This Week's Sentence Sermon

Take your duty, and be strong in it, as God will make you strong. The harder it is, the stronger in fact you will be. Understand, also, that the great question here is, not what you will get, but what you will become. The greatest wealth you can ever get will be in yourself. Take your burdens and troubles and losses and wrongs, if they come they must and will, as your opportunity, knowing that God has given you for greater things than these.—Horace Bushnell.

Last week in our Register School news we found a piece written by Carolyn Bowen of the seventh grade. It is entitled "How I Can Be a Better School Citizen" and reads like this:

"There are a number of things which I can do to become a school citizen, such as: being obedient respect others, obey the school rules and teachers, take part in school activities if it doesn't interfere with my studies, attend school every day if possible, and be a good citizen in playing games. "If I do these things I can become a better school citizen."

Apply these simple rules to our business and our homes and we automatically become better citizens of Statesboro and Bulloch county. As simple as that.

Georgia state troopers haven't a grudge against Dan Cupid but they won't cooperate when it comes to closing their eyes to those "petters" who weave down the middle-of-the-road or park after dark. They cause three percent of the state's fatal accidents so the troopers are making cases against them.

Cash income of American farmers for August was 13 percent greater than that of July, according to an estimate made by the U. S. Department of Agriculture. The August total was estimated at \$643,000,000, including \$601,000,000 from farm marketings and \$42,000,000 in government benefit payments. This compares with July's total income of \$570,000,000, and that of August last year \$638,000,000. The Department estimated the farm cash income for the January-August period of this year at \$4,594,000,000 compared with \$4,612,000,000 for the same period in 1938. Government benefit payments for this period totaled \$492,000,000, in comparison with \$306,000,000 last year.

With the street signs up we would now like to see the homes and business houses numbered. That should be a matter of private concern. Numbers can be put up at very little cost and it would prove helpful to all.

Zetterower's paving is about completed. It makes a very pretty street.

There is no season when such pleasant and sunny days may be lighted on and produce so pleasant an effect on the feelings, as now in October. The sunshine is peculiarly genial; and in sheltered places, on the side of a bank, or of a barn or house, one becomes acquainted and friendly with the sunshine. It seems to be of a kindly and homely nature. And the green grass strewn with a few withered leaves looks the more green and beautiful for them. In summer of spring nature is farther from one's sympathies.—Hawthorne.

The Baptists of Statesboro are planning a big day Sunday. This Rally Day is an annual event which brings together more than six hundred people to hear Edwin S. Preston a speaker noted for his understanding of the problems of youth.

The Parent-Teachers Association is putting on a drive for new members next week. Governor Rivers has proclaimed that week a state-wide PTA week; and too much emphasis cannot be placed on the value of the work done by this organization. It serves as the binding link between the teachers and the parents of the children they teach. It is the duty of every mother and father too, to become a member of this organization and know what is going on at their children's school.

D. B. Franklin, Hinton Booth, John L. Johnson and Mrs. Jesses O. Averitt, secretary.

Miss Rosa Lee Hendrix, age 18 years, daughter of Mr. and Mrs. E. L. Hendrix, of the Lockhart district, was awarded first prize Saturday in the county-wide 4-H Club health contest. She is a student of Mixon School.

The statement of the Sea Island Band shows that its deposits are \$302,347.14. Its loans are \$181,652.78.

Barbs Of The Brair Patch Philosopher . . .

Dear Editor:

I WAS IN TO TOWN last week to court and I was a setting out there in the court house yard on the bench where Mr. Cartledge generally sits. I just set there and watched the people come and go. I got to thinkin' (you know I've been doing a right smart of thinkin' since I been writing in to you. I kinda like the feeling) but to get on with what I was thinking. I was thinking about Statesboro. Have you ever set down and figured out about Statesboro? I got it figured out this way. Just a small town where the people can't brag about their faiths, hopes or charities, where reputation and character means the same thing, where front is a great part of a building, where you stand up for your rights instead of sitting down for them where the neighborhood is 100 miles long and neighborliness is 100 miles deep, where a friend indeed don't sit and wait for your need, where the telephone book is your "Who's Who", where the U. S. Census is your Social Register, where the Mayor and the town bum know each other by their first names, where they don't carve anything on your tombstone that they wouldn't say to your face; where they go out with their own wives and like it; where a stranger's a stranger only because he

wants to be; where a ham is something you serve with chicken, where the sheriff asks about your family as he takes you to jail; the judge will loan you 20 dollars to pay your fine (mabe) and the neighbors are glad to see you back when you get out; where you don't have to tip your barber for cutting what little hair you got left on your head, and where people like me can come to town and set here on the court house square and say what I think.

