SUBJ: REVISED GRADUATE FACULTY MODEL

I have received the recommendation you communicated on November 24, 2003, from the Faculty Senate regarding the Revised Graduate Faculty Model. Please note that Article III, Academic Administration, Section II, Subsection F of the Georgia Southern University Statutes indicates that the Provost and Vice President for Academic Affairs shall "be responsible for appointment of faculty members to the Graduate Faculty based upon recommendations from the college dean."

To bring the model into compliance with Georgia Southern University statutes, I approve the Revised Graduate Faculty Model with the addition of a signature line for the Provost and Vice President for Academic Affairs on the approval form (between the Graduate Committee and Graduate Studies Dean signature lines) and the addition of number four under *Nomination Procedure* to read, "Nomination materials endorsed by the Provost and Vice President for Academic Affairs."
