 - White House Initiative
 - Central American Community Impact Exchange Program
 - Harvard University
 - Kennedy School of Government
 - California State of Association of Counties

COMMUNITY PARTNERS FEEDBACK

- “I have had the opportunity to hear some outstanding presentations and can honestly say that the [GAME] presentation last evening was one of the best I have heard in my 14 years teaching.” Frances Kroh, Brandman University Instructor, Retired Director for Riverside County Probation Department.
- “The [GAME] presentation is astonishing and precisely what we need for our community, in such difficult times, to help raise our children into becoming successful adults.” John Zickefoose, Corona-Norco USD Board of Education Member
- “I haven’t seen anything like this in the 15 years I have been providing services for these youth. One hour with your [GAME] team is worth so much more than spending hours here in counseling.” Darius Augletto, Program Manager, New Beginnings Addiction & Recovery Center
- “[GAME] has developed a parenting program I believe is excellent. If I were the education czar, I would require every parent to attend [t]his program.” Roger Luebs, Judge of the Superior Court, formerly assigned to the Juvenile Division
- “Wow! The message presented was not only powerful, but really sent the message that involvement in gangs is not the right choice to make in life...I bet more than a few kids were saved yesterday.” Karen Wufflestad, School Counselor, Boulder Ridge Middle School