IT'S A GREAT PLACE, is Statesboro. Sometime I tell Mama that we oughta move but Seldom says not. He says there's a great future to farming. But I don't know. Last week some young squirt came out to our place selling some magazine which he said would tell me how to improve my farming one hundred per cent, I told him 'twant no use cause I don't farm half as good as I know how now.

YOU KNOW THAT bunch down in the Bay District really started something didn't they. They got a sensible argument too. But likely they won't ever give up to Bryan. The politicians that figure that they the Bay in the bag won't let 'em and imagine the Bay getting all hot and bothered over politics in Bryan county. They ain't no politics like we have in Bulloch.

Loose Screws In The News---

Henry Fort Dunham of Ludowici, who will round off his eighteenth year in March, believes that he is the oldest regular Sunday School boy in the state. Dunham started at the age of six, and according to the octogenarian, he liked it so well that he has hardly missed a Sunday since. The Ludowician may be found at all times with a lesson book in his pocket, and is often consulted as to the next week's lesson.

Workers razing a Vidalia warehouse, discovered in the foundation, recently, a bottle of Scotch whiskey, which had been cashed in the walls of the old structure when the plant was constructed some 25 years ago. The laborers who discovered the old-style "petticoat-covered" bottle of spirits would no doubt advocate that more such useful gifts be placed in cornerstones of future buildings to make razing of such edifices interesting.

The adage, "A rose by any other name would smell as sweet" would surely hold if the rose bush contained a mammoth honeysomb, such as one belonging to Gilbert Cole of Carrollton. This amateur horticulturist has unwittingly come across a method to enhance the beauty of this flower by adding the factor of taste; the taste being supplied by work of the numerous bees which used the rose bush for their hive. A witness described the honeysomb as being "big as a nail keg."

An obliging victim of a bicycle theft, Lee M. Prussia of Alma made the amazing statement recently that if the culprit would call by his home he might receive the stand and horn which went with the vehicle. "I have no further use for them now," Prussia remarked.

Sages of Vidalia have predicted "frost within ten days" and few residents have ventured to doubt that their prognostication is authentic. For hayfever sufferers have discovered that the "dog fennel" is in full bloom. According to the weather prophets, the first frost is sure to follow within at least two weeks.

Numbers of these books have had additional circulation since they were checked out by teachers and used by several pupils in the grade. These statistics do not include County Library books, many of which have been used by teachers and pupils. Every pupil in Register High School is being encouraged to provide himself with a card and to become a regular borrower of the Bulloch County Library.

All's Fair...

Looking at a blank sheet of paper and waiting for a beneficent muse to come to my aid, I was about to give up in despair when a cooling breeze came out of the west and somehow I realized that cooler weather was the inspiration I needed. Just like a good nip of autumnal weather is what our merchants need to start those winter coats and suits down the road of all good merchants.

Isn't we glad to see these college students back with us? They're a mighty good looking bunch of young folks, and the girls are nifty dressers too. At church Sunday I saw a girl with soft red curls—the lasses candid red—under a hunter's green velvet hat and her tailored suit was very green. The favorite color of apple green seems to be some wine shade with variations from a sort of cerise to a deep magenta. Chartreuse still sneaks in a bit—Mrs. Billy Cone wears a hat with chartreuse plummy tips and a fluff of chartreuse veil—Saw Jewel Vandiver in a wine frock with a black hat sitting atop her carefully arranged blond hair reminding us of Anita Louise. About every third person we've seen dressed up lately had on a black dress which is very convincing to me, for I've only recently indulged in a black frock myself, because I wanted to drape myself with all these bangles like a gypsy and Fannie Mae says black is the best background for costume jewelry. Seems to me I've seen several of our townpeople lately looking mighty good in black frocks—Willie Groover has one and she uses gold costume jewelry with hers and wears a black hat with a flaring brim and bands of gold. Lavinia Floyd radiates charm in a chic suit with a black basque coat and black and white checked skirt. Ulma Smith has a hat with a nodding ostrich plume right over her forehead every bit as handsome as the hats worn by the guards at Buckingham palace.

Now that I've mentioned our ladies the men must not be left out. Once last week while the skies were overcast I saw Fred Lanier (The Colonel) emerge from the Court House as sartorially correct as Neville Chamberlain and carrying an umbrella folded quiet as neatly. As that famous Chamberlain umbrella. And there was Alfred Dorman in a suit almost green—When questioned "Why didn't you pay a dollar more and get a green suit?" the answer came quick as a flash "I lacked another penny."

Saw little Anne Lamb strolling down the street with blond curls bobbing under the watchful eye of grand mamma Kate.

