Dr. Warner R. Cole, pastor of the Covenant Baptist Church of Detroit, Michigan, will be the speaker during the revival.

Dr. Cole is pastor of Detroit's outstanding Baptist church. He was formerly the pastor of the Dexter Boulevard Baptist Church of Detroit which became too small to handle the congregation that came to hear him. This church was sold to the Swedish Baptist Church of Detroit and his congregation built a new church plant, the basement of which cost \$200,000. Now this enlarged plant is inadequate to take care of the people who are waiting on the Ministry of Dr. Cole.

Dr. Cole will speak at the Georgia Teachers College Monday morning, February 18 at 10:15.

Hereford Bull Sale Feb. 26

The Georgia Hereford Association's annual spring breeding cattle sale will be held here February 26, W. S. Rice, manager of the association, announced.

Mr. Rice stated that the officers of the association had agreed unanimously to hold the 1946 sale in Statesboro at their meeting this week.

There will be 50 registered Hereford bulls, both horned and polled, and 10 registered females offered as the sale. These bulls will range from 12 to 30 months old, with the most of them being ready for service now. Mr. Rice pointed out with pride that all the cattle offered in this sale are Georgia raised by 17 leading Georgia breeders.

The Bulloch county farm Bureau and the Statesboro Chamber of Commerce are cooperating with the association and others to make this sale possible.

During the past few years the prices of breeding Hereford bulls have been too high for the Bulloch county livestock men to pay. These cattle are coming to the county at a time when most of the Hereford sires are having to be discarded and new ones bought.

Javcees Hear GM Side of Strike

Mr. R. H. Norton, zone manager of the Chevrolet Motors Company, Atlanta, presented to the members of the Junior Chamber of Commerce at its regular meeting held last Thursday, a brief statement of the issues involved in the UAW-CIO strike against General Motors, using a slide projector.

Mr. Norton stated that a number of labor bills are being considered by Congress. However, he pointed out that new legislation affecting management-labor relations will not settle a thing if it does not establish clearly, the principle is sound that any employer should be forced to pay higher than competitive wages on the basis of his assumed ability to pay such wages and stay in business. It also involves the question of how much more inflation our country wants and when.

"Whether the legislation, new or old, will permit labor and management to reach lasting settlement of their differences," he said, "We all must learn that we have to work for the things we would like to have. National wealth, improved standards of living—these come only as a result of producing, making and creating things that are useful. Things can be produced, made and created only by efficient work."

In commenting on the issues involved in the present UAW-CIO strike against General Motors, Mr. Norton said that the union's desire to "look at our books" is a clever catch phrase intended on an opening wedge whereby hope to pry their way into the whole field of management. "The fact is the union is reaching for power and has gone beyond its rights under the law," he said.

He closed with the statement that the final results of this strike could mean that it would eventually reach down into the management of the smallest business. "Like you have here at your home."

Lehman Franklin had charge of the program and introduced Mr. Norton to the club.

Holland Twins Work In Art Sections of U. S. Navy

Billy Holland, son of Mr. and Mrs. Roger Holland, has been named cartoonist for the "Hoist," official newspaper for the Naval Air Station at San Diego, California.

Billy, together with his twin brother, Bobby, were the cartoonists for the 1942 Critterian, yearbook for the Statesboro High School.

Bobby is in the art department of the Naval separation center at Memphis, Tenn.

NEVILLS NEWS

By MISS MAUDE WHITE

The regular February meeting of the Nevills Parent-Teacher Association will be held Thursday afternoon, Feb. 14th, at 3:00 o'clock. A very interesting "Fountain of Youth" program will be presented. All members are especially urged to be present to help complete plans for the Basketball Tournament to be held on February 20, 21 and 22nd. Be sure to be on time for the meeting Thursday afternoon.

FARMERS MEETING

The regular February meeting of the Nevills Farm Bureau will be held Thursday night, Feb. 14th. The subject for discussion will be "Peanuts and Sweet Potato Production and Disease-Free Seeds". The meeting will begin at 7:30 o'clock. The "Associated Women" will also have their meeting at the same time. Both groups will assemble in the agriculture building. Immediately after supper is served, the group will divide and the ladies will go to the Home Economics Department for their meeting. All members are urged to be present.

The Nevills Youth Fellowship appointed a delegation to go to the Sub-District Meeting Monday night at the Langston Church.

The Young People of the Nevills Methodist Church will meet at the church next Saturday morning (Feb. 16) at 9:30 o'clock to work in the church flower garden. All girls will take at least six gladioli bulbs, crepe myrtle and dogwood plants. The boys are asked to bring tools, such as hoes, jacks, diggers and also a mule and plow. Everybody having gladioli bulbs for the church, please send them in by Saturday morning.

The Nevills boys were victorious over the Laboratory High school Friday night with a score of 45 to 20.

The Nevills girls were equally

CARD FOR MR. HODGES

To the Voters of Bulloch County: As a candidate for another two-year term for chairman of the board of commissioners of roads and revenues of Bulloch County, I wish to thank you for your support during the past. I appreciate to the fullest the opportunity of serving you. At all times I have co-operated with the schools and all other departments of the county government and city administration. It has been my desire to give you the best service possible working with the other two commissioners.

