TO: Dr. Rob Pirro, Chair, Senate Executive Committee

FROM: Jaimie Hebert, Ph.D., President 

DATE: November 29, 2017

SUBJECT: **November 27, 2017, Faculty Senate Recommendation:** New Policy for Limited Grade Forgiveness

Following review of the recommendation adopted by the Faculty Senate at the November 27, 2017, Faculty Senate meeting, as provided in your memo of November 28, 2017, I have approved the motion below presented to the Senate.

Motion:

The Academic Standards Committee recommends that the University adopt a policy for limited grade forgiveness. The SEC moves to accept the recommendation of the Limited Grade Forgiveness Policy.

Rationale:

OWG 6-6 recommend that the new Institution adopt a policy on repeating courses that is modeled after the current Armstrong State University policy on repeating courses. OWG 6-6 also recommended the new Institution formulate recommendations for a limited grade replacement policy. The Academic Standards Committee along with our counterparts from Armstrong was charged with drafting these policies for the new Georgia Southern. The attached policy drafts have been co-created with our colleagues and passed by at least a majority voted by both voting bodies as policy drafts to move forward to our respective Faculty Senate.
