

## Movie Previews

A list of forthcoming films should convince the varied pessimist that motion pictures are no longer of doubtful value, but that they are becoming indispensable and possess quality that constitutes a definite cultural and educational asset in the experience of everyone. Such pictures as "Barrie's Quality Street," Mark Twain's "Prince and Pauper," a Shirley Temple picture based on Kipling's "Wee Willie Winkie," Jane Austin's "Pride and Prejudice," and Margaret Mitchell's "Gone With the Wind" are proof that you cannot afford to miss this entertaining source of literary and artistic enlightenment. A prominent club woman recently made the state that "the percentage of films which is desirable for children to see is so large that the family right program no longer constitutes a problem to parents."

**WITH CAROLE LOMBARD AS MAGGIE KING AND FRED MACMURRAY TO FURNISH THE SWING**

Swing High, Swing Low at the Georgia Theatre Monday and Tuesday will furnish movie fans a new romantic comedy co-starring those popular lovers of "Hands Across the Table," Swing High, Swing Low is a festival of song and music—of mirth and laughter with a dramatic ending that will have you on your feet and cheering. Carole Lombard was never before so alluring—Fred MacMurray never so gay and debonair. Make a date now with your best girl for this one.

**WAKE UP AND LIVE WITH WALTER AND BEN IS ONE YOU MUST SEE AND BRING ALL YOUR KIN**

FLASH! To Mr. and Mrs. Statesboro and all the little Statesborians Walter Winchell and Ben Bernie, the good old maestro make a team in Wake Up and Live playing at your theatre Wednesday and Thursday that will make history. It's a musical comedy that furnishes T-N-T.

**THE JONES FAMILY IN OFF TO THE RACES WILL MAKE YOU THINK YOU'RE GOIN' PLACES**

Fast moving smartly acted comedy with your favorite The Jones Family. Friday at the Georgia Theatre you can check your troubles at the box office and prepare for an hour or two of hilarious happenings. Ted Protry and Shirley Deane will serve laughs faster than ever.

**HILLS OF OLD WYOMING IS A WESTERNER RIGHT WITH HOP-ALONG CASSIDY TO MAKE THE OUTLOOK BRIGHT.**

Saturday offers in addition to Hop Along Cassidy, Catering Women, and Claire Trevor and Michael Whalen. These double feature programs offer a maximum of entertainment for a minimum price.

**MAYTIME**

Hal Macon, manager of the Georgia Theatre, has in a very real sense scooped the theatre marls for the benefit of his patrons. He has booked the greatest picture of the season weeks ahead of other theatres in this section. MAYTIME starring the singing sweethearts of Rose Marie will be shown at the Georgia Theatre beginning Monday, May the tenth and continuing through the 12th.

Maytime brings to the screen the scent of peach blossoms, a traditionally beautiful story of love found and lost. It is gay, charming and heart stirring. We appreciate Mr. Macon's efforts that will make it possible for us to see this superb picture so promptly.

## Portal News

### PORTAL NEWS

Mrs. Herbert Franklin and sons, John and Jappy, of Atlanta, spent the week end with Mr. Franklin at their home here.

Mr. and Mrs. Ben Brown of Savannah spent Sunday with relatives.

Mrs. Clarence Gay of Augusta is visiting her parents, Mr. and Mrs. B. L. Hendrix.

Miss Clara Lanier spent the week end at her home near Statesboro.

Miss Ruth Harden and Miss Louise Humphrey of Avera, spent Monday with Mrs. W. L. Harden.

Mrs. Oliff Thomas and baby are visiting her parents, Mr. and Mrs. B. L. Carter.

Mrs. E. L. Womack, Miss Winona Martin and Miss Eunice Parsons attended the Bulloch County Council of Parent-Teachers Association at Middleburg School Saturday.

The Woman's Missionary Society of the Methodist church met at the home of Mrs. J. Edgar Parrish on Monday afternoon.

Revival services will begin Monday evening, May 3, at the Methodist church, Rev. Williams, pastor of the church in Vidette, will assist Rev. Jordan in the services.

Friday, May 7th was set as the date for the Flower Show, which is being sponsored by the Parent Teachers Association of Portal High School.

Mrs. C. T. Gard is chairman of the committee in charge of all arrangements for the show. The show will be held in the Sewing Room in the grammar school building, and there will be judges from a neighborhood.

Competition is open to all amateur flower growers in Portal Consolidated School district, whether members of P. T. A. or not. An admission fee of ten cents will be charged to see the exhibits, and light refreshments will be served free. Exhibits will be judged and doors opened at 3 p. m.

## Rotarians Hear Dr. M. S. Pittman

The Statesboro Rotary Club at the regular weekly meeting at the Columbus Tea Room heard reports on the District Convention held in Augusta last week.

Rotarian Marvin S. Pittman was asked to report on the District Convention. Dr. Pittman reported that the convention was most successful, with a grand spirit of fellowship prevailing throughout the entire session.

His report covered the meeting and was well received.

Guests at this week's luncheon were Rev. R. Excell Fry, D. D., who is conducting a week's service at the Presbyterian Church, and Rev. H. L. Sneed, pastor of the church. No important business matters were discussed at the meeting, Monday.

## Woman's Prophecy

Last week Miss Alva Wilson of the Ogeechee community brought in to our office a copy of the Primitive Baptist, the official publication of Primitive Baptists, and called our attention to a prophecy made in the form of a poem which was written in the fourteenth century.

Wednesday last week, J. D. Allen, now of the city police force, brought in the same issue of the same paper calling our attention to the same prophecy. In reading it, we agree with Miss Wilson and Mr. Allen that it might be of interest to our readers.

The prophecy, in the form of a poem, was written by Mother Ship-ton, in the fourteenth century, years before Columbus discovered America. In this poem many things that have come to pass are predicted.

Mother Ship-ton, author of the poem, was born in Norfolk, England, and died in Clifton, Yorkshire, in 1449.

The prophetic poem follows:

**A Woman's Prophecy**

A carriage without horses shall go,  
Disaster fill the world with woe;  
In London Primrose Hill shall be  
Its center hold a bishop's see,  
Around the world men's thoughts shall fly,  
Quick as the twinkling of an eye.

And waters shall great wonders do,  
How strange, and yet it shall come true.  
Then upland the world shall be,  
And gold found at the foot of trees;  
Through tower hills proud men shall ride,  
Nor horse nor ass move by his side.

Beneath the waters men shall walk;  
Shall ride, shall sleep and even talk;  
And in the air men shall be seen,  
In white, in black, as well as green.  
A great man shall come and go,  
For prophecy declares it so.

Meets: Monday 3:30 p. m. Regular business meeting. 2nd Monday 4:30 p. m. Circle Meetings. 3rd Monday 3:30 p. m. Literary Program. 4th Monday 3:30 p. m. Circle Meetings.

**PRESBYTERIAN WOMAN'S AUXILIARY**  
Mrs. William Dell, President.  
Meets: Every Monday 3:30 p. m.

**WOMAN'S CLUB**  
Mrs. B. H. Ramsey, President.  
Meets: Every Third Thursday in the month. New Woman's Club house

**ROTARY CLUB**  
J. H. Whiteside, President.  
J. Gilbert Cone, Sec.-Treas.  
Meets: Every Monday 1:00 p. m. Columbus Tea Room.

**STATESBORO PARENT TEACHER ASSOCIATION**  
Mrs. Ernest Brannen, President.  
Mrs. J. Brantley Johnson, Sec.  
Meets: 1st Thursday 3:30 High School Auditorium.

**AMERICAN LEGION AUXILIARY**  
Mrs. Hugh M. Arnold, President.  
Meets: Every second Tuesday.

**AMERICAN ASSOCIATION OF UNIVERSITY WOMEN**  
Miss Ruth Bolton, President.  
Miss Dorothy Brannen, Sec.-Treas.  
Meets: Every third Tuesday in the month at Yellow Cottage.

**STATESBORO MUSIC CLUB**  
Mrs. G. E. Bean, President.  
Meets every third Tuesday night.

**WATERMELON CONTROL COMMITTEE IS NAMED**

Selection of the 12 members of the control committee, under the 1937 marketing agreement and order regulating the handling of watermelons grown in Georgia, Florida, North Carolina, and South Carolina, was announced in Washington this week by Secretary of Agriculture Henry A. Wallace.

The control committee, which is in charge of administering the watermelon program in these four states, consists of six growers and six handlers, chosen annually by the secretary from nominations submitted by the various groups entitled to representation within the industry.

Five of the 12 members of the committee are Georgians. Florida is represented by three members, and North and South Carolina by two members each.

The Georgia's committeemen and the groups they represent include: North Georgia District Producers—R. G. Lumsden, of Vienna, with R. Calhoun Hogan, of Dexter, as alternate.

South Georgia District Producers—F. C. DeMott, of Moultrie, with C. R. Thrasher, of Barwick, as alternate.

Handlers for Both Georgia Districts—H. L. Cartwright, of Tifton, and Roy E. Parrish, of Adel; with S. T. Hall, of Dublin, and J. B. Easton, of Milledgeville, as alternates.

Sowega Melon Growers' Association—P. N. Whitehurst, of Adel, with Charles H. Cannon, of Moultrie, as alternate.

The annual selection of the control committee by the secretary of agriculture is in accordance with the provisions of the marketing agreement and order for the handling of watermelons in the southeastern states.

And now a word in uncouth rhyme,  
Of what shall be in future time:  
For in those wondrous far-off days  
The women shall adopt a crate.  
To dress like men and trousers wear,  
And cut off their lovely locks of hair.

They'll ride astride with brazen brow  
As witches on a broomstick now,  
Then love shall die and marriage cease.  
And nations wane as babes decrease.  
The wives shall fondle cats and dogs,  
And men live much the same as dogs.

In nineteen hundred twenty-six  
Build houses light of straw and sticks,  
For then shall mighty wars be planned,  
And fire and sword shall sweep the land,  
But those who live the century thru,  
In fear and trembling this will do.

Flee to the mountains and the dens,  
To beg and forests and wild fens,  
For storms shall rage and oceans roar,  
When Gabriel stands on sea and shore.

**J. C. LANE**  
DENTIST  
Oliver Building

And as he blows his wondrous horn,  
Old worlds shall die and new be born.  
—Original Mother Ship-ton's Prophecy.

## Middleground News

A most enjoyable meeting of the Middleground Community Club was held Thursday, April 22, at the home of Mrs. Wade Hodges. The presence of Miss Maxwell, new home demonstration agent, added interest to our gathering as did the presence of thirty-two members and five visitors.

A memorial program was given as follows: Song, Testing Tonight; Tribute to the Boys in Grey; Frances Cannon; Origin of Memorial Day; Mrs. Blayne Deal; Story of Dan Emmett; Composer of Dixie, Mrs. Bruce Akins; Song, Dixie. At the close of the program, a contest was held and Frances Cannon gave a red flower-begonia for correctly answering the largest number of questions relating to the War Between the States.

A style revue was held at this meeting, three groups of dresses being shown—sports, afternoon and house dresses, they being made and modeled by the contestants. Mrs. John Cannon won in the house dress group, Mae Stringer in sport and Mrs. Wade Hodges in the afternoon group, as well as being judged the best dress in all groups. She will represent the club at the county contest. Miss Ruth Bolton, from the Teachers College, was with us and judged the dresses. We thank her for coming. Other visitors were, Mrs. Bonnie Lawrence, Mrs. Demmon Hodges, Mrs. John Porter, and Mary Sue Akins.

Plans were discussed for the Flower Show to be held in June. We are also sponsoring a Community Stunt Night to be held soon, final plans have not been made.

At the close of the meeting, the hostess, assisted by Theo. Porter and Mary Sue Akins, served ice cream and cake.

Mrs. Tom Lane invited us to meet with her in May.

The last meeting of the Middleground P. T. A. for this school term will be held in the school auditorium Thursday, May 6. All members are urged to attend.

Mr. and Mrs. Herbert Marsh and family attended the Smith reunion at Blitchton last Sunday.

Mr. and Mrs. Emory Lane and children visited her father, Mr. W. E. Jones at Milledgeville Sunday.

We hope our visitors had a pleasant time last Saturday when our school entertained the P. T. A. council. Dr. M. S. Pittman, president of Teachers College, was the principal speaker of the day, his subject, "Life Enrichment for Home and Community." Let us put in practice the phases he emphasized as some of the essentials for this enrichment. (Mary, I'm afraid you missed the basic essential—I watched you eating!)

A delightful social event of Friday, April 23, was the miscellaneous

show given by Mrs. Leroy Akins at the home of Mrs. N. B. Akins, honoring Mrs. Wilbur Hodges, a recent bride. The home was attractively decorated with spring flowers carrying out the color scheme of pink and yellow.

Receiving with the hostess and honor guest were, Mrs. Newt Akins, mother of the bride, Mrs. Hastie Hodges, mother of the groom, and Mrs. Bernard Smith, the bride's sister.

Miss Marguerite Metts had charge of the bride's book and also directed the guests to the dining room where punch and crackers were served by Miss Eva Lee Mock and Miss Katharine Hodges. Little Edwina Akins then directed the guests to the gift room which was presided over by Miss Verna Metts.

About seventy-five guests called between the hours of 3 and 6.

This reporter did a little roaming last week—neighbor furnished gas and car—the most contented sight I saw was the official Roaming Reporter sitting in a big rocking chair under a shade tree on another chair, pitcher of ice water on table near by and he gazing intently on a page in a magazine—picture looking like Joan Blondell. I heard that his wife had gone to Statesboro and he was supposed to be looking after the store.

There seems to be no limit to the honors the Wade Hodges family is bringing to our community. Mrs. Hodges was honored last Saturday when she was elected to serve as president of the P. T. A. Council for the next scholastic year. We know she will be an efficient officer. She is also a charming hostess as was demonstrated when she entertained the Community Club—then to win first place over all entrants in our style show, is another honor. I have already told in these columns of the record Robert and W. C. made in the track meet—now, Robert entered the beauty contest held at the Georgia Theatre, recently, and won second place. I hear he had strong competition. (Robert, I'm glad those judges didn't see you going in the College Pharmacy the other day—barefooted!)

Does it seem strange that there is a place in Bulloch that can furnish the Dionne Quilts with enough oatmeal to feed them the remainder of their lives, granted that they should live 80 years. There, John M. Hendrix has 100 acres of oats, the prettiest field of oats that we know. We made a picture of that field of oats this week and the pictures of the great wheat fields of the west have nothing on this picture of Mr. Hendrix's field of oats.

Alton Brannen is putting in practice that old maxim about greener pastures are over the way, (something like that). He puts his hogs to grazing in one area on soybeans. While the hogs are liking it there he is preparing a field of millet where the hogs can see him, then the hogs, seeing what they think are greener pastures, root through the soybeans so that they may get into the millet sooner and so on through the field of oats, peanuts. A multicourse meal, as it were.

And J. W. Rucker's idea of making a good cotton crop is to convert all his seed into seed that will grow feed crops for hogs and poultry and plant that seed where he would have planted cotton.

If the winter cover crop used in the county during the past winter, composing of Austrian winter peas vetch, had reached the tonnage on all farms that it did on John Powell's field, better corn crops would be found later in the year.

D. B. Lee and J. W. Rucker should get together. What with Rucker's ideas on cotton and hogs and Lee's ideas on hogs and cotton they could spend a happy hour. Mr. Lee thinks that a man can keep some 50 head of hogs on a small farm and then make a good cotton crop.

Charles Franklin is our idea of a man taking advantage of opportunity. He believes and he is putting his belief to test, that a good cash crop can be harvested with more than two-thirds of the cultivated acreage in soil conserving crops and feed.

125 hams represents 62 1-2 hogs (we are going to have to inquire further regarding that 1-2 hog). Mr. W. C. Hodges is using these 125 hams to practice the slogan "living at home." If he should keep "at home" on his door steps these hams would not last long for these hams that like hams and such a sign would bring them in flocks and flocks. K. H. Harville thinks these hams should be from hogs that weigh around 300 pounds, judging from the looks of the hams he has in his smokehouse. He was smart... he would not tell us how many he has.

When a man can raise steers and sell them to a man that has never seen them and sell them at 12 cents per pound... well he got somn. Montrose Graham is the man. He knowing a good thing when he sees it, is getting an earlier start for the next season.

If good Angus cattle can be grown in other states they can here, according to W. H. Smith and Jones Allen. Cattle resembling those found in the Blue Grass region can be found grazing around their homes most any day.

Why go to other sections of the state to find purchased pigs all the time, the Brooklet high school agricultural boys ask. With this question in mind they proceeded to raise enough for the other boys and farmers in the county.

Does it seem strange that there is a place in Bulloch that can furnish the Dionne Quilts with enough oatmeal to feed them the remainder of their lives, granted that they should live 80 years. There, John M. Hendrix has 100 acres of oats, the prettiest field of oats that we know. Why go to other sections of the state to find purchased pigs all the time, the Brooklet high school agricultural boys ask. With this question in mind they proceeded to raise enough for the other boys and farmers in the county.

Does it seem strange that there is a place in Bulloch that can furnish the Dionne Quilts with enough oatmeal to feed them the remainder of their lives, granted that they should live 80 years. There, John M. Hendrix has 100 acres of oats, the prettiest field of oats that we know. We made a picture of that field of oats this week and the pictures of the great wheat fields of the west have nothing on this picture of Mr. Hendrix's field of oats.

Alton Brannen is putting in practice that old maxim about greener pastures are over the way, (something like that). He puts his hogs to grazing in one area on soybeans. While the hogs are liking it there he is preparing a field of millet where the hogs can see him, then the hogs, seeing what they think are greener pastures, root through the soybeans so that they may get into the millet sooner and so on through the field of oats, peanuts. A multicourse meal, as it were.

And J. W. Rucker's idea of making a good cotton crop is to convert all his seed into seed that will grow feed crops for hogs and poultry and plant that seed where he would have planted cotton.

If the winter cover crop used in the county during the past winter, composing of Austrian winter peas vetch, had reached the tonnage on all farms that it did on John Powell's field, better corn crops would be found later in the year.

D. B. Lee and J. W. Rucker should get together. What with Rucker's ideas on cotton and hogs and Lee's ideas on hogs and cotton they could spend a happy hour. Mr. Lee thinks that a man can keep some 50 head of hogs on a small farm and then make a good cotton crop.

Charles Franklin is our idea of a man taking advantage of opportunity. He believes and he is putting his belief to test, that a good cash crop can be harvested with more than two-thirds of the cultivated acreage in soil conserving crops and feed.

125 hams represents 62 1-2 hogs (we are going to have to inquire further regarding that 1-2 hog). Mr. W. C. Hodges is using these 125 hams to practice the slogan "living at home." If he should keep "at home" on his door steps these hams would not last long for these hams that like hams and such a sign would bring them in flocks and flocks. K. H. Harville thinks these hams should be from hogs that weigh around 300 pounds, judging from the looks of the hams he has in his smokehouse. He was smart... he would not tell us how many he has.

When a man can raise steers and sell them to a man that has never seen them and sell them at 12 cents per pound... well he got somn. Montrose Graham is the man. He knowing a good thing when he sees it, is getting an earlier start for the next season.

If good Angus cattle can be grown in other states they can here, according to W. H. Smith and Jones Allen. Cattle resembling those found in the Blue Grass region can be found grazing around their homes most any day.

Why go to other sections of the state to find purchased pigs all the time, the Brooklet high school agricultural boys ask. With this question in mind they proceeded to raise enough for the other boys and farmers in the county.

### TO THE NEW WOMAN'S CLUB BUREAU

When Mrs. R. L. Cone is duly installed as the new President of the Woman's Club all of the members of that organization will feel that club affairs will continue to be handled in the same efficient manner in the future as they have been in the past.

Mrs. Cone or Jane as she is called affectionately by those near to her in the work has worked side by side this year with Mrs. Ramsey. As club home chairman she served untiringly. She goes into her new office fully conscious of the arduous task that lies ahead, but with a true spirit of service she has accepted the presidency for another year. She will assume office aware of her responsibilities, but in the eyes of her fellow members she's a great person for a great job.

### CHILD HEALTH DAY

May the first in the East and in many foreign countries is anticipated with anxiety. The unrest bred in intolerable living conditions flares forth in bloody protests in riots and unexpected disturbances. To our thinking people in our Southland May first is a day of Maypole dances, May Queens and of most importance is that we have come to regard the day as Child Health Day. Armed with statistics and fortified with reports on health authorities we have made great strides in conquering many of the most serious menaces to childhood but much remains to be accomplished. Only through cooperation with our State Health Boards can we ever hope to control diseases that know no county lines or boundaries. The welfare of our children should be our major concern and when we hide behind ignorance or prejudice we are doing future generations an untold injustice.

### IT WON'T BE LONG NOW

June the 1st Statesboro and Bulloch will formally dedicate its Municipal Airport. The field has already been used by a number of ships and is commented on very favorably by those pilots having put down here. It is ranked very high with fields in the South and certainly is one of the best in the state. An aerial photo of the airport, in the City Engineer's office, gives an excellent conception of the condition of the field. It is a natural "turtleback" which makes it ideal for airport purposes. Because of its natural topography very little grading was necessary in the building of it.

In 1935 several sites in and near Statesboro were inspected and considered by engineers preparatory to the establishment of an emergency landing field here. The tract selected is 93 acres and is located 2.4 miles N. E. of Statesboro about 800 feet from the Dover road, State Route No. 73.

The city and county, jointly, purchased the site and submitted a project to the WPA. This project called for clearing, grubbing, grading, grassing, enclosing the field with a fence and the making and placing of markers around the field. This project was approved and for the past twelve months an average crew of 20 men has been employed there.