Glenn Jennings Jr.'s recent birthday party assembled a bevy of future beaux and belles. Ruth Beaver was there to help Tixie keep them entertained. Saw George Bean arrive to escort a very animated Linda home. Many of our little boys are heart broken because Jo Ann Peak is leaving town. She is quite a favorite with her school mates who will miss her in many ways. We could always count on Jo Ann helping out, singing and dancing on our programs. Mary Lee will be missed too. We've always enjoyed hearing her play popular music.

Scene—The lovely re-decorated dining room at the Jackel Hotel. Personnel—About fifty members of the Statesboro Business Girls' Club.

Presiding—Menza Cummings as suave and sure of herself as some State presidents we have seen—Neil Dougherty conducting a sort of chain lightning conversation down her end of the table. Anne Williford holding the money box and counting noses and two scared men, A. M. Braswell and Josh Lanier, both eloquent orators when facing a masculine audience but a little bit bashful in the face of so much feminine pulchritude.

Reports—Ruby Lee Jones told about the easiest ways of making money, and Sara Hall told about adopting a family of twelve, and all the time Mrs. Charlie Howard gave a running accompaniment on the piano. Oh, I can assure you that it was a great evening! If this club keeps on like it has started out during the six months it has been organized it will make

Mrs. Glenn Jennings was a visitor in Savannah Friday. Mrs. Stubbs of Jacksonville, Fla. was the guest last week of Misses Sadie and Gussie Lee.

Mr. and Mrs. Grady Attaway and children, June, Ann, Nancy and Josephine and Mr. Attaway's mother, Mrs. R. W. Arnold spent the week end in St. Augustine. While there they visited the Marine Studios.

Spending Wednesday in Savannah were Mrs. Devane Watson, Mrs. Grady Attaway and Mrs. Percy Bland.

ENTERTAINED BY MISS ANNIE SMITH

Miss Annie Smith was hostess to the Tuesday Bridge Club Tuesday afternoon at her home on North Main street. Other friends were invited making four tables in all. Cosmos, marigold, ageratum and other colorful fall flowers were used effectively in decorating the rooms where the guests were assembled.

Mrs. Alfred Dorman for high score received a Madeira cover for hot rolls. Mrs. H. P. Jones with low score was given a variety of bulbs.

Miss Smith served her guests chicken à la king, potato chips, saltines, congealed salad and iced tea.

Those playing were Mrs. C. P. Olliff, Mrs. Olin Smith, Mrs. Charles Donaldson, Mrs. H. P. Jones, Mrs. Arthur Turner, Mrs. Frank Grimes, Mrs. Alfred Dorman, Mrs. Frank Williams, Mrs. Dan Lester, Mrs. Harry Smith, Mrs. J. B. Johnson, Mrs. Roy Beaver, Mrs. Roger Holland, Mrs. Horace Smith, Mrs. James Johnson, and Mrs. Henry Ellis.

MRS. LOYD BRANNEN HOSTESS TO BRIDGE CLUB

On Tuesday afternoon Mrs. Loyd Brannen entertained members of her bridge club at her home on Zetterower Avenue. Fall flowers in artistic arrangement were used to decorate her rooms.

Mrs. Percy Bland won high score prize, which was a box of soap. Mrs. Devane Watson winning out received a box of candy.

The guests were served salad, hot tea and lady fingers.

Others playing were Miss Carrie Lee Davis, Mrs. Percy Averitt, Mrs. Harry Johnson, Mrs. Inman Dekle, and Mrs. Grady Attaway.

YOUNG SCHOOL BOYS ENJOY WEAVER ROAST

As a reward for excellent work in school Mrs. J. B. Johnson took four very hungry boys to the Ogechee River for a weaver roast. The boys rating this delightful outing were Jimmie Johnson, Sammie Franklin, Jimmie Wilson, and Paul Womack.

GLENN JENNINGS JR. CELEBRATES BIRTHDAY

On Thursday afternoon Mrs. Glenn Jennings entertained with a party complementing her young son, Glenn Jr., on his fourth birthday.

About sixty of his little friends made merry with him on the lawn at his home on Savannah Avenue. Balloons were given as favors and the little guests were served die cups, cookies, cake and candy.

Miss Isabel Sorrier who is teaching at Homerville spent the week end here with her parents.

Mrs. Linton Lanier, Mrs. W. L. Walker and Mrs. B. H. Ramsey were visitors in Savannah Tuesday.

YOUR NEWSPAPER

... Good light to read it by

Formerly you may have glanced only at the newspaper headlines. Now, with the world at war, you are delving deep into finer print for the details, for fuller interpretation of a fast-changing scene. Keeping the public informed is the newspaper's year 'round job, but in times like these we appreciate and read them more.

Be sure that you have good light for your reading. Give your eyes good working conditions with good light—light that is free from glare, light that is uniform, light that is scientifically correct, in quality as well as quantity. The kind of lighting, in short, that is provided by the New I. E. S. floor or table lamps—especially designed for reading.

