### PTA CARNIVAL DRAWS HUGE CROWD AT THIS GYM

Over 30, seven o'clock. The Rev. Charles Jackson, pastor of the Methodist Church, performed the double ring ceremony.

The wedding march was played by Mrs. Roger Holland, and Margaret Sherman, a friend of the bride, sang "Because" and "Oh, Promise Me."

The bride, who was given in marriage by her father, wore a wedding dress of white broadcloth, satin, sweet heart neck line, fitted waist of long sleeves and a full skirt with long train. She carried a purple throat orchid with tiny orchids around it. The groom's father, Mr. Tilman, served as best man.

Mrs. Bob Blanchette, close friend of the bride, wore a dress of honor. She wore a dress of yellow tulle and carried orchids chrysanthemums. The bridesmaids were Mrs. Joe Robert Tillman, Miss Carolyn Brannen, Miss L. L. Smith, Miss Emily Dekle, Mrs. Harold Hagin, Miss Emma Jean Bohler, Miss Margaret Ann Dekle and Miss Betty Hodge. They were Junior bridesmaids.

The flower girl was Cecilia Anderson, small daughter of Mr. and Mrs. Cecil Anderson, and the ring bearer was Van Tillman, son of Mr. and Mrs. Julian Tillman.

The bride's mother was dressed in an ultra marine dress and her corsage was white gardenias. Mrs. Tilman, the groom's mother, wore a dress of light blue and her corsage was pink carnations.

After the wedding a lovely reception was held at the woman's club.

The couple left on a wedding trip to Atlanta and other places and will return to Statesboro Thursday to live.

### JANE BEAVER HAS HALLOWEEN PARTY

On Wednesday night, Jane Beaver, daughter of Mr. and Mrs. Roy Beaver, entertained forty-five of her friends with a Halloween party. The children came dressed in the spookiest, queerest costumes imaginable and all kinds of games were played on the lawn.

To make the Halloween scene more effective was a lighted owl and a lighted scare crow on each side of the front door. For the best dressed girl, Jean Martin won the prize and the best dressed boy was Allen Sack. Hot dogs and drinks were served and chocolate bars were given as favors.

### PTA HALLOWEEN PARADE ENJOYABLE AFFAIR

The Halloween parade, given by the children of the Georgia School and the kindergarten pupils of Miss Mattie Lively and Mrs. W. L. Jones last Thursday afternoon was enjoyed by the old as well as the children.

The boys and girls were dressed in their Halloween costumes, some in carts, others on motor bikes, bicycles and beautifully decorated floats.

The costumes were very effective from the three bears to the old black cat. The parade began at the Methodist church, on through town and then to the gym where prizes were given for the best Halloween costumes. First prize for the best costume boy went to "Butch" Collins, who represented the "black cat," and for the best costume for girls went to Mary Enoch as the "Scarecrow."

### CTC'S HOLD REGULAR MEETING AT HOME OF SHIRLEY ANN LANIER

### DR. QUIZ CONDUCTS HIGH SCHOOL CHAPEL PROGRAM

On Friday morning of last week the high school enjoyed a program presented by the famous "Dr. Quiz," sponsored by the American Oil Company. The students took part in this program by volunteering as contestants. Dr. Quiz asked the questions and the boys and girls gave the answers. The final score of questions went to Betty Mitchell, a senior, who scored three hundred sixty-five points out of the possible six hundred. She was given a seventeen jewel watch. A similar program was conducted at the College.

# STANDARD VARIETIES OF TOBACCO PRODUCE BEST CROPS, TESTS SHOW

There will be very little difference in the returns obtained as long as flue-cured tobacco growers stick to the so-called standard varieties, County Agent Byron Dyer said this week.

Citing variety tests in the flue-cured belt, Mr. Dyer said that "any of the standard varieties—Virginia Bright leaf, Yellow mammoth, Mammoth Gold, Gold Dollar and Bananza—will produce profitable crops when planted on good tobacco land and properly fertilized and handled."

In recent years, new varieties of tobacco known as 401, 401 and 402 have been developed for use in the old tobacco belt of North Carolina where the soils are heavier than in most of the flue-cured tobacco belt, the agent said.

These varieties are tall growing and have a fairly thin leaf, he continued. It is claimed that they are more disease resistant and do not sucker as freely as standard varieties. The claims aroused interest and for the last two years a considerable amount of the new varieties have been grown in Georgia and other parts of the flue-cured belt.

The first year the new 400 varieties were placed on the Georgia markets the buyers were favorably impressed and paid good prices. Last season, however, some doubt formed in the minds of buyers about the value of these varieties grown on very sandy soil.

Some buyers said that some tobacco from the new varieties was lacking in body and did not have sufficient amount of oil and gum. Some said the tobacco was lacking in quality desired in the flue-cured leaf. If this attitude of the buyers should increase, it might not be long before this type of tobacco would sell for less than tobacco of standard varieties.

