*International Journal for the Scholarship of Teaching & Learning* (IJ-SoTL) aspires to be an agent and catalyst for SoTL's transforming work for a renewed awareness of and attentiveness to teaching and learning, for questioning assumptions and thinking about teaching, and for systematic and effective ways to improve learning and teaching in higher/tertiary education. IJ-SoTL’s goal is to serve as a crucible or nexus for creating international contacts, conversations, contemplation, and collaborations in connection with SoTL.

Readers can request email notification when each new issue of IJ-SoTL is published by going to: [http://www.georgiasouthern.edu/ijsotl/email_notification.htm](http://www.georgiasouthern.edu/ijsotl/email_notification.htm)

As of the publication of this issue, over 5,800 people from 114 countries have requested email notification about new issues (twice a year).

In this issue authors are from Australia, Canada, China, New Zealand, United Kingdom, and the United States. I also want to thank all the authors who submitted manuscripts that were not accepted for publication. I hope the review process and the reviewers' comments have been of benefit to their SoTL work.

This issue is the 12th issue of IJ-SoTL.