Five years ago our board began plans for a number of county improvements, such as road paving, bridge and road construction, enlargement of the Bulloch County Hospital, remodeling the courthouse and jail, the building of a new prison camp, etc.

Then as you know, came Pearl Harbor, and in order that we might put every effort into the winning of the war we gave up the best road equipment we had to further the war work at the government's request, and our work was limited to only a small part of peacetime activities. Since the war closed, the county has been able to purchase new equipment for road work and is completing a new prison camp for housing its

For Distinguished Service in the Fields

HAD AWARDS been given for distinguished service on the home front, the overalls of many a Southern farmer would today be decorated with service ribbons.

Handicapped by shortages of labor and machinery, he produced record yields of food and farm crops in the critical war years when they were needed most. He did this by working harder and longer—and by care of machinery which could not be replaced.

Peace has come—but new tractors, trucks and machinery are still hard to get. You'll very probably have to nurse your old machinery through another trying season.

Your Standard Oil man can help you with this. Not alone by supplying you with dependable lubricants that will give longer, more useful life to your machinery—but by furnishing you with a Lubri-

tion Chart tailor-made for your own make and model of tractor. You'll find the Standard Oil man to know. He's friendly and helpful. Like the dependable products he sells, he's been a "Stand-by" to thousands of Southern farm boys for many years.

FREE LUBRICATION CHARTS AND FARM ALMANAC

Ask your Standard Oil man for a copy of the Standard Oil Farm Almanac... and for a Lubrication Chart... also for a new model tractor... that takes the spacework of 1 1/2 tractors.

Tax Laws CHANGED

The last session of the General Assembly changed the law so that the State and County Taxes must be returned January 1 and March 31 each year.

Notice is hereby given that the books were opened for the purpose of receiving tax returns for County of Bulloch on Jan. 1, 1946. The law requires that all real estate, notes, accounts and personal property of every description, held on Jan. 1, 1946, shall be returned at its true and market value on that date.

Respectfully,
J. L. ZETTEROWER
Tax Commissioner, Bulloch County, Georgia

COACH TEEL GETS AN APOLOGY

Last week we took a crack at Coach Ernest Teel about his nervousness at the basketball game, causing him to chew his finger nails. At the Swainsboro game Friday night I checked up to see if he had any more nails to chew and I was amazed to see that his nails were as long as a movie actress. It was a mystery to me. Do finger nails grow that

fast, I say to me??? I ask him about it. He then let me have it—both barrels. It develops that Coach chews matches and the way he holds them it looks exactly like he's chewing nails. So I apologize Coach... but let's not create a match shortage. **BLUE DEVILS WHIP SWAINSBORO** The old brown bull was being bounced around plenty Friday

night of last week when the Blue Devils bounced up a score of 41 to 20 to defeat the boys from Swainsboro. The scorekeeper is asking the athletic department to buy him an adding machine. And the Gals in Blue did OK too. They racked up a 23 to 18 score.

TRUE BLUE

Everyone is seeing BLUE at SHS. No—there's no eye trouble there. But the new blue and white football jerseys account for the skies of blue. They came to the members of the football team as a complete surprise. Friday morning at chapel period there were 14 boys lined up on the stage. They were: Dent Newton, Renner Brady, Jimmy Mincey, Ray Lurley, Robert Parrish, Louie Simmons, Eddie Rushing, Hal Waters, Tamadge Brannon, Harold DeLoach, E. L. Jones, Avant Daughtry, Judson Lanier and Ullman Swinson.

Coach Teel made the presentation talk. He commended his boys in blue for the successful season they had had, winning all but one game during the season. The jackets are the combat type used in the armed forces, of a blue material with a large white "S". Swinson made his "letter" as manager of the team.

And if you ask me I believe the boys sleep in those jackets. I don't blame them if they did Monday night.

PRETTY AS A PICTURE

The photographs for the Critterion came back from the studios last week—some were good—some were bad—some students were happy—some were sad. But it just goes to show that we can't all be Van Johnsons!

YIM-YUM!

Horace McDougall, ex-SHS and ex-GI thought he would never do it again... but when the Rotary Club fed the Blue Devil footballers and music makers Monday night at Lake View... there Horace was... right in an old army chow line... and he was liking it.

We all liked it. Supt. Sherman made a short talk. Coach Teel made a speech. Mr. Shearer made a short talk... and Romeo Brady said something and one of the cheer leading gals said something... but they went out for only one thing... Bonnie Morris' barbecue.

BLITZ DEVILS TO PLAY SWAINSBORO

Tomorrow night (Friday) the Blue Devils go to Swainsboro. They will play ball in enemy territory.

The Preacher Says

By REV. CHAS. JACKSON, JR.

Let a Southern Democrat say it, now that the shooting is all over. The Fair Employment bill went down in defeat in the Senate last week, due to the parliamentary strategy employed by a bloc of Southerners, led by our two Georgia senators. Last Saturday the issue was pronounced "dead."

