

## Blue Devils Leave Here Fri. To Play Wrightsville

BLUE DEVILS HIT THE ROAD — BATTLE WRIGHTSVILLE FRIDAY AFTERNOON. SQUAD EXPECTS TO FIND TOUGH OPPOSITION

Statesboro High's undefeated and once-tied Blue Devils again take to the road as they travel some eighty odd miles to play the Wrightsville High school eleven in the Blue Devils second contest out of their back yard.

With three wins and one tie for the current season already posted up, the Blue Devils have been preparing for the last two days and will wind up practice Thursday for what might prove to be one of the toughest games of their '38 schedule.

In tackling the Wrightsville team, Coach Johnson's '38 edition of the Statesboro Blue Devils may find that they are going to have to really fight to win this one.

All that is known of the Wrightsville eleven is that they took Swainsboro High by eight more points than the Blue Devils did, 28-0. Another thing, they defeated a strong Millen eleven 7-0. Last year Millen defeated Wrightsville by a tune of around eight touchdowns.

To date, "Smag" Johnson's current squad has defeated Vidalia High, 13 to 0; Tied E. C. I. 13-13; Crushed a weak Swainsboro squad, 20-0; and last Friday night used the second stringers to defeat Ludowick, 40-0.

But it is a strong possibility that the second stringers won't get much of an opportunity to see action in the tilt against Wrightsville.

This is the first game of the season that the Blue Devils will play under natural light. The game will be played in the afternoon.

Coach Johnson stated last week that he still has an open date. That of November 10. He stated that he and his boys will have one more game out of their own yard. It will be against Sylva in Sylva.

Remaining on the Blue Devil schedule are the following: November 25, Wrightsville in Wrightsville; November 28, Raleighville; November 30, open; Nov. 18, Millen here; Nov. 23, Sylva in Sylva.

BLUE DEVILS HAVE LITTLE TROUBLE IN OVERPOWERING LUDOWICK AND AS SUBS PLAY MAJORITY OF GAME

Every man on the Blue Devils roster had a hand in defeating a weak Ludowick team by the one-sided score of 40-0 last Friday night on the Statesboro Athletic Association field.

With the second and third string playing practically all the game the Blue Devils had little trouble keeping Ludowick from scoring and at the same time running up forty points.

The first quarter went scoreless as the many little fellows and freshmen were given the opportunity to play.

At the beginning of the second period Coach Johnson ran in his varsity and within three minutes they scored. After Joe Tillman, Edwin Groover, and John Smith made long sweeping gains around end, "Tillman made the first score by keeping the Smith to a yard, added the extra point. The varsity was taken out again and the number two team went in for Statesboro.

These boys also began to click and they began to "roll up the score. Frank Farr, J. G. Martin did the majority of the ground gaining for the subs.

The final score was 40-0.

LOCAL WESTERN UNION OFFICE HOURS SHORTENED

"The far-reaching effects of the fair labor standards act will be brought home to telegraph users on October 24. The effective date of the act, when the local Western Union office will have to shorten its working hours," it is announced by Mr. Rimes, manager of the office.

"The requirements of the act impose a burden which the telegraph company is unable to meet," said Mr. Rimes, "and while it is the traditional desire of my company to serve the public when it wants to be served, we have no alternative under the present business conditions but to shorten the hours. We have, however, arranged our open hours to give the maximum service to our customers, the office is to open at 8 A. M., close from noon to 1:30 p. m. and from 4:30 to 6 p. m., then close for the day at 7 p. m. As an indication of the company's attitude towards its employees, Mr. Rimes said, "I will work fewer hours but my weekly pay envelope will not contain any less."

## Teachers to Play Douglas Here Friday

DOPE SHEET INDICATES THAT TEACHERS HAVE A SLIGHT EDGE OVER DOUGLAS

The South Georgia Teachers will meet one of their old rivals here on Friday evening when South Georgia State College of Douglas comes to town.

The Teachers and Douglas have been meeting on the gridiron ever since football has been played at the college. In the past few years the Teachers have been able to take the South Georgians, but this year the story is likely to be different since Douglas has a strong line and a very speedy backfield. The Alabama Teachers defeated Douglas by three touchdowns while the Alabamians only defeated the Statesboro Teachers by one score. This would give the Teachers a slight edge over Douglas.

