This presentation (open access) is brought to you for free and open access by the Conferences & Events at Digital Commons@Georgia Southern. It has been accepted for inclusion in Georgia International Conference on Information Literacy by an authorized administrator of Digital Commons@Georgia Southern. For more information, please contact digitalcommons@georgiasouthern.edu.
MISSION:
ROTC Cadets will become familiar with RBD Library resources and procedures necessary to conduct future research and study operations as an Auburn University student.

CONCEPT OF THE OPERATION:
- 1 hour 50 minutes
- 4 teams
- Each team appoints a leader
- The leader assigns each team member a task listed on their assignment
- The team has 20 minutes to complete their tasks—using their resources
- Together, the team has 20 minutes to prepare a Back Brief (presentation) on what they have learned to share with the other teams
- Each team delivers a 6-8 minute Back Brief to the other teams

TEAMS:
- The Catalog
- Services at the Library
- People at the Library
- Subject Guides

TEAM RESOURCES:
- Librarian (Bridget or Toni)
- Google
- The Library’s Website
- Laptops
- iPads
- PowerPoint Software
- Projector
- Document Camera
- Printer

MISSION PHILOSOPHY:
We promoted disciplinary thinking within the session by using military jargon, structuring the session to promote teamwork, and making cadets complete their “mission” within strict time requirements.