## LETTER TO EDITOR

Dear Mister Editor:

Since when did it become a crime for a public official to expose treachery and collusion with the enemies of one's country? We have reached a strange place in our national development when a man may be summarily fired from his position because he gives out evidence that prominent men in the government and in national labor movements and elsewhere have been guilty of co-operating with the enemies of the country in trying to control its policies and elect its officials.

I refer, Mister Editor, of course to the case of Mr. O. John Rogge, assistant attorney general of the United States, who was dismissed by Tom Clarke, the attorney general, with the reason given that he had made certain declarations without clearing them with him. Mr. Rogge, as you know, had said that men like John L. Lewis had conspired with the Germans for the purpose of defeating Mr. Roosevelt for the presidency. He had said that Senator Burton K. Wheeler had been in this conspiracy and had co-operated with the Nazis in various other ways.

Now, Mister Editor, nobody has gotten around to denying these assertions. That they are true it may well be assumed. The truth or falsity of the statements is not at issue. But Mr. Rogge, being a real patriot, believed that he ought to expose the ones whose loyalty to their country was compromised. He knew that when he exposed these incipient traitors his boss, Tom Clarke, would can him. His job, however, was smaller than conscience. He boldly exposed those who had traded with the enemies of their country and then took his medicine.

Good For Rogge! But what about Tom Clarke? He stands in the unenviable position of the man who has stabbed a fellow countryman in the back while he was stoutly defending his country. Tom Clarke from Texas, I believe, has become initiated into that club of questionable characters like rabble rouser Gerald K. Smith, Senator Burton K. Wheeler, Labor Boss John L. Lewis and others of like political contamination. The justice department will now have to sweep out its own dirt before confidence can be restored.

Yours,

STET MARGINO.

## Home Demonstration Club News

Bulloch County Home Demonstration Club members are studying meal planning this month. They know that the success of their families, whether in school, at work or at play depends largely upon the meals planned and served by the housewife. Miss Irma Spears, Bulloch County Home Demonstration Agent, pointed out this week in her demonstrations that the most important factor to remember in planning family meals is the seven basic foods. These are:

1. Leafy, green and yellow vegetables.
2. Citrus fruit, tomatoes, raw cabbage.
3. Potatoes and other vegetables and fruits.
4. Milk, cheese, ice cream.
5. Meat, poultry, fish, eggs, dried peas, beans.
6. Bread, flour cereals, whole-grain or enriched.
7. Butter and fortified margarine.

Whet a selection of food has been made from each of these foods daily the meal planner has no further worries of whether her meals are balanced or not.

Miss Spears says that she has had many requests for a copy of her menu which won first place in the State Meal Planning Contest of the Georgia Federation of Women's Clubs this year. The following menu was submitted by Miss Spears for this contest. She says she chose simple foods from the above basic seven foods.

**BREAKFAST**  
Tomato Juice - Oatmeal  
Soft scrambled eggs  
Whole wheat toast, buttered.  
Coffee.

**LUNCH**  
Cream of asparagus soup  
Baked potatoes with butter and paprika  
Soybean and vegetable salad, garnished with parsley.  
Home made French dressing  
CROUTONS.

**MILK**  
Blackberry Chiffon Pie.

**DINNER**  
Broiled liver with onions  
Frozen lima beans  
Turnip greens  
Raw carrot strips, and celery curls  
Yellow corn sticks

**MILK**  
Vanilla Ice Cream with fresh strawberry sauce.

**BLACKBERRY CHIFFON PIE**  
By Miss Susan Mathews, Extension Nutritionist  
1 envelope gelatin  
1-4 cup cold water

- 3 eggs
- Sugar to taste
- Dash of salt
- 1 cup berries
- 1 tablespoon lemon juice
- Whipped Cream
- Baked pastry shell.

Soften the gelatin in cold water. Beat the egg yolks, add the salt, and sugar and cook in the top of a double boiler until the consistency of custard; add the soaked gelatin and stir until dissolved, then add the berries. Cool; and when the mixture begins to thicken, fold in the stiffly beaten egg whites to which 1-4 cup sugar has been added. Fill the pie shell with the mixture and chill. Just before serving, spread a thin layer of whipped cream over the pie.

Any other fresh or canned fruit may be substituted for the berries in this recipe.

Description of the foods in my menu. The home grown foods in this menu are: Tomatoes for tomato juice, eggs, asparagus, potatoes, soybeans and vegetables for salad, parsley, onions, lima beans, turnip greens, carrots, lettuce and fresh strawberries. This leaves the following foods to be purchased: Oatmeal, bread and corn meal, coffee, butter, milk, flour for pastry, gelatin and whipped cream for pie and lima beans for the local Collins Freezer locker.

The home canned foods are: Tomato juice, vegetables for salad (left overs) and blackberries.