On the other hand the Teachers lost to Armstrong by one score and Douglas defeated Armstrong by one touchdown, which gives the edge to Douglas.

Just how many of Crook Smith's exploits will be able to get in the game here Friday night is not known. It is not believed that Vandiver will see service.

The Professors have lost four games this season and have only one win. In order to come out with an average better than fifty per cent they must win the next four games—Douglas, Sneed, Middle Georgia and Erskine.

## Church News

### THE METHODIST CHURCH

Church School, J. L. Renfro, Supt. 10:15 A. M.  
Sermon by the Pastor, 11:30 A. M.  
Epworth League, 6:30 P. M.  
Sermon by the Pastor, 7:30 P. M.

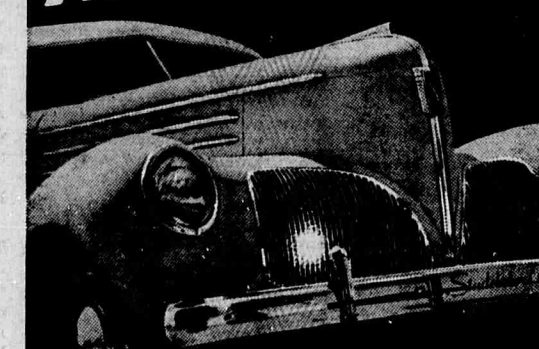

At the morning hour the pastor proposes to preach on a continuation of the fundamental spiritual verities of the evening hour. The pastor will preach on Life's Hidden Grooves or Skeleton in Your Closet. This sermon was postponed from last Sunday.

There is but one more Sunday until Conference Week. The South Georgia Conference meets this year in Waycross, November 10. As it now appears the Statesboro Church will have an unusually good report. It is hoped that all financial matters may be closed out by November 1.

N. H. WILLIAMS, Pastor.

## WHAT'S THE HOT TIP FOR '39?

## STUDEBAKER ALL THE WAY!

One look at this stunningly original Studebaker and you'll know why Europe's famed designers acclaim its distinction. But its style isn't all. This beautiful new 1939 Studebaker gives you the gas and oil economy of a small, light car. It includes automatic hill holder—time-tested plan suspension and its Miracle Ride—steering wheel shift lever—non-slam rotary door latches—numerous de luxe features at no extra charge. It does the industry's finest automatic overdrive and the revolutionary new Climaticor—a central fresh air heating and ventilating system—at small added cost. Easy C. I. T. terms.

## AGRICULTURAL DEPARTMENT REORGANIZED

Wallace Makes Changes In Interest Of Greater Efficiency

WASHINGTON — Secretary Wallace ordered a drastic reorganization of the agriculture department this week in an effort, he said, to promote greater efficiency in its far-flung activities.

The shakeup came as a surprise to most persons in the capital. Department officials said it would not require congressional action, but that it would nevertheless carry out, insofar as the agriculture department was concerned, the major objectives of President Roosevelt's reorganization program.

Mr. Roosevelt's program called for enactment at the last session of congress but it is expected generally to come up again in some form at the next session.

All planning and policy-forming activities of the department, heretofore divided among more than a dozen bureaus and agencies, will be placed under the bureau of agricultural economics, headed by H. R. Tolley, present agricultural adjustment administrator. Tolley, assuming broadening duties and powers, will be responsible to AAA administrator, has been in charge of the department's products in an effort to subsidize consumption.

Products bought and sold to relieve families. If the department undertakes a program of subsidizing consumption, surplus cotton by relief and low income families, which it now is considering, that program would be directed by the surplus corporation.

The task of formulating crop control programs, heretofore that of the agricultural adjustment administration, will be transferred to the bureau of agricultural economics. The AAA, which will be headed by R. M. Evans, now an assistant to Wallace, will administer program designed by the bureau of agricultural economics.

"Moonshine" It was formerly supposed that the term "moonshine" as applied to distilled liquor made in violation of the law originated in the mountain districts of Virginia, North Carolina, Kentucky and Tennessee. Liquor made in this manner was manufactured by moonlight in order to escape detection by the revenue officers—hence the term "moonshine." But it is known that the word as applied to liquor did not originate in America at all. A dictionary published in London in 1785 defines "moonshine" as white or illicit brandy smuggled by night into England from France and Holland.

