A. Experiences:

INSTRUCTIONS: For 1- 10, list your answer & briefly explain anything not self-explanatory.

1. Where have you lived up until coming to college?
2. Where have you studied (high school and any post high school) before coming to CIU?
3. Where have you traveled/visited outside of the US?
4. What sports have you played (or still play) regularly?
5. Where, for how long, and to what degree have you been involved in a local church up to now?
6. List some books you have read twice or more.
7. List what you have read in the past six months or so (books, magazines, newspapers, or blogs, news sources or discussion groups on the web that involve a significant amount of reading).
8. List what movies you have watched recently (in the past six weeks) in a movie theater.
9. List some topics on which you have written research papers. When and where did you write these papers? (What school, or for what class did you have to write them?)

B. Interests:

because _____

INSTRUCTIONS: For 6-10 give your answer and explanation in two or three sentences.

6. What is something you could explain or share your knowledge about to a group for at least 10 minutes – without preparation or notes? (Don't worry I won't make you do this...I just want to find out what you know fairly well.)

7. What is something that you would miss greatly if you had to stop doing it or being involved with it for the next 6 months? ("Breathing" or "eating" are not an answer I'm seeking).

8. What websites, blogs, or social media do you enjoy visiting and participating in? (If you do not use the internet much, or at all, say so, and then explain what sort of leisure reading and topics of conversation do interest you).

9. a. How do you keep up with the news, and how much or how often do you learn of current events? (list the publications, stations or channels, websites or people you go to for information)

b. What other current events do you like to keep informed about – sports, fashion, people, etc.?

10. What is your second major (or what majors are you interested in, if you are currently undecided)? Why are you interested in this/these areas of study?

11. List several things about yourself that I have not asked you in this questionnaire but you think I should know about you:
