FYE 1000, 1220, and 1410 are excluded since these are taught on an overload basis external to the faculty home department; however, course overloads in departments are included. Also excluded are GOML franchise faculty, adjunct faculty not to be confused with part-time faculty paid on a course-by-course basis, and administrators who teach an occasional course.

FYE 1000, 1220, and 1410 are excluded since these are taught on an overload basis external to the faculty home department; however, course overloads in departments are included. Also excluded are GOML franchise faculty, adjunct faculty not to be confused with part-time faculty paid on a course-by-course basis, and administrators who teach an occasional course.

FYE 1000, 1220, and 1410 are excluded since these are taught on an overload basis external to the faculty home department; however, course overloads in departments are included. Also excluded are GOML franchise faculty, adjunct faculty not to be confused with part-time faculty paid on a course-by-course basis, and administrators who teach an occasional course.

FYE 1000, 1220, and 1410 are excluded since these are taught on an overload basis external to the faculty home department; however, course overloads in departments are included. Also excluded are GOML franchise faculty, adjunct faculty not to be confused with part-time faculty paid on a course-by-course basis, and administrators who teach an occasional course.

FYE 1000, 1220, and 1410 are excluded since these are taught on an overload basis external to the faculty home department; however, course overloads in departments are included. Also excluded are GOML franchise faculty, adjunct faculty not to be confused with part-time faculty paid on a course-by-course basis, and administrators who teach an occasional course.