## 139 Varieties Of Trees, Shrubs Make Up Landscape Of Manns

The more than 1,000 plants found in the landscaping about the home of Mr. and Mrs. W. W. Mann is composed of 139 varieties of trees, shrubs and flowers. The trees found in the woods about the farm used in the program were magnolia, walnut, long leaf pine, chestnut oak, willow oak, beech, red maple, tulip poplar, sweet gum, mountain ash, red cedar.

Native shrubs were deodar, camphor, service berry, dwarf shad bush, sassafras, redbud, dogwood, Canadian plum, crab apple, holly, sweet grey beard, yucca, huckleberry (three varieties), pink and white for bloom and small red leaf variety), American black olive, cherry laurel, viburnum black haw, red haw, sparkleberry, sweet holly, glossy leaf holly, myrtle, leaf holly, lisa (sweetapple), stewaria, sweet myrtle, witchhazel, hypericum, yucca mariana, lonicia ligustrina, lonicia (piris lucida), mountain laurel, kalmia hirsuta, wild azaleas, styrax grandiflora, styrax americana, silver-bell, leucothoe, honeysuckle, woodbine, clematis, clematis, yew, viburnum dentatum, viburnum acerifolium, viburnum nudum, calliopsis, sweet shrub, chokeberry, elder, buckthorn, bear grass, buckeye, ceanothus (microphyllus), pawpaw.

Mingled with the native trees and shrubs to produce the desired effect are such cultivated plants and flowers as oak leaf hydrangeas, nandina, loquat, crepe myrtle, althaea, kerria, azalea Japanese, cape jasmine, deutzia, robinia, snowberry, anthony water spirea, thumbergia spirea, blitardi spirea, Van Loutlei spirea, spirea prunifolia, evergreen euonymus, abelia, flowering almond, flowering peach, pyracantha, forsythia, Japanese quince, butterfly bush, English dogwood, lilas, Ligustrum waw (japonicum), Ligustrum lat (Hicudum), pittosporum, January jasmine, Indian hawthorne, cabbage palm, elaeagnus, camelia, japonica, weigela, roses, beautybush, callery, oleander, boxwood, royal poinciana, mock orange, Chinese holly, hiphub cranberry, viburnum tinus, hibeus, wisteria, ivy, golden euony-

phon, an application of lime or phosphate will help on most soils. Both may be applied with the assurance that they will not be lost by erosion or leaching. Such steps are the beginning of a real soil improvement program."

The county agent pointed out that well-protected outlets should be built for all terraces. In most cases, a good sod of some of the closer growing grasses or legumes will serve as a good outlet. For others where the slope is very great at the end of the terraces, it may be necessary to build a stone or wooden outlet to protect the soil from erosion.

The Agricultural Adjustment Administration offers payments to farmers for construction of terraces built to the proper specifications, the county agent reminded. Through this program, he said, farmers are paid for protecting their own land.

## Georgia and Florida R.R. Brings 'Better Pork Special' Here Nov. 5

Motion Picture On Hog Raising To Be Shown

The "Better Pork Special" train of the Georgia & Florida Railroad will be operated during week beginning Monday, Oct. 31, through Nov. 5, 1938 and demonstrations will be shown at eleven stations on the line of its rail road, serving the farmers and vocational students in twenty-one counties in our State. The eighteen County Agents located in those counties are cooperating with the thirty six Vocational Agricultural Teachers serving some forty three Vocational schools in which vocational agriculture is taught.

The Educational Institutions of Georgia very readily are cooperating with the Georgia & Florida Railroad in this venture. According to State Supervisor of Vocational Agricultural Education, Hon. L. M. Sheffer, of Athens, Ga., this gives his branch of Agricultural Education opportunity to reach more interested young boys who are F. F. A. members, and more adult farmers than they could possibly reach by any other plan.

It is also understood that Mr. H. McDowell, manager for Swift & Co., in the southeast, strongly recommends that all farmers, vocational students, and members of F. F. A. and American Junior Farmers, take advantage of the opportunity afforded by this train to learn an interesting and practical method of raising hogs profitably by keeping them free from parasites. Mr. McDowell says, "This program should have the commendation of every farmer and business man in the South."

A talking moving picture of the suggested plan for raising parasiticide hogs will be shown in Statesboro at the Georgia and Florida Freight warehouse on Saturday, November 5, at 3 P. M.

The meeting is entirely free, no admission will be charged, and no obligation is attached to anyone who attends.

Mr. Jones Purcell, Swine Specialist, Agricultural Extension Service Department, associated with the Coastal Plain Experiment Station at Tifton, Ga., will be on the program and explain the feed crops necessary to make this plan successful.

Mr. J. N. Griner, Grading and Marketing Specialist, from the Extension Service Department of the Agricultural College at Athens, Ga., will be on the program and discuss grading and marketing.

Mr. J. Frank Olliff, soliciting freight agent, Georgia and Florida Railroad, states that an exhibit car will be open at the freight station from 2 until 5 p. m. so that the entire plan might be seen.

It has been said by those who have witnessed the showing of this talking motion picture that it is worth more to the farmer interested in raising hogs at a profit than any other service that has been extended to our farmers in the past. All interested are cordially invited to attend this meeting. There will be no admission charge.

## FIRST DISTRICT G.E.A. AT TEACHERS COLLEGE

SAFETY DEMONSTRATION BY LT. PERRY OF STATE PATROL THIS AFTERNOON AT 2 P. M.

Statesboro is host today to the teachers of the First District Georgia Education Association which met this morning at 10 A. M. at the Teachers College.

Dr. R. J. Kennedy of Statesboro, member of the State Board of Education gave the address of welcome after Dr. C. M. Coakson had given the invocation.

Dr. Kennedy's welcome was followed by the introduction of the G. E. A. officers by Mr. R. L. Ramsey, of Atlanta, the state secretary.

Mr. W. J. Andrews of Toosa, Georgia, the president of the Association, introduced the principal speaker of the meeting, Dr. Arthur Raper of Agnes Scott College, Atlanta.

This afternoon at 2 o'clock Lt. Perry of the State Patrol will give a safety demonstration. Afterwards Mr. J. R. McClelland of Savannah will distribute literature on Credit Unions.

The balance of the afternoon program will be given over to department meetings divided into three groups.

A. H. Gann will preside over the music group, discussing how to start and operate public school music in small medium schools. Lola Stevens, Supervisor of Music of the Chatham County Schools will be the speaker and demonstrate for this group.

L. L. Perry of the State Department of Education will preside over the Visual Education group. Actual demonstration of a visual education program in any school will be given.

Miss Shaw, speaker and Mrs. John Dyer of Savannah will be in charge of the Health department, and will give an outline of a health program suitable for schools and filling State requirements.

Dr. John Dyer of Armstrong College, Savannah, will be in charge of the Physical Education group.

MISS MILDRED LLOYD TO BE CHIEF OF WELFARE WORKER IN BULLOCH

Miss Sarah Hall, Director of the Bulloch County Welfare Department, announced this week that a new Child Welfare worker will be assigned to Bulloch county. Miss Hall is expecting Miss Mildred Lloyd, of Dalton, Ga., here on November 7. Miss Lloyd came here from the Whitefield County Welfare Department and will make her headquarters in Statesboro. She will take the place left vacant by Miss Dorothy Potts who was transferred to Columbus the first of September.

STATESBORO LIVESTOCK COMMISSION MOVES 1,052 HOGS AND 162 CATTLE LAST WEEK

Mr. F. C. Parker, Jr., manager of the Statesboro Livestock Commission reported that his last week livestock sales moved 1,052 hogs and 162 cattle.

According to Mr. Parker, top hogs brought \$7.25 to \$7.45. No. 2's \$6.50 to \$7.00; No. 3's \$7.00 to \$8.00; No. 4's \$7.00 to \$8.25; No. 5's \$7.50 to \$10.00; and all good feeder pigs from \$4.00 to \$7.00.

Top cattle, \$7.00; medium, \$6.00 to \$6.75; common \$5.00 to \$6.00; feeders \$4.00 to \$7.00.

HOME COMING AT UNION CHURCH

The Union Methodist Church, about 7 miles north of Statesboro, held its annual Home-Coming services Sunday.

## Grand Jury Recommends Representatives Amend Act Creating Tax Commissioner To Make Commissioner Ex-Officio Sheriff

### Library Board Hears Report

1,862 VISITORS AT LIBRARY DURING SEPTEMBER READING 2,582 BOOKS

At the meeting of the Bulloch County Library Board Friday it was agreed to allow the Chamber of Commerce the use of the Library as an information bureau.

Following a report on the negro branch of the library made by Dr. M. D. Dester, the meeting was recommended that this branch try to find free quarters for the library and to spend the money thus saved in rent to buy new books.