"Free Electricity" Will Help

Electricity is now so cheap there is no reason for any home to be without good lighting. In fact, 90,000 Georgia homes can add at least one of the new I. E. S. Lamps—without adding one cent to their monthly electric bills. That is because of the "FREE ELECTRICITY" feature of the new electric rates. But even if you are already using your "FREE ELECTRICITY," the current for an I. E. S. Lamp costs only about a penny a day or less.

Give a thought to your family's eyes—be sure they get good treatment, for they can never be replaced. Ask about I. E. S. Lamps at our store, or buy them from any of our employees.

"For Instance!"

This handsome lamp, approved for scientific correctness by the Illuminating Engineering Society, can be yours, on terms, for \$4.00—\$1 down and \$1 a month.

DEVILS SET FOR SWAINSBORO PROFS IN GRID FRAY SATURDAY

Friday night at 8:15 the Statesboro High School Blue Devils will officially open the 1939 football season with the highly rated Swainsboro High School aggregation.

Word comes from Swainsboro that they intend to hang up a one-sided victory this year over the Blue Devils. Swainsboro has already played two games this year winning each game by a large score. Should Swainsboro win from the Blue Devils Friday night it will be their first victory over a Statesboro High School football team.

The Swainsboro High School team will have plenty of supporters for the game Friday night. More than 100 cars will bring more than 500 people to the game. The strength of the Blue Devils this year cannot be determined. Coach Johnson has only two letters men returning from last year. Coach Johnson states that his first string line up will measure up in weight with any school in the district, but he is sadly lacking in reserve power.

The probable starting Blue Devil line up will be:
Olliff-C. Prosser-R. G. Lovett-L. E. Dickey-L. T. W. Martin-R. T. Harry Pike-L. E. Lanier-R. E. J. G. Martin-Q. B. Higgins-R. H. Groover-L. H. Farr-F.

Officials for the game will be: Referee Steve Maglic, Baxley, Ga.; Umpire, Red Tyson, Claxton; Headlinesman, Joyner, Claxton.

The Statesboro High School band under the direction of Marion Carpenter will be on hand to cheer the Statesboro players on to victory.

4-H CLUB

BOYS TO GO TO CATTLE SALE

Some 50 Bulloch county 4-H club boys will attend the feeder cattle sale in Savannah, Friday, October 6, to buy additional cattle for the show here next spring.

These boys and girls now have about 65 steers on feed that they raised or purchased for the show. The cattle being fed out are of no particular breed. Most of the steers crossed with native cows and purchased beef sires. There are four purchased Shorthorn steers being finished out that will be the first of this breed to be shown by the Bulloch clubbers. Angus and Herefords make up the bulk of the cattle.

Several farmers have also put cattle on feed for the show and are adding steers to the feed lot from time to time.

Cuban Consul To Be Here

The Cuban Consul at Savannah will be the guest of President and Mrs. Marvin S. Pittman and Cuban flags will lead the college band by the side of Old Glory when the University of Havana (Cuba) plays the Georgia Teachers here Saturday afternoon at three o'clock.

Dr. Pittman was once employed by the Cuban government to make a study of their schools. He has a personal interest in the game for that reason and also there is much interest here since several Cubans are enrolled at the college. The game will be more than just an ordinary football game.

Register PTA Plan For Council

Plans for entertaining the Bulloch County Council of the P. T. A. were made at the regular meeting of the Register Parent Teachers Association, held in the Register High School Auditorium, Thursday afternoon, October 5.

The Council will be held in Register on Saturday, October 14. Mrs. Frankie Watson, Miss Emily Atkins and Mrs. Pearl Deal were named the committee on registration.

Reports were made by the various committees and plans for the annual Halloween Carnival were discussed.

The senior class won the attendance prize.

After the business meeting a social hour was enjoyed with Mrs. Frankie Watson, Mrs. L. J. Holway, Mrs. T. H. Herndon, Mrs. Emory Brannen and Mrs. O. E. Gay as hostesses.

"Iron Horse On Rubber" Replaces Mules In Bulloch

The sleek streamlined "iron horse on rubber" has found a home on about 130 Bulloch county farms already and is wandering onto others almost daily. This mule that "stands hitched" when left alone is fast replacing the Maudeas, Becks, and other old reliables.

There was a time when Bulloch county boasted of more than 6,000 mules. The figure is now below 5,000. Each new tractor that finds its way to a farm replaces from two to six more mules. The tractor march is on in Bulloch.

What brought on this machine march? Some say it is the lack of competent farm labor. Some say that the reduced farm income makes it necessary that fewer divisions be made in the crops produced. There are those that claim that the farmers are turning more to producing feed crops for the county. Others claim that they can replace their mule power with cheaper with tractors. They will claim that