It was necessary to grub and clear the entire tract. Very little grading was necessary. Of the original items called for in the project submitted to the WPA all have been completed with the exception of the grassing. Because of the naturalness of the field as an airport it was decided to grass the entire field so that it may be used as an all-way landing field. This grassing should be completed by June 1st.

\$12,500 will have been spent on this project when it is completed. Of this amount \$7,000 will have been spent on labor. The land cost \$2,794.80 and the balance includes materials and equipment rentals. The project has been financed by funds from the WPA, the city of Statesboro and Bulloch county. To make our airport complete it only

needs a hanger and surely with the nation as air-minded as it is that within a short time we will be able to have one.

We have not been very much aware of the work that has been progressing on this project, yet it has been steadily going on under the supervision of the county, city and the WPA. The greatest cooperation possible has existed among these and it is because of this that we have an airport that is equal to any in Georgia.

### WHERE WILL THEY GO SWIMMING THIS SUMMER?

With summer coming on the thoughts of boys and girls turn to "Where will we go swimming this summer?" They remember when they could go to Dorman's pool and swim to their heart's content. They remember shouting to each other, daring each other to jump in when the water was cold, the swimming races with nothing proven, the hot days when nothing but a plunge in cool clean water would satisfy them.

For two years the children of Statesboro, and a great number of us who are not children, have not had a place to go swimming, except to the creeks. They go out to Sand Hill Ford, to Sunberry, and other places where we cannot be sure of their safety. Go swimming they will and do. And if no place is provided they find a place, without thinking or caring of the danger that might lie in such places as they find.

It would not be such a burden on our city or ourselves to make available a place for these youngsters to go swimming. Provide for them a clean pool with water to be changed at regular intervals. Provide a life guard to be with them constantly in case of emergency. We have boys here in Statesboro with Junior and Senior Red Cross Life Saving certificates who could serve as life guards. We then know where the kids are when they go swimming. We then have the satisfaction of knowing that they are being watched and will be safe. This satisfaction should offset any cost that might be attached to the building a city pool or the conditioning the one already here, if it were available.

### "THE LORD'S ACRE"

The Lord's Acre Plan, a method of financing country churches being sponsored by the Farmers Federation of Asheville, N. C., is a religious movement so successful it is sure to spread. Says The Progressive Farmer:

"The Lord's Acre Plan is putting the people in the church, young and old, creatively to work, developing a working church spirit. It is making it clear through actual demonstration that only a working church can be fully receptive to the great teachings of the Bible and exercise a strong Christian influence on the individual home, and community. As President James G. K. McClure, Jr., of the Farmers Federation puts it, 'The country church, in the opinion of many people the most valuable institution in American, has been the nursery of most constructive movements of the past 500 years. It needs better support for its task of building Christian character and a Christian civilization. The farmer cannot subscribe much cash to his church but he can subscribe an acre of corn or an acre of potatoes. His wife can subscribe a hen and raise a flock of chickens. Every child in the family can undertake some project in this way we may quadruple the country church income.'"

Today we not only can have glass houses, we can fill those houses with shimmering glass furniture; we not only eat our meals from glass but cook them in glass; we not only build our walls with glass bricks but we can curtain our glass windows with textiles woven of glass; our ladies not only wear glass bracelets, but they can wear glass dresses. Recently research chemists have succeeded in producing tiny glass fibers—one and one-half ten-thousandths of an inch in diameter—which can be spun into yarn, which in turn can be woven into cloth of great fineness and beauty, imperishable color and almost endless durability. Besides, this textile is absolutely fire-proof—it might melt, but it will not burn.

Me might try it: The Asheville Times uses carrier pigeons to send new subscriptions to its office.

## Cliponreka Cullings

By Your Roaming Reporter

Amidst the roving... the first sunrise we've seen this summer: like a huge fireball rising out of the Atlantic to call us to another day of labor and life and love. What is more beautiful than the morning light, after a night during which sweet sleep has "knit the revolved sleeve of care," while at our window the orchestral music of birds of the sweetness of human existence. Has it ever occurred to you that pleasure and contentment are where we create them out of the warp and woof of the garment of Time, not something in the far distance for us to fret ourselves about? No human being seems to have a corner on contentment, but it does seem that we who live next to Nature and talk and walk with nature's God can attain it with less effort than most. What stands between you and the happiness that should be yours? Is it a barrier you have created?

Driving to Brooklet this week, someone pointed out the house that is owned by Bud Prestorius in which Adam Garrett and family lived last year, and told me it was the oldest house in the county. Not doubting that it is very old I was filled with curiosity as to its age. Can someone tell us of its history? Right now, the oldest house I can find is the old home of Ira Perkins, which Ira affirms is considerably more than 100 years old. According to it, it belonged to his Sam Williams, the father of Miss Inez, and was bought from him by Ira's father. I did not understand who was the builder, but the first location was much nearer the river, Mr. Perkins having moved it to its present location fifty or sixty years ago. Along with the house, he moved the log barn which is still in use, the ravages of time are beginning to leave their mark. The carpentry evident in the log-joining is worth riding miles to behold.

From the evidence I can gather from a conversation with Ophelia Hodges (Mrs. W. C.) it appears that Union Methodist church, which is about a couple of miles beyond her home, is the oldest organized church in the county, dating back to the Spring of 1790. However, our Primitive brethren were pushing the Methodist for first place even then, as they point with pride to their Nevils Creek church, organized in the fall of the same year. Anything older than that?

About the best yarn of the week concerns your Roaming Reporter, who was on a journey into the far country while the hail was covering certain sections of the county Tuesday afternoon. Arriving home early in the evening to find that a hail had passed his ancestral acres, he rushed pell-mell to the farm, only to be assured by Carol & Lloyd Dixie that while a small amount of hail did actually fall there was no damage to the crops. Whereupon he slept soundly and rising with the

### Letters To The Editor

The columns of The Herald are always open to the expressions of the people of Statesboro and Bulloch county. The only limitation on letters are that they shall be signed; be brief, preferably not longer than three hundred words, and not libelous. All letters will be subject to editing and none will be returned unless postage is enclosed.

### THE LIQUOR QUESTION

Editor Bulloch Herald:

Now, as always, we are facing the question of good and evil but made a little more complicated by modern conditions. Yet, since the Garden of Eden episode men have had to choose actively or passively. Inactivity or failure to choose between right and wrong accounts virtually to a choice of wrong.

In considering the above question, and after all it is not a new question, we find that people are divided on this, as well as all other questions of right and wrong, into two classes: First, those who stand uncompromisingly for God, the purity of home, sobriety, and the maintenance of a wholesome atmosphere in which to rear and educate our children and the perpetuation of our American ideals of culture, piety and refinement. In short, those who recognize the fact "we are our brother's keeper." Second, those who

### TWO WPA PROJECTS COMPLETED IN COUNTY

Mr. Jim Rigdon, in charge of the W. P. A. work in Bulloch, Candler Effingham and Tattnall counties, today stated that the new Leefield school being built by the Works Progress Administration had been completed. This new building was WPA. It was completed on March

are the very antipodes of the above class, some of whom profit by the traffic, financially or politically, others who being blinded by Satan are addicted to its use, either moderately or excessively. To this group we may add those who have no connections at all and who through ignorance or selfishness do not interest themselves in the interest of their community or its good government.