According to the report of Mrs. Nan Edith Jones, librarian, 1,862 people visited the library during the month of September and 2,582 books were circulated.

The report pointed out that each school in the county is served by the WPA librarian, Leon Holloway once each month with a new set of books. The board voted to spend \$25 on books for the rental shelf at once.

The members of the board present at the meeting were, Miss Eleanor Ray, Dr. C. M. Dester, Mrs. W. A. Groover, Mrs. Ernest Womack, Mrs. J. O. Johnston, Mrs. F. W. Hughes, Mayor J. L. Renfro, Leon Holloway, Mrs. D. D. Dester, Mrs. A. J. Money and Mrs. F. W. Hodges.

AMERICAN LEGION TO MEET HERE TONIGHT

The members of the American Legion will meet tonight at eight o'clock to complete plans for the Armistice Day program.

The Vocational Guidance department meeting. Simple explanation will be made of three ways the vocational guidance program is being carried out now in schools.

4,300 Feet To Be Paved; Work Began Tuesday

Work began yesterday (Tuesday) on the paving of Zettertower Avenue. According to a resolution adopted by the City Council and signed October 25 provision has been made to pave Zettertower Avenue from the intersection of Hill Street to the North line of the right of way of the Savannah and Statesboro Railway, an approximate distance of 4,300 feet.

The petition dated October 14 asking for the paving is signed by 41 property owners on Zettertower Avenue.

The paving from Hill Street to East Main Street, a distance of 575 feet will be thirty-three feet in width including curbs and gutters. From East Main St. to Savannah Avenue, a distance of 525 feet the paving will be thirty-four feet in width, including curbs and gutters. From there to the north line of right of way a distance of 512 feet the paving will be twenty feet in width without curbs and gutters.

From Hill street to the south line of F. W. Darby's residence lot the paving will be constructed of pebble top-half inch cold mix asphalt surface treatment. From there to the north line of the S. & S. Railway right of way the paving will be constructed of pebble top-half inch cold mix asphalt surface treatment. From there to the north line of the S. & S. Railway right of way the paving will be constructed of pebble top-half inch cold mix asphalt surface treatment.

All the curbs and gutters, side walks and street intersections are to be of concrete.

Necessary turnouts for street and alley intersections and private driveways and storm and sanitary drains will be provided. The sidewalks will be about five feet wide.

The work on this paving is under the supervision of WPA.

### Thinks Tax Collections Would Be Better In Hands Of One Person

### S. H. S. GYMNASIUM IS APPROVED BY P. W. A.

BUILDING TO BE 120 FEET LONG AND 88 FEET WIDE AND WILL SEAT APPROXIMATELY 1,000 PEOPLE

The gymnasium for the Statesboro High School has been approved according to an announcement made this week by Mayor J. L. Renfro.

Mayor Renfro received telegrams from Senator Walter F. George, Congressman Hugh Peterson and Regional Director H. T. Cole of the PWA, stating that this branch try to find free quarters for the library and to spend the money thus saved in rent to buy new books.

The plans of the gym call for a building to seat approximately 1,000 people. The building will be 120 feet by 88 feet and will house a basketball court, gymnasium, with four dressing rooms, showers, etc.

The total cost is estimated at \$28,440.

### Meeting For Home Demonstration

MISS ELVIE MAXWELL WRITES LETTER ANNOUNCING MEETING TOMORROW (THURSDAY) AFTERNOON

Dear Club Member: With so much electric line in Bulloch County I know that you are vitally interested in the efficient use of electricity in the home and on the farm. To help us with these problems I have planned a meeting which is to be held in the high school auditorium on November 3rd, at three P. M. Miss Willie Vie Dowdy, Home Improvement Specialist of the Extension Service, will give a demonstration on the use of electricity in the home. Miss Evelyn

## Statesboro Blue Devils "Hurry Home" After Defeating Wrightsville Tigers 20-13 To Prepare For Another Hard Foe Here Friday

Blue Devils Battle Improved Reidsville Eleven  
On Lighted Field Here Friday Night At 8 P.M.

CLIFF PURVIS INTERCEPTS PASS  
AND RUNS 60 YARDS IN OPEN  
MINUTES OF SECOND HALF TO  
SCORE

It was one of those "knock down and drag out" and the best man stays in the longest" affairs in Wrightsville last Friday afternoon when the Blue Devils from Statesboro had defeated Wrightsville 20-13. This was the first defeat for Wrightsville in a total of eight years.

