Implementing SoTL

• Vision statement: Saint Leo University is a leading Catholic teaching university of international consequence for the 21st century
• University follows the Good to Great concept of Jim Collins
The university uses strategic planning.

- One of the Key Result areas is Improving Teaching Pedagogy
- Our president asks, “What is the next Great thing we need to do?”

SoTL is an integral way to reach this KRA.

Our learning throughout this process

- Using technology to reach out to all stakeholders
- Greater awareness helped committee evolve
- Not afraid to build it as we ride it
- Continue to evolve to meet the needs of students and faculty to improve teaching and learning at Saint Leo University
- Change is always hard, but necessary
Shoulder Partner Questions

• How have you increased awareness of SoTL at your university?

• Using Grauerholz’s framework how where would you place your university and why?
