Box 8042 Biology Dept.
GSU

Dear Ann,

I am leaving these nine books with you as a donation to our library. Please see if these are already present in our Library. If they are not please include them if you can.

- (1) **Biology of the Fungi - Ian K. Ross** (Not in GSU Library)
- (2) **Mechanisms of Microbial Disease - M. Schaechter et.al.** (Not in GSU Library)
- omit X (3) **Plant Biochemistry - Bonner and Varnez** We have in GSU Library
- (4) **Modern Food Microbiology - James M. Jay** (Not in GSU Library)
- (5) **Mycology For the Clinical Laboratory - Gary S. Moore** (not in GSU Library)
Douglas M. Jaclow
- omit X (6) **Microbial Ecology - Alexander 1971** (In GSU Library)
- (7) **Cryptogamic Botany Vol.2 - Smith 2nd Edition 1964** - (We may not have)
- I am giving you 1964 ed. ← (8) **Morphology of Vascular Plants Lower Groups - Eames** We have 1936 edition
- omit X (9) **Animal Tissue Techniques - Gretchen L. Humason** (we have in GSU Library)

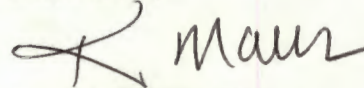

Ann

I looked up the books after typing this letter. Maur -

Note: The ones omitted I look back home Dr Maur

If you do have these books I will prefer to get them back.

Sincerely,

Dr. Kishwar Maur