The lima beans were frozen in the local Collins Freezer locker.

**SOAP MAKING**  
Twenty-four farm women in Jeff Davis County have been shown easier methods of making soap than the old method they had used according to Miss Patia Lane, demonstration agent. Five farm women who had never tried it before made soap successfully.

**SHRINKING WOOLENS**  
Demonstrations on shrinking of woolen materials at home and making over garments have been given at home demonstration club meetings. A wool packet that was made over from an old skirt was exhibited.

**SEWING WORK**  
Home Demonstration club women have been studying the remodeling of old garments for clothing the family and the use of cotton bag material for making household articles. Textile painting is used to give color and interest

# 4-H CLUB NEWS

## 4-H CLUB MEMBERS ARE CELEBRATING ACHIEVEMENT WEEK

With the observance of National 4-H Achievement Week in full swing, 4-H members in this county are joining those throughout Georgia and the Nation in spotlighting the accomplishments of individual members, community clubs and county councils.

Four-H members are holding days featuring exhibits of 4-H club special community and county 4-H work and projects. Awards, progress cards, medals and pins are presented to individual 4-Hers in these special 4-H events and awards are made to volunteer club advisers.

Major objective of 4-H Achievement Week is to report the accomplishments of 4-H club members during 1946. Other aims include making a summary of what 4-H members have done in food production and conservation for famine relief, giving recognition to individual achievements and development plans for the coming year.

When the totals are compiled for the year, the part played by Georgia's 4-H club members in producing and conserving food to make more food available for famine relief will be seen. During 1945, the last year for which complete figures are available, the State's 4-H members produced 15,339 acres of gardens, 34,887 head of livestock and 953,450 chickens.

They produced 14,758 acres of corn, 5,875 acres of peanuts, 4,488 acres of cotton and devoted 4,895 acres to soil conservation and pasture improvement. In their food

conservation projects, the State's 4-Hers canned 1,408,808 quarts of food.

Iris Lee, Stillson clubber for the past six years, will serve as the Bulloch county 4-H Club council president during the coming year. Miss Lee has been an outstanding club member in clothing, textile painting, home improvement, food and leadership. She has held every office in her club during these six years. Two officers in the council in years gone by.

Other officers named by the officers from the 11 clubs in the county at their meeting Saturday were Arminia Burness, Nevils, girls' vice president, Jack Brannen, Nevils, boys' vice president, Catherine Anderson, Nevils, secretary, Murray Mobley, Warnock, treasurer, Ouida Meeks, Warnock, reporter, and Rufus G. Brannen, Mrs. L. Herbert Deal, and Mrs. W. H. Aldrich as sponsors.

The Nevils boys and girls are organized as one group with DeVaughn Roberts as president. West Side girls are Betty Sue Brannen, Dorothy Bailey, Dorothy Skinner, Betty Jean Hart, June Stephens and the boys are Arnold Smith, Talmadge Jones, and Odell Ramey.

Register girls are Betty White, Ruby Anne Wilson, Jean Anderson, Martha Ann Nevils, Carolyn Wilson and the boys are Harold Brannen, Lawson Harrison and Jack Bowen.

Leefield girls are Betty Knight, Gwendolyn Williams, Betty Jane Padgett, Eva Shurling, Jackie Hagin, and the boys are Jack Lanier, Billy Bennett and Raymond Hagin.

Ogeechee girls are Jean Joiner, Marie Bunch, Jewel Hart, Joyce Marsh, Ethel Jenkins, and the boys are Homer Bunch, Don Lee and Harold Campbell.

Portals girls are Annabeth Woods, Dorothy Collins, Viola Stewart, Reita Clifton, Martha Sue Skinner, and the boys are Richard Byrd, Ollie Moore and Don Wiley. Elsa girls are Carolyn Finch, Ollie Ree Kangetter, Dorothy Ann

Emmie, Kate Adams, Dorothy Adams and the boys are Kenneth Cook, Allen Strickland, and William Driggers.

Middle Ground girls are Wynette Blackburn, Jean Edenfield, Geraldine Mallard, Edwina Akin, June Edenfield and the boys are Robbie Akins, Waldo Campbell and Henry Fordham.

Warnock girls are Ouida Meeks, Mary Nell Deal, Janita Byrd, Josie Helen Rushing, Carolyn Tanner and the boys are Murray Mobley, Billy Anderson and Rawdon Akins.

Several million dollars worth of eggs are broken and lost each year because of improper packing and poor handling. Farmers can help eliminate this loss by keeping eggs in good repair and by packing eggs according to recommended practices.

**EGG LOSSES**  
Providing clean farrowing lots is one of the most important factors in getting pigs off to a good start comparatively free of worms. One-fourth to one-half acre of uncontaminated ground should be provided for each sow.

**CLEAN LOTS FOR PIGS**