The game was featured, other than the intervening squabbles, by a sixty yard run by the Blue Devils ace end and star defensive player, "Cliff" Purvis, on the third play in the second half, faded back to cover a Wrightsville end in the flat zone, intercepted the pass and streaked the sixty yards without a man trying a hand on him.

The Blue Devils were outplayed as far as the statistics show but they buckled down when it was necessary and held the Wrightsville Tigers on the two foot mark late in the fourth period to keep them from tying the score.

The brilliant playing of Cliff Purvis was without a doubt the spark plug for the whole Blue Devil squad. The fine playing of Nathan Jones at guard and the excellent kicks that he got off on the kick-off was another dominating feature of the Blue Shirts game. Roy Hitt at tackle, played good ball on defense and Charles Layton and Davis Barnes, who were backing up the line on defense did a fine job of it. The majority of the running plays of the Wrightsville eleven was over the line and Davis and Charles were right there to meet the Tiger backs.

Statesboro's first score came early in the game when Wrightsville attempted to punt and the kicker was rushed by the Blue Devil forwards and the ball went straight up. After a line play carried the ball down to the 30 and a pass over the line failed, John Smith faded on the next play and passed over the goal line into the end zone where Purvis was waiting for it. Smith again passed to Purvis for the extra point.

Statesboro kicked off to Wrightsville, Nathan Jones really put his toe into the ball and it went down to the 5 and a Tiger back brought it back fifteen to the 20. Three plays later Wrightsville punted and Edwin Groover, playing the safety position, made a breath taking catch and ran the ball back from the forty-five to the twenty. Again the Blue Devils had the ball in scoring position and they took advantage of the break and in a few plays Joe Tillman drove over the line for the score. The try for the extra point failed and the score at the end of the first quarter was Statesboro 13, Wrightsville 0.

After the first quarter, the Wrightsville boys after being taken by surprise by such a scoring spree, took things into their own hands and from then on it was their ball game. They scored with ten seconds left to play in the first half.

In the second half Statesboro kicked off to Wrightsville and three plays later Cliff Purvis wrote "finis" as far as Statesboro was concerned. It was then he intercepted the pass and ran, unopposed for sixty yards, to score the Blue Devils final touchdown.

After this Wrightsville seemed to get furious (please take that in the right manner) and they brought on such a passing attack as the Blue Devils have never been up against. The passes were flying everywhere and early in the fourth quarter after several completed passes, Wrightsville drove over from the 2 yard stripe for their second score.

Again late in the fourth period they worked the ball down to the two foot line and had four downs to make it in and on the first down Cliff Purvis recovered a fumble and the ball went over into the Blue Devils possession and five plays later the ball game went to Statesboro and Wrightsville was beaten for the first time in eight years in their own backyard.

And if it is permissible, this correspondent would like to say one thing. We believe that it is very easy to understand why the Wrightsville football team has not been defeated in the long period of eight years on their own playing field.

to be. Johnson has been sending his squad through tough workouts in order to be ready for another tough team Friday night when Jake Riggs brings his football eleven over from Reidsville to tangle with the Blue Devils.

In the game last Friday, more Blue Devils were hurt, than in other games of the '38 season. But they were all back in uniform today and they are working hard to regain their physical standard of the past.

Jake Riggs will bring with him a much improved ball club Friday. On last Friday afternoon his team held the Lyons powerhouse to two touchdowns.

Coach Johnson stated Monday morning that he regards this game with Reidsville to be as tough as any of the past games and any of the ones following it.

Statesboro High is undefeated and tied once. With the game Friday night, Millen on the eighteenth and Sylvania on the day before Thanksgiving, the Blue Devils will wind up the season, unless they play for the championship.

### Mars Invasion

(Continued from Page One)

ther bulletins reported the terrible conditions which resulted from the "invasion," then the Martians were attacked and soon destroyed by some of the earth's germs to which the "earthlings" were immune and the earth became once again a safe place upon which to live.

The program was so realistic that listeners throughout the nation became panicky and actually began to leave their homes in metropolitan areas seeking what they thought might be a safe refuge.