Now, that we have a basis and a proper classification we hope with your kind permission, Mr. Editor, to discuss in coming issues of The Herald such aspects of the liquor situation as: "Fifty Years of Observation," "Does it Pay," "Is it Right," "Stand for the Right," "Who Will Win" and finally, "Wine is a Mockery, Strong Drink is Raging and Whosoever is Deceiver thereby is not Wise."

R. I. ROSSIER, Statesboro.  
April 26, 1937.

built at a cost of \$3,750, of which \$2,750 was furnished from WPA funds. The Arts Building at Ogeechee school, recently opened, was also built with the aid of the Works Progress Administration. It was constructed at a cost of \$2,800, of which \$2,100 was furnished by the Progress Administration. The building was WPA. It was completed on March

## ALL'S FAIR

Haven't we had a good time this week going to all the openings? We felt quite metropolitan when we went to Lily's, a smart new shop evidently designed to keep pace with the exacting demands of our women.

And so to Renette's, where adorable frocks for the street, and lovely costumes for evening made Jane look for an elastic bank account. And lastly there was that superb event—the formal opening of the Woman's Club Home. There was the gathering of smartly gowned women—the sparkle of achievement was in their eyes—the excitement of dreams came true heightened in color in their cheeks, and the joy of accomplishment was manifested in the hospitable greetings extended to everyone.

We particularly enjoyed Annie Ramsey's modest words of appreciation—Ruby Deal's impromptu praise for Mrs. Ramsey as her "chief"—You can always count on Ruby to flip a little humor into her remarks—and Sara Ellis's stirring interpretation of Kitty Clyde, the actress.

And so to the Deal Sister's tea for our newest bride, somebody said in my presence, "I never thought Stothard Deal would get married. I thought he'd be an old bachelor." Have you seen Pearl? If you have you'll understand why the 'best laid plans of mice and men' are 'groggled'.

And now I want to pass on this tip to flower bed worshippers who kneel on Spring's damp sod while paying obeisance to tulip and gladiolus bulbs and are aghast when they discover torn stockings and stained frocks. There's a new garden apron of bright colored canvas with kneeling pads and loops for towels. We know Louise Simmons was thrilled to win one at her bridge club. By the way, have you seen the results of her gardening at her country place? You'd think it was the Garden of Eden before the eviction.

Did you know that Howell Sewell lost five pounds in one afternoon last week. It seems that he has become a badminton enthusiast. Badminton as you may know is a game similar to tennis. The badminton is lighter than a tennis racket, and instead of a ball you use a bird constructed of cork and feathers. The game originated in 1873 when guests at an English dinner party began sticking geese quills in champagne corks and began banging them across the table. The game now flourishes in our own little city. Brooks Grimes, Roy Green and Howell Sewell are among our residents who have badminton courts. Aren't we getting ritz?

Romance rides again! A certain young man who will soon have to invest in a toupee or else mercilessly expose his pate to the elements is definitely that way about a sweet young thing named Nelle. We understand that the wedding bells will be chiming for him in about four weeks.

A certain young man with masterful ways, a brunette with beautiful eyes, a dealer in houses and lands, and a mayor has been a log cabin ideal for a rustic retreat. It may be the girl has consented and he's offering a home handed to beat.

Sincerely  
JANE.

WORK SHOP SET UP AT LOCAL HIGH SCHOOL SPONSORED BY WPA  
In a story carried in the Herald last week it was reported that an industrial arts shop had been set up by the N. Y. A.

A correction shows that the new shop is a W. P. A. project and has no connection with the N. Y. A. Through the Statesboro Recreation Committee of the W. P. A. funds were secured for the establishment of the shop which is located in the Statesboro High School building. The local committee is composed of Alfred Dorman, D. B. Turner, Karmitt Carr, J. R. Vansant, Mrs. C. M. Deistler, Mrs. J. O. Johnston, Mrs. W. E. Floyd and C. E. Wollett.

The shop, opened last week, is under the supervision of G. D. Wynn, a WPA leader. The shop is open to all children interested in the work. It is understood that members of the department of industrial arts at the Teachers College will come in once or twice each week and give instructions in the various fields.

Mr. Rigdon stated that he is especially pleased with the excellent manner in which the authorities have cooperated with the WPA in the completion of these projects.

## SOCIETY

MRS. ERNEST BRANNEN

PHONE 245

### MRS. BRASWELL TO GIVE PARTY FOR WAYNESBORO GRADS

Mrs. A. M. Braswell will complement three sweet girl graduates from Waynesboro with a luncheon at her pretty home on Donaldson street. These young ladies who will be so honored are Misses Mary Heath, Florence Thompson and Lillian Law. Eighteen other girls, classmates of the honor guests will come from Waynesboro for the luncheon.

Mrs. Braswell's decorations will feature sweet peas, larkspur and roses. She will serve her luncheon in three courses, and will present the honor guests with appropriate gifts.

### MRS. INMAN FOY HOSTESS TO MRS. JASON MORGAN

Mrs. Inman Foy was hostess on Saturday morning at a pretty bridge party honoring Mrs. Jason Morgan of Savannah, who is visiting her mother, Mrs. J. E. Donohoe.

A profusion of spring flowers were used in decorating the rooms where the tables were placed for twelve players.

Mrs. Robert Donaldson won high score and received a pound cake. Mrs. Foy presented Mrs. Morgan with a bath mat.

Those invited were: Mesdames Jason Morgan, Robert Donaldson, Walter Aldred, Jr., James Ball, Wilburn Woodcock, Sam Franklin, Gilbert Cone, Everett Williams, Henry Blitch and Misses Brooks Grimes, Dorothy Brannen, Elizabeth Sorrier.

### LOVELY TEA FOR RECENT BRIDE

Mrs. Albert Deal and Mrs. Ben Deal were joint hostesses at a lovely tea given Saturday afternoon at the home of the latter, honoring Mrs. Stothard Deal, a recent bride, who before her marriage, was Miss Pearl Collins of Collins, Georgia.

The guests who were invited to call between the hours of four and six were met at the door by Mrs. J. N. Norris. Mrs. William Deal introduced them to the receiving line which was composed of Mrs. Albert Deal, mother of the groom, Mrs. Ben Deal, aunt of the groom, Mrs. Stothard Deal, the bride, Miss Marie Collins, sister of the bride and Miss Brunelle Deal.

Mrs. H. L. Sneed directed the callers to the dining room where they were served strawberry shortcake, mints and salted nuts. Pink and blue flowers tastefully arranged in the center of the lace-covered table. Blue candlesticks holding pink tapers repeated the color motif which was used in the floral decorations in all the rooms thrown open for the occasion.

Serving the guests here were Betty Smith, Annie Colston, Margaret Ann Johnston and Frances Deal. Elizabeth Deal stood at the dining room and Mrs. Roseoff Deal directed the guests to the music room where Mrs. Roy Beaver, Mrs. Percy Averitt and Mrs. B. L. Smith rendered a most enjoyable musical program throughout the afternoon. Departing guests were served punch by Betty McLemore and Wista Thaxton.

The bride wore for the occasion an exquisite evening dress fashioned from soft flowered taffeta featuring a decollete neckline and a bouffant skirt. She wore a shoulder corsage of pink Killarney roses. Mrs. Albert Deal received in a lavender crepe with a lace jacket. Her corsage was sweetheart roses and sweet peas. Mrs. Deal was gowned in blue lace with a shoulder corsage of sweet peas and roses.