This is to make a prognosis. It's not going to stay dead. One day it's going to pass both houses of Congress and become the law of the land, for the reason that justice belongs in the category of truth, which, crushed to earth, will rise again.

No matter what they say, objection to the FEPC is based on one consideration. They say that we Southerners object to it because one more alphabetical agency saddled on us; because the right of trial by jury would be violated; because the right of hiring and firing would be taken from the employer; because the administrative agency would be both prosecutor and judge; because the right of entry and seizure would be violated. About the justice of the claims I don't know. I do know that the claims are not the facts that hides the real reason for such violent opposition to the passage of the measure.

Here it is: If the bill had passed the negro would have been entitled to get as much for doing a certain job as anyone else who did the same job. Discrimination could not be shown by hiring two men, one white and one negro, to do jobs which are exactly the same and paying one one wage and the other another.

Now we Southern White Christians have been talking in our churches along a line I believe is right, and we have all been agreeing with each other. The objective we Southern Christians are working for in seeking to better the lot of the black man is not social equality, but social justice. We don't suggest, nor want to give him social access to our homes, nor to build schools on our streets, nor to attend. What we have wanted for him, we Southern Christians have said continually, is access to justice in our courts, so that he is not discriminated against simply because he is black. We have wanted access to an adequate school in

some section of town, to decent housing with a fair rent, wherever located, and to a job, whatever it is, that would pay him enough to live on.

We Southern Christians have been perfectly willing to discriminate against him in our social affairs, but we have said that justice demands that we not discriminate against him economically, by and in other ways.

Not equality, but justice. So we have said.

But from where I sit it appears that we have lost a valuable opportunity to render to the black man economic justice. We said through our Senators that we want to continue to discriminate against him in our social affairs, but we have said that we want to continue to discriminate against him in our economic affairs. We South-erns have through our representatives defeated a bill which would give the black man the same wage for doing a given job that would be given to a white man, simply because the skin of one is black.

We Christians had better study our platform again. And we had better learn to like the Fair Employment measure, because it isn't going to stay dead in Congress. One day it will pass, as it should have this time.

This Southern white Democrat, all of whose forebears on both sides have for many generations been Southerners, is conscious that he doesn't make himself popular to ask people to be logical with their democracy and their religion but he comforts himself by remembering that Christianity very often has and does champion unpopular courses.

All's Fair...

Tain't exactly cloudy, tain't exactly fair. Tain't exactly raw, shorely ain't rare.

But whatever the weather, be it hot or cold. Better find out where the tickets are sold.

Get yourself a couple, make a heap date. Be at the gymnasium 'bout half past eight.

There'll be plenty hot music, and a classy floor show thrown in to boot.

All of those gals and guys who like to kinder drag yourself around to a little music should be right on hand tonight (Thursday) and help out those enterprising students who are bent on producing the best Critterion ever. Now that is quite an undertaking when you consider that the high school annual has already achieved National recognition. The entertainment at the gymnasium will furnish enough variety for every member of the family, and the proceeds will be used by the Critterion Staff, Ruth Sewell is director of the floor show and from now on she will be in charge of the floor show. Fannie Mae Smith better load up on lotions for sunburn coming spring for if she works as diligently then on her lawn as she does now she will really need some. Fannie Mae bought the Mother Jones home and has remodeled it to meet her needs and to bring it up to date. It will be the sort of place I like—large rooms, high ceilings, and shade trees—plenty of space which adds up to a gracious living. When the shrubbery begins to get its roots way down in the ground, Fannie Mae will be all green—her granddaddy, Frances, will have the finest nursery ever created—a playpen right out doors. Frances is such a big girl now that when showing me the room designed for her use it was merely Frances' room and not the nursery.

Little Harriet Holloman who has been told that this or that dress came from Minkovitz was recently munching on a piece of bread. Lucile asked her, Harriet, where'd you get that bread? Quick as a flash came the reply, "From Minkovitz."

One of our enterprising young business women was discovered largely to the beauty of Statesboro, or I might more correctly say, beauties, wearing a diamond, a significant gift from a frequent visitor from Atlanta.

Grace Hook is all excited because Frank and Anne will be carrying a hand-made corde bag and in that bag a picture of her granddaddy, (Emolin) and Major Eldredge's little girl) posed with Aunt Alma.

Louise Attaway in the Post Office getting off a money order to June and Anne in response to a frantic appeal by wire—Money stolen. Please send \$30 at once. Details follow.

Excuse me a minute, I just had to and soak my feet in hot water. They were purely throbbing after hearing an account of a little jaunt to the Air Port. This sub-deb coming up now has certainly got what it takes. Instead of doing a few figure 8's on the sidewalk under mama's watchful eye they whiz out to the Air Port in practically nothing flat. See what I mean? Aren't you kinder breathless?

The ambitious skaters were Virginia Lee Floyd, Anne Remington, Anne Waters, Betty Ann Sherman, Betty Smith, and Barbara Ann Brannen.