In Birmingham people gathered in groups for prayer. In Memphis weeping women were trying to learn additional "facts." Residents in Jersey City, N. J. sought police for gas masks. Hundreds of people fled into the streets. Officials of electric companies were urged to turn off the lights so that the enemy could not find them. People in Atlanta began worrying about the "end of the world" being at hand.

The dramatization was so realistic, that despite four interruptions during the radio play announcing that "This is purely a fictional play" people refused to be calmed.

CARD OF THANKS

Mrs. Arthur Howard, general chairman of the P. T. A. Carnival wishes to thank everyone who contributed so generously of their time and substance toward making the annual carnival a great success.

# THE BULLOCH HERALD

DEDICATED TO THE PROGRESS OF STATESBORO AND BULLOCH COUNTY

VOLUME 2

STATESBORO, GEORGIA WEDNESDAY, NOV. 9, 1938

NUMBER 34

## BULLOCH SUPERIOR COURT CONTINUES INTO THIRD WEEK

EDWARDS WAS ACQUITTED ON CHARGES OF MANSLAUGHTER; ONLY ONE MURDER CASE ON LAST WEEK'S DOCKET

Superior Court is still in session with a large number of criminal cases to be tried.

The October term convened here on Monday, October 24, the first regular session of Superior Court in this county since October of last year. The civil docket was heavy and practically the entire first week was devoted to the trial of civil cases. Last week, the second week, many criminal matters were handled. Burglary was by far the most conspicuous charges with fifty-four cases being imposed in 8 cases.

The burglary of the Eli Kennedy Store at Reidsville resulted in fifteen years for Tuggle Smith, twenty years for Bill Hodges and one year for John Pittman. Reuben Servant who was charged in two cases with entering stores in Statesboro drew five to ten years in each of the cases.

There have been several assault cases, with only one murder case on the docket. Prince Lee, colored, was given life imprisonment for murder. The court spent last Friday on the case of the State against W. E. Edwards, charged with manslaughter. Edwards was the driver of an oil truck that collided with a car driven by B. I. Lowe, last November near Peralta. Mr. Lowe died from injuries sustained in the wreck and his wife died several days later from the same wreck injuries. Edwards was acquitted.

## Memorial Service For Mrs. Landrum

Mrs. Phil Landrum, 45, daughter of the late Mrs. C. M. Landrum, died Saturday night. Mrs. Landrum suffered a stroke early Friday from which she never rallied.

Mrs. Landrum is survived by her husband, P. D. Landrum; a daughter, Mrs. Sarah Hasselt of Athens; two sons, Phil Landrum, Sylvania and James Landrum, a student at Mercer University, Macon; a sister, Mrs. J. R. MacMurray of Tacona, and a brother, G. H. Mitchell of Tallahassee, Fla.

A memorial service was held at the College auditorium Sunday morning, with Dr. C. M. Coulson, pastor of the First Baptist Church, officiating. The members of the student body were active pallbearers. Burial was at Martin, Ga.

## FIRST DISTRICT PRESS ASSOCIATION TO MEET IN REIDSVILLE NOV. 14

The fall meeting of the First District Press Association has been tentatively for Monday, November 14, in Reidsville. The association members will be entertained jointly by the Tattall Journal, the Reidsville Chamber of Commerce and the city of Reidsville.

Announcement of the program will be made at an early date. Miss Frankie Trappell, editor of the Metter Advertiser, is president of the association.

## TWO CARLOADS OF PECANS SHIPPED FROM STATESBORO BY ONE BUYER

E. L. Akins, local buyer of pecans shipped 65,000 pounds of pecans in two railroad cars, from Statesboro on Saturday.

They were enroute to St. Louis. Mr. Akins estimated that he will handle more than 250,000 pounds of nuts during the present season. The shipment of nuts consisted of Stewarts, Monymakers and Seedlings.

## ARMISTICE DAY PROGRAM AT BROOKLET METHODIST CHURCH SUNDAY

BROOKLET, Ga. — Next Sunday morning at 10:30 O'clock at the Methodist Sunday School hour an Armistice Day program will be presented by a number of the pupils who attend the Methodist Sunday School. The program is in charge of Mrs. John A. Robertson.

## Mayor Renfro Issues Proclamation On Red Cross Roll Call Nov. 11-24

Each year, Americans in every community are called upon to take part in a great nation-wide movement to relieve human suffering and raise health standards in this country. I refer to the word done by the Bulloch County Chapter of the American Red Cross and thousands of other chapters throughout the country.