### MRS. L. H. YOUNG COMPLIMENTS MRS. E. L. KEENER OF ATLANTA

Mrs. L. H. Young, entertained on Friday afternoon with three tables of bridge complimenting her attractive house guest, Mrs. E. L. Keener of Atlanta.

An abundance of spring flowers placed in crystal bowls and vases were used in decorating. Mrs. Keener won top score and was awarded a lovely handpainted plaque. As honor guest, she also received a chiffon handkerchief. Mrs. Dedrick Waters was presented a artificial flower accessory for second high.

At the conclusion of the games, the hostess served congealed salad, sandwiches and tea.

### MRS. CECIL BRANNEN HONORS MRS. JOHN KENNEDY

Among the many lovely social events inspired by visitors was a luncheon Saturday at the Tea Pot Grille given by Mrs. Cecil Brannen and honoring Mrs. John Kennedy of Savannah.

Sweet peas made an attractive centerpiece for the luncheon table where places were laid for eight guests. Those enjoying Mrs. Brannen's hospitality were Mrs. John Kennedy, J. P. Foy, J. H. Brett, Harry Smith, C. Z. Donaldson, Esten Cromatie, J. L. Mathews and Barney Averitt.

### TEA FOR MRS. JOHN KENNEDY

Mrs. H. P. Jones entertained informally on Thursday afternoon with a tea honoring Mrs. John Kennedy, house guest of Mrs. C. P. Oliff, and Mrs. W. S. Patrick of Tampa, Fla., who is visiting her sister, Mrs. A. J. Mooney.

Her guests were invited to assemble at the Tea Pot Grille and there a table decked with summer flowers was reserved for twelve. An original contest featuring conversation based on the most amusing incident in the past afforded much merriment. Myrtle Oliff was awarded the prize, a pretty handkerchief for the most clever reminiscence. Mrs. W. G. Sharpe, a guest of Mrs. Oliff, and Mrs. Henry Allan, Mr. J. H. Brett, H. W. Smith, Inman Foy, C. Z. Donaldson, and Mrs. J. L. Mathews.

### MRS. JOHN KENNEDY SHARES HONORS WITH MRS. W. G. SHARPE

Among the delightful affairs of the week was the luncheon given by Mrs. J. L. Mathews in the private dining room at the Tea Pot Grille honoring Mrs. John Kennedy of Savannah and Mrs. W. G. Sharpe of Savannah.

The table was most attractive with a lavish arrangement of sweet peas and yellow poppies. Places were laid for twenty-two guests. The luncheon was served in three courses. Mrs. Mathews gave Mrs. Kennedy a novelty coin purse, while Mrs. W. G. Sharpe received a pretty handkerchief.

### MRS. J. E. MCCROAN ENTERTAINS

Mrs. J. E. McCroan entertained a group of women at a luncheon conference at the Tea Pot Grille on Thursday. At the luncheon plans were made for the Savannah District Women's Missionary Conference which will be held in Statesboro at the Methodist Church May 20. Attending the luncheon were Mrs. J. E. McCroan, Mrs. Walter P. Marshall, Mrs. Ola Exley, Savannah; Mrs. B. B. Brooks of Montezuma; Mrs. A. O. Johnston, Mrs. Claude McKinnon, Statesboro; Mrs. Fred T. Lanier and Mrs. G. N. Rainey, Statesboro.

### JEANETTE EVERITT ENTERTAINS

Last Friday night Miss Jeanette Everitt delightfully entertained the members of her set and classmates with a prom party at her home on South College street. The evening was spent proming with punch and crackers being served between proms. Fifty-four guests were invited.

Mr. and Mrs. E. L. Keener of Atlanta spent several days this week as the guest of Mr. and Mrs. L. H. Young.

Miss Annie Laurie Taylor, who has been ill at her home in Vienna, is able to be in her studio again.

Mr. and Mrs. Allen Lanier left Sunday for Butler, Ga., where they were the guests of Mrs. Laura Jordan.

Mrs. Henry Blitch, Mrs. Jason Morgan, Mrs. Robert Donaldson and Mary Mathews went to Augusta on Friday to visit Mrs. R. J. Kennedy, Junior.

### Mr. and Mrs. Walter Aldred, Jr., went to Savannah on business Tuesday.

Mrs. Kennon had as her guests on Monday her mother, Mrs. J. J. Proctor, her sister, Miss Edith Proctor and a sister-in-law, Mrs. Dan Proctor of Woodbine, her brother, T. V. Proctor and his wife from DeLand, Florida.

Mrs. Ardella Houston, who has been dietitian at the Rushing Hotel has resigned and will leave in a few days to accept a position as governess in Goldsboro, N. C.

Rev. G. N. Rainey arrived Monday from Ocala where he conducted revival services last week.

Mr. W. S. Patrick drove up from Tampa Saturday to join his wife, who is visiting her sister, Mrs. A. J. Mooney.

Ike Minkovitz has returned from New York City where he went to buy goods.

Miss Alma Glavin spent the week end with her parents at Gordon.

Miss Marie Wood was in Macon for the week end with her parents.

Miss Mary Mathews was a visitor in Swainsboro during the week.

Mr. and Mrs. L. H. Young, Mr. and Mrs. E. L. Keener and Mr. and Mrs. E. Y. DeLoach had a cabin at Shellman's Bluff for the week end.

Miss Mary Lee Jones of Metter is making an extended visit to her uncle and aunt, Mr. and Mrs. John Lee.

Miss Edna Trapp spent the week end at Reynolds with her parents.

Mr. John Kennedy of Savannah was in town Sunday. He was accompanied by Mrs. Kennedy who has been visiting her sisters, Mrs. J. L. Mathews and Mrs. C. P. Oliff.

Mrs. Laney Gruver and Messrs. M. L. Riner and Roy Hatcher of Adrian motored to Savannah one day this week.

Mr. and Mrs. W. L. DeJarnette and Mrs. White, Mrs. DeJarnette's mother, spent the week end with their daughter in New Smyrna, Fla.

Mr. and Mrs. J. E. McCroan spent Sunday in Hinesville with Mr. McCroan's sister, Mrs. Hancock and Mrs. Way.

Mr. and Mrs. J. Madison spent Sunday here as guests of their daughter, Mrs. Fred T. Lanier, Jr.

Mr. and Mrs. Wylie DeLoach went to Augusta Wednesday. Frank DeLoach was operated on Tuesday and had to have two blood transfusions, one was given at six o'clock Wednesday.

Mr. and Mrs. Lester Bland and Miss Ruth Simmons were guests of Mr. and Mrs. Fred T. Lanier at dinner Wednesday evening.

Mrs. Edwin Fulcher and little daughter, Jean, of Waynesboro, will arrive in a few days to visit Mrs. A. M. Braswell.

Mrs. B. B. Brooks of Montezuma came to Statesboro Tuesday from Savannah with Mrs. Fred T. Lanier and Mrs. Lannie Simmons.

Mrs. C. M. Deistler talked to the girls who are assigned to the Bulloch County N. Y. A. work program. She gave very practical suggestions for fitting into one's community. Mrs. Ernest Brannen will speak to the same group at 11:30 Saturday.

Rev. J. Walworth Hendrix of Savannah was in town Saturday.

Mrs. Fred T. Lanier, Jr., had as her guests Tuesday her sister, Mrs. Hugh Chapman, and Misses Smith and Bland, all of Savannah.

Mrs. Raymond Peak, Mrs. Frank Smith and Mrs. Ralph spent Wednesday in Augusta.

Dr. and Mrs. John Mooney of Atlanta spent the week end with their parents, Dr. and Mrs. A. J. Mooney.

Mrs. Senb Proctor is visiting her daughter, Mrs. Milton Dexter in Augusta this week.

Misses Grace Murphy and Mary Martin went to Sylvania Monday. They visited Mrs. Arthur Mooney.

Mr. H. R. Christian, of the Western Auto Associate Store, was called this week to his home in Birmingham, N. Y. His father is very ill.

Miss Gladys Proctor, a former teacher in the school here, and now a teacher in the city schools at Columbus, Ga., was a visitor here on Monday.

Miss Nan Huckabee returned to her work at the high school Tuesday after having been called to Columbia, S. C., because of the illness of her brother, Ralph Huckabee.

Dr. C. M. Deistler left Tuesday night for St. Louis where he will read a paper before the Mississippi Valley Historical Association.

Among those from Statesboro attending the Georgia State Conference of Social Work in Savannah this week are Mrs. C. M. Deistler, Miss Sara Hall, Mrs. J. D. Fletcher and Mrs. A. C. Tate.

Mrs. John L. Donaldson and son, John Lewis, of Villa Rica, are visiting Mr. and Mrs. Oliff Bradley and other relatives.

Mrs. Bates Lovett, after having spent several days at home returned to Augusta Monday to visit her sister.

Mr. and Mrs. Jimmie Thompson have moved to Springfield. Mr. Thompson, who is connected with the State Highway department has been transferred there.

Miss Adrienne Willis, the librarian at the high school, spent the week end in Milledgeville. She also visited in Eatonton. While there she visited the Eagle Mound.

Mrs. J. C. SUMNER.

## 30 Scholarships Given College by Rosenwald Fund

SCHOLARSHIPS AVAILABLE TO PERSONS INTERESTED IN ELEMENTARY SCHOOL.

Thirty Georgia educators are to be offered unusual opportunity through scholarships covering a period of two years made available at the South Georgia Teachers College by the Julius Rosenwald Fund, it was announced here this week by Dr. Marvin S. Pittman, president of the college.

Through the benevolence of the Rosenwald Fund scholarships sufficient in size to pay all necessary expenses for two years will be available to thirty men or women between the ages of 23 and 40. According to Dr. Pittman, persons invited to apply are persons who are interested in supervision of elementary schools in the counties of Georgia. The scholarships will be available to teachers now employed who have training equivalent to the Normal Diploma or more. The applicant, it is pointed out, must have at least four years of unusually successful experience, and must be definitely interested in the supervision of elementary schools and the promotion of better rural life.

Dr. Pittman stated that very careful investigation will be made of all applicants and the scholarships to the successful candidates will be awarded around June 15, to be available to students enrolling for the fall term in September. Scholarships will be available to students of either

## Methodist S. S. Has an Unusual Visitor

HAS NOT MISSED SUNDAY SCHOOL IN 35 YEARS. MEETS WITH MEN'S CLASS.

Sunday School and Church Goer of Statesboro had an opportunity to meet a real Sunday School Goer, here Sunday when a man who has not missed Sunday School in 35 years visited the Methodist Sunday School.

Sam Sampson of Alabama, passing through Statesboro, Sunday on his way from Florida to his home, stopped at the Methodist church and inquired for the Men's Bible Class. He was carried to the class where he introduced himself and made a contribution. He explained that he had not missed Sunday School in 35 years and had not failed to make a contribution to a class in that many years. The visitor further stated that wherever he went he always managed to stop over in some town or city in time for Sunday School. Mr. Sampson appeared to be about 50 years old.

A party composed of Mr. and Mrs. R. P. Miller and family, Mrs. Alice Miller, Mrs. Julia White and daughter, Maude and Ruby and Miss Jessie Wynn of Portal and Fred Miller motored to Brunswick Sunday where they met Mr. and Mrs. J. K. Minton and family and Miss Myrtle Miller of Jacksonville in celebration of Mrs. Alice Miller's birthday. They met at the "Palmetto Tourist Camp" where they enjoyed a bountiful dinner. Mrs. Miller accompanied Mr. and Mrs. Minton to Jacksonville after spending several days with relatives and friends here.

Mr. and Mrs. Walter McKell and children, Janice and McDonald were dinner guests of Mrs. Z. T. Bennett Sunday.

Mr. and Mrs. Arleigh Futch and family, Mr. and Mrs. Futch and son, Jack, were dinner guests of Mr. and Mrs. J. C. Futch Sunday.

Little Misses Sara Eloise NeSmith and Mary Frances Foss were the week end guests of their grandparents, Mr. and Mrs. F. M. NeSmith.

Those from here attending the P. T. A. Council meeting at Middle-ground School Saturday were: Mrs. Raymond G. Hodges, our local president, Mrs. G. T. Frazier, Mrs. B. F. Futch, Mrs. C. E. Stapleton, Misses Rebecca Hodges, Maude and Elizabeth Hatcher, Elizabeth Teasley, and Emma L. Adams.

Mr. and Mrs. F. M. NeSmith, Jr., of Statesboro, were dinner guests of Mr. and Mrs. F. M. NeSmith on Sunday.

Miss Elva Rimes was the week end guest of Mr. and Mrs. Eddie Lanier of Brooklyn.

Mrs. Barnhill and children, Misses Laura Denmark and Grace Allen, all of Jacksonville, Fla., visited Mr. and Mrs. W. J. Matthews Monday.

Mr. and Mrs. Leon S. Anderson and daughters, Marjorie and Meredith, Mr. and Mrs. Oscar Martin were the dinner guests of Mr. and Mrs. J. P. Lanier Sunday.

Mr. and Mrs. Leeland Haygood and children were the dinner guests of Mr. and Mrs. B. F. Haygood Sunday.

Mr. and Mrs. John B. Anderson motored to Savannah Sunday to take the boat out to Beaufort, S. C.

Mr. and Mrs. V. B. Anderson and sons, and Miss Wilma Lee Anderson were the dinner guests of Mrs. Jim Anderson Sunday.

Mrs. Lum Akins of Statesboro is spending several days with her daughters, Mrs. B. F. Futch.

PEANUT SHELLING  
On last Friday afternoon Mrs. Cohen Lanier entertained with a peanut shelling. About twenty-five guests were present and shell approximately 800 pounds of peanuts. Two prizes were given and were by Miss Euella Waters, first prize, and Mrs. O. H. Hodges took second prize. Led lemonade and individual cakes and candy were served. Miss Madgie Lee NeSmith and Mrs. Donald Martin assisted Mrs. Lanier in serving.

PEANUTS BEING PLANTED  
The farmers of this section are very busy planting the most of their corn crops and all of the peanut crop over this week. It seems that a good bit of faulty peanuts that perhaps took the second growth before they were gathered, was sold to them. This burdened the farmers very much to have the extra work of planting the seed twice as well as an added expense. They are now paying 8-12 cents per pound for peanuts while they only paid three cents for their first lot. But probably "bad beginning" will be a good ending, and we shall all be repaid in the fall during harvest time.

But probably "bad beginning" will be a good ending, and we shall all be repaid in the fall during harvest time.

## T. W. Rowse Named Sect.-Treas. of Joint Farm Loan Ass'n.

STATESBORO IS HEADQUARTERS FOR NATIONAL FARM AND LOAN ASSOCIATION.

National farm loan associations in Bryan, Bulloch, Chatham, Effingham, Evans, Liberty, Long and McIntosh counties have adopted a joint management plan whereby these associations will employ jointly the services of a full time secretary-treasurer with headquarters at Statesboro. The plan became effective April 1, 1937, and Mr. T. W. Rowse has been named Secretary and Treasurer.

The associations which have entered into the joint management plan are: Bulloch County National Farm Loan Association, operating in Bulloch county; Effingham County National Farm Loan Association, operating in Effingham county; Evans County National Farm Loan Association, operating in Evans county; Elberta National Farm Loan Association, operating in Bryan, Effingham, Evans and Bulloch counties; Hinesville National Farm Loan Association, operating in Liberty, McIntosh and Long counties and Ludowick National Farm Loan Association, operating in Liberty, McIntosh and Long counties.

Each of the associations retains its identity and there will be no change whatever in the relationship of its members. Heretofore each association has had its own part-time secretary. Under the joint management plan the associations have agreed to cooperate in the employment of a secretary-treasurer, who will devote his full time to the several associations employing him. While his headquarters will be at Statesboro he will make regular visits to all of the counties in the joint management set-up so that he will be available to all members of the associations.

The national farm loan associations through which the farmers of this section may secure long-term farm mortgage loans from the Federal Land Bank of Columbia. The associations represented in the set-up have loans outstanding of approximately \$950,000.

Farmers of this section desirous of securing long-term farm mortgage loans may secure all information about same from Mr. Rowse.

For the convenience of the borrowers in this section, Mr. Rowse will be at his office in the Statesboro bank building all day on Monday and Saturday of each week.

BULLOCH COUNTY HAS BRIGHTEST CROP PROSPECTS PAST FIVE YEARS

In Opinion of Farmers and The Lending Agencies

A SURVEY COVERING ALL OF BULLOCH COUNTY SHOWS FARMERS PLEASED WITH THE PROSPECTS FOR 1937 CROPS.

By ROBERT DONALDSON

The 1937 crop prospects in Bulloch county are the brightest in the past five years according to opinions of leading farmers and those connected with the various lending agencies.

With an early planting season farmers got off to a good start. The rain and cool weather for the past few days, however, have slowed up the planting and the preparation of the early crops, but with practically every section of the county reporting good stands, it is believed the 1937 crop is far advanced over those of the past few years.

It is estimated that the tobacco acreage in Bulloch will be about the same as last year, which was 3,000 acres. Plans were made for a much larger crop than 1936 but the short-ages of plants cut the acreage. Most farmers, however, were able to secure enough plants, though in some instances there was as much as a 50 percent cut in acreage. The tobacco is about fifteen days later this year. There is a fifteen percent increase in cotton acreage over last year. It is believed with the 1937 planting 42,000 acres and approximately 24,000 bales produced. The 1937 cotton prospect is the prettiest in the past five years, it is reported, and from every section of the county comes the report of perfect stands, with the exception of about 100 acres that have been re-planted. The recent cool weather put a damper on the cotton growth but the crop was not seriously damaged. Watermelon acreage has been increased from 5 to 10 percent in the county. The increase in the price last season stimulated production. However, on the other hand, the increase in tobacco and cotton acreage kept the melon acreage down somewhat. Bulloch county had 1800 acres in melons in 1936.

Commercial peanuts will be increased 10 to 15 percent in the county this season, it is safely estimated. Now the question comes, with all the increase where is the reduction? Sad, but true the big reduction is in the corn crop acreage and those who keep up with Bulloch county farming from year to year are of the opinion that Bulloch is going to run short on corn. There is a possibility that more corn will yet be planted. Rust damaged the small grain crops (wheat, oats, etc.) and a number of farmers will follow the small grain with corn.

Another encouraging sign from the farms is that more farmers are buying a better breed cotton seed and seed corn than in the past five years, while the demand for new bird feed balls and pure bred hogs (Continued on Back Page)

Miss Betty Smith, Junior at the high school, elected vice president of the Beta Club of Georgia at the state meeting held in Atlanta last week.

High School Students Attend Honor Club Meet

H. P. JONES, FRANCES DEAL, SARA POINDEXTER AND BETTY SMITH ATTEND MEETING OF BETA CLUB IN ATLANTA.

Four of our high school students, H. P. Jones, Jr., Frances Deal, Sara Poindexter, and Betty Smith, chaperoned by Mrs. E. A. Deal, were in Atlanta on Friday to attend the state meeting of the Beta Club in session there on Friday and Saturday. The Beta Club is an honor club admitting members from the junior and senior classes. It is a signal honor to be selected for membership in it, and we should feel exceedingly proud of the fact that Betty Smith was elected last vice president of the state Beta Club.

The meetings were held on the roof garden of the Ansley Hotel. Among the eminent speakers addressing this group of honor students were Dr. McCain, president of Agnes Scott, Dr. S. V. Sanford, chancellor of the University of Georgia, Dr. M. D. Collins, state school superintendent, and Governor E. D. Rivers. The speakers all stressed the fact that any girl or boy achieving membership in the Beta Club should be accorded special privileges in recognition of the honor attained both for themselves and the schools they represent.

Frances Deal is president of the local Beta Club and was the official delegate to Atlanta.

MARGARET JOHNSTON AT STATE MEET ATHENS

Represents Statesboro in the State Literary Meet in Reading Event

Margaret Ann Johnston left yesterday for Athens where she will represent the First district in the reading event of the literary meet. Miss Johnston won the First district meet held in Adrian two weeks ago. At the meet in Athens the contest was given a part of Shakespeare's "Merchant of Venice" to read with thirty minutes for preparation. The reading event will take about six minutes.

Twenty-one years ago Mrs. J. O. Johnston, then Miss Marion Pate, won the same event which was won by her daughter, Margaret Ann, at the meet held in Adrian.

SINCLAIR REFINING OFFICIALS TO MOVE TO STATESBORO

W. L. Waller, the Sinclair Refining Company Agent, Wednesday, stated that John M. Wray, General Agent for the Sinclair Refining Co., will move to Statesboro. They will bring their families with them.

Another encouraging sign from the farms is that more farmers are buying a better breed cotton seed and seed corn than in the past five years, while the demand for new bird feed balls and pure bred hogs (Continued on Back Page)

again to The Herald.

It is simply a business proposition and sound from every standpoint. No one loses, not even The Herald. This paper will not realize the benefits and cash in on them as soon as our readers who carry on with us in this great distribution.

The Herald plan for this great gift distribution is absolutely fair and square. Friends and readers of this paper are to determine to whom the gifts are to go. Free votes are the deciding factors.

All over the territory in Statesboro and outside of Statesboro The Herald has hundreds of friends—real friends, who stand ready to help. Every reader who would share in this great gift giving will find the ground well broken for him or her. The way is made easy. You will readily understand the whole plan once you read The Herald "Everybody Wins Something" automobile and cash gift distribution announcement elsewhere in this issue.

The Herald bears the expense. There is not one cent for you to spend. Your time is your own. You can win by simply devoting a part of your spare time. It will be easy, you will find, to be recipient of The Herald gift.

In The Herald gift distribution "Everybody Wins Something." You win either the automobile, or win a cash commission. In this election you can in your spare time earn more in the next few weeks than the average man saves in many years. You absolutely
